WHEREAS, pursuant to SEQRA, the Agency is an involved agency in the SEQRA review of the Project, and as an involved agency is required to analyze the Project to determine whether it has the potential to have a significant adverse impact on the environment; and

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon a thorough review and examination of the Environmental Documents and upon the Issuer's knowledge of the area surrounding the Land and such further investigation of the Project and its environmental effects as the Issuer has deemed appropriate, the Issuer makes the following findings with respect to the Project:

1. Impact on Land. The Project is not anticipated to create any potentially significant adverse impacts to land resources or land use. The existing apartment building on the Maine Parcel and the existing four (4) garden apartment buildings on the Meehan Parcel to be renovated have existed since circa 1970. The buildings are being primarily interior renovated, with minimal exterior work and ground distributed limited to replacing existing exterior concrete entry, side walk, etc. Accordingly, given the Buildings half-Century existence as part of its surrounding community, the Project is not anticipated to create any potentially significant adverse impacts to land resources or land use.
2. Impact on Water. The property has been previously disturbed and the improvements will not physically alter, or encroach into, any existing wetland or waterbody. Although the Project site is located over the Nassau-Suffolk sole source aquifer, no activities proposed for the Project are anticipated to impact groundwater or the aquifer, nor is demolition, construction or operation of such project anticipated to expose such aquifer to the undue threat of contamination. All construction at the property will be outside of designated wetland areas at the adjacent Morgan Days Park. The property is also served by existing water and wastewater connections to be maintained. Finally, the site is not in a 100 year flood plain.
3. Impact on Air. The Project will not be a significant source of air emissions. The Project does not entail the types of activities or operations that require the Applicant to acquire an Air Facility Permit or that are associated with a significant potential for air emissions. In addition, any increase in traffic including vehicle trips associated with the Project is not anticipated to materially impact air quality as more specifically discussed in the Transportation section below, including based on various analyses completed regarding traffic. Any potential impact on air as a result of construction activities will be minor, and temporary in nature.
4. Impact on Health or Safety. The EAF indicates an adjoining parcel to the south of the Land has engineering and institutional controls in connection remediation

of such adjacent parcel. Given the southwest direction of groundwater flow and intervening water pipes, the EAF advises that no impact to the Property and Project is anticipated. The Project also does not entail the types of activities or operations that are associated with a significant potential for affecting public health. Accordingly, the Project will not create any significant adverse impact to public health, air, land or water resources.

5. Impact on Plants and Animals Including to Threatened or Endangered Species. The Land does not appear to contain any habitats of significance as it is fully developed and located in a well-developed multi-family residential and commercial area. The Proposed Action does not present the potential for removal or destruction of large quantities of vegetation or fauna; substantial interference with the movement of any resident or migratory fish or wildlife species; impacts on a significant habitat area; substantial adverse impacts on a threatened or endangered species of animal or plant, or the habitat of such a species; or other significant adverse impacts to natural resources.
6. Impact on Agricultural Land Resources. The Project is located in an area currently devoted to commercial / multi-family residential uses. As a result it will not involve the conversion or loss of agricultural land resources. Accordingly, the Project will not create any significant adverse impacts to agricultural land resources.
7. Impact on Aesthetic Resources. The Project will not be within 500 feet from any officially designated federal, state or local scenic or aesthetic resource. The property is situated in a developed commercial and residential area, as indicated with is zoned for uses consistent with the Project with is also consistent with surrounding uses. As the existing buildings to be renovated have existed for approximately 50 years, the Project Facility is consistent with its surroundings, it is not anticipated to create any significant adverse impacts to aesthetic resources.
8. Impact on Historic and Archeological Resources. The entire property is improved with structures and contains no historical, archeological, architectural or aesthetic resources that will be impaired by the development of the Project Facility. Accordingly, the Project will not create any significant adverse impacts to historical or archaeological resources.
9. Impact on Open Space and Recreation. The Land on which the Project is to be located it do not comprise public open space as it is devoted to multifamily residential uses. Further, the density of the Project Facility is not anticipated to create an adverse impact of the adjacent local parkland since the existing residential communities at the Land will be maintained by the Project. Accordingly, the Project will not create any significant adverse impacts to open space or recreational resources.
10. Impact on Critical Environmental Areas. The property on which the Project is to be developed is not located in or substantially contiguous to any Critical Environmental Area (“CEA”) based on a review of the EAF Mapper associated with such property. Accordingly, the Project will not create any significant adverse impacts to any CEA.

11. Impact on Transportation. The Project will not result in a substantial increase in traffic above capacity of current traffic infrastructure, nor is it expected to generate substantial new demand for transportation facilities or services/infrastructure as the existing uses of the Land will be maintained and will not be materially expanded. Impacts to transportation from construction activities associated with the Project will be minor and temporary in nature. Accordingly, it is not anticipated that that Project will create any significant adverse impacts to transportation.
12. Impact on Energy. The Project may result in an increase in energy usage, however, existing utilities serve the area where the Project will be developed and are anticipated to have adequate capacity to serve it. Further, the renovations to the existing buildings include installing Energy Star lighting fixtures to reduce electric demand associated with the Project Facility. As a result, the Project will not create any significant adverse impacts to energy.
13. Impact on Noise and Odor and Impacts from Light. The Project is not expected to materially increase ambient noise levels or to create odors of consequence particularly in light of such project setting including the Project site location. As a result, it is not anticipated that operation of the Project will result in undue noise impacts. Further, any impacts to noise and/or odor from construction activities will be minor, and temporary in nature. In addition, any such noise from construction will be undertaken during work hours and as such is not anticipated to be significant. Accordingly, the Project will not create any significant adverse impacts to noise or odors.
14. Impact on Growth and Character of the Community and Neighborhood. Given that the Project includes the renovation of existing multifamily residential developments that have existed as a part of their surrounding community since *circa* 1970, the Project Facility will be consistent with other multifamily residential improvements in the surrounding area. Accordingly, the Project is not anticipated to create any significant adverse impacts to the growth or character of the community.

