(A) The Agency is duly established under the provisions of the Act and has the power to enter into this Lease and the other Transaction Documents to which the Agency is a party and to carry out its obligations hereunder and thereunder. Based upon the representations of the Company, the Project will constitute a “project”, as such quoted term is defined in the Act. By proper official action, the Agency has been duly authorized to execute, deliver and perform this Lease and the other Transaction Documents to which the Agency is a party.

(B) Neither the execution and delivery of this Lease or the other Transaction Documents to which the Agency is a party, the consummation of the transactions contemplated hereby or thereby, nor the fulfillment of or compliance with the provisions of this Lease or the other Transaction Documents to which the Agency is a party will conflict with or result in a breach by the Agency of any of the terms, conditions or provisions of the Act, the by-laws of the Agency or any order, judgment, agreement or instrument to which the Agency is a party or by which the Agency is bound, nor will constitute a default by the Agency under any of the foregoing.

SECTION 2.2 REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE COMPANY. The Company makes the following representations, warranties and covenants as the basis for the undertakings on its part herein contained:

(A) The Company is a limited liability company duly organized, validly existing and in good standing under the laws of the State of New York and all other jurisdictions in which its operations or ownership of its Properties so require, and has the power to enter into this Lease and the other Transaction Documents to which the Company is a party and to carry out its obligations hereunder and thereunder. By proper action of its members, the Company has been duly authorized to execute, deliver and perform this Lease and the other Transaction Documents to which the Company is a party. (B) Neither the execution and delivery of this Lease or any of the other Transaction Documents to which the Company is a party, the consummation of the transactions contemplated hereby and thereby, nor the fulfillment of or compliance with the provisions of this Lease or the other Transaction Documents to which the Company is a party will (1) conflict with or result in a breach of any of the terms, conditions or provisions of the Company's articles of organization or operating agreement or any other company restriction, order, judgment, agreement, document or instrument to which the Company is a party or by which the Company or any of its Property is bound, or constitute a default by the Company under any of the foregoing, or result in the creation or imposition of any Lien of any nature upon the Project Facility under the terms of any of the foregoing, other than Permitted Encumbrances, (2) conflict with or result in a violation of Applicable Laws now in effect, (3) require consent or approval (which has not been heretofore received and provided to the Agency) under any company restriction, agreement or instrument to which the Company is a party or by which the Company or any of its Property may be bound or affected, or (4) require consent or approval (which has not been heretofore obtained and provided to the Agency) under or conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction or decree of any Governmental Authority having jurisdiction over the Company or any of the Property of the Company.

(C) The completion of the Project Facility by the Company as agent of the Agency, the sublease thereof by the Agency to the Company and the operation thereof by the Company will not result in the removal of a facility or plant of the Company or any other lessee, sublessee or other proposed occupant of the Project Facility from one area of the State to another area of the State (other than relocations within the County) or in the abandonment of one or more plants or facilities of the Company or any other lessee, sublessee or other proposed occupant of the Project Facility located in the State (other than in the County); provided, however, that nothing in this Section shall constitute an authorization by the Agency for the Company to lease, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof without the prior written consent of the Agency, except as set forth in Section 9.3 of this Lease. Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Company.

(D) The Transaction Documents to which the Company is a party constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid, legal and binding obligations of the Company, enforceable in accordance with their respective terms, except as to the enforceability thereof may be limited by bankruptcy, moratorium or insolvency or other laws affecting creditors' rights generally and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity).

The Project Facility is, and so long as this Lease shall remain in effect, the Project Facility will continue to be a "project", as such quoted term is defined in the Act, and the Company will not take any action (or omit to take any action), or allow any action to be taken or not taken, which action, inaction or omission would in any way cause the Project Facility not to constitute a "project", as such quoted term is defined in the Act.

(F) The Project Facility and the operation thereof will comply with all Applicable Laws in all material respects, and the Company will indemnify, defend (with counsel selected by the Agency and reasonably acceptable to the Company) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from all claims, liabilities, damages, fees, expenses, fines and penalties due to failure to comply therewith, except those resulting solely from the gross negligence or willful misconduct of the Agency, or any of its members, officers, agents (other than the Company), attorneys, servants or employees. The Company shall cause all notices as required by all Applicable Laws to be given, and shall comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project or the operation of the Project Facility, and the Company will indemnify, defend (with counsel selected by the Agency and reasonably acceptable to the Company) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless, from all claims, liabilities, damages, fees, expenses, fines and penalties due to failure, or alleged failure, to comply therewith, except those resulting solely from the gross negligence or willful misconduct of the Agency, or any of its members, officers, agents (other than the Company), attorneys, servants or employees.

(G) The Project will not have a “significant adverse environmental impact” (as such term is used in SEQRA) and the Company hereby covenants to comply with all mitigating measures, requirements and conditions enumerated in the resolution adopted by the Agency on November 9, 2015 under SEQRA applicable to the acquisition, construction, installation, equipping and operation of the Project Facility contemplated by Section 4.1 of this Lease and in any other approvals issued by any other Governmental Authority with respect to the Project Facility. No material changes with respect to any aspect of the Project Facility have arisen from the date of the adoption of such resolution which would cause the determinations contained therein to be untrue.

(H) The owner, occupant or operator receiving Financial Assistance hereby certifies, under penalty of perjury, that it is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations.

(I) The Project is in substantial compliance with all provisions of the Act, including, but not limited to, the provisions of Section 859-a and 862(1) thereof.

(J) There are no actions, suits, investigations or proceedings of or before any Governmental Authority, pending or threatened against the Company or any of its Property which (i) either in any case or in the aggregate, if adversely determined, would materially, adversely affect the business, operations or condition, financial or otherwise, of the Company, or (ii) question the validity of any of the Transaction Documents or any action to be taken in connection with the transactions contemplated thereby.

(K) To the best of its knowledge, the Company is not in default with respect to any order, writ, injunction or decree of any Governmental Authority, or in material violation of any law, statute or regulation, domestic or foreign, to which the Company or any of its Property is subject, which would have a material adverse effect on the Company.

(L) The subleasing of the Project Facility by the Agency to the Company and the granting of the Financial Assistance have induced the Company to proceed with the Project. The granting of the Financial Assistance by the Agency with respect to the Project Facility, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their prosperity and standard of living, and will prevent unemployment and economic deterioration and thereby serve the public purposes of the Act.

(M) The Company shall create or cause to be created (whether itself or by its Affiliates, contractors or agents) (i) at least eighteen (18) new, full-time equivalent, private sector jobs within one (1) year after the Scheduled Completion Date as described in the Application (of which not less than two (2) jobs shall be management jobs and the balance of which shall be building maintenance jobs) and maintain such number and types of jobs throughout the term of this Lease, and (ii) in the aggregate and not on an annual basis, at least one hundred eighty (180) new, full-time equivalent, private sector construction jobs during the period from the Closing Date until the Completion Date (but, for purposes of clarity, not all such construction jobs are required to exist at the Project Facility at all times during such period); all of which jobs shall, at all times during the term of this Lease, be located at the Project Facility (collectively, the "Minimum Employment Requirement").

(N) The funds available to the Company are sufficient to pay all costs in connection with the acquisition, construction, installation and equipping of the Project Facility.

(Q) No funds of the Agency shall be used in connection with the transactions contemplated by this Lease for the purpose of preventing the establishment of an industrial or manufacturing plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, nor shall any funds of the Agency be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State.

Lalezarian or Kevin Lalezarian, directly or indirectly, except as permitted in Section 10.1(A)(15) of this Lease. The provisions of this subsection (R) shall not apply from and after the date of any foreclosure (or the granting of a deed in lieu of foreclosure) of the Bank Mortgage, subject to the provisions of Section 12.20 of this Lease.

(S) The Project Facility is located entirely within the boundaries of the Incorporated Village of Mineola, Town of North Hempstead, Nassau County, New York, is not located in whole or in part within the boundaries of any other incorporated village, and is located only within the Mineola Union Free School District.

(U) As of the Closing Date, no leases, licenses or other occupancy arrangements exist with respect to the Project Facility or any part thereof except this Lease, the Company Lease and the existing lease between the Company and Citibank, N.A. ("Citibank") demising a portion of the ground floor of the Project Facility (the "Citibank Lease"), and no Person (other than the Company and Citibank) is in occupancy or possession of any portion of the Project Facility. Within forty-five (45) days after the Closing Date, the Company shall cause Citibank to execute and deliver to the Agency a subordination agreement, in recordable form and otherwise in form and substance reasonably satisfactory to the Agency in its sole discretion, subordinating the Citibank Lease in all respects to this Lease, the Company Lease Agreement, the PILOT Agreement and the PILOT Mortgage and all of the terms and provisions of such Transaction Documents.

(V) The Company has not conveyed, assigned, transferred, mortgaged, hypothecated, pledged or granted a security interest in its interest in the Project Facility pursuant to a mortgage, security agreement, pledge or other agreement that prohibits the Company from executing and delivering the Company Lease, this Lease or any other Transaction Document. The Company covenants and agrees that it shall not enter into a mortgage, security agreement, pledge or other agreement under the terms of which the existence of the Company Lease, this Lease or any other Transaction Document would constitute a default or an Event of Default.

(W) Neither the Company, the Guarantor nor any Affiliate of any of the foregoing has employed or retained any appointed or elected governmental official to solicit or secure the Agency's undertaking of the Project or its agreement to enter into this Lease or any other Transaction Document upon an agreement of understanding for a commission or percentage, brokerage or contingent fee.

(Y) The recording of the Bank Mortgage shall not result in the claiming of an exemption from mortgage recording tax in excess of the Maximum Mortgage Recording Tax Benefit.

(Z) The Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers

who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this representation, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers.

(B) The Company and the Agency acknowledge that the Project Facility and the interest therein conveyed to the Agency from the Company and subleased by the Agency back to the Company are not “property” as defined in Title 5-A of the Public Authorities Law of the State because such property and the interests therein are security for the Company’s obligations to the Agency under this Lease and the other Transaction Documents, including, without limitation, (i) the Company’s obligation to acquire, construct, install, equip and maintain the Project Facility on behalf of the Agency, and (ii) the performance by the Company to the Agency of the Company’s other obligations under this Lease and the other Transaction Documents.

SECTION 3.2 USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Transaction Documents, provided such use causes the Project Facility to qualify or continue to qualify as a “project” under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project into disrepute as a public project; provided, further, however, that at no time shall any such use be other than as a mixed-use residential rental/retail facility consisting of 266 residential rental units, of which not less than twenty-seven (27) units shall be constructed and occupied as Affordable Units (as such term is used in the LURA) in compliance with the requirements of the Regulatory Agreement, and approximately 14,454 square feet of retail space, together with uses incidental thereto, except with the prior written consent of the Agency, which consent may be withheld in the Agency’s sole and absolute discretion. The Company shall not occupy, use or operate the Project Facility, or any part thereof, or allow the Project Facility, or any part thereof, to be occupied, used or operated (1) for any unlawful purpose, or (2) in violation of any certificate of occupancy affecting the Project Facility, or (3) for any use which may constitute a nuisance, public or private, or (4) for any use that would make void or voidable any insurance then in force with respect thereto, or (5) by any tenant, subtenant or occupant whose use, occupancy or operation of the Project Facility would be in violation of Applicable

Laws. All permits and licenses necessary for the operation of the Project Facility as contemplated by this Section 3.2 shall be procured promptly by the Company. Any provision of this Lease to the contrary notwithstanding, the Company shall be liable at all times for all risk, loss and damage with respect to the Project Facility.

Nothing in this Section shall constitute an authorization by the Agency for the Company to lease, license, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof, except in accordance with Section 9.3 of this Lease.

SECTION 3.3 HAZARDOUS MATERIALS.

(A) The Company represents, warrants and covenants that (i) the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner that violates any Applicable Law, including, but not limited to, those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, except Hazardous Materials the presence of which do not violate any Environmental Laws, (ii) except as expressly disclosed in the Environmental Report, the environmental and ecological condition of the Project Facility is not in violation of any Applicable Law, including, without limitation, those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials (collectively, the "Environmental Laws"), (iii) the Company has all Environmental Permits required to construct and operate the Project Facility and is in compliance with their requirements, (iv) except as expressly disclosed in the Environmental Report, the Premises is not listed in CERCLIS, the NPL or any similar state or local listing nor is it included in an area included in such a list, and the Company has no knowledge that such a listing is pending or contemplated, (v) except as expressly disclosed in the Environmental Report, no event has occurred which, with the passage of time or the giving of notice or both, would constitute a violation of any Environmental Law, (vi) except as expressly disclosed in the Environmental Report, to the best of the Company's knowledge, there are not now, nor have there ever been, underground storage tanks on or under the Premises, (vii) except as expressly disclosed in the Environmental Report, to the best of the Company's knowledge, there are no actions, suits, claims or proceedings seeking money damages, injunctive relief, remedial action or any other remedy pending or, to the Company's knowledge, threatened relating to a violation of Environmental Law or the disposal, discharge or release of Hazardous Materials, and (viii) except as expressly disclosed in the Environmental Report, to the best of the Company's knowledge, no prior owner of the Project Facility or any tenant, subtenant, operator, occupant, prior tenant, prior subtenant, prior operator or prior occupant, has used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Environmental Law.

(B) Except for the conditions disclosed in the Environmental Report, the Company shall keep and shall cause the Project Facility to be kept free of Hazardous Materials except in compliance with Environmental Laws. Without limiting the foregoing, the Company shall not cause or knowingly permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all Environmental Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company, or any tenant, subtenant, operator or occupant of the Project Facility, an unlawful release of Hazardous

Materials onto, under or from the Project Facility or onto any other property. The Company shall not cause or knowingly permit, as a result of any intentional or unintentional act or omission on the part of the Company or its members, managers, shareholders, directors, officers, agents, servants, employees or representatives, a release of Hazardous Materials on, under or from the Project Facility.

(C) The Company shall comply with and use commercially reasonable efforts to cause all tenants, subtenants and occupants of the Project Facility to comply with, all Environmental Laws whenever and by whomever triggered, and shall obtain and comply with, and shall use commercially reasonable efforts to cause all tenants, subtenants, operators and occupants of the Project Facility to obtain and comply with, any and all approvals, registrations or permits required thereunder. The Company agrees to provide the Agency with copies of any written notifications given by the Company to any Governmental Authorities or received by the Company from any Governmental Authorities with respect to the environmental or ecological condition of the Project Facility.

(D) The Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Materials on, from or affecting the Project Facility, if any, (a) in accordance with all Environmental Laws, (b) to the satisfaction of the Agency, and (c) in accordance with the orders and directives of all Governmental Authorities, and (2) defend (with counsel selected by the Agency and reasonably acceptable to the Company), indemnify, and hold harmless the Agency and its employees, agents, officers, attorneys, servants and members, past, present and future, from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to: (a) the presence, disposal, release or threatened release of any Hazardous Materials on, from, under or affecting the Project Facility, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any government order relating to such Hazardous Materials, and/or (d) any violations of Environmental Laws which are based upon or in any way related to such Hazardous Materials, including, without limitation, consultant fees, costs of remediation, investigation and laboratory fees, court costs, reasonable attorney fees and litigation expenses, except those arising solely as a result of the gross negligence or willful misconduct of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees. Costs under this subsection (D) will be repaid upon written demand with interest at the Default Interest Rate commencing fifteen (15) days after such written demand.

(E) In the event this Lease is terminated, the Company shall deliver the Project Facility to the Agency free of any and all Hazardous Materials (except Hazardous Materials the presence of which do not violate any Environmental Laws and except for Hazardous Materials expressly disclosed in the Environmental Report), so that the condition of the Project Facility shall conform with all Environmental Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents, employees, members, servants or representatives, may at any reasonable time upon prior written notice, and at the Company's expense, inspect the Company's books and records and inspect and conduct

Any proceeds of the Title Policy shall be paid to the Company and applied by the Company to remedy the applicable defect in title. If not so capable of being applied or if a balance remains after such application, the Net Proceeds or the remaining balance of the Net Proceeds, as the case may be, shall be applied to the payment of any sums due the Agency under this Lease or under any other Transaction Document, and any balance thereafter may be used by the Company for any lawful corporate purpose.

ARTICLE IV UNDERTAKING AND COMPLETION OF THE PROJECT

SECTION 4.1 ACQUISITION, CONSTRUCTION, INSTALLATION AND EQUIPPING OF THE PROJECT FACILITY.

(A) The Company shall, on behalf of the Agency, promptly acquire, construct, install and equip the Project Facility, or cause the acquisition, construction, installation and equipping of the Project Facility, all substantially in accordance with the Plans and Specifications, in a first-class, workmanlike manner using high grade materials, free of defects in

materials and workmanship. Notwithstanding the foregoing, the Company shall not, at any time during the term of this Lease, construct any new structure on the Land (other than the Building) or construct an addition to or otherwise increase the useable square footage of the Building depicted in the Plans and Specifications or otherwise construct any additional improvements on the Land without the prior written consent of the Agency.

(B) The Agency hereby confirms that it has approved the Plans and Specifications as of the Closing Date. No material change in the Plans and Specifications shall be made unless the Agency shall have consented thereto in writing (which consent shall not be unreasonably withheld or delayed); provided, however, that if such request requires the approval of the members of the Agency (as determined by the Agency and communicated to the Company within said twenty (20) day period), the Agency shall have such reasonable additional period of time as may be required to convene a meeting of the members of the Agency to consider such request; provided that any delay of more than twenty (20) days after delivery of such written request to the Agency shall extend the Scheduled Completion Date by the number of days in excess of twenty (20) days.

