Section 1. PRELIMINARY AGREEMENT

THIS PRELIMINARY AGREEMENT (this "Preliminary Agreement") dated as of the ____ day of May, 2015, between the NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, a public benefit corporation organized and existing under the laws of the State of New York (the "Agency"), and LONG BEACH WAYFARER LLC, a limited liability company organized and existing under the laws of the State of Delaware and authorized to do business in the State of New York as a foreign limited liability company (the "Applicant").

WITNESSETH:

WHEREAS, the Agency is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, in accordance with the Agency's Transaction Process Guidelines, representatives of the Agency met with representatives of the Applicant (the "Initial Meeting") to discuss a potential project (the "Proposed Project"), which the Applicant anticipates will consist of the following: (A)(1) the acquisition of an interest in an approximately 6.04 acre parcel of land bordered by East Broadway, Riverside Boulevard, the Ocean Beach Park and Long Beach Boulevard, in the City of Long Beach, County of Nassau, New York (Section: 59; Block: 116; Lot: 38) (the "Land"), (2) the construction of an approximately 654,682 square foot building with two (2) fifteen-story towers built over two (2) levels of structured parking on the Land (collectively, the "Building"), together with related improvements to the Land including surface parking, and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the "Equipment"), all of the foregoing for use by the Applicant as a mixed-use facility consisting of approximately 11,500 square feet of retail space and 522 residential rental units a portion of which shall be affordable units (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing, in the form of potential exemptions or partial exemptions from real property taxes and sales and use taxes; and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or

such other entity as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Applicant has submitted a formal Application for Financial Assistance (the "Application") with respect to the Proposed Project and desires that the Agency proceed with its formal consideration of such Application, subject to the terms of this Preliminary Agreement; and

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Agency and the Applicant agree as follows:

Article 1. Representations.

Among the representations which have resulted in the execution of this Preliminary Agreement are the following:

Section 1.01. The Applicant hereby represents to the Agency that:

(A) Based on the proposed use of the Project Facility, the economic effects of the Proposed Project on the area in which it is situated, the employment reasonably expected to be created by the acquisition, construction, improvement, installation, equipping and operation of the Project Facility, and an analysis of how the Proposed Project would contribute to the realization of the public purposes of promoting employment opportunities in Nassau County, New York, and the prevention of economic deterioration in Nassau County, New York, the Proposed Project would constitute a commercial facility with a significant impact on the area in which it is situated, and would advance the Agency's purposes by promoting employment opportunities and preventing economic deterioration in Nassau County, New York (the "County"). Therefore, the Proposed Project would constitute a "project" within the meaning of the Act.

(B) The execution, delivery and performance by the Applicant of this Preliminary Agreement have been duly authorized by all necessary company action, and this Preliminary Agreement has been duly executed and delivered by the Applicant and is the legal, valid and binding obligation of the Applicant enforceable against the Applicant in accordance with its terms.

(C) The completion of the Proposed Project and the leasing and operation of the Project Facility will not result in the removal of a facility or plant of the Applicant from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant located in the State but outside Nassau County, New York.

(D) The Project Facility would not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of

the total cost of the Project Facility. For purposes of this representation, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of Section 1101 of the New York Tax Law; or (ii) sales of a service to such customers.

Section 1.02. This Preliminary Agreement shall not commit the Agency to undertake the Proposed Project or to grant to the Applicant any Financial Assistance with respect to the Proposed Project unless and until the members of the Agency shall decide, in their sole and absolute discretion, to undertake the Proposed Project and to grant such Financial Assistance following a determination by the members of the Agency that all requirements of applicable laws, rules and regulations and the policies and procedures of the Agency (collectively, "Legal Requirements") have been fulfilled.

Article 2. Undertakings on the Part of the Agency.