NOW THEREFORE BE IT FURTHER RESOLVED:

Section 2. Based on the foregoing, the Agency finds that the Project will not have any significant adverse impact on the environment in accordance with the New York State Environmental Quality Review Act, Article 8 of the New York Environmental Conservation Law and, in particular, pursuant to the criteria set forth at 6 NYCRR §617.7(b)-(c) of the SEQRA regulations and as such, no environmental impact statement shall be prepared. This determination constitutes a negative declaration for the purposes of SEQRA.

Section 3. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director of the Agency are hereby further authorized on behalf of the Agency, or acting together or individually, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 4. This Resolution shall take effect immediately.

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, on or about June 17, 2005, Mill River Residences, L.P., a limited partnership organized and existing under the laws of the State of New York (the “Original Applicant”), presented an application to the Agency, which requested that the Agency consider undertaking a project (the “Original Project”) consisting of the following: (A) (1) the acquisition of an interest in (a) a parcel of land located at 40 Maine Avenue, Village of Rockville Centre, Town of Hempstead, County of Nassau, New York (the “Maine Parcel”), and (b) a parcel of land located at 1-20 Meehan Lane, Village of Rockville Centre, Town of Hempstead, County of Nassau, New York (the “Meehan Parcel” and together with the Maine Parcel, collectively, the “Land”), (2) the renovation of the existing apartment building on the Maine Parcel and the existing four (4) garden apartment buildings on the Meehan Parcel (collectively, the “Building”), together with related improvements to the Land, and (3) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (the “Equipment”), all of the foregoing to constitute a housing complex comprised of approximately 175 affordable housing units, together with associated parking areas (collectively, the “Facility”); (B) the financing of all or a portion of the costs of the foregoing by the issuance of tax-exempt and/or taxable revenue bonds of the Agency in one or more series (the “Bonds”); (C) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions or partial exemptions from sales and use taxes, mortgage recording taxes and real property taxes (but not including special assessments and ad valorem levies) (together with the Bonds, collectively, the “Original Financial Assistance”); and (D) the lease (with an obligation to

purchase) or sale of the Facility to the Original Applicant or such other entity as may be designated by the Original Applicant and agreed upon by the Agency; and

WHEREAS, in order to finance a portion of the costs of the acquisition, renovation, installation and equipping of the Original Project, the Agency issued its Multifamily Housing Revenue Bonds (Mill River Residences Project), Series 2005, in the aggregate principal amount not to exceed \$14,725,000 (collectively, the “2005 Bonds”); and the Agency and the Original Applicant entered into a Payment in Lieu of Taxes Agreement dated December 1, 2005 by and between the Original Applicant and the Agency (the “Original PILOT”); and

WHEREAS, in 2017, the Original Applicant refinanced the Project through a mortgage loan made by KeyBank, and the 2005 Bonds were redeemed (the “KeyBank Mortgage Loan”); and

WHEREAS, on or about December 16, 2020, the Original Applicant, with the consent of the Agency, transferred the Original Applicant’s interest in the Project Facility to Rockville Mill River, L.P. (the “Company”), and assigned the Original PILOT and certain other transaction documents related thereto (the “Transaction Documents”) to the Company in connection with the repayment of the KeyBank Mortgage Loan and new acquisition financing made by Merchants Bank of Indiana (the “Merchants Mortgage Loan”); and

WHEREAS, on or about May 20, 2021, the Company has presented an application (the “Application”) to the Agency, which Application requested that the Agency consider undertaking an amendment of the Original Project, (as so amended, hereinafter referred to as the “Project”) consisting of the following: (A) (1) the retention of the Land, (2) the renovation and upgrading of the Building, together with related improvements to the Land and (3) the acquisition and installation therein and thereon of certain new furniture, fixtures, machinery and equipment (the “Equipment”), all of the foregoing to continue to constitute the Facility; (B) the financing of all or a portion of the costs of the foregoing and refinancing the Merchants Mortgage Loan by the issuance of tax-exempt and/or taxable revenue bonds of the Agency in one or more series presently estimated to be in the aggregate principal amount of \$33,225,000 and in no event to exceed \$33,624,185 (the “Bonds”); (C) the granting of certain additional “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential additional exemptions or partial exemptions from sales and use taxes, mortgage recording taxes and real property taxes (but not including special assessments and ad valorem levies) (together with the Bonds, collectively, the “Financial Assistance”); and (D) the lease (with an obligation to purchase) or sale of the Facility to the Company or such other entity as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, it is intended that the portion of the Bonds issued as tax-exempt obligations will be issued as exempt facility bonds for a qualified residential rental project, pursuant to Section 142(a)(7) of the Code, the interest on which will be excluded from gross income for federal income tax purposes pursuant to Section 103(a) of the Code; and

WHEREAS, the Company is seeking to extend the term of the Original PILOT and to make additional capital expenditures, with a concomitant extension of the commitment to the Agency to operate the Project Facility, including renovations to the Project Facility that include interior renovations and replacing concrete sidewalks; and

WHEREAS, to secure Bond refinancing to maintain the Project Facility, the Company needs to ensure a stable tax base during the term of the lender mortgage that will finance the capital expenditures; and

WHEREAS, the Application states that the Applicant is seeking an exemption from real property taxes with respect to the Project Facility that constitutes a deviation from the Agency's Uniform Tax Exemption Policy (the "Tax Exemption Policy"); and

WHEREAS, the Application states that the Company is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Company and the Agency, the parties contemplate that the Agency may agree to grant additional real property tax exemption with respect to the Project Facility consisting of an additional five (5) years of property tax exemptions to follow the existing approximately 29 year exemption term under the Original PILOT. Accordingly, the amount payable in the calendar year 2034 would be thereafter payable for each of the five (5) subsequent years with annual increases of 3.00% per year (compounded) each fiscal tax year (i.e. years 2035-2039 of the term of the Original PILOT, as so extended.)