(C) Title to all materials, equipment, machinery and other items of Property presently incorporated or installed in and which are a part of the Project Facility shall vest in the Agency immediately upon execution of the Bill of Sale to Agency. Title to all materials, equipment, machinery and other items of Property acquired subsequent to the Closing Date and intended to be incorporated or installed in and to become part of the Project Facility shall vest in the Agency immediately upon deposit on the Premises or incorporation or installation in the Project Facility, whichever shall first occur. The Company shall execute, deliver and record or file all instruments necessary or appropriate to vest title to the above in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor and advanced by the Company for such purpose pursuant to Section 4.1(H) of this Lease.

(E) The Agency hereby appoints the Company, and the Company hereby accepts such appointment, as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Transaction Documents: (1) to acquire, construct, install and equip the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be required or proper, all for the acquisition, construction, installation and equipping of the Project Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to Section 4.1(H) of this Lease, (3) to pay all fees, costs and expenses incurred in the acquisition, construction, installation and equipping of the Project Facility from funds made available therefor in accordance with this Lease, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order,

receipt, writing or instruction in connection with the acquisition, construction, installation and equipping of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same.

(F) The Company has given or will give or cause to be given all notices and has complied and will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend (with counsel selected by the Agency and reasonably acceptable to the Company), indemnify and save the Agency and its officers, members, agents, attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith, except those arising solely as a result of the gross negligence or willful misconduct of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(G) The Company shall not take any action, or neglect to take any action, including, without limitation, the employment of any contractor, if such action or inaction results in jurisdictional disputes or strikes or labor disharmony in connection with the Project.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. Leasehold title to portions of the Project Facility acquired, constructed and installed at the Company's cost shall immediately upon such acquisition, construction or installation vest in the Agency. The Company shall execute, deliver and record or file such instruments as the Agency may reasonably request in order to perfect or protect the Agency's leasehold title to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Lease.

(J) The Company agrees, (i) at the sole expense of the Company, to erect signage at the Project Facility during the construction, installation and equipping of the Project Facility, which signage shall be in form and content reasonably satisfactory to the Agency and shall identify the Agency and its role in the Project, (ii) at the option of the Agency and at the sole expense of the Company, to install within the Project Facility a sign or plaque permanently memorializing the Agency's role in the Project, which sign or plaque shall be in form, content and placed in a location reasonably satisfactory to the Agency and the Company, and (iii) that the Agency may otherwise publicize the Agency's role in the Project; provided that the Agency shall not disclose proprietary information concerning the Company, except as required by Applicable Law.

(K) The Company agrees to solicit bids from at least one (1) contractor or vendor based in the County for each contract entered into with respect to the Project Facility, including, without limitation, contracts for construction (including, without limitation, the initial construction, installation and equipping of the Project Facility), alteration, management, purchase of goods or services, maintenance and repair. Further, the Company covenants to use

commercially reasonable efforts to let such contracts, where practicable, to contractors or vendors based in the County. Commercially reasonable efforts shall not require the Company to expend additional monies to comply or to suffer a delay in construction.

(L) W/MBE Contractors.

(1) The Company will use commercially reasonable efforts to take “affirmative steps” (as defined below) to assure that qualified women-owned and/or minority-owned business enterprises (“W/MBE’s”) are used; when possible, for each contract entered into with respect to the Project Facility, including, without limitation, contracts for construction (including, without limitation, the initial construction, installation and equipping of the Project Facility), renovation, demolition, replacement, alteration, management, purchase of goods and services, maintenance and repair.

(2) For purposes of this subsection, the term “affirmative steps” shall mean: (a) placing qualified W/MBE’s on solicitation lists; (b) assuring that qualified W/MBE’s are solicited whenever they are potential sources; (c) dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by qualified W/MBE’s; (d) establishing delivery schedules, where the requirement permits, that encourage participation by qualified W/MBE’s; and (e) requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in clauses (a) through (d).

(3) For purposes of this subsection, the term “qualified W/MBE’s” shall mean those women-owned and/or minority-owned business enterprises designated as such by New York State.

(4) For purposes of this subsection, commercially reasonable efforts shall not require the Company to expend additional monies to comply or to suffer a delay in construction.

(M) Bid Package Requirements.

(1) As used in this subsection (M), the term “Bid Package” or “Bid Packages” means, individually or collectively, as the context may require, the relevant construction specifications and bid forms for a particular trade or item of work in connection with the construction, installation and equipping of the Project Facility.

(2) The Company represents and warrants to the Agency that the Company has not prepared and/or issued any Bid Packages with respect to any aspect of the construction, installation and equipping of the Project Facility as of the Closing Date.

(3) Upon completion of the preparation of each Bid Package, the Company agrees to deliver or to cause to be delivered to the Building & Trades Council of Nassau & Suffolk Counties (the “Council”) a copy of such Bid

Package simultaneously with its issuance by the Company. The Company further agrees to deliver a copy of such Bid Package to any and all contractors designated in writing by the Council to the Company.

(4) The Company agrees to promptly notify the Agency in writing of the Company's delivery of each Bid Package to the Council and/or to any contractors designated by the Council to the Company.

(N) The Company covenants and agrees to make a total investment (including the use of the proceeds of the Bank Loan) in the Project Facility as of the Scheduled Completion Date in an amount not less than \$69,372,000 (which represents the product of (1) 0.90 and (2) the sum of \$77,080,000 being the total project costs as stated in the Application). The Company shall provide written documentation of such investment, in form and substance reasonably satisfactory to the Agency, no later than February 11th of the calendar year following the Scheduled Completion Date, as the same may be extended pursuant to Section 4.2(A) of this Lease.

(O) The Company shall furnish to the Agency all information and/or documentation requested by the Agency pursuant to this Section 4.1 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 4.1.

SECTION 4.2 COMPLETION OF THE PROJECT FACILITY; FEES.

(A) The Company will proceed with due diligence to commence demolition, construction, installation and equipping of the Project Facility in accordance with Section 4.1 of this Lease within thirty (30) days after the Closing Date and shall proceed with due diligence to complete the demolition, construction, installation and equipping of the Project Facility on or before December 31, 2018 (the "Scheduled Completion Date") and shall commence occupancy of the Project Facility on or before the Scheduled Completion Date. The Company covenants to diligently prosecute its application for any required building permits for the Project Facility. Completion of the Project Facility shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (A) the date of such substantial completion, (B) that substantially all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (C) that the acquisition, construction, installation and equipping of the Project Facility has been substantially completed in a good and workmanlike manner, (D) that the Company and the Agency have good and valid interests in and to all Property constituting a portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances, and (E) that the Project Facility is ready for occupancy, use and operation for its intended purposes. Such certificate shall be accompanied by a temporary or permanent certificate of occupancy for substantially all the Project Facility and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes. The Executive Director shall not unreasonably withhold his consent to a written request from the Company for an extension of the Scheduled Completion Date.

(B) The Company shall pay within the time periods required by applicable Governmental Authorities, all construction related and other fees for the Project, including,

without limitation, building permit fees, plumbing fixture permit fees, recreation fees, site planning fees, municipal consultant review fees, special use fees, variance fees, sewer hook up fees, water service installation fees and fire line fees, if any.

SECTION 4.3 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a default by any contractor, subcontractor or materialman under any contract made by it in connection with the acquisition, construction, installation and equipping of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company shall (i) proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialman so in default and against each surety for the performance of such contract, or (ii) terminate such contract. The Company may, in its own name or, with the prior written consent of the Agency, which consent shall not be unreasonably withheld, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility then to pay all reasonable costs and expenses incurred by the Agency in connection therewith, and thereafter be paid to the Company for its own use.

SECTION 4.4 PURPOSE OF THE PROJECT. It is understood and agreed by the Agency and the Company that the purposes of the granting of the Financial Assistance are to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project Facility to advance the job opportunities, health, general prosperity and economic welfare of the people of the County and the State, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration, and to otherwise accomplish the purposes of the Act.

ARTICLE V
DEMISE OF PROJECT FACILITY; RENTAL PAYMENTS
AND OTHER AMOUNTS PAYABLE

SECTION 5.1 LEASE OF THE PROJECT FACILITY. In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and sublease to the Company, and the Company hereby agrees to rent and sublease from the Agency, a subleasehold interest in the Project Facility, subject only to the Permitted Encumbrances.

SECTION 5.2 DURATION OF THE LEASE TERM; QUIET ENJOYMENT.

(A) The Agency shall deliver to the Company possession of the Project Facility, subject to the provisions of this Lease, and the subleasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(B) Provided that all amounts, costs and expenses payable by the Company to the Agency under this Lease and all other Transaction Documents are paid in full, the subleasehold estate created hereby shall terminate at 12:00 a.m. on the earlier to occur of (1) December 31, 2038 (the "Stated Expiration Date"), or (2) the date that this Lease shall terminate pursuant to Article X or Article XI hereof.

(C) The Agency shall take no action, other than pursuant to Article X or Article XI of this Lease, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Lease and will, at the request of the Company and at the Company's reasonable expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

SECTION 5.3 RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(A) The Company shall pay on the date of execution and delivery of this Lease, as the basic sublease payments due hereunder: (1) the sum of \$1.00, (2) all reasonable fees and expenses of counsel to the Agency and Special Counsel to date with respect to the Project, and (3) all other reasonable costs and expenses incurred by the Agency in connection with the transactions contemplated by this Lease and the other Transaction Documents.

(B) The Company agrees to pay to the Agency the following fees: (1) a closing compliance fee in the amount of \$2,500, (2) an Agency administrative fee in the amount of \$234,160, with respect to the Project, and (3) the Agency's general counsel fee in the amount of \$77,080 (collectively, the "Administrative Fee"). The Administrative Fee is due and payable by the Company to the Agency on the Closing Date. The Administrative Fee is non-refundable and is deemed earned in full upon the execution and delivery of this Lease.

(C) The Company agrees to pay to the Agency an annual administrative fee in the amount of \$1,000.00 (the "Annual Fee"). The Annual Fee for the first year of the lease term (or part thereof) shall be due and payable on the Closing Date and the Annual Fee for each year thereafter shall be due and payable, in advance, on January 1 of each year.

(D) Within fifteen (15) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the reasonable costs and expenses of the Agency and the officers, members, agents, attorneys, servants and employees thereof, past, present and future, incurred by reason of the Agency's ownership, subleasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease or any of the other Transaction Documents, and any other reasonable fee or expense of the Agency with respect to the Project Facility, the subleasing or sale of the Project Facility to the Company, or any of the other Transaction Documents, the payment of which is not otherwise provided for under this Lease.

(E) The Company agrees to make the above-mentioned payments in immediately available funds, without any further notice or demand, by wire transfer or other form of payment satisfactory to the Agency, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 within fifteen (15) days of the date such payment is due, the Company shall pay the same, together with interest thereon at the Default Interest Rate, from the date demanded in writing until the date on which such payment is received by the Agency.

SECTION 5.4 NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER.

(A) The obligations of the Company to make the payments required by this Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of setoff, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease, or terminate this Lease (except as set forth in Section 11.1 hereof), for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part expressly contained in this Lease, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 12.9 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company), servants or employees, past, present and future, of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Lease, the relationship of the Agency and the Company hereunder or the Company's use and occupancy to the Project Facility, or any other liability of the Agency to the Company.

SECTION 5.5 GRANT OF SECURITY INTEREST. This Lease shall constitute a "security agreement", as such term is defined in the Uniform Commercial Code adopted in the State, as the same may from time to time be in effect (the "UCC"). The Company hereby grants

the Agency a first-priority security interest in all of the right, title and interest of the Company in the materials, machinery, equipment, trade fixtures, fixtures, furniture, furnishings and other tangible personal property acquired by or on behalf of the Company using the Sales Tax Agency Agreement and/or any Sub-Agent Agency Agreement, and in all additions and accessions thereto, all replacements and substitutions therefor, all books, records and accounts of the Company pertaining to the Project Facility, and all proceeds and products thereof (collectively, the "Collateral"), as security for payment of the rental payments and all other payments and obligations of the Company hereunder, and the Agency is authorized to file financing statements with respect to such Collateral without the Company executing the same. If an Event of Default shall occur under this Lease or any of the other Transaction Documents, the Agency shall have, in addition to any and all other rights and remedies set forth in this Lease, and may exercise without demand, any and all rights and remedies granted to a secured party under the UCC, including, but not limited to, the right to take possession of the Equipment and any fixtures or other personal property that constitute part of the Collateral, and the right to advertise and sell the same, or any part thereof, pursuant to and in accordance with the UCC. The Company agrees that any notice of public or private sale with respect to such Collateral, or any part thereof, shall constitute reasonable notice if it is sent to the Company not less than ten (10) days prior to the date of any such sale. The Company hereby irrevocably appoints the Agency as its attorney-in-fact to execute, deliver and/or file any instruments or statements necessary or convenient to perfect and continue the security interest granted herein.

ARTICLE VI MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

SECTION 6.1 MAINTENANCE AND MODIFICATIONS OF THE PROJECT FACILITY.

(A) Following completion of the construction, installation and equipping of the Project, the Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, ordinary wear and tear, depreciation and damage by casualty excepted, (2) occupy, use and operate the Project Facility, and shall cause the Project Facility to be occupied, used and operated, in the manner for which it was intended and contemplated by this Lease, (3) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), (4) operate the Project Facility in a sound and economical manner, (5) not abandon the Project Facility, (6) not create, permit or suffer to exist any mortgage, encumbrance, lien, security interest, claim or charge against the Project Facility, or any part thereof, or the interest of the Agency or the Company in the Project Facility or this Lease, except for Permitted Encumbrances, and (7) perform or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency under and pursuant to the Bank Mortgage. The Agency shall have no obligation to replace, maintain or effect replacements, renewals or repairs of the Project Facility, or to furnish any utilities or services for the Project Facility and the Company hereby agrees to assume full responsibility therefor.

(B) Upon prior written notice to the Agency, the Company may make alterations, modifications or improvements to the Project Facility, or any part thereof, provided:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such modification or improvement to the Project Facility, or any part thereof, (b) indemnify, defend (with counsel selected by the Agency and reasonably acceptable to the Company) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless from all fees, expenses, fines and penalties due to failure to comply therewith, except those arising solely as a result of the gross negligence or willful misconduct of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) not be in default under this Lease or under any of the other Transaction Documents beyond applicable notice and cure periods;

(2) such alterations, modifications and improvements are effected with due diligence, in a good and workmanlike manner and in compliance with all Applicable Laws;

(3) the Company shall promptly and fully pay for such alterations, modifications and improvements in accordance with the terms of the applicable contract(s) therefor;

(4) the alteration, modification or improvement to the Project Facility shall not constitute or cause a default under any of the Transaction Documents;

(5) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such alteration, modification or improvement to the Project Facility, detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for nonstructural modifications or improvements to the Project Facility which do not exceed, at any one time, \$1,000,000.00 in value or which relate to portions of the ground floor of the Project Facility in connection with the use and occupancy of such portions of the Project Facility by one (1) or more retail tenants;

(6) as a result of such alterations, modifications or improvements, the structural integrity of the Project Facility would not be impaired in the judgment of the Agency;

(7) intentionally omitted;

(8) such alterations, modifications and alterations do not change the nature of the Project Facility such that it would not comply with the terms of this Lease or such that it would not constitute a "project" (as such quoted term is defined in the Act);

(9) if such alterations, modifications or improvements involve an addition to the Project Facility or would otherwise result, but for the Agency's interest in the Project

Facility, in an increase in the assessed value of the Premises, then the Agency may require an increase in the Administrative Fee, the Annual Fee and/or the sums payable under the PILOT Agreement, if any;

(10) no such alterations, modifications or improvements shall be entitled to any additional Financial Assistance from the Agency unless agreed to in writing by the Agency; and

(11) an Event of Default shall not have occurred and be continuing under this Lease or any other Transaction Document.

All such alterations, modifications and improvements shall constitute a part of the Project Facility and the Company shall deliver or cause to be delivered to the Agency appropriate documents to convey a leasehold interest in such property to the Agency, free and clear of all liens, charges, encumbrances, security interests or claims other than Permitted Encumbrances, and to subject such property to this Lease.

The requirement to notify the Agency of alterations, modifications or improvements pursuant to this Subsection (B) shall not apply to (i) the build-out of portions of the ground floor of the Project Facility in connection with the use and occupancy of such portions of the Project Facility by one (1) or more retail tenants pursuant to and in accordance with Section 9.3 of this Lease, and (ii) alterations, modifications or improvements to the Project Facility which cost less than \$1,000,000 in each instance; provided, however, that all of the other requirements of this Subsection (B) shall continue to apply with respect to such alterations, modifications and improvements.

The provisions of this Subsection (B) shall not apply to the initial construction, installation and equipping of the Project Facility pursuant to the Plans and Specifications.

The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the operation of the Project Facility, and the Company will defend (with counsel selected by the Agency and reasonably acceptable to the Company), indemnify and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith, except those arising solely as a result of the gross negligence or willful misconduct of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees.

(C) Any provision of this Lease to the contrary notwithstanding, the Company shall not construct any building or structure on the Land other than the Building, as depicted and described in the Plans and Specifications, without the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion.

