WHEREAS, the Nassau County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, NASSAU EVENTS CENTER, LLC, a limited liability company duly organized and existing under the laws of the State of Delaware and qualified to do business in the State of New York as a foreign limited liability company (the "Applicant"), has presented an application for financial assistance (the "Application") requesting that the Agency undertake a project (the "Project") consisting of the following: (A)(1) the renovation of the existing structure commonly known as the Nassau Veterans Memorial Coliseum (the "Building") located at 1255 Hempstead Turnpike, Uniondale, Town of Hempstead, County of Nassau, New York (the "Land"), together with related improvements to the Land, and (2) the acquisition of certain furniture, fixtures, machinery and equipment (the "Equipment") necessary for the completion thereof, all of the foregoing as required by the National Hockey League to permit the New York Islanders to play at the Building (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing in the form of potential exemptions or partial exemptions from sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Agency has given due consideration to the Application and to the representations made by the Applicant therein, in certain supplemental documents and at this meeting, including, without limitation, representations of the Applicant that: (A) the granting by the Agency of the Financial Assistance with respect to the Project Facility will be an inducement

to the Applicant to undertake the Project in Nassau County, New York; (B) the completion of the Project and the leasing and operation of the Project Facility will not result in the removal of a facility or plant of the Applicant from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant located in the State but outside Nassau County, New York; (C) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State; (D) the granting of the Financial Assistance by the Agency will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York, and improve their standard of living, and prevent unemployment and economic deterioration, and thereby serve the public purposes of the Act; and (E) although the Project Facility may constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project, the Project Facility is likely to attract a significant number of visitors from outside the economic development region in which the Project Facility is located and, therefore, is a "tourism destination" project as that term is used in the Act. For purposes of this representation, "retail sales" shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers; and