WHEREAS, pursuant to Section 874(4) of the Act, (A) the Executive Director of the Agency caused a letter dated August 27, 2021, and as amended as to the description of the amended PILOT term, only, September 7, 2021 (the "Pilot Deviation Notice Letter") mailed to the chief executive officer of each affected tax jurisdiction, informing said individuals that the Agency would, at its meeting on September 21, 2021 (the "IDA Meeting"), consider a proposed deviation from the Tax Exemption Policy with respect to the payments in lieu of real property taxes to be made pursuant to a payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors set forth in the Tax Exemption Policy: (1) the extent to which the Proposed Project would create or retain permanent jobs; (2) the extent to which the Proposed Project would create construction jobs; (3) the estimated value of tax exemptions to be provided with respect to the Proposed Project; (4) the amount of private sector investment generated or likely to be generated by the Proposed Project; (5) the likelihood of the Proposed Project being accomplished in a timely manner; (6) the extent of new revenue that would be provided to affected tax jurisdictions as a result of the Proposed Project; (7) whether affected tax jurisdictions would be reimbursed by the Applicant if a Proposed Project does not fulfill the purposes for which an exemption was provided, (8) the impact of the Proposed Project on existing and proposed businesses and economic development projects in the vicinity, (9) the demonstrated public support for the Proposed Project, (10) the effect of the Proposed Project on

the environment, (11) the extent to which the Proposed Project would require the provision of additional services, including, but not limited to, additional educational, transportation, police, emergency, medical or fire services, and (12) any other miscellaneous public benefits that might result from the Proposed Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Proposed Project and because the PILOT payments would not be lower than the highest annual PILOT payment under final year of the Original PILOT Agreement.

Section 4. The Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the “Transaction”), the Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant, providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the formula set forth in the PILOT Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes. The meeting of the Agency will be open to the public.

On or about June 17, 2005, MILL RIVER RESIDENCES, L.P., a limited partnership organized and existing under the laws of the State of New York (the "Original Applicant"), presented an application to the Agency, which requested that the Agency consider undertaking a project (the "Original Project") consisting of the following: (A) (1) the acquisition of an interest in (a) a parcel of land located at 40 Maine Avenue, Village of Rockville Centre, Town of Hempstead, County of Nassau, New York (the "Maine Parcel"), and (b) a parcel of land located at 1-20 Meehan Lane, Village of Rockville Centre, Town of Hempstead, County of Nassau, New York (the "Meehan Parcel" and together with the Maine Parcel, collectively, the "Land"), (2) the renovation of the existing apartment building on the Maine Parcel and the existing four (4) garden apartment buildings on the Meehan Parcel (collectively, the "Building"), together with related improvements to the Land, and (3) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (the "Equipment"), all of the foregoing to constitute a housing complex comprised of approximately 175 affordable housing units, together with associated parking areas (collectively, the "Facility"); (B) the financing of all or a portion of the costs of the foregoing by the issuance of tax-exempt and/or taxable revenue bonds of the Agency in one or more series (the "Bonds"); (C) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions or partial exemptions from sales and use taxes, mortgage recording taxes and real property taxes (but not including special assessments and ad valorem levies) (together with the Bonds, collectively, the "Original Financial Assistance"); and (D) the lease (with an obligation to purchase) or sale of the Facility to the Original Applicant or such other entity as may be designated by the Original Applicant and agreed upon by the Agency.

In order to finance a portion of the costs of the acquisition, renovation, installation and equipping of the Original Project, the Agency issued its Multifamily Housing Revenue Bonds (Mill River Residences Project), Series 2005, in the aggregate principal amount not to exceed \$14,725,000 (collectively, the "2005 Bonds"); and the Agency and the Original Applicant entered into a Payment in Lieu of Taxes Agreement dated December 1, 2005 by and between the Original Applicant and the Agency (the "Original PILOT").

In 2017, the Original Applicant refinanced the Project through a mortgage loan made by KeyBank, and the 2005 Bonds were redeemed (the "KeyBank Mortgage Loan") in connection with the repayment of the KeyBank Mortgage Loan and new acquisition financing made by Merchants Bank of Indiana (the "Merchants Mortgage Loan").

On or about December 16, 2020, the Original Applicant, with the consent of the Agency, transferred the Original Applicant's interest in the Project Facility to Rockville Mill River, L.P. (the "Company"), and assigned the Original PILOT and certain other transaction documents related thereto (the "Transaction Documents") to the Company.

On or about May 20, 2021, the Company has presented an application (the "Application") to the Agency, which Application requested that the Agency consider undertaking an amendment of the Original Project, (as so amended, hereinafter referred to as the "Project") consisting of the following: (A) (1) the retention of the Land), (2) the renovation and upgrading of the Building,

together with related improvements to the Land and (3) the acquisition and installation therein and thereon of certain new furniture, fixtures, machinery and equipment (the "Equipment"), all of the foregoing to continue to constitute the Facility; (B) the financing of all or a portion of the costs of the foregoing and refinancing the Merchants Mortgage Loan by the issuance of tax-exempt and/or taxable revenue bonds of the Agency in one or more series presently estimated to be in the aggregate principal amount of \$33,225,000 and in no event to exceed \$33,624,185 (the "Bonds"); (C) the granting of certain additional "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential additional exemptions or partial exemptions from sales and use taxes, mortgage recording taxes and real property taxes (but not including special assessments and ad valorem levies) (together with the Bonds, collectively, the "Financial Assistance"); and (D) the lease (with an obligation to purchase) or sale of the Facility to the Company or such other entity as may be designated by the Company and agreed upon by the Agency.