SECTION 6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

(A) The Company shall pay as the same respectively become due: (1) all taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or

levied against or with respect to the Project Facility (other than those taxes for which payments in lieu thereof are being paid pursuant to the PILOT Agreement), (2) all utility and other charges, including "service charges" and deposits, incurred or imposed for the operation, maintenance, use, occupancy and upkeep of the Project Facility, and (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by any Governmental Authority for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Lease.

(B) If the Company fails to pay any tax, assessment or charge required to be paid pursuant to this Section 6.2, the Agency may pay or cause to be paid such taxes, assessments or charges. The Company shall reimburse the Agency for any amount paid under this Section 6.2, together with interest thereon at the Default Interest Rate, within fifteen (15) days after the date demanded in a written notice by the Agency to the Company.

(C) Notwithstanding the provisions of this Section 6.2, the Company may withhold any such payment and the Company may in good faith actively contest the amount, validity or the applicability of any payment referred to in such subsection (A), provided that (1) the Company shall have first notified the Agency in writing of such contest, (2) the Company is not in default under any of the Transaction Documents beyond applicable notice and cure periods, (3) the overall operating efficiency of the Project for the purposes for which it is intended is not materially impaired, (4) neither the Project Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings, (5) the Company shall have set aside on its books adequate reserves with respect thereto, and (6) the Company diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3 INSURANCE REQUIRED. During the term of this Lease, the Company shall maintain insurance with respect to the Project Facility against such risks and liabilities and for such amounts as are, in the Agency's judgment, customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) Insurance protecting the interests of the Company, as insured, the PILOT Mortgagee, as mortgagee, and the Agency, as loss payee, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils embraced by so-called "Special Form" policy of property insurance, in amounts sufficient to prevent the Company, the PILOT Mortgagee or the Agency from becoming a co-insurer under such policy and not less than 100% of the replacement cost of the Project Facility, without deduction for depreciation, and including coverage against acts of terrorism. Additionally, during any period in which construction work or alterations are being performed at the Project Facility, the Company shall maintain "Special Form" property insurance in the form of a "Builder's Risk" completed value non-reporting policy in an amount reasonably satisfactory to the Agency and which shall contain a provision granting the insured permission to complete and/or occupy.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition, construction, installation and equipping of the Project Facility.

(C) Commercial general liability insurance protecting the Company, as insured, and the PILOT Mortgagee and the Agency, as additional insureds, against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.2 of this Lease) or arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000.00 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$1,000,000.00 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law, and a separate umbrella liability policy protecting the Company, as named insured, and the Agency and the PILOT Mortgagee, as additional insureds, with a limit of not less than \$50,000,000.00 during the period from the Closing Date through and including the Scheduled Completion Date and with a limit of not less than \$100,000,000.00 at all other times during the term of this Lease, as said amounts may be adjusted by the Agency from time to time in its reasonable discretion for properties of similar type.

(D) During any period of construction, renovation, improvement or reconstruction, to the extent not covered by the general liability insurance set forth in Subsection (C) above, Owners & Contractors Liability insurance for the benefit of the Company and the Agency in a minimum amount of \$2,000,000.00 aggregate coverage for personal injury and property damage.

(E) Boiler and machine property damage insurance in respect of any steam and pressure boilers and similar apparatus, insuring risks normally insured against under boiler and machinery policies and in amounts and with deductibles customarily obtained for similar enterprises.

(A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having an A.M. All policies evidencing such insurance shall name the Company, as named insured, and the Agency and the PILOT Mortgagee, as additional insureds, with respect to liability policies, and name the Agency as loss payee and the PILOT Mortgagee as mortgagee, with respect to casualty policies, and provide for at least thirty (30) days' written notice to the Company, the PILOT Mortgagee and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. All insurance required hereunder shall be in form, content and coverage reasonably satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 hereof. (D) Each of the policies evidencing the insurance required by Section 6.3 of this Lease shall provide that: (i) there shall be no recourse against the Agency or the PILOT Mortgagee for the payment of premiums or commissions or, if such policies provide for the payment thereof, additional premiums or assessments; (ii) in respect of the interest of the Agency or the PILOT Mortgagee in such policies, the insurance shall not be invalidated by any action or inaction of the Company or any other Person and shall insure the Agency and the PILOT Mortgagee regardless of, and any losses shall be payable notwithstanding, any such action or inaction; (iii) if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or if there shall occur any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Agency or the PILOT Mortgagee until at least thirty (30) days after receipt by the Agency of written notice by

such insurers of such cancellation, lapse, expiration, reduction or change; and (iv) the insurers waive subrogation thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or other deduction, in respect of any liability of any Person insured under such policy.

(E) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST IN THE PROJECT FACILITY.

(F) Any provision of this Lease or any of the other Transaction Documents to the contrary notwithstanding, at any time during the term of this Lease that any portion of the Bank Loan is outstanding and the Bank Mortgage remains a Lien on the Project Facility, the Agency agrees that (i) the Bank and not the Agency shall be the loss payee with respect to the Net Proceeds of the insurance required by Sections 6.3(A) and (E) hereof, and (ii) the provisions of Sections 6.5(A), 7.1(A)(4)(b), 7.1(B), 7.1(C), 7.2(B)(4)(b), 7.2(C) and 7.2(D) hereof shall be superseded and replaced by the applicable provisions of the Bank Mortgage.

SECTION 6.5 APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows: (A) subject to the provisions of Section 6.4(F) of this Lease, the Net Proceeds of the insurance required by Sections 6.3(A) and 6.3(E) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Sections 6.3(B), 6.3(C) and 6.3(D) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6 PAYMENTS IN LIEU OF TAXES. (A) It is recognized that, under the provisions of the Act, the Agency is not required to pay certain taxes or assessments upon any of the Property acquired by it or under its jurisdiction, control or supervision or upon its activities as more particularly set forth in Section 874 of the General Municipal Law. It is the intention of the parties hereto that the Project Facility be treated as exempt from real property taxation to the extent set forth in the PILOT Agreement, a copy of which is attached hereto as Exhibit H. Accordingly, the parties hereto acknowledge that the Agency shall file New York State Board of Real Property Services Form RP-412-a (a "Real Property Tax Exemption Form") with respect to the Project Facility. The Company hereby consents to any enforcement action provided to the Taxing Entities pursuant to law in the event that the Company should fail to pay any taxes not exempted as aforesaid and shall not object to any such enforcement action on the grounds that a leasehold interest in the Project Facility is held by the Agency or that the Project Facility is under the Agency's jurisdiction, control or supervision or subject to its activities.

(B) The Agency and the Company hereby agree that the Company shall be required to make or cause to be made payments in lieu of taxes to the school district(s), city, town(s), county, village(s) and other political units wherein the Project Facility is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities"), in such amounts and at such times as are required by the PILOT Agreement.

ARTICLE VII
DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1 DAMAGE OR DESTRUCTION.

(A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease or the PILOT Agreement (whether or not the Project Facility is replaced, repaired, rebuilt or restored), unless otherwise agreed to in writing by the Agency;

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b) (1) the Agency shall make available to the Company (solely from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and, subject to the provisions of Section 6.4(F) of this Lease, in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company, if any, are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Lease and the Bank shall consent in writing to such termination. In such event, subject to the provisions of Section 6.4(F) of this Lease, the Net Proceeds collected by the Agency under any and all policies of insurance covering the damage to or destruction of the Project Facility, after deducting the amount necessary to repay the Indebtedness, shall be paid to the Company for its own purposes. If the Net Proceeds

collected under any and all policies of insurance are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to repay the Indebtedness in full.

(C) Subject to the provisions of Section 6.4(F) of this Lease, unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) and 6.3(C) hereof.

(D) The Company hereby waives the provisions of Section 227 of the Real Property Law of the State or any laws of like import, now or hereafter in effect.

SECTION 7.2 CONDEMNATION.

(A) To the best of the Company's knowledge, no Condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility or the Agency's or the Company's interest therein or in the Company Lease or this Lease.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

(1) the Agency shall have no obligation to restore the Project Facility, or any part thereof;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease or the PILOT Agreement (whether or not the Project Facility is restored), unless otherwise agreed to in writing by the Agency;

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (C) of this Section 7.2, (a) the Company shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b) subject to the provisions of Section 6.4(F) of this Lease, (1) the Agency shall make available to the Company (solely from the Net Proceeds of any Condemnation award, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any Condemnation award remaining on

deposit with the Agency, if any, after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in subsection (B) of this Section 7.2, the Company shall not be obligated to restore the Project Facility and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) (4) of this Section 7.2, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Lease and the Bank shall consent in writing to such termination. In such event, subject to the provisions of Section 6.4(F) of this Lease, the Net Proceeds of any Condemnation award collected by the Agency, if any, after deducting the amount necessary to repay the Indebtedness, shall be paid over to the Company for its own purposes. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be repaid in full.

(D) Subject to the provisions of Section 6.4(F) of this Lease, unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof or any interest therein and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any Condemnation proceedings and, within seven (7) days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(E) The Agency shall, at the reasonable expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company, which consent shall not be unreasonably withheld or delayed.

SECTION 7.3 ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein and shall be subject to this Lease.

(B) In the event of any claim against the Agency or its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefits laws or other employee benefit laws.

(C) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure its liabilities assumed pursuant to this Section 8.2 in the liability policies required by Section 6.3(C) of this Lease, provided that such coverage is available at commercially reasonable rates.

(D) Notwithstanding any other provisions of this Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency or its members, agents (other than the Company), attorneys, servants or employees, past, present or future, relating thereto.

The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times and upon reasonable prior notice to enter upon and to examine and inspect the Project Facility (except in the event of an emergency for which prior notice shall not be required); provided, however, that no such notice shall be required in the event of an emergency or if an Event of Default has occurred and is continuing under this Lease. The Company further agrees that the Agency shall have such rights of access to the Project Facility as may be reasonably necessary to cause the proper maintenance of the Project Facility in the event of failure by the Company to perform its obligations hereunder, but the exercise of such right shall in no event be construed to mean that the Agency has assumed any obligation hereunder to perform such maintenance.

SECTION 8.4 COMPANY NOT TO TERMINATE EXISTENCE OR DISPOSE OF ASSETS. The Company agrees that, during the term of this Lease, (A) it will maintain its limited liability company existence as in effect on the Closing Date, (B) will not dissolve or otherwise dispose of all or substantially all of its assets, and (C) will not consolidate with or merge into another limited liability company or other Person, or permit one or more limited liability companies or other Persons to consolidate with or merge into it, without giving prior written notice to the Agency and obtaining the consent of the Agency. The Company agrees that it will not change its name or its state of formation without giving prior written notice to the Agency and obtaining the consent of the Agency, which consent shall not be unreasonably withheld or delayed.

(A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) Within thirty (30) days after the end of each fiscal year of the Company, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder or under any other Transaction Document has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto.

SECTION 8.7 COMPLIANCE WITH APPLICABLE LAWS.

(A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default under any of the Transaction Documents beyond any applicable notice or cure period, (3) shall have set aside adequate reserves for any such requirement, (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture, (5) demonstrates to the reasonable satisfaction of the Agency that such contest shall not result in the Company or the Agency being in any danger of any civil or criminal liability for failure to comply therewith, and (6) diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be reasonably satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be reasonably satisfactory to the Agency.

SECTION 8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

(A) The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency or on any funds of the Agency applicable to or deriving from the Project Facility, other than Permitted Encumbrances.

(B) If any Lien (other than a Permitted Encumbrance) is filed or asserted, or any judgment, decree, order, levy or process of any court or governmental body is entered, made or issued or any claim, whether or not valid, is made against the Project Facility or any part thereof or the interest therein of the Company or the Agency or against any funds of the Agency applicable to or deriving from the Project Facility, the Company, promptly upon receiving notice of the filing, assertion, entry or issuance thereof, shall give written notice thereof to the Agency and take all action (including, without limitation, the payment of money and/or securing of a

bond) at its own cost and expense as may be necessary or appropriate to obtain the discharge in full thereof and remove or nullify the basis therefor. Nothing herein shall be construed as constituting the consent to or permission of the Agency for the performance of any labor or services or the furnishing of any materials that would give rise to any Lien against the Agency's interest in the Project Facility.

SECTION 8.9 PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to make any payment or to do any act as herein provided beyond applicable notice and/or cure periods, if any, and should the Bank fail to make such payment or do such act prior to the expiration of the notice and cure period afforded herein to the Bank, if any, the Agency may, but shall not be obligated to, without notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith; and the Company shall pay promptly upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon, at the Default Interest Rate, from the date of written demand to the Company.

SECTION 8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS. SECTION 8.11 EMPLOYMENT OPPORTUNITIES.

(A) The Company shall ensure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

(B) Pursuant to Section 858-b of the Act, except as otherwise provided by collective bargaining contracts or agreements, the Company agrees (1) to list all new employment opportunities created as a result of the Project with the New York State Department of Labor, Community Services Division (the "NYSDOL") and with the administrative entity (collectively with NYSDOL, the "JTPA Referral Entities") of the service delivery area created by the federal Job Training Partnership Act (P.L. No. 97-300) (including any successor statute thereto, including, without limitation, the Workforce Investment Act of 1998 (P.L. No. 105-270), collectively, the "JTPA") in which the Project Facility is located, and (2) where practicable, to first consider for such new employment opportunities persons eligible to participate in federal JTPA programs who shall be referred by the JTPA Referral Entities.

(C) Pursuant to the requirements of subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, prior to the effective date of this Lease, an employment plan, in form and substance reasonably satisfactory to the Agency.

The Company agrees to file with the Agency and to use reasonable efforts to cause each sub-sublessee of the retail portion of the Project Facility (the "Sub-Sublessees") to file, on a calendar year basis not later than February 11 of each year during the term of this Lease, measured as of December 31st of the immediately preceding calendar year, reports (i) certifying the full-time equivalent jobs retained and the full time equivalent jobs created as a result of the granting of the Financial Assistance, by category, including full-time equivalent independent contractors and employees of independent contractors that work at the Project Facility, and (ii) certifying that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that were set forth in the Application, if applicable, are then still accurate or, if not then still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Said annual reports shall be in substantially the form promulgated from time to time by the Agency. The current forms of reports are annexed hereto as Exhibit G. The Company shall provide such annual reports (and supporting documentation) with respect to its employees and shall use reasonable efforts to cause its Affiliates, contractors and agents and the Sub-Sublessees to provide such reports (and supporting documentation) with respect to their respective employees at the Project Facility. The Agency shall have the right, at the Company's expense, to audit, confirm and/or require additional information with regard thereto and the Company agrees to cooperate with and to use reasonable efforts to cause its Affiliates, such third parties and the Sub-Sublessees to cooperate with the Agency in connection therewith.

(D) The Company shall, at all times during the term of this Lease, maintain or cause to be maintained the Minimum Employment Requirement.

(E) Subject to (i) collective bargaining contracts or agreements and other existing contracts or agreements to which the Company is a party or by which the Company is bound and (ii) compliance with Applicable Laws, the Company agrees to list or cause to be listed all new employment opportunities created as a result of the Project on the Nassau County TweetMyJobs website or other website designated by the Agency from time to time, provided that such listing shall be at no cost to the Company.

(F) Subject to (i) collective bargaining contracts or agreements and other existing contracts or agreements to which the Company is a party or by which the Company is bound and (ii) compliance with Applicable Laws, with respect to all employment opportunities at the Project Facility, the Company agrees to use reasonable efforts to ensure that such employment opportunities shall be provided to Nassau County or Suffolk County residents first.

SECTION 8.12 SALES AND USE TAX EXEMPTION.

(A) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain sales and use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. Any exemption from the payment of New York sales and use taxes resulting from Agency involvement in the Project shall be limited to purchases of services and the purchase or lease of tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency, in connection with the completion of the acquisition, improvement, installation and equipping of the Project Facility (but not the operation thereof). No operating expenses (including, without limitation, costs of utilities, cleaning services or

supplies) of the Project Facility and no other purchases or leases of services or property shall be subject to an exemption from the payment of New York sales or use taxes. The Agency makes no representations or warranties that any property or service is exempt from the payment of New York sales or use taxes.

(B) On the Closing Date, the Agency and the Company shall execute and deliver a sales tax agency agreement in the form attached hereto as Exhibit E (the "Sales Tax Agency Agreement"). The granting of the sales and use tax exemption herein is subject to the following additional terms and conditions:

(1) The Sales Tax Agency Agreement shall be dated the Closing Date and shall be effective for a term commencing on its date and expiring upon the earliest to occur of: (a) the termination of this Lease, (b) January 31, 2019 or, in the event the Scheduled Completion Date is extended by the Agency in accordance with this Lease, the date that is thirty (30) days following the amended Scheduled Completion Date (the "Sales Tax Expiration Date"), or (c) the termination of the Sales Tax Agency Agreement pursuant to the terms hereof and thereof;

(2) Anything in this Lease or the Sales Tax Agency Agreement to the contrary notwithstanding, the sales and use tax exemption to be provided pursuant to the Sales Tax Agency Agreement (a) shall not be available for any date subsequent to which the Sales Tax Agency Agreement shall have been suspended as provided in this Lease; provided, however, that in the event the Company shall thereafter cure the default(s) giving rise to such suspension, or the Agency shall thereafter waive such suspension and the sales and use tax exemption shall again continue from the date of such cure or waiver; (b) shall not be available for or with respect to any tangible personal property having a useful life of less than one year; and (c) shall not be available after the Company (or the contractors or subcontractors engaged by the Company and approved by the Agency as its agents) shall have made purchases under the Sales Tax Agency Agreement resulting in sales and use tax exemptions in the aggregate amount of the Maximum Sales Tax Benefit;

(C) Intentionally omitted.

