

25 Harbor & Pall Corp. SEQRA Resolution

A regular meeting of the Nassau County Industrial Development Agency (the "Agency") was convened in public session at the offices of the Agency located at 1550 Franklin Avenue, Mineola, Nassau County, New York on April 4, 2017 at 5:00 PM, local time.

The meeting was called to order by the Chairman, upon roll being called, the following members of the Agency were:

PRESENT:

Timothy Williams	Chairman
John Coumatos	Vice Chairman
Gary Weiss	Secretary
Christopher Fusco	Asst. Secretary

NOT PRESENT:

Michael Rodin

THE FOLLOWING ADDITIONAL PERSONS WERE PRESENT:

Joseph J. Kearney	Executive Director
Joseph Foarile	Chief Financial Officer
Colleen Pereira	Administrative Director
Nicholas Terzulli	Director of Business Development
Paul O'Brien, Esq.	Bond/Transaction Counsel

The attached resolution no. 2017-17 was offered by G. Weiss, seconded by J. Coumatos:

Resolution No. 2017-17

RESOLUTION FINDING THAT ACTION TO UNDERTAKE A
CERTAIN PROJECT FOR THE PALL CORPORATION AND 25 HARBOR PARK DRIVE
REALTY LLC WILL NOT HAVE A SIGNIFICANT ADVERSE IMPACT ON THE
ENVIRONMENT

Project Name: Pall Corporation and 25 Harbor Park Drive Realty, LLC

Location: 25 Harbor Park Drive, Port Washington, Town of North
Hempstead, Nassau County, New York (Section: 6; Block: 87;
Lots: 15A, 15B, 16A and 16B)

SEQR Status: Type I Unlisted XX

**Determination
of Significance:** Negative Declaration XX Positive Declaration

WHEREAS, the Nassau County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, 25 Harbor Park Drive Realty LLC, a limited liability company organized and existing under the laws of the State of New York ("25 Harbor"), and Pall Corporation, a corporation organized and existing under the laws of the State of New York ("Pall" and together with 25 Harbor, the "Applicants"), have submitted applications for financial assistance (collectively, the "Application") to the Agency requesting that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in an approximately 16.17 acre parcel of land located at 25 Harbor Park Drive, Port Washington, Town of North Hempstead, Nassau County, New York (Section: 6; Block: 87; Lots: 15A, 15B, 16A and 16B) (the "Land"), (2) the renovation of the existing approximately 272,142 square foot building on the Land (collectively, the "Building"), together with related

improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the "Equipment"), all of the foregoing for use by 25 Harbor as a multi-tenant office and industrial facility (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the "Financial Assistance"); (C) the lease (with an obligation to purchase), license or sale of the Project Facility to 25 Harbor or such other entity as may be designated by 25 Harbor and agreed upon by the Agency; (D) the sublease of a portion of the Project Facility by 25 Harbor (or such other entity designated by 25 Harbor and agreed upon by the Agency) to Pall (or such other entity designated by Pall and agreed upon by the Agency); and (E) the sublease of the remaining portion of the Project Facility by 25 Harbor (or such other entity designated by 25 Harbor and agreed upon by the Agency) to one (1) or more affiliates of 25 Harbor (or such other entity designated by 25 Harbor and agreed upon by the Agency); and

WHEREAS, any land transfer is being undertaken solely to effectuate the Financial Assistance to facilitate the Project and the Agency will only be the nominal holder of a leasehold interest for as long as is necessary to effectuate the Financial Assistance; and

WHEREAS, pursuant to Article 8 of the New York Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York, being 6 NYCRR Part 617, et. seq., as amended (the "Regulations" and collectively with the SEQR Act, "SEQRA"), the Agency must satisfy the requirements contained in SEQRA prior to making a final determination whether to undertake the Project; and

WHEREAS, pursuant to SEQRA, to aid the Agency in determining whether the Project may have a significant adverse impact upon the environment, 25 Harbor and Pall submitted to the Agency: (1) Part 1 of the Short Environmental Assessment Form ("EAF") dated March 20, 2017 and January 5, 2016 respectively; and (2) Applicants' Applications for Financial Assistance dated February 14, 2017 and December 21, 2016 respectively (together the "Project Environmental Documents"); and

WHEREAS, pursuant to SEQRA, the Agency desires to conduct a review of the Project to determine whether the Project may have a significant adverse impact on the environment and whether an Environmental Impact Statement must be prepared with respect to the Project;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon a thorough review and examination of the Project Environmental Documents and upon the Agency's knowledge of the area surrounding the Land and such further investigation of the Project and its environmental effects as the Agency has deemed appropriate, the Agency makes the following findings with respect to the Project:

(1) The Agency is undertaking an uncoordinated review of the Project in accordance with the requirements of SEQRA;

(2) Prior to making a recommendation about the potential environmental significance of the Project, the Agency has consulted several information sources, and has considered the list of activities which are Type I Actions outlined in Section 617.4 of the Regulations, the list of activities that are Type II Actions outlined in Section 617.5 of the Regulations, and the criteria for determining significance outlined in Section 617.7 of the Regulations; and

(3) In doing so, the Agency determined that the Project is an Unlisted Action pursuant to SEQRA as it involves the interior renovation of the existing approximately 272,142 square foot building on the Land with no land disturbance. The Project does not meet or exceed any threshold for a Type I Action.

(4) No potentially significant adverse impacts on the environment are noted in the EAF and none are known to the Agency.

Section 2. Based upon the foregoing investigations of the potential environmental impacts of the Project and considering both the magnitude and importance of each environmental impact indicated, the Agency has determined that the Project will not have a significant adverse impact upon the environment. The reasons supporting this determination are as follows:

1. Impact on Land. The Project is not anticipated to create any potentially significant adverse impacts to land resources or land use. The Project consists of the interior renovation of an existing 272,142 square foot building on the Land, and the acquisition of certain furniture, fixtures, machinery and equipment necessary for use by the Applicants therein. The zoning and land use classification will not change as a result of the Project. The Project is consistent with surrounding uses, which are industrial, commercial and residential in nature and involves no land disturbance or exterior modifications. Accordingly, the Project is not anticipated to create any potentially significant adverse impacts to land resources or land use.
2. Impact on Water. There are no wetlands on site. The Project will not create a new water body. The Project is not located in a designated 100 or 500 year floodplain. While lands adjoining the Project Site contain wetlands or other regulated water bodies, the Project will not create any additional runoff as the Site has been previously developed and consists only of interior renovations. Accordingly, the Project is not anticipated to create any potentially significant adverse impacts to water.

3. Impact on Air. The Project will not be a significant source of air emissions. The Project does not entail the types of activities or operations that require the Applicants to acquire an Air Facility Permit or that are associated with a significant potential for air emissions. The Project does not involve new construction, and will not result in a significant increase in traffic. Accordingly, the Project will not create any significant adverse impacts to air resources.
4. Impact on Plants and Animals. The Land in the area of the Project does not possess significant ecological value as it is within a well-developed commercial and industrial area. Accordingly, the Project will not create significant adverse impacts to plants, animals or natural communities, wildlife habitats or wetlands.
5. Impact on Agricultural Land Resources. The Project is located in an area currently used for commercial and industrial purposes. The Project will not involve the conversion or loss of agricultural land resources. Accordingly, the Project will not create any significant adverse impacts to agricultural land resources.
6. Impact on Aesthetic Resources. The Project will not be visible from any officially designated federal, state or local scenic or aesthetic resource. The Land is situated in a well-developed industrial and commercial area and is consistent with surrounding uses. Accordingly, the Project is not anticipated to create any significant adverse impacts to aesthetic resources.
7. Impact on Historic and Archeological Resources. While the Project is located within an archeologically sensitive area, the Land is previously disturbed and the Project will not result in any new construction. Areas near the Project were previously developed and lack the characteristics that would suggest the potential presence of any significant archaeological resources. Accordingly, the Project will not create any significant adverse impacts to historical or archaeological resources.
8. Impact on Open Space and Recreation. The Project does not comprise public open space nor is the Land or surrounding area currently used for public recreation. Accordingly, the Project will not create any significant impacts to open space or recreational resources.
9. Impact on Critical Environmental Areas. The Land is not located in or substantially contiguous to any Critical Environmental Area ("CEAs"). Accordingly, there will be no significant adverse impacts to CEAs.