The Application states that the Company is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Company and the Agency, the parties contemplate that the Agency may agree to grant additional real property tax exemption with respect to the Project Facility consisting of an additional five (5) years of property tax exemptions to follow the existing approximately 29 year exemption term under the Original PILOT. Accordingly, the amount payable in the calendar year 2034 would be thereafter payable for each of the five (5) subsequent years with annual increases of 3.00% per year (compounded) each fiscal tax year (i.e. years 2035-2039 of the term of the Original PILOT, as so extended.)

Thereafter, and through the end of the term of the project agreement, lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Company to undertake the Project and that the PILOT payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the Closing Date.

Sincerely,

NASSAU COUNTY INDUSTRIAL  
DEVELOPMENT AGENCY

WHEREAS, the Company reasonably expects that it will pay or incur certain capital expenditures in connection with the Project prior to the issuance of the Bonds for the Project; and

WHEREAS, the Company will use funds from sources other than the proceeds of the Bonds which are or will be available on a short-term basis to pay for a portion of the cost of the Project; and

WHEREAS, as security for the Company’s Obligation under the Project Loan Agreement and the promissory note issued pursuant thereto (“Borrower Note”), the Company and the Issuer will grant to the Issuer a mortgage lien on and security interest in and to the Mortgaged Premises (as defined in the hereinafter defined Mortgage) pursuant to an Acquisition Loan Multifamily

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency has reviewed the Application and the Report and, based upon the representations made by the Company to the Agency and the facts and information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting (including, without limitation, the facts and information set forth in the Staff Review of the Application), the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) Taking into account the stated purposes of the Act being the promotion of employment opportunities and the prevention of economic deterioration and having reviewed the Economic Impact Study dated September 10, 2021 prepared by Camoin Associates for the Agency regarding the costs benefits and other economic impacts of the Project and based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated including the prevention of economic deterioration, the job opportunities to be created and/or maintained by the Project and the substantial rehabilitation of affordable multifamily housing units, the Agency hereby finds that the undertaking of

the Project constitutes a commercial activity as it promotes the creation of employment opportunities, the revitalization of the Village of Rockville Centre and the prevention of economic deterioration.

(b) the granting of the Financial Assistance by the Agency to the Company is necessary to induce the Company to proceed with the Project;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Company;

(d) the issuance of the Bonds and the Financial Assistance will be an inducement to the Company to continue to operate and maintain the Project in Nassau County; and

(e) it is desirable and in the public interest for the Agency to issue the Bonds to finance the costs of the Project, together with certain related costs and amounts; and the

(f) Company is not undertaking the Project in place of, on behalf of, for the benefit of, or at the request of the Agency.

(g) the renovation of the Project Facility by the Company as agent of the Agency, the sale thereof by the Agency to the Company and the operation thereof by the Company will not result in the removal of a facility or plant of the Company or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Company or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of Nassau County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Company;

(h) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(i) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(j) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act;

(k) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this finding, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers; and

(l) it is desirable and in the public interest for the Issuer to issue its Bonds to finance the costs of the Project, together with certain related costs and amount, in an aggregate amount not to exceed \$33,624,185; and

(m) the Project will not result in the removal or abandonment of a plant or facility of the Company, or of a proposed user, occupant or tenant of the Project Facility, currently located within Nassau County.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Chief Executive Officer / Executive Director and the staff of the Agency with respect to the Application, the IDA Meeting and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Harris Beach PLLC, Uniondale, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project, as well as Bond Counsel to the Agency in connection with the issuance of the Bonds. Counsel to the Agency and Bond Counsel to the Agency are hereby authorized to work with counsel to the Company and others to prepare, for submission to the Agency, all documents necessary to effect the authorization, issuance and sale of the Bonds.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at the Public Hearing or otherwise in connection with the Project, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance.

Section 5. The Agency hereby re-authorizes and approves the Company as its agent and approves the Company as the recipient of the Financial Assistance.

Section 6. Based upon the representation and warranties made by the Company in its application for financial assistance, subject to the provisions of this resolution, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an aggregate amount of up to \$2,435,894.96, which result in New York State and local sales and use tax exemption benefits (“sales and use tax exemption benefits”) not to exceed \$210,095.94, and approves a maximum mortgage recording tax exemption in an amount not to exceed \$233,362.00.

Section 7. The Agency is hereby authorized to (a) maintain its interest in the Project Facility pursuant to the Conveyance Instrument, the Bill of Sale to Agency and the other Transaction Documents, (b) sell the Project Facility to the Company pursuant to the Installment Sale Agreement and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) execute the PILOT Amendment, (e) the PILOT Mortgage Amendment for the sole purpose of encumbering its interest in the Project Facility or accept such other collateral as the Chief Executive Officer / Executive Director shall determine to secure the performance by the Company of its obligations under the PILOT Agreement; (f) execute the Funding Loan Agreement, (g) execute the Project Loan Agreement, (h) execute a certain Tax Regulatory Agreement, to be dated as of the date of issuance and delivery of the Bonds (the “Tax Regulatory Agreement”), pursuant to which the Issuer and the Company make certain representations and covenants to ensure the continued tax-exempt status of the tax-exempt Bonds, (i) execute a certain Tax Certificate, to be dated as of the date of issuance and delivery of the Bonds (the “Tax Certificate”), (j) execute an Internal Revenue Service Form 8038 (the “Information Return for Private Activity Bonds”) in connection with the issuance of the Bonds, (k) execute the Project Agreement, (l) execute and deliver the Bonds and (m) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 8. The form and substance of the Project Agreement, the Conveyance Instrument, the Bill of Sale to Agency, the Installment Sale Agreement, the Environmental Indemnification, the PILOT Agreement Amendment, the PILOT Mortgage Amendment, the Funding Loan Agreement, the Project Loan Agreement, the Tax Certificate, the Tax Regulatory Agreement, and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chairman, the Vice Chairman or the Chief Executive Officer/Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chairman, the Vice Chairman, the Chief Executive Officer / Executive Director, Chief Operating Officer and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Transaction Documents, and any document with or in favor of a lender to which the Agency is a party, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 9. In consequence of the foregoing, the Agency hereby determines to:

- (a) execute and deliver the Transaction Documents, and any document with or in favor of a lender to which the Agency is a party with such amendments or modifications as the Chair, Vice Chair, Chief Executive Officer/Executive Director or other officer designated by the Chief Executive Officer/Executive Director (the “Authorized Officer”) deems necessary under the circumstances, provided no such amendment or modification materially alters the risk to the Agency and loan the proceeds derived from the issuance of the Bonds to the Company pursuant to the terms thereof; and
- (b) issue and deliver the Bonds in one or more series to the Purchaser on or before November 30, 2021 (or such other mutually agreeable date (the “Closing Date”)),

- (e) execute and deliver all other certificates and documents required in connection with issuance and sale of the Bonds including the documents identified on the draft Closing Memorandum and any other documents as may be required by the Trustee or otherwise required to accomplish the Project, qualify a portion of the interest on the tax-exempt Bonds for tax-exempt status under Section 103 of the Code (such certificates and documents collectively, with the Tax-Exempt Bonds, the Installment Sale Agreement, the Bond Placement Agreement, the Assignments of Mortgage and the Tax Compliance Certificate, the “**Financing Documents**”); and
- (f) grant an exemption from all New York State and local mortgage recording taxes as permitted by law with respect to any qualifying mortgage in connection with the Project to secure the Bonds.

Section 10. The financing and refinancing of the Project and the financing or refinancing thereof by the Agency, through the issuance of the Bonds pursuant to the Act, and the provision of other financial assistance in connection therewith pursuant to the Act, will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of Nassau County and the people of the State of New York and improve their standard of living, and thereby serve the public purposes of the Act and the same is, therefore, approved. It is desirable and in the public interest for the Agency to issue the Bonds for the purposes of financing or refinancing the costs of the acquisition, construction, renovation, equipping and furnishing of the Project, together with necessary incidental expenses in connection therewith as reflected in the Company’s application to the Agency, as amended from time to time prior to the issuance of the Bonds. The Agency is hereby authorized to undertake the Project, finance, refinance or reimburse the acquisition, construction, renovation and equipping of the Improvements, the funding of a debt service reserve fund, if any, and costs of issuance, by the issuance of the Bonds and to grant the Financial Assistance and all acts previously taken by the Agency with respect to the Project, the undertaking of the Project, the grant of Financial Assistance with respect to the Project and the issuance of the Bonds are hereby approved, ratified and confirmed.

Section 11. Subject to receipt of the approval of the County Executive of Nassau County (the “County Executive”) of the issuance of the tax-exempt Bonds pursuant to, and

solely for the purposes of, Section 147 of the Code, the Agency is hereby authorized to issue, execute, sell and deliver the Bonds in the aggregate principal amount of up to \$33,624,185 in the form heretofore approved in Section 9 of this Resolution, pursuant to the Act and in accordance with the Installment Sale Agreement; provided that

- (a) the Bonds authorized to be issued, executed, sold and delivered pursuant to this Section 11 (i) shall be issued, executed and delivered at such time as an Authorized Officer shall determine, (ii) shall be in such aggregate principal amount (not to exceed \$33,624,185) as is hereinafter approved by an Authorized Officer, (iii) shall bear interest at such rates as are set forth in the Bonds and Funding Loan Agreement or as are hereinafter approved by an Authorized Officer, and (iv) shall be issued in such series and subject to prepayment prior to maturity, and have such other provisions and be issued in such manner and on such conditions as are set forth in the Bonds and the Funding Loan Agreement, all of which provisions are specifically incorporated herein with the same force and effect as if fully set forth in this Resolution; and
- (b) The maximum authorized principal amount of the tax-exempt Bonds and of the taxable Bonds shall collectively, not to exceed \$33,624,185; and
- (c) the Bonds shall be issued solely for the purpose of providing funds to assist the Company to finance the Project Costs, the administrative, legal, financial, and other expenses of the Agency in connection with such assistance and incidental to the issuance of the Bonds, as such costs are more specifically set forth in the Financing Documents; and
- (d) the Bonds and the interest thereon are not and shall never be a debt of the State of New York, Nassau County, New York, and neither the State of New York nor Nassau County, New York, shall be liable thereon; and
- (e) the Bonds, together with interest payable thereon, shall be special obligations of the Agency payable solely from the revenues and receipts derived from the payments made by the Company pursuant to the Installment Sale Agreement or from the enforcement of the security provided by the Financing Documents.

Each of the Authorized Officers of the Agency is hereby authorized, on behalf of the Agency, to execute (by manual or facsimile signature) and deliver the Financing Documents, on such terms and conditions as shall be consistent with this Resolution and approved by an Authorized Officer, the execution thereof by such Authorized Officer constituting conclusive evidence of such approval.

Section 12. Notwithstanding any other provision of this Resolution, the Agency covenants that it will make no use of the proceeds of the tax-exempt Bonds or of any other funds which, if such use had been reasonably expected on the date of issue of the tax-exempt Bonds, would cause the tax-exempt Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

Section 13. The Authorized Officers of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided by the provisions of the Financing Documents, and to execute and deliver all such additional certificates, instruments and documents, including the Financing Documents and the Information Return, and to do all such further acts and things as may be necessary or in the opinion of the Authorized Officer acting on behalf of the Agency, desirable and proper to effect the purposes of this Resolution and to cause compliance by the Agency with all of the terms, covenants, and provisions of the Financing Documents binding upon the Agency.