(D) Pursuant to Section 874(8) of the Act, the Company agrees to file annually (through the year after the Sales Tax Agency Agreement expires or is earlier terminated), with the New York State Department of Taxation and Finance (the "Department"), no later than January 15th of each year, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Annual Sales Tax Report"), a statement of the value of all sales and use tax exemptions claimed by the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency as its agents) under the authority granted to the Company pursuant to Section 4.1(E) of this Lease during the preceding calendar year. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be the termination of authority to act as agent of the Agency. Additionally, if the Company shall fail to comply with the requirements of this subsection (D), the Company (and its contractors and subcontractors) shall immediately cease to be the agent of the Agency in connection with the Project. Such obligation shall terminate with the filing of such statement for the partial year ending on the Sales Tax Expiration Date.

(E) The Company agrees to furnish to the Agency, simultaneously with its delivery of such report to the Department, a copy of each such Annual Sales Tax Report submitted to the Department by the Company pursuant to Section 874(8) of the Act.

(F) The Company acknowledges that, pursuant to Section 874(9) of the Act, the Agency shall file within thirty (30) days of the Closing Date with the Department on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), statements identifying the Company and its contractors and subcontractors approved by the Agency as agents of the Agency, setting forth the taxpayer identification numbers of such Persons, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease. The Company agrees to timely provide the foregoing information to the Agency and to otherwise cooperate with the Agency in connection with the preparation and filing of the Thirty-Day Sales Tax Report.

(G) With respect to any period in which the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency as its agents) receives a sales tax exemption benefit under the authority granted to the Company pursuant to Section 4.1(E) of this Lease, the Company agrees to furnish to the Agency, on request, an officer's certificate stating that such officer has reviewed the claiming of such exemption from sales and use taxes by the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency as its agents) for the preceding calendar year, and has reviewed the terms and provisions of the Sales Tax Agency Agreement and of this Section 8.12, and has further reviewed the Quarterly Sales Tax Reports for the preceding calendar year, and that such Quarterly Sales Tax Reports were properly prepared and accurately reflect the matters certified therein. The obligation to furnish such certificate shall not apply with respect to any period after the Sales Tax Expiration Date.

(H) The Company covenants and agrees that it shall incorporate this Lease by attachment or shall include or cause to be included the following language in and as a part of each contract, agreement, lease, invoice, bill or purchase order entered into by the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent), as agent of the Agency, in connection with the acquisition, improvement, installation and equipping of the Project Facility:

"This [contract, agreement, lease, invoice, bill or purchase order] is being entered into by [] (the "Agent"), as approved agent for and on behalf of the Nassau County Industrial Development Agency (the "Agency") in connection with a certain project (the "Project") of the Agency for MINEOLA METRO LLC (the "Company") consisting in part of the acquisition, construction, installation and equipping of a mixed-use residential/retail facility located at 199 Second Street, Incorporated Village of Mineola, Town of North Hempstead, County of Nassau, New York (the "Premises") and the acquisition of certain capital improvements,

materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for the completion of the Project. The capital improvements, materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for completion of the Project which are the subject of this [contract, agreement, lease, invoice, bill or purchase order] shall be exempt from the sales and use taxes levied by the State of New York and the County of Nassau if effected in accordance with the terms and conditions set forth in the attached Sales Tax Agency Agreement of the Agency, and the Agent hereby represents that this [contract, agreement, lease, invoice, bill or purchase order] is in compliance with the terms of the Sales Tax Agency Agreement. This [contract, agreement, lease, invoice, bill or purchase order] is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this [contract, agreement, lease, invoice, bill or purchase order], the [vendor, lessor, licensor, contractor or subcontractor] hereby acknowledges and agrees to the terms and conditions set forth in this paragraph.”

If the Company fails to include, incorporate by reference or otherwise cause the contract, agreement, lease, invoice, bill or purchase order to be subject to the above provision, then such contract, agreement, lease, invoice, bill or purchase order shall not be an undertaking on behalf of the Agency and shall not be entitled to any of the benefits that may be conferred by the Agency, neither the Company nor any contractor or subcontractor engaged by the Company and approved by the Agency as its agent shall claim any sales or use tax benefits or exemptions with respect thereto, and the Company shall return or cause to be returned to the Agency any such benefits or exemptions so taken, together with interest thereon at the Default Interest Rate, from the date of such taking.

A contractor or subcontractor engaged by the Company as an agent of the Agency pursuant to this Section 8.12 shall not be valid unless and until the Agency, the Company and the contractor or subcontractor execute and deliver an agency agreement in the form required by the Agency (each, a “Sub-Agent Agency Agreement”). The appointment of such contractor or subcontractor by the Agency shall be subject to all of the provisions of this Section 8.12.

(I) The Company agrees to provide a completed Form ST-123, *IDA Agent or Project Operator Exempt Purchase Certificate*, to each vendor, lessor, licensor, contractor or subcontractor from which the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent) purchases and/or leases goods or services or with which the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent) enters into an improvement or installation contract relating to the acquisition, improvement, installation and equipping of the Project Facility. The Company acknowledges that, pursuant to Section 875 of the Act, the Certificate must be provided to the vendor, lessor, licensor, contractor or subcontractor in order for the contract, agreement, lease, invoice, bill or purchase order to be exempt from the imposition of sales and/or use taxes

pursuant to the authority granted under Section 4.1(E) of this Lease. The Company agrees to provide the Agency a copy of each such Form ST-123 within five (5) days after the delivery of such form to the vendor, lessor, licensor, contractor or subcontractor.

(J) (1) Without limitation of any of the Agency's other rights under this Lease, in the event that the Company (or any contractor or subcontractor engaged by the Company and approved by the Agency as its agent) shall utilize the sales or use tax exemption provided pursuant to Section 4.1(E) of this Lease (i) in a manner that is not authorized or for which the Company (or any contractor or subcontractor engaged by the Company and approved by the Agency as its agent) is not entitled to claim an exemption, (ii) to claim exemptions in excess of the Maximum Sales Tax Benefit, (iii) to purchase or lease goods or services that are not authorized under this Lease, or (iv) in a manner that violates the provisions of this Section 8.12 or any other provision of this Lease or any provision of the Sales Tax Agency Agreement or Sub-Agent Agency Agreement, then the Company shall promptly deliver notice of same to the Agency, and the Company shall promptly pay or cause to be paid to the Agency a return of sales or use tax exemptions in an amount equal to all such unauthorized sales or use tax exemptions together with interest at the Default Interest Rate from the date and with respect to the dollar amount for which each such unauthorized sales or use tax exemption was used by the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent). If the Company fails to promptly pay such return of sales or use tax exemptions when due, the Agency shall have the right, without limitation of any of its other rights under this Lease, to take any action or commence any proceeding at law or in equity which may appear necessary or desirable to the Agency to recover any such amounts and the Agency shall have the right to join the Commissioner as a party in any such action or proceeding. The Company shall cooperate with the Agency in all such actions and proceedings to recover such amounts. The Company acknowledges and agrees that its failure to pay over any such amounts to the Agency shall also be grounds for the Commissioner to assess and determine State Sales and Use Taxes due from the Company under Article 28 or Article 28-A of the New York State Tax Law, together with any applicable penalties and interest due on such amounts.

(2) The Company acknowledges and agrees that, in the event the Agency recovers, receives or otherwise obtains any amount of State Sales and Use Tax from the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent) pursuant to the foregoing subsection, the Agency shall have the right to remit same to the Commissioner, together with such information and report that the Commissioner deems necessary to administer payment over of such amounts, and the Company agrees to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability incurred as a result of remitting such amounts to the Commissioner.

(3) Pursuant to Section 875 of the Act, the Agency shall prepare and file an annual compliance report (each, a "Compliance Report") detailing provisions of this Lease and, if applicable, its activities and efforts to recover, receive or otherwise obtain State Sales and Use Taxes pursuant to the terms of this Lease, together with such other information as the Commissioner and/or the Commissioner of Economic Development may require, which Compliance Report will be filed with the Commissioner, the Director of the Division of the

Budget, the Commissioner of Economic Development, the State Comptroller and the Nassau County Legislature. The Company acknowledges the provisions of Section 875 of the Act, agrees to timely provide any information required by the Agency in connection with such Compliance Report and agrees to cooperate with the Agency in connection with the preparation and filing of such Compliance Report.

SECTION 8.13 IDENTIFICATION OF THE EQUIPMENT. All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

SECTION 8.14 FINANCIAL STATEMENTS. Within one hundred twenty (120) days after the end of each fiscal year, the Company shall deliver to the Agency the financial statements of the Company prepared and compiled by the chief financial officer of the Company and certified by the Managing Member of the Company, including a balance sheet as of the last day of such period and an operating statement through the last day of such period. The Company represents to the Agency that the Company's fiscal year ends on December 31st.

Neither the Company nor any director, officer, member, manager or shareholder of the Company, nor any Affiliate of any of the foregoing, is in violation of any Anti-Terrorism Law or engages in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law.

(4) a Person or entity that commits, threatens or conspires to commit or supports "terrorism" as defined in Executive Order No. 13224;

(5) a Person or entity that is named as a "specially designated national" on the most current list published by the U.S. Treasury Department Office of Foreign

Asset Control at its official website or any replacement website or other replacement official publication of such list, or

(6) a Person or entity who is affiliated or associated with a person or entity listed above.

(C) Blocked Person or Transactions. Neither the Company, nor any director, officer, member, manager or shareholder of the Company, nor any Affiliate of any of the foregoing, nor to the Company's knowledge any of its agents acting in any capacity in connection with the transactions contemplated by the Transactions Documents (i) conducts any business or engages in making or receiving any contribution of funds, goods or services to or for the benefit of any Blocked Person, or (ii) deals in, or otherwise engages in any transaction relating to, any property or interests in property blocked pursuant to Executive Order No. 13224.

(D) Trading with the Enemy. The Company is not engaged, nor does it intend to engage, in any business or activity prohibited by the Trading with the Enemy Act.

(E) OFAC and Patriot Act. The Company represents, warrants, covenants and agrees as follows: (i) the Company, its directors, officers, members, shareholders and Affiliates are in compliance with all Anti-Terrorism Laws; (ii) the Company shall immediately notify the Agency if it obtains knowledge that it or any of its Affiliates has become or been listed as a Restricted Party or has been charged with or has engaged in any violation of any Anti-Terrorism Law; (iii) the Company shall not to receive any funds from a Restricted Party and, in any case, exclude any funds derived from any Restricted Party or from any person or entity involved in the violation of any Anti-Terrorism Law from being used to pay the Indebtedness or any part thereof; (iv) the Company shall not to transfer or permit the transfer of any legal or beneficial ownership interest of any kind in the Company to a Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law; (v) the Company shall not to acquire, directly or indirectly, ownership interest of any kind in any Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law, (vi) the Company shall not to form any partnership or joint venture or conduct any business with any Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law, (vii) the Company shall not to act, directly or indirectly, as the agent or representative of any Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law; and (viii) the Company shall indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency from and against any costs incurred by the Agency, and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, as a result of any violation of an Anti-Terrorism Law by the Company or any of its directors, officers, members, shareholders or Affiliates.

ARTICLE IX ASSIGNMENTS; LEASING; MERGER OF THE AGENCY

SECTION 9.1 ASSIGNMENT OF THIS LEASE. Except as expressly permitted by this Lease (including, without limitation, pursuant to Section 9.3 hereof), this Lease may not be sold, assigned or otherwise transferred by the Company, in whole or in part, without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's reasonable

discretion, and shall in all events be subject to and conditioned upon the payment of any required fees of the Agency and the satisfaction of all requirements of the Act and this Lease. Any such sale, assignment or transfer made by the Company without the prior written consent of the Agency as aforesaid shall be null and void. Any such sale, assignment or transfer shall be made pursuant to documentation satisfactory to the Agency. The Company shall pay all reasonable fees and expenses incurred by the Agency in connection with such sale, assignment or transfer. The foregoing provisions shall not apply to (i) the granting of the Bank Mortgage by the Company, or (ii) any transfer made pursuant to and in accordance with the provisions of Section 12.20 of this Lease.

SECTION 9.2 MERGER OF THE AGENCY. Nothing contained in this Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or any political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder; provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall endeavor to give notice thereof in reasonable detail to the Company and to the Bank. The Agency shall promptly furnish to the Company and the Bank such additional information with respect to any such consolidation, merger or assignment as the Company or the Bank may reasonably request.

SECTION 9.3 SALE OR LEASE OF THE PROJECT FACILITY.

(A) The Company shall not sell, lease, sublease, sub-sublease, license, transfer, convey or otherwise dispose of or permit others to use or occupy the Project Facility or any portion thereof without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's reasonable discretion, except for transfers, conveyances, subleases and other occupancy arrangements as set forth in Subsection (B), if any, for which the consent of the Agency shall not be required. Notwithstanding any provision of this Lease to the contrary, the foregoing provisions shall not apply to (i) the granting of the Bank Mortgage by the Company, or (ii) any transfer made pursuant to and in accordance with the provisions of Section 12.20 of this Lease.

(B) Notwithstanding any provision of this Lease to the contrary, the Agency hereby authorizes the Company to sub-sublease portions of the Project Facility in arms' length, bona fide transactions with third parties for the following uses, for which no consent of the Agency shall be required: (i) as the residence of third parties in connection with the operation of the portion of the Project Facility above the ground floor as a residential rental facility (the "Residential Space"); and (ii) with respect to the ground floor of the Project Facility, as retail space occupied by Sub-Sublessees and used for retail purposes as contemplated by this Lease (the "Retail Space"), provided that (1) the leasing of the Residential Space shall be pursuant to a form of lease approved in advance by the Agency (the Agency hereby acknowledging that it has

approved such form of lease as of the date hereof); (2) the leasing of the Retail Space shall be pursuant to a commercially reasonable form of lease, which lease shall include the rider of terms attached hereto as Exhibit H; (3) notwithstanding the sub-subleasing of any Residential Space or any Retail Space, the Company shall nevertheless remain liable to the Agency for the payment of all rent and for the full performance of all of the terms, covenants and conditions of this Lease and the other Transaction Documents, (4) with respect to the Residential Space, the tenant(s) shall utilize the demised portion of the Project Facility only as the residence of such tenant or tenants and for no other purpose, and (5) with respect to the Retail Space, the Company shall not lease any such space to any Sub-Sublessee that is a Prohibited Person or where the use by such Sub-Sublessee of such Retail Space would violate any Applicable Laws. Furthermore, the Company shall not, without the prior written consent of the Agency, which consent may be withheld in the sole and absolute discretion of the Agency, lease the Retail Space, or any portion thereof, in any manner that would cause (i) the removal of a facility or plant of the proposed tenant or occupant from one area of the state to another area of the State or in the abandonment of one or more plants or facilities of the tenant or occupant located within the State, or (ii) the Project Facility to be a project where property that is used in making retail sales of goods or services to customers who personally visit the Project Facility would constitute more than one-third of the total cost of the Project. The Agency hereby acknowledges the leasing by Citibank, N.A. of a portion of the ground floor of the Project Facility pursuant to the terms of the Citibank Lease, which Citibank Lease is hereby approved by the Agency.

(C) Notwithstanding any provision of this Lease to the contrary, the sub-subleasing of the Affordable Units shall comply with the requirements of the Regulatory Agreement.

(D) In the event of the Company's default beyond any applicable grace, notice or cure periods in the payment of rent or other amounts due under this Lease or the other Transaction Documents, the Agency may, and is hereby empowered to, collect rent from any sub-sublessee during the continuance of any such default. The Agency may apply the net amount received by it to the rent provided herein, and no such collection shall be deemed a waiver of the covenant herein against assignment, transfer or sublease of the Project Facility, or constitute the acceptance of the sub-sublessee as tenant, or a release of the Company from the further performance of the covenants herein contained on the part of the Company.

(E) Notwithstanding anything to the contrary contained in this Section 9.3, in any instance where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency but, upon reasonable prior notice to the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with items of similar quality and value as the items replaced as of the date of original installation of the replaced items except in the ordinary course in which case no prior notice is required. At the request of the Company, the Agency shall execute and deliver to the Company all instruments reasonably necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Transaction Documents. The Company shall pay all reasonable costs and expenses (including reasonable attorneys' fees and expenses)

incurred in transferring title to and releasing from the Liens of the Transaction Documents any item of Property removed pursuant to this Section 9.3.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1 EVENTS OF DEFAULT DEFINED.

(A) The following shall be “Events of Default” under this Lease, and the term “Event of Default” shall mean, whenever it is used in this Lease, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of any amount due under this Lease or under any other Transaction Document, and the continuance thereof for a period of fifteen (15) days after written notice thereof is given by the Agency to the Company.

(2) A default in the performance or observance of any covenant, condition or agreement on the part of the Company in this Lease (other than as set forth in subsection (1) above or in any other subsection of this Section 10.1(A)) and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, or, if such covenant, condition or agreement is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the cure to completion with due diligence.

(3) The occurrence of an “Event of Default” under any other Transaction Document, which has not been cured within any applicable grace, notice or cure period.