10. Impact on Transportation. The Project will not result in a substantial increase in traffic above present levels or generate substantial new demand for transportation facilities or services. Accordingly, it is not anticipated that that Project will create any significant adverse impacts to transportation.
11. Impact on Energy. The Project may result in a slight increase in energy usage, however, existing utility lines serve the Project and no significant improvements are necessary to accommodate the Project. Accordingly, the Project will not create any significant adverse impacts to energy.
12. Impact on Noise and Odor. The Project is not expected to appreciably increase ambient noise levels or to create odors. The Project does not involve the types of activities that create significant noise or odors. Accordingly, the Project will not create any significant adverse impacts to noise or odors.
13. Impact on Public Health. The Project does not entail the types of activities or operations that are associated with a significant potential for affecting public health, such as storing large amounts of hazardous or toxic materials. Any solid waste generated at the Project Facility will be properly disposed of pursuant to Federal, State and local laws and regulations. While lands adjoining the site have been the subject of remediation, such remediation was completed and the site no longer poses a potential for affecting public health. Accordingly, the Project will not create any significant adverse impact to public health.
14. Impact on Growth and Character of the Community and Neighborhood. The Project will not result in significant population growth, and is in character with adjacent commercial development and surrounding uses. Accordingly, the Project will not create any significant adverse impacts to the growth or character of the community.
15. Considering all of the above, the Project will not have a significant adverse impact upon the environment and a negative declaration pursuant to SEQRA is hereby issued.

Section 3. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director of the Agency are hereby further authorized on behalf of the Agency, or acting together or individually, to distribute copies of this Resolution to the Applicants and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 4. This Resolution shall take effect immediately.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Timothy Williams	VOTING	Aye
John Coumatos	VOTING	Aye
Gary Weiss	VOTING	Aye
Christopher Fusco	VOTING	Aye
Michael Rodin	EXCUSED	

The foregoing Resolution was thereupon declared duly adopted.

STATE OF NEW YORK)
) SS.:
COUNTY OF NASSAU)

We, the undersigned [Assistant] Secretary and [Vice] Chairman of the Nassau County Industrial Development Agency (the "Agency"), do hereby certify that we have compared the foregoing extract of the minutes of the meeting of the members of the Agency, including the Resolution contained therein, held on April 4, 2017 with the original thereof on file in our office, and that the same is a true and correct copy of said original and of such Resolution set forth therein and of the whole of said original so far as the same relates to the subject matters therein referred to.

WE FURTHER CERTIFY that (A) all members of the Agency had due notice of said meeting; (B) said meeting was in all respects duly held; (C) pursuant to Article 7 of the Public Officers Law (the "Open Meetings Law"), said meeting was open to the general public, and due notice of the time and place of said meeting was duly given in accordance with such Open Meetings Law; and (D) there was a quorum of the members of the Agency present throughout said meeting.

WE FURTHER CERTIFY that, as of the date hereof, the attached Resolution is in full force and effect and has not been amended, repealed or rescinded.

IN WITNESS WHEREOF, we have hereunto set our respective hands and affixed the seal of the Agency this 17th day of May, 2017.

[Vice] Chairman

[Asst.] Secretary

Doc #01-3028159.1

Short Environmental Assessment Form

Part 1 - Project Information

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information			
Name of Action or Project: 25 Harbor Park Drive Realty LLC			
Project Location (describe, and attach a location map): 25 Harbor Park Drive, Port Washington, New York 11050			
Brief Description of Proposed Action: The Project site will be acquired to serve as the world headquarters of Kiss Nail Products, Inc. The entire Project site, other than the portion occupied by Pall Corporation (described below), will be used by Kiss and its affiliates, AST Systems, LLC and Ivy Enterprises, Inc., as a warehouse, office space, show room, and lab for nail care products, eyelashes, color cosmetic products, hair chemicals (dyes) and hair appliances. Upon acquisition, Kiss will renovate approximately 50,000 square feet of the portion of the Project site it will occupy. Approximately 90,000 square feet will be leased by Pall Corporation for operation of a lab for research and development purposes and some office space in connection with operating its high-tech filtration, separation, and purification technologies business serving the life sciences and industrial sectors.			
Name of Applicant or Sponsor: 25 Harbor Park Drive Realty LLC		Telephone: 516-299-5282 E-Mail: cfo@kissusa.com	
Address: c/o Kiss Nail Products, Inc., 57 Seaview Boulevard			
City/PO: Port Washington	State: NY	Zip Code: 11050	
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.		NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other governmental Agency? If Yes, list agency(s) name and permit or approval: Building Department - building permit Nassau County Industrial Development Agency - PILOT agreement		NO <input type="checkbox"/>	YES <input checked="" type="checkbox"/>
3.a. Total acreage of the site of the proposed action?		16.17 acres	
b. Total acreage to be physically disturbed?		0 acres	
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor?		16.17 acres	
4. Check all land uses that occur on, adjoining and near the proposed action. <input type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input checked="" type="checkbox"/> Industrial <input checked="" type="checkbox"/> Commercial <input type="checkbox"/> Residential (suburban) <input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other (specify): _____ <input type="checkbox"/> Parkland			

