related to the Project (together with the Conveyance Instrument, the Bill of Sale to Agency, the Lease, and the Environmental Indemnification, collectively, the "Transaction Documents");

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency has reviewed the Application and the Report and, based upon the representations made by the Applicant to the Agency and the facts and information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting (including, without limitation, the facts and information set forth in the Staff Review of the Application), the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated including the prevention of economic deterioration, the job opportunities to be created and/or maintained by the Project, the Project will constitute a commercial facility and, therefore, the Project constitutes a "project" within the meaning of the Act;

(b) the granting of the Financial Assistance by the Agency to the Applicant is necessary to induce the Applicant to proceed with the Project;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicant;

(d) the completion of the Project Facility by the Applicant as agent of the Agency, the lease thereof by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of Nassau County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicant;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for

advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(g) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act;

(h) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this finding, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers; and

(i) the Project will not result in the removal or abandonment of a plant or facility of the Applicant, or of a proposed user, occupant or tenant of the Project Facility, currently located within Nassau County;

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Executive Director and the staff of the Agency with respect to the Application, the IDA Meeting and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP, Garden City, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at the Public Hearing or otherwise in connection with the Project, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance.

Section 5. The Agency hereby approves the Applicant as the lessee/sublessee under the Lease with the Agency and hereby approves the Applicant as the recipient of the Financial Assistance.

Section 6. The Agency is hereby authorized to (a) acquire an interest in the Project Facility pursuant to the Conveyance Instrument, the Bill of Sale to Agency and the other Transaction Documents, (b) grant a leasehold interest in the Project Facility pursuant to the Lease and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, and (d) do all things necessary, convenient or appropriate for the accomplishment thereof. All

acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 7. The form and substance of the Conveyance Instrument, the Bill of Sale to Agency, the Lease, the Environmental Indemnification, and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chairman, the Vice Chairman or the Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Conveyance Instrument, the Lease, the other Transaction Documents, and any document with or in favor of the Bank to which the Agency is a party, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 8. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Lease) of the Agency.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 10. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairman, Vice Chairman and Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 11. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with

such terms and conditions with respect to the Project and hereby direct Special Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 12. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.