(4) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

(5) The Company shall conceal, remove or permit to be concealed or removed any part of its Property, with intent to hinder, delay or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within sixty (60) days after the Company receives notice thereof or otherwise has knowledge thereof.

(6) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy or insolvency statute; (b) the failure by the Company within forty-five (45) days to lift any execution, garnishment or attachment of such consequence as will impair the Company’s ability to

carry out its obligations hereunder; (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy or insolvency statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of forty-five (45) days; (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver, liquidator or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within forty-five (45) days of such appointment.

(7) Except for transfers expressly permitted by this Lease, if any interest in the Company shall be sold, assigned, transferred, conveyed, mortgaged, pledged, hypothecated or alienated, or if any member or shareholder of the Company enters into an agreement or contract to do so, without the prior written consent of the Agency, which consent may be withheld in the Agency's absolute discretion. The provisions of this subsection (7) shall not apply from and after the date of any foreclosure (or the granting of a deed in lieu of foreclosure) of the Bank Mortgage, subject to the provisions of Section 12.20 of this Lease.

(8) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance that is not discharged, by payment, bonding or otherwise, within thirty (30) days after notice of the filing, assertion, entry or issuance thereof.

(9) The removal of the Project Facility, or any portion thereof, outside the County, without the prior written consent of the Agency, other than in connection with a removal permitted under Section 9.3(E) of this Lease.

(10) If any certificate, statement, representation, warranty or financial statement made to the Agency by or on behalf of the Company or the Guarantor shall prove to have been false, misleading or incorrect in any material respect at the time as of which the facts therein set forth were made, or to have omitted any material liability or claim against the Company or the Guarantor, as the case may be.

(11) If the environmental or ecological condition of the Project Facility is in violation of any Environmental Law or any permit, license or approval related thereto or if the Project Facility, or any part thereof, contains any Hazardous Materials (except Hazardous Materials which do not violate Environmental Laws and except Hazardous Materials that are expressly disclosed in the Environmental Report), and the Company is either unable to commence to comply with such Environmental Laws within forty-five (45) days of the notification or discovery of such violation or to complete all appropriate and lawful remedial containment and clean-up action within one hundred twenty (120) days of the notification or discovery of the existence of such Hazardous Materials.

(12) Any loss or material impairment of the Agency's or the Company's respective interests in and to the Project Facility, or any part thereof.

(13) The Company, the Guarantor or any Affiliate thereof or any director, member, manager or shareholder of the Company, as the case may be, shall become a Prohibited Person.

(14) Subject to assignments expressly permitted by this Lease, any assignment of this Lease, in whole or in part, or any sub-subletting of the Project Facility, or any portion thereof, in violation of the terms of this Lease.

(15) If neither Kevin Lalezarian nor Frank Lalezarian is, directly or indirectly, in day-to-day control of the management and operations of the Company for any reason, except in connection with any sale, assignment or transfer of the Project Facility approved by the Agency, where such approval is required by this Lease. The provisions of this subsection (15) shall not apply from and after the date of any foreclosure (or the granting of a deed in lieu of foreclosure) of the Bank Mortgage, subject to the provisions of Section 12.20 of this Lease.

(16) An Event of Default shall occur under the Regulatory Agreement.

(17) The Bank shall commence foreclosure proceedings or shall accelerate the Bank Loan after declaring a default past all applicable grace or cure periods under the Bank Mortgage or any document or agreement executed in connection therewith.

(18) If any of the events enumerated in clauses (4) through (6) of this Section 10.1 shall happen to the Guarantor.

(19) The Company or the Guarantor defaults beyond any applicable notice and/or cure period under or attempts to withdraw, reate, cancel or disclaim liability under any guaranty or indemnity made by such party in favor of the Agency.

(20) If the Company shall fail to maintain or cause to be maintained the Minimum Employment Requirement at any time during the term of this Lease.

(21) The Company shall have ceased to operate the Project Facility as a mixed-use residential rental/retail facility or shall have otherwise effected a substantial change in the scope and nature of the Project Facility without the consent of the Agency.

(22) Failure by the Company at any time to keep in full force and effect any insurance policy or coverage required by Section 6.3 of this Lease.

(B) Notwithstanding the provisions of Section 10.1(A) hereof if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Lease and if such party shall give notice and full particulars of such force majeure event or cause in writing to the other party within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Lease of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the

continuance of the inability to perform. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required under this Lease, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 2.2(G), 3.1, 3.3, 4.1(F), 6.1, 8.2 and 12.9(C) hereof and to comply with the provisions of Sections 2.2(G), 6.6, 8.2, 8.4, 8.5 and 8.7(C) hereof. The term "force majeure" as used herein shall include acts outside of the control of the Agency and the Company, including, but not limited to, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, restraint of government and people, civil disturbances, breakage or accident to transmission pipes or canals, and failure of utilities.

SECTION 10.2 REMEDIES ON DEFAULT.

(A) Whenever any Event of Default shall have occurred, the Agency may, to the extent not prohibited by law, take any one or more of the following remedial steps:

(1) declare, upon fifteen (15) days' written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 hereof, and (b) all other payments due under this Lease or any of the other Transaction Documents, including, without limitation, any resulting Recapture of Benefits under Section 11.4 of this Lease; or

(2) upon fifteen (15) days' written notice to the Company, re-enter and take possession of the Project Facility, enforce or terminate this Lease, sell or assign the Agency's interest in the Project Facility, subject to Permitted Encumbrances, at public or private sale, as a whole or piecemeal, in whole or in part, for such consideration as may be deemed appropriate in the circumstances by the Agency, and hold the Company liable for the amount, if any, by which the aggregate unpaid amounts due hereunder exceed the Net Proceeds received upon such sale, or manage and operate the Project Facility, collect all or any rents accruing therefrom, let or relet the Project Facility or any part thereof for the Agency's own account or the account of the Company, holding the Company liable for payments due up to the effective date of such leasing and for the difference in the rent and other amounts paid by the sublessee pursuant to such lease and the rental payments and other amounts payable by the Company hereunder, cancel or modify leases, evict tenants, bring or defend any suits in connection with the possession of the Project Facility in its own name or in the Company's name, make repairs as the Agency deems appropriate, and perform such other acts in connection with the management, operation or disposition of the Project Facility, or any portion thereof, as the Agency, in its discretion, may deem proper; or

(3) upon fifteen (15) days' written notice to the Company, terminate this Lease and/or terminate the Company Lease and/or convey to the Company all the Agency's right, title and interest in and to the Project Facility. The conveyance of the

Agency's right, title and interest in and to the Project Facility shall be effected by the execution by the Agency of the Termination of Lease and/or the Termination of Company Lease and/or the delivery of the Bill of Sale to Company, as applicable. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such termination and conveyance. The Company hereby waives delivery and acceptance of such termination and bill of sale as a condition to their validity, and appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest) with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording or filing of such documents; or

(4) bring an action for damages, injunction or specific performance; or

(5) suspend the right of the Company (and its contractors and subcontractors approved by the Agency as its agents) to act as agent for the Agency in connection with the Project, including, without limitation, as its agent for the purpose of the sales and use tax exemption afforded to the Company pursuant to this Lease; or

(6) require the Company to make payments in lieu of real property taxes under the PILOT Agreement in amounts equal to the amounts the Company would otherwise be required to pay if it were the owner of the Project Facility (and the Agency did not hold an interest therein); or

(7) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Lease.

(B) No action taken pursuant to this Section 10.2 (including repossession of the Project Facility) shall relieve the Company from its obligations to make all payments required by this Lease and the other Transaction Documents.

SECTION 10.3 REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. Following the occurrence and during the continuance of an Event of Default, if the Agency should retain attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, promptly pay to the

Agency such expenses (including, without limitation, attorneys' fees and expenses) so incurred, whether an action is commenced or not.

SECTION 10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI EARLY TERMINATION

SECTION 11.1 EARLY TERMINATION OF THE LEASE. The Company shall have the option to terminate this Lease prior to the termination date specified in Section 5.2 hereof by filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section 11.1 and setting forth the effective date of such termination, which effective date shall not be less than thirty (30) days after the delivery of the certificate to the Agency. The exercise of the option to terminate pursuant to this Section 11.1 shall not constitute a "Recapture Event" (as such term is defined in Section 11.4 hereof); provided that, both at the time of the exercise of such option and the effective date of the termination, there shall not exist any Event of Default under this Lease or under any other Transaction Document, or any other event which would, but for the passage of time or the giving of notice, or both, constitute such an Event of Default; and provided further that the exercise of the option to terminate by the Company pursuant to this Section 11.1 shall have no force or effect unless the Bank shall consent thereto in writing. The Company shall not, at any time, assign or transfer its option to terminate this Lease and purchase the Agency's interest in the Project Facility as contained in this Section 11.1 separate and apart from a permitted assignment of this Lease pursuant to Section 9.1 of this Lease without the prior written consent of the Agency.

SECTION 11.2 OBLIGATION TO SELL AND PURCHASE THE PROJECT FACILITY.

(A) Contemporaneously with the termination of this Lease in accordance with Section 5.2 or Section 11.1 hereof, the Company shall pay all sums required to be paid to the Agency or any other Person pursuant to this Lease and the other Transaction Documents (including any applicable Recapture of Benefits). The obligation of the Agency under this Section 11.2 to convey its interest in the Project Facility to the Company and to terminate this Lease and the Company Lease will be subject to there being no Event of Default existing hereunder or under any other Transaction Document, and there being no other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default.

(B) The termination of this Lease and the conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution and delivery by the Agency of (1) the Termination of Company Lease (an unexecuted copy of which is attached hereto as Exhibit C), (2) the Bill of Sale to Company (an unexecuted copy of which is attached hereto as Exhibit D), (3) the Termination of Lease (an unexecuted copy of which is attached hereto as Exhibit F), and (4) a satisfaction in recordable form of the Recapture Mortgage (the

“Recapture Satisfaction”). In addition, the Agency shall use commercially reasonable efforts to cause the County to execute and deliver a satisfaction in recordable form of the PILOT Mortgage (the “PILOT Satisfaction” and together with the Recapture Satisfaction, the Mortgage Satisfactions). The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such termination, including, without limitation, all of the Agency’s reasonable costs and expenses in connection therewith (including reasonable attorneys’ fees and expenses).

(C) The Company agrees to prepare the Termination of Company Lease, the Bill of Sale to Company, the Termination of Lease, and the Mortgage Satisfactions, and all schedules thereto, together with all equalization and assessment forms and other necessary documentation, and to forward same to the Agency at least fifteen (15) days prior to the date that the Project Facility or any portion thereof is to be conveyed to the Company. The Company hereby irrevocably appoints and designates the Agency as its attorney-in-fact for the purpose of executing, delivering and/or recording such documents and to take such other and further action as shall be necessary to terminate the Agency’s interest in the Project Facility.

(D) This Lease shall survive the transfer of the Project Facility to the Company pursuant to this Section 11.2 and shall remain in full force and effect until ninety-one (91) days after all of the Indebtedness shall have been paid in full, and thereafter the obligations of the Company shall survive as set forth in Section 12.7 hereof.

(E) Upon the payment in full of all Indebtedness, and notwithstanding the survival of certain obligations of the Company as described in Section 12.7 hereof, the Agency shall upon the request of the Company execute and deliver to the Company such documents as the Company may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency hereunder.

SECTION 11.3 RESERVED.

SECTION 11.4 RECAPTURE OF AGENCY BENEFITS.

(A) It is understood and agreed by the parties to this Lease that the Agency is entering into this Lease in order to provide the Financial Assistance to the Company for the Project and to accomplish the purposes of the Act. In consideration therefor, the Company hereby agrees that if there shall occur a Recapture Event (as hereinafter defined), then the Company shall pay to the Agency as a return of public benefits conferred by the Agency, one hundred percent (100%) of the Benefits (as defined below) (such amount, the “Recapture of Benefits”).

(B) The term “Benefits” shall mean the Agency’s calculation of, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Company during the fiscal tax year(s) of the Affected Tax Jurisdiction in which the Recapture Event occurs, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under the PILOT Agreement for such fiscal tax year(s) from those payments which the Company would have been required to pay during such fiscal tax year(s) had the Company been the owner of the Project Facility during such period and

the Agency not been involved in the Project, based on the applicable tax assessor's records, and treating any negative result as \$0; and

(2) all miscellaneous benefits derived from the Agency's participation in the transactions contemplated by this Lease, including, but not limited to, any exemption from real property transfer taxes, any exemption from mortgage recording taxes and any exemption from applicable sales and use taxes.

(C) For the purposes of this Section 11.4 the term "Recapture Event" shall mean the occurrence of any of the following events:

(1) The occurrence of an Event of Default under the Regulatory Agreement;

or

(2) The occurrence of an Event of Default under this Lease or any other Transaction Document that is susceptible of cure by the payment of money; or

(3) The Company shall have ceased to operate the Project Facility as a mixed-use residential rental/retail facility as described in this Lease or shall have otherwise effected a substantial change in the scope and nature of the Project Facility; or

(4) The Company shall have sold, leased, assigned, transferred or otherwise disposed of all or any part of its interest in the Project Facility in violation of this Lease; or

(5) The Company fails to maintain or cause to be maintained the Minimum Employment Requirement at any time during the term of this Lease; or

(6) The Application, or documentation submitted by the Company in support of the Application, contained a knowingly false or knowingly misleading statement as to any fact material to the Application or knowingly omitted any information which, if included, would have rendered any information in the Application or supporting documentation false or misleading in any material respect, and such false or misleading statement or omission was made knowingly and intentionally for the purpose of obtaining the Financial Assistance; or

(7) Failure by the Company to file a Compliance Certificate with the Agency within ten (10) days after such filing is due pursuant to subsection (G) below; or

(8) A Compliance Certificate, or any documentation in support of a Compliance Certificate, contains a false or intentionally misleading statement or omits any information which, if included, would have rendered any information in such Compliance Certificate or supporting documentation false or misleading in any material respect.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a Condemnation by governmental authority of all or substantially all of the Project Facility or any interest therein, or

(ii) the inability at law of the Company to rebuild, repair, restore or replace the Project Facility after the occurrence of a casualty to substantially its condition prior to such casualty, which inability shall have arisen in good faith through no fault on the part of the Company.

(D) The Company covenants and agrees to furnish the Agency and the Bank with written notification upon the occurrence of any Recapture Event, which notification shall set forth the terms of such Recapture Event.

(E) In the event any payment owing by the Company under this Section 11.4 shall not be paid on written demand by the Company, such payment shall bear interest from the date of such written demand at the Default Interest Rate until the Company shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

(F) The Company's obligation to pay the Recapture of Benefits is secured, inter alia, by the Recapture Mortgage (to which reference is made for a complete description of the Mortgaged Property conveyed and pledged, all the terms, covenants, conditions, provisions and agreements of which Mortgage are hereby made a part of this Lease to the same extent and with the same force and effect as if fully set forth herein). Upon the occurrence and during the continuance of a Recapture Event, the entire Recapture of Benefits (together with accrued and accruing interest thereon as aforesaid) shall become immediately due and payable at the option of the Agency, subject to the Bank's cure rights under the Recapture Mortgage. Failure to exercise such option shall not constitute a waiver of the right to exercise the same in the event of any subsequent or continuing Recapture Event or default with respect to the terms, covenants, conditions, provisions and agreements of this Section 11.4 or of the Recapture Mortgage.

(G) The Company agrees to file with the Agency, on an annual basis not later than February 11 of each year during the term of this Lease, a certificate of the Company certified by an Authorized Representative of the Company, certifying that no Recapture Event occurred during the immediately preceding calendar year (each such certificate, a "Compliance Certificate").

SECTION 12.2 BINDING EFFECT. This Lease shall inure to the benefit of the Agency and the Company and shall be binding upon the Agency, the Company and, as permitted by this Lease, their respective successors and assigns, but no assignment shall be effective to relieve the Company of any of its obligations hereunder unless expressly authorized and approved in writing by the Agency.

SECTION 12.3 SEVERABILITY. If any one or more of the covenants or agreements provided herein on the part of the Agency or the Company to be performed shall, for any reason, be held or shall, in fact, be inoperative, unenforceable or contrary to law in any particular case, such circumstance shall not render the provision in question inoperative or unenforceable in any other case or circumstance. Further, if any one or more of the phrases, sentences, clauses, paragraphs or sections herein shall be held void, voidable, invalid or unenforceable by a court of competent jurisdiction, then such covenant or covenants or agreement or agreements shall be deemed separable from the remaining covenants and agreements hereof and shall in no way affect the validity of the other provisions of this Lease.

SECTION 12.4 AMENDMENT. This Lease may not be amended, changed, modified, altered or terminated, except by an instrument in writing signed by the parties hereto, and approved in writing by the Bank.

SECTION 12.5 EXECUTION OF COUNTERPARTS. This Lease may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 12.6 APPLICABLE LAW. This Lease shall be governed by and construed in accordance with the applicable laws of the State, as in effect from time to time, without regard to its principles of conflicts of law.

SECTION 12.7 SURVIVAL OF OBLIGATIONS.

