NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency has reviewed the Application and the Report and, based solely upon the representations made by the Applicant and the Company to the Agency and the facts and information obtained by the Staff of the Agency and reported to the members of the Agency at this meeting, the Agency hereby makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated, the employment reasonably expected to be created and/or maintained by the Project, the Project will constitute a commercial facility and, therefore, the Project constitutes a “project” within the meaning of the Act;

(b) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Company to undertake the Project in Nassau County, New York, and the Initial Occupants to sublease portions of the Project Facility;
(c) the completion of the Project Facility, the lease thereof by the Agency to the Company, the operation thereof by the Company and the subleasing thereof to the Initial Occupants will not result in the removal of a facility or plant of the Company, the Applicant, any Initial Occupant or any other proposed user or occupant of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant, the Company, any Initial Occupant or any other proposed user or occupant of the Project Facility located within the State (but outside of Nassau County). To the extent that undertaking of the Project would result in the relocation of approximately 30 jobs by Metropolitan Life Insurance Company from another area of the State, the Project is necessary to prevent such jobs from leaving the State and to preserve MetLife’s competitive position in its industry;

(d) the Project does not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media; and

(g) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York and the State and improve their standard of living, and thereby serve the public purposes of the Act.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Executive Director and the staff of the Agency with respect to the Application, the Public Hearing and the IDA Meeting, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP, Garden City, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.
Section 4. Having considered fully all comments received at or in connection with the Public Hearing, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance.

Section 5. The Agency hereby approves (a) the Company as the lessee under the Lease with the Agency, (b) the Company as the recipient of the Financial Assistance, and (c) the Initial Occupants as occupants and users of portions of the Project Facility.

Section 6. The Agency is hereby authorized (a) to acquire an interest in the Project Facility pursuant to the Conveyance Instrument, the Bill of Sale to Agency and the other Transaction Documents, (b) grant a leasehold interest in the Project Facility pursuant to the Lease and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) execute one (1) or more fee and leasehold mortgage, assignment of rents and leases, and security agreements in favor of such bank or financial institution as the Company may determine (such bank or financial institution, the “Bank”), encumbering the Land and the Building, solely to subject to the lien thereof its fee interest in the Land and the Building, all to secure a loan made by such Bank to the Company, (e) execute the PILOT Mortgage for the sole purpose of encumbering its fee interest in the Project Facility to secure the performance by the Company of its obligations under the PILOT Agreement, (f) to execute one (1) or more fee and leasehold mortgage, assignment of rents and leases, and security agreements in favor of such bank or financial institution as the Applicant may determine (such bank or financial institution, the “Bank”), encumbering the Land and the Building, solely to subject to the lien thereof its fee interest in the Land and the Building, all to secure a loan made by such Bank to the Applicant, and (g) to do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 7. The form and substance of the Conveyance Instrument, the Bill of Sale to Agency, the Lease, the Environmental Indemnification, the PILOT Agreement, the PILOT Mortgage and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chairman, the Vice Chairman or the Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Conveyance Instrument, the Lease, the PILOT Agreement, the PILOT Mortgage, the other Transaction Documents and any document with or in favor of the Bank to which the Agency is a party and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 8. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Lease) of the Agency.
Section 9. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 10. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and the Company and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.
