WHEREAS, the Nassau County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, Steel K, LLC, a limited liability company duly organized and existing under the laws of the State of Delaware and qualified to do business as a foreign limited liability company in the State of New York (the "Applicant"), presented an application for financial assistance (the "Application") to the Agency, which Application requested that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in a parcel of land located at 2200 Northern Boulevard, Village of East Hills, Town of North Hempstead, County of Nassau, New York (Section: 7; Block: 273; Lots: 44 & 45) (collectively, the "Land"), (2) the renovation of an existing approximately 315,000 square foot building together with related improvements to the Land (collectively, the "Building"), and (3) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (the "Equipment"), all of the foregoing for use as a multi-tenant commercial office/industrial facility (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing, including potential exemptions or partial exemptions from sales and use taxes, mortgage recording taxes and real property taxes; and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the

Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency and the sublease thereof to one or more subtenants designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Applicant has designated 2200 Northern Steel, LLC, a limited liability company duly organized and existing under the laws of the State of Delaware and qualified to do business as a foreign limited liability company in the State of New York and an affiliate of the Applicant (the "Company"), as the lessor of the Project Facility; and

WHEREAS, the Application states that the Company is seeking an exemption from real property taxes with respect to the Project Facility that constitutes a deviation from the Agency's Uniform Tax Exemption Policy (the "Tax Exemption Policy"); and

WHEREAS, pursuant to Section 874(4) of the Act, the Executive Director of the Agency (A) caused a letter dated June 6, 2011 (the "Pilot Deviation Notice Letter") to be mailed to the chief executive officer of each affected tax jurisdiction, informing said individuals that the Agency would, at its meeting on June 22, 2011 (the "IDA Meeting"), consider a proposed deviation from the Tax Exemption Policy with respect to the payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) conducted the IDA Meeting on the date hereof and reviewed and responded to any comments and correspondence received from the affected tax jurisdictions with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 2. Having reviewed and responded to all comments and correspondence received at or prior to the IDA Meeting from the affected tax jurisdictions, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Project and the real property taxes would not be decreased below their current levels.

Section 3. The Chairman, Vice Chairman and Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the

**AMENDED NOTICE OF PROPOSED DEVIATION FROM
UNIFORM TAX EXEMPTION POLICY**

Dear County Executive Mangano:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the "Agency") to be held on June 22, 2011 at 5:00 p.m. local time at the offices of the Agency at 1550 Franklin Avenue, Suite 235, Mineola, New York, the Agency will consider whether to approve the application of Steel K, LLC, a limited liability company organized and existing under the laws of the State of Delaware and qualified to do business in the State of New York as a foreign limited liability company (the "Applicant"), for certain "financial assistance" which, if granted, would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes. You may attend the meeting, which will be open to the public, address the Agency and/or submit correspondence prior to the meeting.

The Applicant has submitted an application (the "Application") to the Agency requesting that the Agency consider undertaking a project consisting of the following: (A)(1) the acquisition of an interest in a parcel of land located at 2200 Northern Boulevard, Village of East Hills, Town of North Hempstead, County of Nassau, New York (Section: 7; Block: 273; Lots: 44 and 45) (collectively, the "Land"), (2) the renovation of an existing approximately 315,000 square foot building together with related improvements to the Land (collectively, the "Building"), and (3)

the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (the "Equipment"), all of the foregoing for use as a multi-tenant commercial office/industrial facility (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing, including potential exemptions or partial exemptions from sales and use taxes, mortgage recording taxes and real property taxes; and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency and the sublease thereof to one or more subtenants designated by the Applicant and agreed upon by the Agency (collectively, the "Project").

The Application states that the Applicant is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant a real property tax exemption (the "Property Tax Exemption") with respect to the Project Facility as follows (collectively, the "PILOT Obligations"):

(a) Payments equal to the annual real property taxes for the current tax year (determined at the closing date of the transaction) (the "Base Year PILOT Amount") each year for a term of twenty (20) fiscal tax years, which Base Year PILOT Amount would be payable each year for a period of ten (10) years, with annual increases of three percent (3%) per year (compounded) for each of the next seven (7) years of the PILOT Term (as defined below), followed by annual increases of five percent (5%) per year (compounded) for each of the next three (3) years of the PILOT Term.

(b) Thereafter, and through the end of the term of the lease, installment agreement or other applicable project document, the payments would be equal to the real property taxes that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

For purposes of this notice, the "PILOT Term" shall mean a period of twenty (20) fiscal tax years commencing on the first day of the first fiscal tax year after the first taxable status date after the closing of the subject transaction.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the real property taxes would not be lower than the real property taxes that would otherwise apply with respect to the Land and the Building as of the closing date of the transaction.

THE MEETING OF THE AGENCY PREVIOUSLY SCHEDULED FOR JUNE 13, 2011 TO CONSIDER THE PROPOSED DEVIATION FROM THE POLICY WITH RESPECT TO THE PROJECT HAS BEEN CANCELED AND IS REPLACED BY THE MEETING SET

FORTH IN THIS AMENDED NOTICE. THE DEVIATION NOTICE LETTER DATED MAY 27, 2011 IS SIMILARLY REPLACED BY THIS DEVIATION NOTICE LETTER.

Sincerely,

NASSAU COUNTY INDUSTRIAL
DEVELOPMENT AGENCY