(A) The obligations of the Company to make the payments required by Sections 2.2(G), 3.1, 3.3, 4.1, 5.3, 5.4, 6.4(B), 6.6, 8.2, 8.9, 9.1, 9.3, 10.2, 10.4, 11.2 and 11.4 hereof and to provide the indemnity required by Sections 2.2(G), 3.1, 3.3, 4.1(F), 6.1, 8.2 and 12.9(C) hereof and its obligations and those of the Guarantor under the Environmental Indemnification shall survive the termination of this Lease, and all such payments after such termination shall be made upon demand of the party to whom such payment is due.

(B) The obligations of the Company to the Agency with respect to the Unassigned Rights shall survive the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitation during which a claim, cause of action or prosecution relating to the Unassigned Rights may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), attorneys, servants or employees, past, present or future, related thereto.

SECTION 12.8 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING. The Table of Contents and the headings of the several Sections in this Lease

have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Lease.

SECTION 12.9 NO RECOURSE; SPECIAL OBLIGATION.

(A) The obligations and agreements of the Agency contained herein and in the other Transaction Documents and any other instrument or document executed in connection therewith or herewith, and any other instrument or document supplemental thereto or hereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Company), servant or employee of the Agency in his individual capacity, and the members, officers, agents (other than the Company), servants and employees, past, present and future, of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby.

(B) The obligations and agreements of the Agency contained herein and therein shall not constitute or give rise to an obligation of the State or the County and neither the State nor the County shall be liable hereon or thereon, and, further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Agency's interest in the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights).

(C) No order or decree of specific performance with respect to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and ten (10) business days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than ten (10) business days, shall have failed to institute and diligently pursue action to cause compliance with such request within such ten (10) business day period) or failed to respond within such notice period, (2) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such fees and expenses, and (3) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents (other than the Company), servants or employees, past, present or future, shall be subject to potential liability, the party seeking such order or decree shall (a) agree to indemnify, defend (with counsel selected by the Agency and reasonably acceptable to the Company) and hold harmless the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability incurred as a result of its compliance with such demand, and (b) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents (other than the Company), servants and employees, past, present and future, against all liability expected to be incurred as a result of compliance with such request.

SECTION 12.10 NET LEASE. The obligation of the Company to make the payments specified in this Lease shall be absolutely net to the Agency without any abatement, recoupment, diminution, reduction, deduction, counterclaim, set-off or offset whatsoever, so that this Lease shall yield, net, to the Agency, the payments set forth herein.

SECTION 12.11 WAIVER OF JURY TRIAL. THE COMPANY AND THE AGENCY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS LEASE, ANY OTHER TRANSACTION DOCUMENT OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION WITH THIS LEASE.

SECTION 12.12 PRIOR AGREEMENTS. This Lease and the other Transaction Documents shall completely and fully supersede all other prior understandings or agreements, written or oral, between the Company and the Agency relating to the Project.

SECTION 12.13 SERVICE OF PROCESS.

(A) The Company represents that it is subject to service of process in the State of New York and covenants that it will remain so subject so long as this Lease shall be in effect. If for any reason the Company should cease to be so subject to service of process in the State of New York, the Company hereby designates and appoints, without power of revocation, Daniel P. Deegan, Esq., Forchelli Curto Deegan et al., 333 Earle Ovington Boulevard, Uniondale, NY 11553, and successor(s) as its agent for service of process, and if such agent shall cease to act or otherwise cease to be subject to service of process in the State of New York, the Secretary of State of the State of New York, as the agents of the Company upon whom may be served all process, pleadings, notices or other papers which may be served upon the Company as a result of any of its obligations under this Lease; provided, however, that the serving of such process, pleadings, notices or other papers shall not constitute a condition to the Company's obligations hereunder.

(B) The Company irrevocably and unconditionally (a) agrees that any suit, action or other legal proceeding arising out of this Lease or the other Transaction Documents may be brought in the courts of record of the State of New York in Nassau County or the courts of the United States, Eastern District of New York; (b) consents to the jurisdiction of each such court in any such suit, action or proceeding; and (c) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. For such time as this Lease is in effect, the Company's agents designated above shall accept and acknowledge in the Company's behalf service of any and all process in any such suit, action or proceeding brought in any such court. The Company agrees and consents that any such service of process upon such agents and written notice of such service to the Company in the manner set forth in Section 12.1 hereof shall be taken and held to be valid personal service upon the Company whether or not the Company shall then be doing, or at any time shall have done, business within the State of New York and that any such service of process shall be of the same force and validity as if service were made upon the Company according to the laws governing the validity and requirements of such service in the State of New York, and waives all claim of error by reason of any such service. Such agents shall not have any power or authority to enter into any appearance or to file

any pleadings in connection with any suit, action or other legal proceedings against the Company or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Company.

SECTION 12.14 THIRD PARTY BENEFICIARIES. Nothing herein is intended to be for, or to inure to, the benefit of any Person other than the parties hereto.

SECTION 12.15 NON-DISCRIMINATION.

(A) At all times during the term of this Lease, the Company shall not discriminate against any employee or applicant for employment because of race, color, ethnicity, religion, creed, age, gender, sexual orientation, national origin, marital status, military status, disability, familial status or other characteristic or criteria protected by Applicable Law. The Company shall use reasonable efforts to ensure that employees and applicants for employment with the Company or any tenant, subtenant or occupant of the Project Facility, or any part thereof, or any contractor or subcontractor with respect to the Project Facility, or any part thereof, are treated without regard to their race, color, ethnicity, religion, creed, age, gender, sexual orientation, national origin, marital status, military status, disability, familial status or other characteristic or criteria protected by Applicable Law. As used herein, the term "treated" shall mean and include, without limitation, the following: recruited, whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship; promoted; upgraded; downgraded; demoted; transferred; laid off; and terminated.

(B) The Company shall, in all solicitations or advertisements for employees placed by or on behalf of the Company, state that all qualified applicants will be considered for employment without regard to race, color, ethnicity, religion, creed, age, gender, sexual orientation, national origin, marital status, military status, disability, familial status or other characteristic or criteria protected by Applicable Law.

(C) The Company shall furnish to the Agency all information required by the Agency pursuant to this Section 12.15 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 12.15.

SECTION 12.16 DATE OF LEASE. The date of this Lease shall be for reference purposes only and shall not be construed to imply that this Lease was executed on the date first above written. This Lease was executed and delivered on August 17, 2016.

SECTION 12.17 RECORDING AND FILING. This Lease or a memorandum hereof shall be recorded by the Company in the appropriate office of the Clerk of the County, or in such other office as may at the time be provided by law as the proper place for the recordation thereof.

SECTION 12.18 SUBORDINATION. (A) This Lease and all of the Transaction Documents, except for the PILOT Agreement, the PILOT Mortgage, the Recapture Mortgage, the Agency's rights under Section 11.4 of this Lease and the Agency's rights with respect to the Unassigned Rights under this Lease, shall be subject and subordinate to the lien and the terms and conditions of the Bank Mortgage, including all amounts advanced thereunder and all

renewals, modifications and replacements thereof. The Bank Mortgage (including all amounts advanced thereunder and all renewals, modifications and replacements thereof) shall be subject and subordinate to the PILOT Agreement, the PILOT Mortgage, the Recapture Mortgage, the Agency's rights under Section 11.4 of this Lease and the Agency's rights with respect to the Unassigned Rights under this Lease. This Lease, except with regard to the Agency's Unassigned Rights, is subject and subordinate to the lien of the PILOT Mortgage and the Recapture Mortgage.

(B) The Agency agrees that it will not unreasonably withhold its consent to and shall execute and deliver any replacement or supplemental mortgage(s) requested by the Company to secure the Bank Loan, as such Bank Loan may be refinanced from time to time; provided, however, that (i) such replacement or supplemental mortgage(s) shall be in substantially the same form as the Original Bank Mortgage or shall otherwise be in form and substance reasonably satisfactory to the Agency, and (ii) such replacement or supplemental mortgage(s) shall not be entitled to an exemption from mortgage recording tax by virtue of the Agency's involvement in the Project, unless approved in writing by the Agency in its sole discretion.

SECTION 12.19 COMPANY NON-RECOURSE. All covenants, stipulations, promises, agreements and obligations of the Company contained in this Lease shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Company, and not of any director, officer, manager, member, employee or agent of the Company in his or her individual capacity, and no recourse shall be had for the payment of amounts due hereunder against any director, officer, manager, member, employee or agent of the Company or any natural person executing this Lease.

SECTION 12.20 SPECIAL BANK PROVISIONS. Notwithstanding any provision of this Lease or any other Transaction Document to the contrary:

(A) The Agency shall simultaneously give to the Bank a copy of each notice of default given to the Company under this Lease or any of the other Transaction Documents concurrently with the giving of any such notice by the Agency to the Company. The Bank shall, as herein provided, have the right to remedy such default within the applicable notice, cure or grace period, if any, provided under this Lease or the applicable Transaction Document with respect to such default. The Agency shall accept performance by the Bank of any covenant, condition or agreement on the Company's part to be performed hereunder with the same force and effect as though performed by the Company. For purposes of this Section 12.20, all references to "default" shall be deemed to include, without limitation, a Recapture Event.

(B) Notwithstanding the provisions of subsection (A) of this Section, if a non-monetary default under this Lease or any other Transaction Document that is susceptible of cure by the Bank cannot reasonably be cured by the Bank within the applicable notice, cure or grace period, with respect to such non-monetary default for which a notice, cure or grace period is granted, the Bank shall have as long as is reasonably required to cure such non-monetary default provided that, within the applicable notice, cure or grace period (or, if no notice, cure or grace period shall be provided for such non-monetary default, then within fourteen (14) days), the Bank shall have delivered to the Agency its notice of intention to take the action described in clause (i) or (ii) below and thereafter, in good faith, shall have commenced promptly either (i) to

cure such non-monetary default and to actively prosecute the same with diligence and continuity to completion, or (ii) if possession of the Project Facility is required to cure such non-monetary default, to institute foreclosure proceedings and obtain possession directly or through a receiver, and to actively prosecute such proceedings with diligence and continuity, provide the Agency with periodic updates as to the status and progress of same and, upon obtaining such possession, commence promptly to cure such non-monetary default and to prosecute the same to completion with diligence and continuity, provided that during the period in which such action as set forth in clause (i) or (ii) is being taken (and any foreclosure proceedings are pending), all of the other obligations of the Company under this Lease and the other Transaction Documents, to the extent they are susceptible of being performed by the Bank, are being performed and during such period the Agency shall not terminate this Lease or any of the other Transaction Documents. A “non-monetary default” as such term is used in this Section shall be deemed to mean a default that is not susceptible of cure by the payment of money. By way of illustration and not of limitation, a default by the Company with respect to (a) its obligation to obtain and maintain insurance pursuant to Section 6.3 of this Lease, or (b) its obligation to indemnify pursuant to Sections 2.2(G), 3.1, 3.3, 4.1(F), 6.1, 8.2 and 12.9(C) of this Lease, shall not constitute a “non-monetary default” hereunder because such default is susceptible of cure by the payment of money.

With respect to clause (i) of Subsection (B) above, the Bank shall not be required to cure any “non-monetary default” under this Lease that is not susceptible of cure by the Bank in order to avail itself of its rights under Subsection (B) above; provided, however, that (i) no default that is susceptible of cure by the payment of money shall constitute a default that is not susceptible of cure by the Bank, and (ii) the Bank shall not be obligated to cure any default under this Lease that is a default hereunder solely because it constitutes a default under the Bank Mortgage. The Bank must in any event comply with its other obligations set forth in Subsection (B) above in order to avail itself of its rights thereunder.

The foregoing provisions of this Subsection (B) to the contrary notwithstanding, a non-monetary default that constitutes or becomes a Recapture Event under Section 11.4 of this Lease shall not be subject to the additional cure period set forth in this Subsection (B) and shall be and remain a Recapture Event unless waived in writing by the Agency, and the Agency shall be entitled to exercise its right and remedies with respect thereto, including, without limitation, its rights and remedies under the Recapture Mortgage.

(C) The Bank (or its designee or nominee pursuant to subsection (D) below) shall not become liable under the provisions of this Lease or the other Transaction Documents unless and until such time as it becomes, and then only for as long as it remains, the owner of the Project Facility. In the event that the Bank (or such designee or nominee) shall become the owner of the Project Facility, the Bank (and such designee or nominee) shall not be bound by any modification or amendment of this Lease or any other Transaction Document made subsequent to the Closing Date unless the Bank shall have consented (which consent shall not be unreasonably withheld, conditioned or delayed) in writing to such modification or amendment. The Bank shall have ten (10) Business Days to consent or deny consent to any such modification or amendment and the Bank’s failure to consent or deny consent in writing within such period shall be deemed to mean that the Bank has consented to the amendment or modification in question.

(D) The Agency shall give prompt notice to the Bank of the termination of this Lease and/or any of the other Transaction Documents by reason of any Event of Default hereunder or thereunder. In the event of any such termination or in the event the Bank shall foreclose on the Company's interest in the Project Facility pursuant to the Bank Mortgage (or shall accept a deed in lieu thereof), the Agency shall, promptly upon request of the Bank given within thirty (30) days after the earlier of (x) the giving of notice of termination by the Agency or (y) the date of the foreclosure sale or acceptance of the deed in lieu thereof, as applicable, (i) promptly execute and deliver to the Bank, or a wholly-owned subsidiary of the Bank the obligations of which to the Agency are unconditionally guaranteed by the Bank (provided that neither the Bank nor such subsidiary is a Prohibited Person), a new lease of the Project Facility and other applicable Transaction Documents, or (ii) not unreasonably withhold its consent to a written request of the Bank (accompanied by such information and documentation as the Agency shall reasonably request), that the Agency promptly execute and deliver a new lease of the Project Facility and other applicable Transaction Documents to the Bank's designee or nominee who is not a Prohibited Person, in either case such new lease and other applicable Transaction Documents shall be for the remainder of the term of this Lease upon all the covenants, conditions, limitations and agreements herein and therein contained, provided that the Bank (a) shall pay to the Agency, simultaneously with the delivery of such new lease, all unpaid rents and other charges due and payable under or pursuant to this Lease and the other Transaction Documents up to and including the date of the commencement of the term of such new lease (excluding any Recapture of Benefits; provided, however, that any Recapture of Benefits shall remain a lien upon the Project Facility secured by and subject to the exercise of rights and remedies under the Recapture Mortgage) and all reasonable expenses, including, without limitation, attorneys' fees and disbursements and court costs, incurred by the Agency in connection with such Event of Default, the termination of this Lease and/or other Transaction Documents and the preparation of the new lease and/or other transaction documents, and (b) shall cure (within the time periods set forth in this Lease) all defaults existing under this Lease and/or the other Transaction Documents (other than defaults not susceptible of cure by the Bank or its designee or nominee). Any such consent, if given, shall be subject to the Agency's then current rules, policies and procedures.

(E) Any such new lease and the leasehold estate created thereby and/or other transaction documents shall, subject to the same conditions contained in this Lease and/or other Transaction Documents, continue to maintain the same priority as this Lease and/or other Transaction Documents with regard to any mortgage, including the PILOT Mortgage and the Recapture Mortgage, encumbering the Project Facility or any part thereof or any other lien, charge or encumbrance thereon whether or not the same shall then be in existence.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Agency and the Company have caused this Lease to be executed in their respective names by their respective duly authorized officers, all as of the day and year first above written.

SALES TAX AGENCY AGREEMENT

Mineola Metro LLC
1999 Marcus Avenue, Suite 310
Lake Success, NY 11042

Re: Nassau County Industrial Development Agency
(2016 Mineola Metro Project)

Ladies and Gentlemen:

The Nassau County Industrial Development Agency (the “Agency”) and Mineola Metro LLC (the “Company”) agree as follows:

1. The Agency constitutes a corporate governmental agency and a public benefit corporation under the laws of the State of New York, and therefore, in the exercise of its governmental functions, including the acquisition of property, is exempt from the imposition of any New York State or Nassau County sales and use tax. As an exempt governmental entity, no exempt organization identification number has been issued to the Agency nor is one required.

2. Pursuant to a resolution adopted by the Agency on November 9, 2015 (the “Authorizing Resolution”) and a Sublease Agreement, dated as of August 1, 2016 (as amended, modified, supplemented or restated, the “Lease Agreement”), between the Agency and the Company, the Agency has authorized the Company to act as its agent to acquire, construct, install and equip a commercial facility in Nassau County, New York, consisting of (1) the acquisition of an interest in an approximately 1.5 acre parcel of land located at 199 Second Street, Incorporated Village of Mineola, Town of North Hempstead, County of Nassau, New York (Section: 9; Block: 423; Lots: 4-10, 318) (collectively, the “Land”), (2) the demolition of

the existing structures on the Land, (3) the construction of an approximately 311,500 square foot building on the Land, together with underground parking and other related improvements to the Land (collectively, the "Building"), and (4) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the "Equipment"), all of the foregoing for use by the Company as a mixed-use facility consisting of approximately 266 residential rental units, at least ten percent (10%) of which units shall be affordable units, and approximately 14,454 square feet of retail space (collectively, the "Project Facility").