Section 17. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairman, Vice Chairman and Chief Executive Officer/Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

WHEREAS, pursuant to SEQRA, to aid the Agency in determining whether the Project may have a significant adverse impact upon the environment, the Agency has completed, received and/or reviewed (1) Part 1 of a Full Environmental Assessment Form (“EAF”), dated June 24, 2020; (2) NYSDEC’s Environmental Resource Mapper; (3) New York State Historic Preservation Office’s Cultural Resources Mapper; (4) Resolution of the Village of Great Neck Zoning Board of Appeals, dated December 3, 2020, Adopting a Negative Declaration of Environmental significance with respect to the Project Facility pursuant to SEQRA; and (5) other relevant environmental information (collectively, 1, 2, 3, 4 and 5 shall be referred to as the “Environmental Information”); and

WHEREAS, pursuant to SEQRA, the Agency is an involved agency in the SEQRA review of the Project, and as an involved agency is required to analyze the Project to determine whether it has the potential to have a significant adverse impact on the environment; and

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon a thorough review and examination of the Environmental Information and the EAF reviewed by the Village of Great Neck Zoning Board of Appeals (the “Lead Agency”) and other representations and information furnished by the Company regarding the Project Facility, the Agency determines that action relating to the acquisition, demolition, construction, equipping and operation of the Project Facility is an “Unlisted” action, as that term is defined in Article 8 of the New York Environmental Conservation Law. An Environmental Review of the Project Facility pursuant to SEQRA was conducted by the Lead Agency and, on December 3, 2020, a negative declaration for purposes of SEQRA was adopted by the Lead Agency. The Agency concurs with the findings of the Lead Agency, and, as of the date of this resolution, determines that the action will not have a “significant effect” on the environment, and therefore, an environmental impact statement will not be required. Further, the Agency makes the following findings with respect to the Project:

1. Impact on Land. The Project is not anticipated to create any potentially significant adverse impacts to land resources or land use. The Lead Agency concluded that the Project Facility is consistent with its surrounding use. The zoning and land use classification will not change as a result of the Project. Accordingly, the Project is not anticipated to create any potentially significant adverse impacts to land resources or land use.

2. Impact on Water. No wetlands in the area of the Land are anticipated to be impacted as renovation will be undertaken on property which previously housed similar uses. In addition, the Project is not located in a designated 100 or 500 year floodplain. The property has been previously disturbed and the renovation will not physically alter, or encroach into, any existing wetland or waterbody. Although the Project site is located over the Nassau-Suffolk sole source aquifer, no activities proposed for the Project are anticipated to impact groundwater or the aquifer, nor is renovation or operation of such project anticipated to expose such aquifer to the undue threat of contamination. Further, the Lead Agency has determined that the Ground and surface water will be managed by a drainage system on-site and in connection with the Nassau County Stormwater Management System.
3. Impact on Air. The Project will not be a significant source of air emissions. The Project does not entail the types of activities or operations that require the Applicant to acquire an Air Facility Permit or that are associated with a significant potential for air emissions. In addition, any increase in traffic including vehicle trips associated with the Project is not anticipated to materially impact air quality as more specifically discussed in the Transportation section below, including based on various analyses completed regarding traffic. Any potential impact on air as a result of construction activities will be minor, and temporary in nature.
4. Impact on Health or Safety. The EAF indicates the Land was not the subject of spill reports. The Project also does not entail the types of activities or operations that are associated with a significant potential for affecting public health. Accordingly, the Project will not create any significant adverse impact to public health, air, land or water resources.
5. Impact on Plants and Animals Including to Threatened or Endangered Species. The Land in the area of the Project Facility does not appear to contain any habitats of significance as it is fully developed and located in a well-developed residential and commercial area. The Proposed Action does not present the potential for removal or destruction of large quantities of vegetation or fauna; substantial interference with the movement of any resident or migratory fish or wildlife species; impacts on a significant habitat area; substantial adverse impacts on a threatened or endangered species of animal or plant, or the habitat of such a species; or other significant adverse impacts to natural resources.
6. Impact on Agricultural Land Resources. The Project is located in an area currently devoted to commercial / residential uses. As a result it will not involve the conversion or loss of agricultural land resources. Accordingly, the Project will not create any significant adverse impacts to agricultural land resources.

7. Impact on Aesthetic Resources. The Project will not be visible from any officially designated federal, state or local scenic or aesthetic resource. The property is situated in a developed commercial and residential area, as indicated with is zoned for uses consistent with the Project with is also consistent with surrounding uses. As the Lead Agency concluded that the Project Facility is consistent with its surroundings, it is not anticipated to create any significant adverse impacts to aesthetic resources.
8. Impact on Historic and Archeological Resources. The Agency concurs with the Lead Agency that the entire property is improved with structures and contains no historical, archeological, architectural or aesthetic resources that will be impaired by the development of the Project Facility. Accordingly, the Project will not create any significant adverse impacts to historical or archaeological resources.
9. Impact on Open Space and Recreation. The property on which the Project is to be located and adjacent areas around it do not comprise public open space as it is devoted to commercial and residential uses. Further, the density of the Project Facility is not anticipated to create an adverse impact of local parkland. Accordingly, the Project will not create any significant adverse impacts to open space or recreational resources.
10. Impact on Critical Environmental Areas. The property on which the Project is to be developed is not located in or substantially contiguous to any Critical Environmental Area (“CEA”) based on a review of the EAF Mapper associated with such property. Accordingly, the Project will not create any significant adverse impacts to any CEA.
11. Impact on Transportation. The Project will not result in a substantial increase in traffic above capacity of current traffic infrastructure, nor is it expected to generate substantial new demand for transportation facilities or services/infrastructure. Further, the LEAD Agency concurred with the Applicant’s Traffic Analysis and Parking Analysis, which provided that the Project Facility is not anticipated to have any impact on the level of service on the surrounding roadway network and that in the engineering firm’s professional opinion the granting of the Application would not create traffic congestion or undue on-street parking in the area surrounding the subject site. Any impacts to transportation from construction activities associated with the Project will be minor and temporary in nature. Accordingly, it is not anticipated that that Project will create any significant adverse impacts to transportation.
12. Impact on Energy. The Project may result in an increase in energy usage, however, existing utilities serve the area where the Project will be developed and are anticipated to have adequate capacity to serve it. As a result, the Project will not create any significant adverse impacts to energy.

