RESOLUTION AUTHORIZING A DEVIATION FROM THE UNIFORM TAX EXEMPTION POLICY OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY WITH RESPECT TO A PROJECT FOR 1025 OCR LLC AND MAZEL PRODUCTIONS LLC

WHEREAS, the Nassau County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, 1025 OCR LLC and MAZEL PRODUCTIONS LLC, each a limited liability company organized and existing under the laws of the State of New York (together, the "Applicant"), presented an application for financial assistance (as amended, the "Application") to the Agency, which Application requested that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in one or more parcels of land, aggregating approximately 3.35 acres, located at 1025 Old Country Road and 51 State Street, Westbury, Town of North Hempstead, Nassau County, New York (Section: 11; Block: 79; Lot: 246, and Section: 11; Block: 80; Lots: 92, 243) (the "Land"), (2) the renovation of the existing approximately 165,395 square foot building on the Land (the "Building"), together with related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the "Equipment"), all of the foregoing for use by the Applicant as a multi-tenant telecommunications, data center and office facility (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of exemptions or partial exemptions from real estate taxes, sales and use taxes and/or mortgage recording taxes (collectively, the "Financial Assistance");
(C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency; and (D) the sublease of the Project Facility by the Applicant (or such other entity as may be designated by the Applicant and agreed upon by the Agency) to one (1) or more tenants designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Application states that the Applicant is seeking an exemption from real property taxes with respect to the Project Facility that constitutes a deviation from the Agency’s Uniform Tax Exemption Policy (the “Tax Exemption Policy”); and

WHEREAS, pursuant to Section 874(4) of the Act, (A) the Executive Director of the Agency caused a letter dated June 7, 2016 (the “PILOT Deviation Notice Letter”) to be mailed to the chief executive officer of each affected tax jurisdiction, informing said individuals that the Agency would, at its meeting on June 28, 2016 (the “IDA Meeting”), consider a proposed deviation from the Tax Exemption Policy with respect to payments in lieu of real property taxes to be made pursuant to a payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors in accordance with the Tax Exemption Policy: (i) the extent to which the Project will create or retain permanent jobs; (ii) the extent to which the Project will create construction jobs; (iii) the estimated value of tax exemptions to be provided with respect to the Project; (iv) the amount of private sector investment; (v) the likelihood of the Project being accomplished in a timely manner; (vi) the extent of new revenue that would be provided to local taxing jurisdictions as a result of the Project; and (vii) the other miscellaneous public benefits that will result from the Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Project and because the PILOT payments would not be lower
than the real property taxes that should otherwise apply with respect to the Land as of the closing date of the proposed transaction and as if the Agency did not have an interest in the Project Facility.

Section 4. The Chairman, Vice Chairman, Administrative Director and Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the "Transaction"), the Chairman, Vice Chairman, Executive Director and Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the formula set forth in the Pilot Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Timothy Williams  VOTING  Aye
John Coumoto  VOTING  Aye
Gary Weiss  EXCUSED
Christopher Fusco  VOTING  Aye
Michael Rodin  EXCUSED

The foregoing Resolution was thereupon declared duly adopted.