3. As agent for the Agency, the Company agrees that each contract, agreement, lease, invoice, bill or purchase order entered into by the Company as agent for the Agency in connection with the acquisition, construction, installation or equipping of the Project Facility shall include language in substantially the following form:

"This [contract, agreement, lease, invoice, bill or purchase order] is being entered into by Mineola Metro LLC (the "Agent"), as approved agent for and on behalf of the Nassau County Industrial Development Agency (the "Agency") in connection with a certain project (the "Project") of the Agency for MINEOLA METRO LLC (the "Company") consisting in part of the acquisition, construction, installation and equipping of a mixed-use residential/retail facility located at 199 Second Street, Incorporated Village of Mineola, Town of North Hempstead, County of Nassau, New York (the "Premises") and the acquisition of certain capital improvements, materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for the completion of the Project. The capital improvements, materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for completion of the Project which are the subject of this [contract, agreement, lease, invoice, bill or purchase order] shall be exempt from the sales and use taxes levied by the State of New York and the County of Nassau if effected in accordance with the terms and conditions set forth in the attached Sales Tax Agency Agreement of the Agency, and the Agent hereby represents that this [contract, agreement, lease, invoice, bill or purchase order] is in compliance with the terms of the Sales Tax Agency Agreement. This [contract, agreement, lease, invoice, bill or purchase order] is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this [contract, agreement, lease, invoice, bill or purchase order], the [vendor, lessor, licensor, contractor or subcontractor] hereby acknowledges and agrees to the terms and conditions set forth in this paragraph."

4. The acquisition of capital improvements, materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for the completion of the Project Facility (collectively, the "Property") shall be exempt from

sales and use taxes levied by the State of New York and the County of Nassau on the condition that (i) such items of Property are separately identifiable property of the Agency, and (ii) each item of Property shall have a useful life of one year or more, and shall solely be for the use of the Company at and in the Project Facility, and for no other entity and at no other location, and shall be effected by and at the sole cost of the Company. The exemption provided pursuant to Section 4.1(E) of the Lease Agreement shall not apply to the acquisition of: (i) inventory, (ii) rolling stock, (iii) any item of personalty having a useful life of less than one (1) year or which shall not constitute a tangible capital asset, (iv) plants, shrubs, trees, flowers, lawns or plants, (v) fine art or other similar decorative items, or (vi) motor vehicles, including any cars, trucks, vans or buses that are licensed by the Department of Motor Vehicles or other similar agency for use on public highways or streets.

5. The Agency shall have no liability or performance obligations under any contract, agreement, lease, invoice, bill or purchase order entered into by the Company, as agent for the Agency pursuant to Section 4.1(E) of the Lease Agreement, and in the event liability should arise under any such contract, agreement, lease, invoice, bill, or purchase order, the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, lease, invoice, bill or purchase order in any manner and to any extent whatsoever, and the Company shall be the sole party liable thereunder.

6. By execution of its acceptance of the terms of this Agreement, the Company agrees to accept the terms hereof and represents and warrants to the Agency that the use of this Agreement by the Company is and will be strictly for the purposes above stated.

7. Until the earliest of (i) January 31, 2019, as such date may be extended in accordance with the provisions of the Lease Agreement, (ii) the completion of the Project as provided in the Lease Agreement, (iii) the receipt by the Company of the Maximum Sales Tax Benefit (as defined in the Lease Agreement), and (iv) the termination of the Lease Agreement and/or revocation of the appointment of the Company as agent of the Agency (the earliest to occur of the foregoing, the "Termination Date"), all vendors, lessors, licensors, contractors and subcontractors are hereby authorized to rely on a Form ST-123 (as defined in Paragraph 11 hereof) prepared by the Company and issued to such vendor, lessor, licensor, contractor or subcontractor pursuant to Paragraph 11 hereof as evidence that purchases and leases of Property, and improvement and installation contracts relating to the acquisition, construction, installation and equipping of the Project Facility (but not the operation thereof), to the extent effected by the Company, as agent for the Agency, are exempt from all New York State and Nassau County sales and use taxes.

8. Any vendor, lessor, licensor, contractor or subcontractor that does not collect otherwise applicable sales or use tax in reliance upon this Agreement and the Form ST-123 issued by the Company to such vendor, lessor, licensor, contractor or subcontractor, shall be deemed to have acknowledged and agreed to the provisions of Paragraph 3 hereof regardless of whether or not the provisions thereof are inserted in the contract, agreement, lease, invoice, bill or purchase order entered into with the Company.

9. This Agreement and the Form ST-123 issued by the Company to a vendor, lessor, licensor, contractor or subcontractor are provided solely for the purposes described herein

and therein. No other principal/agent relationship is intended or may be implied or inferred from this Agreement or the issuance of such Form ST-123.

10. The exemption from sales and use taxes provided under the Lease Agreement is granted subject to the requirements of Section 875 of the General Municipal Law, which requirements are incorporated herein by reference, and the Company agrees to such requirements as a condition precedent to receiving the exemption from sales and use taxes.

11. The Company agrees to provide a completed Form ST-123, *IDA Agent or Project Operator Exempt Purchase Certificate* (each, a "Form ST-123"), to each vendor, lessor, licensor, contractor or subcontractor from which the Company purchases and/or leases Property, or with which the Company enters into an improvement or installation contract relating to the acquisition, construction, installation and equipping of the Project Facility. All vendors, lessors, licensors, contractors and subcontractors are authorized to rely on such completed Form ST-123 as evidence that purchases and leases of Property, and improvement and installation contracts relating to the acquisition, construction, installation and equipping of the Project Facility (but not the operation thereof), to the extent effected by the Company as agent for the Agency pursuant to Section 4.1(E) of the Lease Agreement, are exempt from all New York State and Nassau County sales and use taxes. The Company agrees to provide the Agency a copy of each such Form ST-123 within ten (10) days after the delivery of such form to the vendor, lessor, licensor, contractor or subcontractor.

The signature of a representative of the Company where indicated below will indicate that the Company has accepted the terms hereof.

IDA RIDER TO SUBLEASE AGREEMENT

1. Definitions. Capitalized terms used but not otherwise defined in this Rider (this "Rider") to the Lease Agreement (the "Sublease Agreement") between [_____] (the "Tenant") and Mineola Metro LLC (the "Landlord") shall have the meanings assigned to such terms in the Sublease Agreement dated as of August 1, 2016 (as amended, modified, supplemented or restated from time to time, the "Lease Agreement") between the Nassau County Industrial Development Agency (the "Agency") and the Landlord.

2. Representations and Warranties. The Tenant makes the following representations, warranties, covenants and agreements to and with the Agency:
 - (a) the Tenant intends to use, and agrees that the Tenant shall at all times during the term of the Sublease Agreement use, the Apartment only as the Tenant's primary residence; and

 - (b) the Tenant is not, and agrees that the Tenant shall at no time during the term of the Sublease Agreement be, an agent of the Agency or the Landlord for purposes of the sales tax exemption afforded to the Landlord pursuant to the Lease Agreement.

3. Subordination to IDA Documents. Any provision of the Sublease Agreement to the contrary notwithstanding, the Landlord and the Tenant agree that the Sublease Agreement, and all of the Tenant's rights thereunder, are and shall always be subject and subordinate to the PILOT Agreement, the Company Lease and the Lease Agreement, and to all renewals, replacements, consolidations, amendments and extensions of any of the foregoing. The foregoing subordination shall be self-operative and no further instrument, document or action shall be necessary to effect such subordination.

4. Certain IDA Requirements. (a) The Tenant shall not seek to recover from the Agency any moneys paid to the Agency pursuant to the Sublease Agreement, whether by reason of set-off, counterclaim, deduction or for any reason whatsoever. The Tenant covenants and agrees (i) simultaneously to give to the Agency copies of all default notices or other material communications given by the Tenant under the Sublease Agreement; and (ii) that the Agency shall not be obligated by reason of the assignment of the Sublease Agreement by the Landlord to the Agency or otherwise to perform or be responsible for the performance of any duties or obligations of the Landlord hereunder, unless the Agency shall succeed to the interests of the Landlord, as lessor, under the Sublease Agreement, pursuant to its rights and remedies under the Lease Agreement, subject to all of the terms and conditions of the Lease Agreement.

(b) The Sublease Agreement shall completely and fully supersede any and all other prior understandings or agreements, both written and oral, between the Landlord and the Tenant relating to the Apartment.

5. No Warranty of Condition or Suitability by the Agency; Acceptance "As Is".
THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO

THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS OF THE APARTMENT OR ANY PART THEREOF OR AS TO THE SUITABILITY OF THE APARTMENT OR ANY PART THEREOF FOR THE TENANT'S PURPOSES. THE TENANT SHALL ACCEPT ITS SUBLEASEHOLD INTEREST IN THE APARTMENT "AS IS", WITHOUT RECOURSE OF ANY NATURE AGAINST THE AGENCY FOR ANY CONDITION NOW OR HEREAFTER EXISTING. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE AGENCY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

6. Default Under Sublease Agreement. Upon any default by Landlord under the Lease Agreement, the Agency may collect rent from the Tenant during the continuance of any such default. The Tenant acknowledges and agrees to accept and comply with any such demand by the Agency to pay rentals under the Sublease Agreement to the Agency. The Agency may apply the net amount received from the Tenant to the amounts due under the Lease Agreement, and no such collection shall be deemed a waiver of the covenant in the Lease Agreement or the Sublease Agreement against assignment, transfer or sublease of or under the Lease Agreement or the Sublease Agreement.

7. Lease Agreement for Benefit of the Agency. The Landlord and the Tenant acknowledge and agree that the Sublease Agreement is entered into for the benefit of the Agency, and the payments, obligations, covenants and agreements of the parties hereto may be enforced by the Agency, in the sole and absolute discretion of the Agency, as if it were a party to the Sublease Agreement.

8. Limitation on Liability of the Agency. The liability of the Agency to the Landlord and/or the Tenant under this Rider and the Sublease Agreement shall be enforceable only out of, and limited to, the Agency's interest in and to the Sublease Agreement. There shall be no other recourse against the Agency, its members, directors, officers, agents (other than the Landlord), servants and employees and persons under the Agency's control or supervision, past, present or future, or against any of the property now or hereafter owned by it or any of them.

9. Amendment of Rider. The provisions of this Rider may be amended only with the concurring written consent of the Agency.

10. Severability. If any clause, provision or paragraph of this Rider shall be ruled invalid by any court of competent jurisdiction, the invalidity of such clause, provision or paragraph shall not affect any of the remaining provisions hereof.

11. Governing Law. This Rider shall be governed by and construed in accordance with the laws of the State of New York, as in effect from time to time, without regard to its principles of conflicts of law.

12. Agency Right of Access. Any provision of the Sublease Agreement to the contrary notwithstanding, the Tenant will permit the Agency, and/or its duly authorized agents or representatives, at all reasonable times and on reasonable notice (except in emergencies), to enter the Apartment for the purposes set forth in, and subject to the terms and conditions of, the Lease Agreement.

13. Recording of Lease Agreement. Neither the Sublease Agreement nor a memorandum thereof shall be recorded in the office of the County Clerk of the County, or in any other governmental or quasi-governmental office, by the Landlord or the Tenant or any person acting on behalf thereof.

PAYMENT IN LIEU OF TAXES AGREEMENT

THIS PAYMENT IN LIEU OF TAXES AGREEMENT (this “Agreement”), made as of August 1, 2016, by and between MINEOLA METRO LLC, a limited liability company organized and existing under the laws of the State of New York, having an address at 1999 Marcus Avenue, Suite 310, Lake Success, NY 11042 (the “Company”), and the NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation of the State of New York, having an office at 1550 Franklin Avenue, Suite 235, Mineola, NY 11501 (the “Agency”). Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Lease Agreement (as hereinafter defined).

W I T N E S S E T H

WHEREAS, the Agency is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, the Agency on behalf of the Company intends to undertake a project (the “Project”) consisting of the following: (A)(1) the acquisition of an interest in an approximately 1.5 acre parcel of land located at 199 Second Street, Incorporated Village of Mineola, Town of North Hempstead, County of Nassau, New York (Section: 9; Block: 423; Lots: 4-10, 318) (collectively, the “Land”), which Land is more particularly described on Schedule A attached hereto (2) the demolition of the existing structures on the Land, (3) the construction of an approximately 311,500 square foot building on the Land, together with underground parking and other related improvements to the Land (collectively, the “Building”), and (4) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the “Equipment”), all of the foregoing for use by the Company as a mixed-use facility consisting of approximately 266 residential rental units, at least ten percent (10%) of which units shall be affordable units, and approximately 14,454 square feet of retail space (collectively, the “Project Facility”); (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the

form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Company or such other entity as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, the Agency is or will be the holder of a leasehold interest in the Land and the Building (collectively, the "Facility"); and

WHEREAS, the Agency proposes to undertake the Project as an authorized project under the Act and to sublease its interest in the Facility to the Company pursuant to a Sublease Agreement dated as of the date hereof between the Agency and the Company (as amended, modified, supplemented or restated from time to time, the "Lease Agreement"); and

WHEREAS, the payment and performance of the Company's obligations under this Agreement shall be secured by a Mortgage and Assignment of Leases and Rents dated as of the date hereof (as amended, modified, supplemented or restated from time to time, the "PILOT Mortgage") from the Company and the Agency, as mortgagor, to the County of Nassau (the "PILOT Mortgagee"), its successors and assigns, as mortgagee, pursuant to which the Agency and the Company grant a first mortgage lien on the Facility to the PILOT Mortgagee; and

WHEREAS, under the present provisions of the Act and under the present Section 412-a of the Real Property Tax Law of the State of New York (the "RPTL"), the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or under its control;

NOW, THEREFORE, in consideration of the premises and the payments, agreements, and covenants hereinafter contained, the Company and the Agency covenant and mutually agree as follows:

Section 1. Tax-Exempt Status of Facility.

A. Application. (1) The Company shall complete, and the Agency shall file, an application for tax exemption pursuant to Section 412-a of the RPTL (the "Application"). The Application shall be filed with the assessor for each of the various taxing entities having jurisdiction over the Facility, including, without limitation, the County of Nassau (the "County") and each city, town, village and school district within which the Facility is located (such taxing entities, and any successors thereto, being hereinafter collectively referred to as the "Taxing Entities" and each individually as a "Taxing Entity"). The Facility shall not be entitled to exempt status on the tax rolls of any Taxing Entity until the beginning of the first fiscal tax year of such Taxing Entity following the second taxable status date of such Taxing Entity occurring subsequent to the last to occur of (i) the Agency becoming the holder of a leasehold interest in the Facility, (ii) the filing by the Agency of the appropriate Application for tax exemption, and (iii) the acceptance of such Application by the appropriate tax assessor(s) (such date, the "PILOT Commencement Date").

(2) The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from any denial of an exemption from real property taxes and assessments, except to the extent that such denial

results solely from the willful failure of the Agency, after demand by the Company, to file the completed Application for tax exemption as set forth in this Agreement.

B. Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the General Municipal Law of the State of New York and Section 412-a of the RPTL may not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement and the other Transaction Documents, the Company will be required to pay all special assessments and special ad valorem levies levied and/or assessed against or with respect to the Facility, subject to Section 2(B)(3) hereof.

C. Other Charges. If any taxes, assessments, service charges or other governmental charges become payable by the Company or the Agency on the Facility or the rental paid pursuant to the Lease Agreement or the occupancy of or any interest of the Company or the Agency in the Facility or any part thereof or any personal property used in connection with the business conducted and located therein, the amount of any such taxes, assessments or charges shall be paid by the Company as and when due. Furthermore, water charges, sewer rentals, sewage treatment charges, solid waste charges and any other charges in the nature of utility charges shall be paid as and when due directly by the Company and shall not be credited against nor be affected in any manner by any payment in lieu of real property taxes and assessments in any year and shall be computed pursuant to the formula adopted by the relevant Taxing Entity.

Section 2. Payments.

A. Tax Payments. Prior to the PILOT Commencement Date, the applicable real property taxes and assessments levied and/or assessed against or with respect to the Facility shall be payable in full by the Company to the applicable Taxing Entity as if the Agency were not the holder of a leasehold interest in the Facility or otherwise involved in the Project.

B. PILOT Payments. (1) From the PILOT Commencement Date through and including the last day of the twentieth (20th) fiscal tax year thereafter (such date, the "Abatement Expiration Date"), the Company shall make payments in lieu of real property taxes and assessments levied and/or assessed by the Taxing Entities against the Facility (collectively, the "PILOT Payments") as set forth on Schedule B hereto, subject to the provisions of this Section 2(B)(3).

(2) From and after the Abatement Expiration Date, and until the Agency's interest in and to the Facility is conveyed to the Company pursuant to the terms of the Lease Agreement and the Facility has been returned to the tax rolls as fully taxable property, the Company shall make PILOT Payments (defined above) equal to one hundred percent (100%) of the amount of real property taxes and assessments that would have been levied and/or assessed against or with respect to the Facility as if the Facility were owned by the Company and the Agency were not otherwise involved in the Project.

"PILOT Obligations" shall mean all amounts required to be paid by the Company under this Agreement, including, without limitation, those amounts set forth in Sections 2.A and 2.B hereof.

