The proposed project is a residential apartment development on a .69-acre parcel located at 14 Park Place, A/K/A 15 Bond Street, A/K/A 24 Park Place, in the Village of Great Neck Plaza, New York. The development will consist of the demolition of an existing medical/dental office building and a two-family residence and new construction of a 61-unit, 4-floor apartment building consisting of twenty-nine (2) two-bedroom apartments, and thirty-two (32) one-bedroom apartments. Four (4) of the one-bedroom apartments and Three (3) of the two-bedroom apartments will be workforce apartments which will provide affordable housing for individuals and families at 50% to 100% of the median income for the Nassau-Suffolk primary metropolitan statistical area as defined by the Federal Department of Housing and Urban Development. One (1) of the one-bedroom units will be a superintendent's apartment. The project will provide the Village of Great Neck Plaza with necessary rental housing and workforce housing, to promote economic growth in the area. The proposed project is located in a transportation oriented area in downtown Great Neck Plaza and is approximately 1.5 blocks from the Long Island Railroad Station.

PART II (E):

If the Applicant is unable to arrange financial assistance from IDA, the project becomes cost prohibitive, and Applicant will be forced to abort the project. The savings from IDA assistance, including real estate tax, mortgage recording tax and sales tax, would make the project viable. There is a need for more residential rental options in Nassau County, specifically in the Village of Great Neck Plaza. If the Applicant is unable to proceed with the project, Nassau County loses the benefit of additional residential rental units, and approximately six (6) full-time and jobs for Nassau County.

PART II (J):

One (1) medical/dental office building and two-family residence will be demolished and replaced with a newly constructed 61-unit residential apartment building.

PART II (M):

The following variances for the proposed project have been conditionally approved by the Board of Zoning and Appeals for the Village of Great Neck Plaza:

- (i) A variance to permit four-stories in lieu of the three-story height limit for buildings in the Residence D (Apartments) District (VGNP Code §225-37A) within the 45 foot height limit.
- (ii) A variance to permit a portion of below-grade parking to encroach on yards (VGNP Code §225-39D);

- (iii) A variance to permit a total gross floor area of 60,000 square feet, greater than the permitted 43,560 square feet per acre (VGNP Code §225-42);
- (iv) A Variance to permit below-grade parking garage to extend beyond the building footprint (VGNP Code §225-84).

One of the many conditions imposed by the Zoning Board of Appeals is that workforce units be incorporated into the project.

PART II (R):

The subject property is situated within one of the most desirable housing locations on Long Island with mass transit access. The project will provide additional residential rental options; and approximately six (6) full-time and jobs. The project will also provide necessary rental housing options to encourage residency in the area which will promote economic growth.

PART III (C):

Applicant purchased the subject property in August, 2013 for a purchase price of \$5,250,000.