5. Is the proposed action, a. A permitted use under the zoning regulations?	NO <input type="checkbox"/>	YES <input checked="" type="checkbox"/>	N/A <input type="checkbox"/>
b. Consistent with the adopted comprehensive plan?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Is the proposed action consistent with the predominant character of the existing built or natural landscape?	NO <input type="checkbox"/>	YES <input checked="" type="checkbox"/>	
7. Is the site of the proposed action located in, or does it adjoin, a state listed Critical Environmental Area? If Yes, identify: _____	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>	
8. a. Will the proposed action result in a substantial increase in traffic above present levels?	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>	
b. Are public transportation service(s) available at or near the site of the proposed action?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
c. Are any pedestrian accommodations or bicycle routes available on or near site of the proposed action?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
9. Does the proposed action meet or exceed the state energy code requirements? If the proposed action will exceed requirements, describe design features and technologies: _____	NO <input type="checkbox"/>	YES <input checked="" type="checkbox"/>	
10. Will the proposed action connect to an existing public/private water supply? If No, describe method for providing potable water: _____	NO <input type="checkbox"/>	YES <input checked="" type="checkbox"/>	
11. Will the proposed action connect to existing wastewater utilities? If No, describe method for providing wastewater treatment: _____	NO <input type="checkbox"/>	YES <input checked="" type="checkbox"/>	
12. a. Does the site contain a structure that is listed on either the State or National Register of Historic Places?	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>	
b. Is the proposed action located in an archeological sensitive area?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency?	NO <input type="checkbox"/>	YES <input checked="" type="checkbox"/>	
b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody? If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres: _____	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
14. Identify the typical habitat types that occur on, or are likely to be found on the project site. Check all that apply: <input type="checkbox"/> Shoreline <input type="checkbox"/> Forest <input type="checkbox"/> Agricultural/grasslands <input type="checkbox"/> Early mid-successional <input type="checkbox"/> Wetland <input type="checkbox"/> Urban <input checked="" type="checkbox"/> Suburban			
15. Does the site of the proposed action contain any species of animal, or associated habitats, listed by the State or Federal government as threatened or endangered?	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>	
16. Is the project site located in the 100 year flood plain?	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>	
17. Will the proposed action create storm water discharge, either from point or non-point sources? If Yes, a. Will storm water discharges flow to adjacent properties? <input type="checkbox"/> NO <input type="checkbox"/> YES b. Will storm water discharges be directed to established conveyance systems (runoff and storm drains)? If Yes, briefly describe: _____ _____	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>	

18. Does the proposed action include construction or other activities that result in the impoundment of water or other liquids (e.g. retention pond, waste lagoon, dam)? If Yes, explain purpose and size: _____	NO	YES
	<input checked="" type="checkbox"/>	<input type="checkbox"/>
19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____ <small>See Phase I by EMG Corp. (dated 11/21/18). Port Washington Landfill, located approximately 1,500 feet north of the Project, was operated between 1973 and 1983 (it was used for sand/gravel mining & disposal of construction debris prior to such time)</small>	NO	YES
	<input type="checkbox"/>	<input checked="" type="checkbox"/>
20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____ <small>Landfill resulted in off-site soil gas plume composed of methane and VOCs. It was remediated with capping of the Landfill, a gas migration control system and a groundwater containment extraction and treatment system.</small>	NO	YES
	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Short Environmental Assessment Form
Part 2 - Impact Assessment

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7. Will the proposed action impact existing:	<input checked="" type="checkbox"/>	<input type="checkbox"/>
a. public / private water supplies?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. public / private wastewater treatment utilities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
11. Will the proposed action create a hazard to environmental resources or human health?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

No potentially moderate to large impacts have been identified. Applicants have provided Part I of the Short Environmental Assessment Form ("EAF"), along with supporting documentation which strongly supports issuance of a negative declaration. Please see attached Resolution/Negative Declaration.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input checked="" type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
Nassau County Industrial Development Agency	4/4/17
Name of Lead Agency	Date
Joseph J. Kearney	Executive Director, NCIDA
Print or Type Name of Responsible Officer in Lead Agency	Title of Responsible Officer
	
Signature of Responsible Officer in Lead Agency	Signature of Preparer (if different from Responsible Officer)