(3) Any provision of this Agreement to the contrary notwithstanding, the amount of PILOT Payments set forth in Section 2.B(1) hereof for each fiscal tax year from the PILOT Commencement Date through the Abatement Expiration Date, shall be reduced (but not below \$0) by the amount, if any, of special assessments and special ad valorem levies assessed against or levied upon the Facility for such fiscal tax year (collectively, "Special Assessments"), whether by the Nassau County Tax Assessor's Office or otherwise, which Special Assessments would otherwise be payable by the Company pursuant to this Agreement. The amount of any such reduction of a PILOT Payment shall be set forth on the applicable PILOT bill issued with respect to such fiscal tax year, if any, but the failure of the Company to receive such bill shall in no event affect the Company's obligation to pay such PILOT Payment. In the event that (i) the amount of Special Assessments for a particular fiscal tax year exceeds the amount of the PILOT Payment for such fiscal tax year (such excess is hereinafter referred to as an "SA Credit"), or (ii) the amount of PILOT Payments for a particular fiscal tax year are not reduced by the amount of Special Assessments for such fiscal tax year (the amount of such Special Assessments is hereinafter referred to as an "SA Reduction"), then the amount of such SA Credit or SA Reduction, as the case may be, shall be carried over as a credit for the following fiscal tax year(s); provided, however, that if there is an unused SA Credit at the end of the term of the PILOT Payments hereunder, then the Company shall not be entitled to (a) take such SA Credit against any further payments hereunder or against real property taxes assessed against the Facility, or (b) an extension of the term of this Agreement.

C. Payments. (1) Amounts due and payable under this Agreement shall be payable to the Treasurer of the County of Nassau (the "Treasurer"), One West Street, 1st floor, Mineola, NY 11501, or at such other address as the Treasurer may notify the Company of in writing.

(2) All PILOT Payments hereunder shall be allocated among the affected tax jurisdictions in proportion to the amount of real property and other taxes and assessments that would have been received by each Taxing Entity had the Project not been tax exempt due to the status of the Agency. This provision constitutes the formula for the calculation of the amounts for each Taxing Entity of the PILOT Payments as required by Section 859-a(6) of the General Municipal Law.

D. Due Dates; Interest; and Penalties. (1) The Company may be billed for PILOT Payments as if the Facility were on the tax rolls at the time when taxes for each Taxing Entity are due.

(2) If any payment required under this Agreement is not made on or before the due date thereof, such payment shall be delinquent and the unpaid amount(s) shall accrue interest (and penalties) at the rates applicable to late payments of taxes for the respective Taxing Entities and as further provided in the General Municipal Law, including Section 874(5) thereof, which currently provides for a late charge equal to the greater of (a) five (5%) percent of the unpaid amount for the first month, and for each month, or part thereof, that the payment is delinquent beyond the first month, an additional late charge equal to one (1%) percent per month of the total amount payable; and (b) the late charge applicable from time to time to real property tax levies and assessments that are not paid when due. The Company shall pay all such late charges, interest and penalties when due.

(3) Anything contained in this subparagraph to the contrary notwithstanding, the Company shall have the obligation to make all payments of PILOT Obligations (other than payments of penalties, if any) in (a) two equal semi-annual installments on or prior to the date which is five (5) Business Days prior to January 1 and July 1 for the General Tax portion of the PILOT Obligations, (b) two equal semi-annual installments on or prior to the date which is five (5) Business Days prior to October 1 and April 1 for the School Tax portion of the PILOT Obligations and (c) one (1) annual installment on or prior to the date which is five (5) Business Days prior to June 1 for the Village Tax portion of the PILOT Obligations, as applicable, of each year of the term of the Lease Agreement or on such other due dates as may be established by the Agency or the Treasurer from time to time during the term of the Lease Agreement.

E. Partial Sale; Transferee's Obligation; Apportionment of Reduction to Local Taxing Entities. During the term of this Agreement, in the event that the Agency's interest in the Facility, or any portion thereof or interest therein, is sold, transferred, assigned or otherwise disposed of by the Agency pursuant to the terms of the Lease Agreement, the transferees thereof will thereafter pay the real property taxes and assessments on such Land and the Building and any Additional Facilities (as hereinafter defined) located on the Land; or on such portion of the Land, that was sold, transferred, assigned or otherwise disposed of, as may be required by applicable law.

F. Sale; Company's Obligation. In the event that the Agency sells, transfers, assigns or otherwise disposes of its interest in the Facility to any party other than the Company, the Company's obligation for PILOT Obligations shall be prorated to the date of the closing of the transaction and thereupon all obligations of the Company for payment of PILOT Obligations shall cease, but the Agency shall take such steps with the transferee or assignee other than the Company to assure that each of the Taxing Entities shall suffer no loss of revenue until the Facility can be placed back on the tax rolls as fully taxable real property and taxes levied and billed therefor.

Section 3. Effective Date; Duration of Agreement. This Agreement shall become effective upon the execution and delivery of the Lease Agreement by the Company and the Agency and this Agreement by the Company and the Agency and the execution and delivery of the Company Lease from the Company to the Agency and shall continue in effect until the earlier of (i) the termination of this Agreement pursuant to the terms of the Lease Agreement or of this Agreement, or (ii) the date on which the Company Lease and the Lease Agreement are terminated pursuant to the Lease Agreement or this Agreement and the Facility has been placed back on the tax rolls as taxable property.

Section 4. Events of Default. The following shall constitute an "Event of Default" under this Agreement:

A. Failure by the Company to make any payment specified herein and the continuance of such failure for a period of fifteen (15) days after receipt by the Company of written notice from the Agency, the County and/or any Taxing Entity.

B. Failure by the Company to comply with or perform any provision of this Agreement other than the payment provisions hereof and the continuance of such failure for a period of thirty (30) days after receipt by the Company of written notice thereof from the Agency or, if such default is capable of being cured but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure such default within such thirty (30) day period and to prosecute such cure to completion, provided in no event shall such additional cure period exceed sixty (60) days.

C. An Event of Default under the Company Lease, the Lease Agreement, the Regulatory Agreement or any other agreement between the Agency and the Company, which has not been cured within any applicable grace, notice or cure period.

If the Company fails to make any payments pursuant to this Agreement when due, the amount or amounts so in default shall continue as an obligation of the Company until fully paid.

Upon the occurrence and during the continuance of an Event of Default hereunder, the Company shall be required to make PILOT Payments as if the Facility were owned by the Company and the Agency was not otherwise involved in the Project, such amounts to commence to be paid for the period subsequent to the date it is determined by the Agency that there is an Event of Default hereunder. In such event, the tax rate, interest and penalties shall be those then in effect in the Taxing Entities in which the Facility is located.

Upon the occurrence and continuance of an Event of Default hereunder, (i) the Agency shall be entitled to sue to enforce any provision of this Agreement and to recover the payments of PILOT Obligations in default from the Company, together with all the costs and expenses of the Agency, its successors or assigns, paid or incurred in such recovery (including court costs and attorneys' fees and expenses) and interest at the rate charged by the respective Taxing Entities on overdue payments of taxes, and (ii) the Agency shall have the right to terminate the Company Lease and the Lease Agreement at any time, and the Company shall accept such termination and any tender of reconveyance from the Agency of its interest in the Facility.

The Agency, in enforcing payment by the Company of the PILOT Obligations, may take whatever action and exercise any or all of the rights and remedies specified in this Agreement or any other remedy provided by law.

Each and every Event of Default shall give rise to a separate cause of action hereunder, and separate suits may be brought hereunder as each cause of action arises.

No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. Further, no payment by the Agency or receipt by the Agency or a Taxing Entity of a lesser amount than the correct amount or manner of payment due hereunder shall be deemed to be other than a payment on account, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed to effect or

evidence an accord and satisfaction, and the Agency and/or any Taxing Entity may accept any check or payment as made without prejudice to the right to recover the balance or pursue any other remedy in this Agreement or otherwise provided at law or in equity.

In no event shall the Agency be liable to any of the Taxing Entities for the payments specified herein, whether or not the Company makes such payments. The Company hereby agrees to indemnify, defend (with counsel selected by the Agency and reasonably acceptable to the Company) and hold harmless the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, against any such liability for such payments and against all penalties, interest, and other charges resulting from the delinquency of such payments, unless due to the gross negligence or willful misconduct of the Agency.

The Agency and the Company hereby acknowledge the right of the County, as beneficiary of this Agreement (on behalf of itself and all other Taxing Entities), to pursue any appropriate remedies, including an action or proceeding in the courts, to recover directly from the Company any payments of PILOT Obligations in default hereunder and/or to exercise its rights and remedies under the PILOT Mortgage. The Company shall promptly notify the Agency of any action or proceeding brought, or other measure taken, by a Taxing Entity to recover such payments in default hereunder. It is understood that the right of any Taxing Entity herein acknowledged is in addition to, and shall not impair, the Agency's own rights arising from a breach of this Agreement.

In the event that any interest in and to the Facility is conveyed by the Company or title to the Facility is conveyed by the Company to any other party prior to expiration of the term of the Lease Agreement (other than transfers expressly permitted under the Lease Agreement or otherwise consented to by the Agency in writing), this Agreement shall, at the option of the Agency, become null and void and any remaining tax abatement hereunder shall be canceled.

The rights, powers and remedies of the Agency and the County under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which the Agency or the County may have against the Company pursuant to this Agreement or the other Transaction Documents, or existing at law or in equity or otherwise. The respective rights, powers and remedies of the Agency and the County hereunder may be pursued singly, concurrently or otherwise, at such time and in such order as the Agency or the County may determine in its sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Event of Default with respect to the Company shall not be construed to be a waiver of any subsequent Event of Default by the Company or to impair any remedy, right or power consequent thereon.

Section 5. Additional Facilities. If any structural additions or change in use shall be made to the buildings or other improvements included in the Facility subsequent to the date hereof (other than the initial construction contemplated as part of the Project), or if any additional buildings or improvements shall be constructed on the Land (other than the initial construction contemplated as part of the Project) (such change of use, new structures, structural

additions, buildings and improvements being referred to hereinafter as "Additional Facilities"), the Company agrees to increase its PILOT Obligations hereunder in an amount, as determined by the Agency or a tax assessor selected by the Agency, equal to the increased tax payments, if any, that would have been payable on such increase if this Agreement were not in effect. Nothing herein shall constitute the Agency's consent to the construction of any such additions or additional buildings or improvements or to such change of use.

Section 6. Change of Law. In the event the Facility, or any part thereof, is declared to be subject to taxation for real property taxes or assessments by an amendment to the Act, other legislative change or a final judgment of a court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void. If the Company has already paid any amounts under this Agreement for any period that the Company is required to pay taxes or assessments because of such amendment, legislative or final judgment (collectively, "Prior Payments"), then the Company shall look to the Taxing Authorities for repayment of the Prior Payments or a credit in the amount of the Prior Payments against taxes payable to the relevant Taxing Entity but in no event shall the Company look to the Agency for a refund of the Prior Payments.

Section 7. Waiver of Tax Exemption. The Company, in recognition of the benefits provided under this Agreement, and for so long as the Lease Agreement is in effect, hereby expressly waives any rights it may have for any exemption under Section 485-b of the RPTL or any other exemption under any other law or regulation (except, however, for the exemption provided under Article 18-A of the General Municipal Law) with respect to the Facility.

Section 8. Delivery of PILOT Statement. The Company shall deliver to the Comptroller of the County of Nassau, on or before the dates set forth for payment of the PILOT Obligations in Section 2 hereof, in each year during the term of the Lease Agreement, a verified statement setting forth the amount of such payments and the dates of such payments.

Section 9. Limited Obligation. The obligations, covenants and agreements of the Agency hereunder shall not constitute or give rise to an obligation of the State of New York, the County, or any city, town, village or school district within which the Facility is located and neither the State of New York, the County nor any such city, town, village or school district shall be liable thereon, and further, such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency.

Section 10. No Waiver. Failure by the Agency in any instance to insist upon the strict performance of any one or more of the obligations of the Company under this Agreement, or to exercise any election herein contained, shall in no manner be or be deemed to be a waiver by the Agency of any of the Company's defaults or breaches hereunder or of any of the rights and remedies of the Agency by reason of such defaults or breaches, or a waiver or relinquishment of any and all of the Company's obligations hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing. Further, no payment by the Company or receipt by the Agency of a lesser amount than the correct amount or manner of payment due hereunder shall be deemed to be other than a payment on account, nor shall any endorsement or statement on any check or any letter

accompanying any check or payment be deemed to effect or evidence an accord and satisfaction, and the Agency may accept any check or payments as made without prejudice to the right to recover the balance or pursue any other remedy in this Agreement or otherwise provided at law or in equity.

Section 11. Notices.

A. All notices, certificates and other communications hereunder shall be in writing and shall be sufficiently given and shall be deemed given on the earlier of (1) three (3) Business Days after being sent to the applicable address stated below by registered or certified mail, return receipt requested, or two (2) Business Days after being sent by nationally recognized overnight courier service, or (2) the date on which delivery is refused by the addressee, as evidenced by the affidavit of the Person who attempted to effect such delivery.

Section 12. Change of Address. The Agency or the Company may, by notice given hereunder to each other, designate any further or different addresses to which subsequent notices, certificates or other communications to them shall be sent.

Section 13. Assignment of Agreement. This Agreement shall be binding upon the successors and permitted assigns of the Company but no assignment shall be effective to relieve the Company of any of its obligations hereunder unless expressly authorized and approved in writing by the Agency or otherwise expressly permitted under the Lease Agreement. The rights and obligations of the Company hereunder may not be assigned except in connection with a permitted assignment of the Company's interest in and to the Lease Agreement. Section 14. Independent Agreement. Notwithstanding any other provision of this Agreement, including the recitals hereof, the parties agree that the Lease Agreement executed between the parties thereto shall be a separate and independent document from this Agreement, and irrespective of whether any provision of this Agreement or the entirety hereof shall be held invalid or unenforceable by any court of competent jurisdiction, the Lease Agreement shall be construed, interpreted, and otherwise regarded separate and apart from this Agreement. The parties hereto specifically note that the considerations and terms provided for in this Agreement and provided for in the Lease Agreement are the only considerations and terms for which the parties thereto have executed this Agreement.

Section 15. Invalidity. If any one or more phrases, sentences, clauses or provisions of this Agreement or the entirety hereof shall be declared invalid or unenforceable by any order, decree or judgment of any court of competent jurisdiction, then such phrase, sentence, clause or provision or the entirety of this Agreement shall be deemed to be reformed in such manner as shall be determined by such court, or in the absence of such a determination then in the reasonable judgment of the Agency, to render such phrase, sentence, clause or provision of this Agreement valid and enforceable under applicable law. The parties hereto agree to enter into such documents, agreements and instruments as the Agency reasonably determines are necessary to effect any such reformation. In the event that any one more of the phrases, sentences, clauses or provisions of this Agreement cannot be reformed to comply with applicable law, then this Agreement shall be construed as if such phrase, sentence, clause or paragraph had not appeared in this Agreement.

Section 16. Amendments. This Agreement may not be modified, amended, supplemented, or changed without the written consent of the Agency, the Company and the Bank.

Section 17. Prior Agreements. This Agreement constitutes the entire agreement, and supersedes all prior agreements and understandings, whether written or oral, among the parties with respect to the subject matter hereof.

Section 18. Delivery of Agreement. The Agency covenants to use reasonable efforts to deliver to each Taxing Entity a copy of this Agreement within fifteen (15) days after its execution.

Section 19. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 20. Service of Process; Consent to Jurisdiction; Forum.

A. The Company represents that it is subject to service of process in the State of New York and covenants that it will remain so subject so long as the Lease Agreement shall be in effect. If for any reason the Company should cease to be so subject to service of process in the State of New York, the Company hereby designates and appoints, without power of revocation, Daniel P. Deegan, Esq., Forchelli Curto Deegan et al., 333 Earle Ovington Boulevard, Uniondale, NY 11553, as agent for service of process, and if such agent shall cease to act or otherwise cease to be subject to service of process in the State of New York, the Secretary of State of the State of New York, as the agents of the Company upon whom may be served all process, pleadings, notices or other papers which may be served upon the Company as a result of any of its obligations under this Agreement; provided, however, that the serving of such process, pleadings, notices or other papers shall not constitute a condition to the Company's obligations hereunder.

The Company irrevocably and unconditionally (1) agrees that any suit, action or other legal proceeding arising out of this Agreement or the other Transaction Documents may be brought in the courts of record of the State of New York in Nassau County or the courts of the United States, Eastern District of New York; (2) consents to the jurisdiction of each such court in any such suit, action or proceeding; and (3) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. For such time as the Lease Agreement is in effect, the Company's agents designated above shall accept and acknowledge in the Company's behalf service of any and all process in any such suit, action or proceeding brought in any such court. The Company agrees and consents that any such service of process upon such agents and written notice of such service to the Company in the manner set forth in Section 11 hereof shall be taken and held to be valid personal service upon the Company whether or not the Company shall then be doing, or at any time shall have done, business within the State of New York and that any such service of process shall be of the same force and validity as if service were made upon the Company according to the laws governing the validity and requirements of such service in the State of New York, and waives all claim of error by reason of any such service. Such agents shall not have any power or authority to enter

into any appearance or to file any pleadings in connection with any suit, action or other legal proceedings against the Company or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Company.

Section 21. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, as the same may be in effect from time to time, without regard to principles of conflicts of laws.

Section 22. Nature of Obligations. This Agreement shall remain in full force and effect until each and every one of the PILOT Obligations shall have been irrevocably paid in full and all other obligations of the Company under this Agreement shall have been paid and performed in full.

If the Company consists of more than one (1) Person, the obligations of such Persons under this Agreement shall be joint and several.

Section 23. Indemnification. The Company agrees to indemnify, defend (with counsel selected by the Agency and reasonably acceptable to the Company) and hold harmless the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability arising from any default by the Company in performing its obligations hereunder or any expense incurred hereunder, including, without limitation, any expenses of the Agency and attorneys' fees and expenses.