13. Impact on Noise and Odor and Impacts from Light. The Project is not expected to materially increase ambient noise levels or to create odors of consequence particularly in light of such project setting including the Project site location. As a result, it is not anticipated that operation of the Project will result in undue noise impacts. Further, any impacts to noise and/or odor from construction activities will be minor, and temporary in nature. In addition, any such noise from construction will be undertaken during work hours and as such is not anticipated to be significant. Accordingly, the Project will not create any significant adverse impacts to noise or odors.
14. Impact on Growth and Character of the Community and Neighborhood. The Lead Agency concluded that the Project Facility will result in a change in the intensity of use on the specific property, however, said intensity will be similar to the use intensity of several other properties along Middle Neck Road. Further, the use was determined to be in conformance with the Village's Middle Neck Road Multifamily Incentive Overlay District. Accordingly, the Project is not anticipated to create any significant adverse impacts to the growth or character of the community.

NOW THEREFORE BE IT FURTHER RESOLVED:

Section 2. Based on the foregoing, the Agency finds that the Project will not have any significant adverse impact on the environment in accordance with the New York State Environmental Quality Review Act, Article 8 of the New York Environmental Conservation Law and, in particular, pursuant to the criteria set forth at 6 NYCRR §617.7(b)-(c) of the SEQRA regulations and as such, no environmental impact statement shall be prepared. This determination constitutes a negative declaration for the purposes of SEQRA.

Section 3. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director of the Agency are hereby further authorized on behalf of the Agency, or acting together or individually, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 4. This Resolution shall take effect immediately.

WHEREAS, pursuant to Section 874(4) of the Act, (A) the Executive Director of the Agency caused a letter dated August 27, 2021 (the "Pilot Deviation Notice Letter") mailed to the chief executive officer of each affected tax jurisdiction, informing said individuals that the Agency would, at its meeting on September 21, 2021 (the "IDA Meeting"), consider a proposed deviation from the Tax Exemption Policy with respect to the payments in lieu of real property taxes to be made pursuant to a payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors set forth in the Tax Exemption Policy: (1) the extent to which the Proposed Project would create or retain permanent jobs; (2) the extent to which the Proposed Project would create construction jobs; (3) the estimated value of tax exemptions to be provided with respect to the Proposed Project; (4) the amount of private sector investment generated or likely to be generated by the Proposed Project; (5) the likelihood of the Proposed Project being accomplished in a timely manner; (6) the extent of new revenue that would be provided to affected tax jurisdictions as a result of the Proposed Project; (7) whether affected tax jurisdictions would be reimbursed by the Applicant if a Proposed Project does not fulfill the purposes for which an exemption was provided, (8) the impact of the Proposed Project on existing and proposed businesses and economic development projects in the vicinity, (9) the demonstrated public support for the Proposed Project, (10) the effect of the Proposed Project on the environment, (11) the extent to which the Proposed Project would require the provision of additional services, including, but not limited to, additional educational, transportation, police, emergency, medical or fire services, and (12) any other miscellaneous public benefits that might result from the Proposed Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Proposed Project and because the PILOT payments would not be lower than the real property

taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the closing date of the transaction.

Section 4. The Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the “Transaction”), the Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant, providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the formula set forth in the PILOT Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

NOTICE OF PROPOSED DEVIATION FROM  
UNIFORM TAX EXEMPTION POLICY

Ladies and Gentlemen:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the "Agency") to be held on September 21, 2021 at 6:45 p.m. local time and to be conducted in the Nassau County Ceremonial Chamber, 1550 Franklin Avenue, Mineola, New York 11501, the Agency will consider whether to approve the application of the Applicant (as defined below), for certain "financial assistance" which, if granted, would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes. The meeting of the Agency will be open to the public.

At the meeting of the Agency, the Agency will consider the application of GESHER CENTER LLC, a limited liability company organized and existing under the laws of the State of New York, (the "Applicant") has presented an application for financial assistance (the "Application") to the Agency, which Application requests that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition and retention of an interest in an approximately 15,000 square foot parcel of land located at 733-741 Middle Neck Road; 6 & 8 North Road, Village of Great Neck, Town of North Hempstead, Nassau County, New York (Section: 1; Block: 1; Lot: 5, 106, 212 and 115) (the "Land"), (2) the construction of an approximately 88,000 square foot, four (4) story building (collectively, the "Building") on the Land, together with related improvements to the Land, including surface parking spaces, (3) the acquisition of certain furniture, fixtures, machinery and equipment (the "Equipment") necessary for the completion thereof (collectively, the "Project Facility"), all of the foregoing for use by the Applicant as a multi-family apartment building consisting of approximately sixty (60) residential rental apartment units, including nine (9) affordable residential rental apartments, and an approximately 4,100 +/- square foot art gallery; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency.

The Application states that the Applicant is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant a real property tax exemption (the "Property Tax Exemption") with respect to the Project Facility as follows:

(i) for the period commencing on the date of the closing of the Project transaction (the "Closing Date") to and including the day prior to the Effective Date (as defined below), payments shall be equal to one hundred percent (100%) of the real property taxes and assessments that would be levied annually upon the Land and the existing improvements thereon as of the date of closing without taking into consideration the transfer of ownership, jurisdiction, supervision or control of the Project Facility to the Agency; and

(ii) for the period commencing on the Effective Date and continuing for twenty-two (22) full fiscal tax years thereafter, fixed payments equal to the sum of the BASE PILOT and the IMPROVEMENT PILOT.

