RESOLUTION AUTHORIZING A DEVIATION FROM THE UNIFORM
TAX EXEMPTION POLICY OF THE NASSAU COUNTY
INDUSTRIAL DEVELOPMENT AGENCY WITH RESPECT
TO A PROJECT FOR SUPREME SCREW PRODUCTS, INC.

WHEREAS, the Nassau County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, SUPREME SCREW PRODUCTS, INC., a corporation organized and existing under the laws of the State of New York (the "Applicant"), has submitted an application for financial assistance (the "Application") to the Agency requesting that the Agency consider undertaking a project (the "Project") consisting of the following: (A) (1) the acquisition of an interest in an approximately 1.30 acre parcel of land located at 1 Commercial Court, Plainview, Town of Oyster Bay, County of Nassau, New York (Section: 13; Block: 83; Lot: 103) (collectively, the "Land"), (2) the renovation of the existing approximately 31,000 square foot office building on the Land (collectively, the "Building"), together with related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the "Equipment"), all of the foregoing for use by the Applicant as a precision metal component manufacturing facility (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the

Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Application states that the Applicant is seeking an exemption from real property taxes with respect to the Project Facility that constitutes a deviation from the Agency's Uniform Tax Exemption Policy (the "Tax Exemption Policy"); and

WHEREAS, pursuant to Section 874(4) of the Act, (A) the Executive Director of the Agency caused a letter dated August 3, 2018 (the "Pilot Deviation Notice Letter") to be mailed to the chief executive officer of each affected tax jurisdiction, informing said individuals that the Agency would, at its meeting on September 5, 2018 (the "IDA Meeting"), consider a proposed deviation from the Tax Exemption Policy with respect to the payments in lieu of real property taxes to be made pursuant to a payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors set forth in the Tax Exemption Policy: (1) the extent to which the Project would create or retain permanent jobs; (2) the extent to which the Project would create construction jobs; (3) the estimated value of tax exemptions to be provided with respect to the Project; (4) the amount of private sector investment generated or likely to be generated by the Project; (5) the likelihood of the Project being accomplished in a timely manner; (6) the extent of new revenue that would be provided to affected tax jurisdictions as a result of the Project; (7) whether affected tax jurisdictions would be reimbursed by the Applicant if a Project does not fulfill the purposes for which an exemption was provided, (8) the impact of the Project on existing and proposed businesses and economic development projects in the vicinity, (9) the demonstrated public support for the Project, (10) the effect of the Project on the environment, (11) the extent to which the Project would require the provision of additional services, including, but not limited to, additional educational, transportation, police, emergency, medical or fire services, and (12) any other miscellaneous public benefits that might result from the Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Project and because the PILOT payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the closing date of the transaction.

Section 4. The Chairman, Vice Chairman, Administrative Director and Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the "Transaction"), the Chairman, Vice Chairman, Executive Director and Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant, providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the formula set forth in the Pilot Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

ADOPTED: September 5, 2018

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

**NOTICE OF PROPOSED DEVIATION FROM
UNIFORM TAX EXEMPTION POLICY**

Dear County Executive Laurant Curran:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the "Agency") to be held on June 19, 2018 at 6:30 p.m. local time at the Nassau County Executive & Legislative Building, Ceremonial Chambers, 1550 Franklin Avenue, Mineola, NY 11501, the Agency will consider whether to approve the application of SUPREME SCREW PRODUCTS, INC., a corporation organized and existing under the laws of the State of New York (the "Applicant"), for certain "financial assistance" which, if granted, would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes. The meeting of the Agency will be open to the public.

The Applicant has submitted an application (the "Application") to the Agency requesting that the Agency consider undertaking a project (the "Project") consisting of the following: (A) (1) the acquisition of an interest in an approximately 1.30 acre parcel of land located at 1 Commercial Court, Plainview, Town of Oyster Bay, County of Nassau, New York (Section: 13; Block: 83; Lot: 103) (collectively, the "Land"), (2) the renovation of the existing approximately 31,000 square foot office building on the Land (collectively, the "Building"), together with related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the "Equipment"), all of the foregoing for use by the Applicant as a precision metal component manufacturing facility (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential

exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency.

The Application states that the Applicant is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant an approximately fifteen (15) year real property tax exemption (the "Initial Property Tax Exemption") with respect to the Project Facility as follows: payments shall be equal to one hundred percent (100%) of the real property taxes and assessments that should be levied upon the Project Facility as of the closing date of the Project transaction without taking into consideration the transfer of ownership, jurisdiction, supervision or control of the Project Facility (the "Base Year PILOT Amount"), which Base Year PILOT Amount would be payable each fiscal tax year for a period of fifteen (15) fiscal tax years (the "Initial PILOT Term").

If the Applicant timely and properly satisfies certain performance standards related to the maintenance and growth of the Applicant's employee headcount at the Project Facility as set forth in the transaction documents between the Applicant and the Agency, the Applicant shall have the right to an additional five (5) year tax exemption with respect to the Project Facility as follows: payments shall be equal to one hundred percent (100%) of the Base Year PILOT Amount, which Base Year PILOT Amount would be payable each fiscal tax year for a period of five (5) fiscal tax years (the "Extension PILOT Term" and together with the Initial PILOT Term, the "PILOT Term"), with increases of 1.66% per year (compounded) at the beginning of each fiscal tax year of the Extension PILOT Term through the end of the Extension PILOT Term (i.e., Years 16-20 of the PILOT Term).

In calculating the Base Year PILOT Amount, the Agency shall take into account the most recent assessment data (i.e., assessed value and tax rates) available as of the closing including, without limitation, any applicable approved tax certiorari stipulation or other settlement or arrangement with the applicable tax assessor(s) or the report of a tax consultant satisfactory to the Agency.

Thereafter, and through the end of the term of the lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the Base Year PILOT Amount would not be lower than the real property taxes that should otherwise apply with respect to the Project Facility as of the closing date.

Sincerely,

NASSAU COUNTY INDUSTRIAL
DEVELOPMENT AGENCY