Based upon the statements, representations and undertakings of the Applicant, and subject to the conditions set forth herein, the Agency agrees as follows:

Section 2.01. The Agency shall undertake formal consideration of the Proposed Project and the Financial Assistance relating to the Proposed Project, subject to the conditions contained in this Preliminary Agreement, including, but not limited to, the provision of Section 1.02 above and the following conditions:

(A) The Agency shall receive, in form and substance satisfactory to the Agency, such rulings, approvals, resolutions, consents, certificates, opinions of counsel and other instruments and proceedings as shall be specified by the Agency in connection with the Proposed Project and the various documents to be executed in connection with the Proposed Project;

(B) The Applicant shall provide the Agency and all other "involved/interested agencies" with all information and statements that may be required by said respective entities to ensure compliance by said entities with the New York State Environmental Quality Review Act and the regulations promulgated thereunder (collectively, "SEQRA").

(C) The Applicant shall comply with and shall provide the Agency with all information, documentation and statements required for the Agency to comply with the requirements of all Legal Requirements.

Article 3. Undertakings on the Part of the Applicant.

Based upon the statements, representations and undertakings of the Agency and subject to the conditions set forth herein, the Applicant agrees as follows:

Section 3.01. The Applicant hereby agrees to indemnify, defend (with counsel selected

by the Agency) and hold the Agency (and its members, officers, agents, attorneys and employees) harmless from any and all liability, damages, causes of actions, losses, costs or expenses incurred by the Agency in connection with: (A) examination and processing of, and action pursuant to or upon, the Application, regardless of whether or not the Application, the Proposed Project or the Financial Assistance are favorably acted upon by the Agency, (B) the acquisition, construction, improvement, installation and/or equipping of the Project Facility by the Agency, and (C) any further action taken by the Agency with respect to the Proposed Project; including, without limiting the generality of the foregoing, (i) all fees and expenses of the Agency's general counsel, transaction counsel, economic development consultant, real property tax valuation consultant and other experts and consultants (if deemed necessary or advisable by the Agency) heretofore or hereafter incurred, and (ii) all other expenses incurred by the Agency in defending any suits, actions or proceedings that may arise as a result of any of the foregoing. If, for any reason whatsoever, the Agency decides not to proceed with consideration of the Application or the proposed Project or the Applicant fails to conclude or consummate necessary negotiations or fails within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels, or neglects the Application or if the Applicant is unable to secure third party financing, if required, or otherwise fails to conclude the Proposed Project, then upon presentation of an invoice by the Agency, its agents, attorneys or assigns, the Applicant shall pay to the Agency, its agents, attorneys or assigns, as the case may be, all fees and expenses reflected in any such invoice.

Section 3.02. The Applicant agrees that each of the Agency's general counsel, transaction counsel, economic development consultant, real property tax valuation consultant and other experts and consultants is an intended third-party beneficiary of this Preliminary Agreement, and that each of them may (but shall not be obligated to) enforce the provisions of Section 3.01 of this Preliminary Agreement, whether by lawsuit or otherwise, to collect the fees and expenses of such party or person incurred by the Agency (whether or not first paid by the Agency) with respect to the Application. The Applicant further agrees that the Agency may (but shall not be obligated to) directly enforce the provisions of Section 3.01 of this Preliminary Agreement against the Applicant, whether by lawsuit or otherwise, to collect such fees and expenses.

Section 3.03. The Applicant will take such further action and adopt such further proceedings as the Agency may deem necessary to implement its aforesaid undertakings or as the Agency may deem appropriate in pursuance thereof.

Section 3.04. This Preliminary Agreement is intended to facilitate discussion regarding the Proposed Project, and neither this Preliminary Agreement nor any discussions or course of conduct between the parties or their representatives shall constitute an agreement, offer or legally binding commitment by the Agency to undertake the Proposed Project or to grant the Financial Assistance. This Preliminary Agreement does not purport to summarize or contain all the conditions, covenants, representations, warranties and other provisions that would be contained in the definitive documentation between the Agency and the Applicant relating to the Proposed Project.
