WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, 35 BROADWAY HICKSVILLE LLC, a limited liability company organized and existing under the laws of the State of New York (the "Applicant"), presented an application for financial assistance (the "Application") to the Agency, which Application requested that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in a parcel of land located at 35 North Broadway, Hicksville, Town of Oyster Bay, Nassau County, New York (Section: 12; Block: 203; Lots: 1, 10, 41) (the "Land"), (2) the renovation of an approximately 30,000 square foot building on the Land (collectively, the "Building"), together with related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the "Equipment"), all of the foregoing for use as a mixed-use facility consisting of retail space on the first floor and 18 residential rental units, of which at least two (2) residential rental units shall be affordable units (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to

purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Application states that the Applicant is seeking an exemption from real property taxes with respect to the Project Facility that constitutes a deviation from the Agency's Uniform Tax Exemption Policy (the "Tax Exemption Policy"); and

WHEREAS, pursuant to Section 874(4) of the Act, (A) the Executive Director of the Agency caused a letter dated November 27, 2017 (the "Pilot Deviation Notice Letter") to be mailed to the chief executive officer of each affected tax jurisdiction, informing said individuals that the Agency would, at its meeting on December 19, 2017 (the "IDA Meeting"), consider a proposed deviation from the Tax Exemption Policy with respect to the payments in lieu of real property taxes to be made pursuant to a payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors set forth in the Tax Exemption Policy: (1) the extent to which the Project would create or retain permanent jobs; (2) the extent to which the Project would create construction jobs; (3) the estimated value of tax exemptions to be provided with respect to the Project; (4) the amount of private sector investment generated or likely to be generated by the Project; (5) the likelihood of the Project being accomplished in a timely manner; (6) the extent of new revenue that would be provided to affected tax jurisdictions as a result of the Project; (7) whether affected tax jurisdictions would be reimbursed by the Applicant if a Project does not fulfill the purposes for which an exemption was provided, (8) the impact of the Project on existing and proposed businesses and economic development projects in the vicinity, (9) the demonstrated public support for the Project, (10) the effect of the Project on the environment, (11) the extent to which the Project would require the provision of additional services, including, but not limited to, additional educational, transportation, police, emergency, medical or fire services, (12) the vacancy history of the Building, and (13) any other miscellaneous public benefits that might result from the Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received with respect to the proposed deviation from the Agency's uniform tax exemption policy, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Project and because the PILOT payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the closing date of the transaction.

Section 4. The Chairman, Vice Chairman, Administrative Director and Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the "Transaction"), the Chairman, Vice Chairman, Executive Director and Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant, providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the formula set forth in the Pilot Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

**NOTICE OF PROPOSED DEVIATION FROM  
UNIFORM TAX EXEMPTION POLICY**

Dear County Executive Edward P. Mangano:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the "Agency") to be held on December 19<sup>th</sup>, 2017, at 9:00 a.m. local time at the offices of the Agency at 1550 Franklin Avenue, Mineola, New York, the Agency will consider whether to approve the application of 35 Broadway Hicksville LLC, a limited liability company organized and existing under the laws of the State of New York (the "Applicant"), for certain "financial assistance" which, if granted, would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes. The meeting of the Agency will be open to the public.

The Applicant has submitted an application for financial assistance (the "Application") to the Agency requesting that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in a parcel of land located at 35 North Broadway, Hicksville, Town of Oyster Bay, Nassau County, New York (Section: 12; Block: 203; Lots: 1, 10, 41) (the "Land"), (2) the renovation of an approximately 30,000 square foot building on the Land (collectively, the "Building"), together with related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the "Equipment"), all of the foregoing for use as a mixed-use facility consisting of retail space on the first floor and 18 residential rental units, of which at least two (2) residential rental units shall be affordable units (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial

exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency.

The Application states that the Applicant is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant an approximately fifteen (15) year real property tax exemption (the "Property Tax Exemption") with respect to the Project Facility as follows: payments shall be equal to one hundred percent (100%) of the real property taxes and assessments that should be levied upon the Project Facility as of the closing date of the proposed Project transaction without taking into consideration the transfer of ownership, jurisdiction, supervision or control of the Project Facility to the Agency (the "Base Year PILOT Amount"), which Base Year PILOT Amount would be payable each fiscal tax year for a period of two (2) fiscal tax years without increase, followed by a period of thirteen (13) fiscal tax years with annual increases of 0.73% per year (compounded) each fiscal tax year (i.e., Years 3-15 of the term of the PILOT) (collectively, the "PILOT Term").

Thereafter, and through the end of the term of the lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

In calculating the Base Year PILOT Amount, the Agency shall take into account the most recent assessment data (i.e., assessed value and tax rates) available as of the closing as if the Project Facility was on the tax rolls as taxable property, including, without limitation, any applicable approved tax certiorari stipulation or other settlement or arrangement with the applicable tax assessor(s). The Base Year PILOT Amount shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions.

PILOT Year 1 shall mean the first fiscal tax year of each of the affected tax jurisdictions following the first taxable status following the closing of the proposed transaction and filing of the appropriate application(s) for exemption. The portion of each annual PILOT Payment shall be allocated among the affected tax jurisdictions in proportion to the amount of real property taxes that would have been received by each affected tax jurisdiction had the Project Facility not been tax exempt due to the status of the Agency.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the PILOT

payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the Closing Date.

Sincerely,

NASSAU COUNTY INDUSTRIAL  
DEVELOPMENT AGENCY
