WHEREAS, the Nassau County Industrial Development Agency (the “Agency”) is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, the Agency may from time to time require the services of firms (“Firms”) to (i) host the Agency’s website, (ii) design and implement updates to the Agency’s website from time to time as requested by the Agency, and, if needed, perform a top to bottom redesign of the Agency’s website with full mobile integration as requested by the Agency, including, without limitation, incorporation of a “push” notification or similar system allowing website users to sign up for notices by e-mail or text message, and (iii) provide on-site and remote maintenance services for the Agency’s website, servers, other information technology assets, including but not limited to computers, tablets and smart phones, as required from time to time by the Agency; and

WHEREAS, the Agency issued a Request for Statements of Qualifications to Provide Certain Information Technology Design, Hosting & Maintenance Services (the “RFQ”) seeking statements of qualifications from interested Firms, and the Agency published notice of the issuance of such RFQ on May 4, 2018, in *Newsday* and on the New York State Contract Reporter; and

WHEREAS, the Agency desires to establish such an approved list of Firms to provide the Services;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. The Agency hereby ratifies and confirms all actions heretofore taken by the Agency's staff and the Finance Committee in connection with the procurement of the Services pursuant to the RFQ.

The Agency hereby determines that the proposed action is a Type II Action pursuant to Article 8 of the New York Environmental Conservation Law (including the regulations thereunder, "SEQRA") involving "continuing agency administration" which does not involve "new programs or major reordering of priorities that may affect the environment" (6 NYCRR §617.5(c)(20)) and therefore no Findings or determination of significance are required under SEQRA.

Section 4. The Agency hereby accepts the recommendations of the Finance Committee (i) that interviews of the respondent Firms not be required, (ii) that all of such Firms are found to meet the minimum requirements set forth in the RFQ and are qualified to provide the Services, and (iii) that the Agency establish an approved list of Firms to provide the Services.

Section 5. Effective as of the date of adoption of this Resolution, the Agency hereby establishes an approved list of Firms to provide the Services consisting of the Firm or Firms set forth on Exhibit A annexed hereto (the "Approved List").

Section 6. The Agency hereby authorizes and directs the Executive Director to select Firms from the Approved List from time to time in connection with the Agency's requirements for the services required by the RFQ. The Executive Director is authorized to award portions of the requirements set forth in the RFQ to different Firms and at different times. The Executive Director is hereby authorized and directed to negotiate and enter into a contract or engagement letter with each Firm, if deemed advisable or necessary by the Executive Director, on such terms and subject to such conditions as the Executive Director may deem advisable or necessary, subject to the terms of this resolution, the Agency's budget for the type of services required and the requirements of the RFQ.