Thereafter, and through the end of the term of the project agreement, lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility were returned to

the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

For the purposes of the foregoing, the following terms shall have the following meanings:

(a) “BASE PILOT” shall be deemed to mean the amount of all real property taxes and assessments payable on the Land and the existing improvements thereon as of the Closing Date, which amount shall be increased by 1.23% per year (compounded) after the third (3rd) fiscal tax year. Except as set forth in the immediately preceding sentence, the BASE PILOT shall not increase or decrease during the term of the PILOT Agreement. The BASE PILOT shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions. In calculating the Base PILOT, the Agency shall take into account the most recent assessment data (i.e., assessed value and tax rates) available as of the Closing Date including any applicable approved tax certiorari stipulation or other settlement or arrangement with the applicable tax assessor(s).

(b) “IMPROVEMENT PILOT” shall be deemed to mean the product of the following amounts, as determined by the Agency: (i) the Assessed Value of the Improvement, (ii) the PILOT Rate, and (iii) the number 0.01, as phased in and adjusted pursuant to Exhibit A attached hereto. The term “Assessed Value of the Improvement” shall be deemed to mean the product of (y) the fair market value of the Project Facility (less the market value used in the calculation of the BASE PILOT) for real property tax valuation purposes, computed as of the estimated date of completion, as determined by the Agency using a methodology reasonably selected by the Agency, and (z) the level of assessment used by the Nassau County Assessor as of the year in which the Closing Date occurs. The PILOT Rate shall be evidenced by School Tax Bills, Village Tax Bills, if any and General Tax Bills based on the most recent assessment data available to the Agency as of the year in which the Closing Date occurs. The IMPROVEMENT PILOT shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions.

(c) “Effective Date” shall be deemed to mean for each affected tax jurisdiction the first day of the first fiscal tax year following the first taxable status date occurring subsequent to the last to occur of (i) the Agency acquiring an interest in the Project Facility, (ii) the filing by the Agency of the appropriate application for tax exemption with the Nassau County Tax Assessor, and (iii) the acceptance of such Application by such assessor.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the PILOT payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the Closing Date.

Sincerely,

NASSAU COUNTY INDUSTRIAL  
DEVELOPMENT AGENCY

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency has reviewed the Application and the Report and, based upon the representations made by the Applicant to the Agency and the facts and information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting (including, without limitation, the facts and information set forth in the Staff Review of the Application), the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated including the prevention of economic deterioration, the job opportunities to be created and/or maintained by the Project, the Project will constitute a commercial facility and, therefore, the Project constitutes a “project” within the meaning of the Act;

(b) the granting of the Financial Assistance by the Agency to the Applicants is necessary to induce the Applicants to proceed with the Project;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicants;

(d) the completion of the Project Facility by the Applicants as agent of the Agency, the lease thereof by the Agency to the Applicants and the operation thereof

by the Applicants will not result in the removal of a facility or plant of the Applicants or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the “State”) to another area of the State or in the abandonment of one or more plants or facilities of the Applicants or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of Nassau County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicants;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(g) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act;

(h) The Project is located in the Apartment E/Middle Neck Road Multifamily Incentive Overlay District and Residence C zoning districts in the Village of Great Neck (the “Village”) and is presently developed with two (2) dilapidated multifamily residences, two (2) dilapidated cottages utilized for non-conforming uses and three (3) commercial buildings that the Village Board of Appeals has determined to be of poor aesthetic quality and in “run-down” condition. The Apartment E/Middle Neck Road Multifamily Incentive Overlay District allows for multifamily dwellings subject to certain requirements (Section 575-105(A)) of the Village Code). The Village Board of Appeals granted waivers from the Village Code requirements to permit the construction of the Project Facility by resolution dated December 3, 2020. Taking into account the stated purposes of the Act being the promotion of employment opportunities and the prevention of economic deterioration and having reviewed the Economic Impact Study dated **September 9, 2021 prepared by Camoin Associates** for the Agency regarding the costs benefits and other economic impacts of the Project, the Apartment E/Middle Neck Road Multifamily Incentive Overlay District and Residence C zoning districts in the Village and the waivers granted by the Village Board of Appeals, the Agency hereby finds that the undertaking of the Project constitutes a commercial activity as it promotes the creation of employment opportunities and the prevention of economic deterioration.

(i) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or

services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this finding, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers; and

(j) the Project will not result in the removal or abandonment of a plant or facility of the Applicants, or of a proposed user, occupant or tenant of the Project Facility, currently located within Nassau County.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Chief Executive Officer / Executive Director and the staff of the Agency with respect to the Application, the IDA Meeting and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Harris Beach PLLC, Uniondale, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at the Public Hearing or otherwise in connection with the Project, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance.

Section 5. The Agency hereby approves the Applicants as the lessee/sublessee under the Lease with the Agency and hereby approves the Applicants as the recipient of the Financial Assistance.

Section 6. Based upon the representation and warranties made by the Applicant in its application for financial assistance, subject to the provisions of this resolution, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an aggregate amount of up to \$11,000,000.00, which result in New York State and local sales and use tax exemption benefits (“sales and use tax exemption benefits”) not to exceed \$948,750.00, and approves a maximum mortgage recording tax exemption in an amount not to exceed \$153,750.00.

Section 7. The Agency is hereby authorized to (a) acquire an interest in the Project Facility pursuant to the Conveyance Instrument, the Bill of Sale to Agency and the other Transaction Documents, (b) grant a leasehold interest in the Project Facility pursuant to the Lease and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) execute the PILOT Mortgage for the sole purpose of encumbering its interest in the Project Facility or accept such other collateral as the Chief Executive Officer / Executive Director shall determine to secure the performance by the Applicant of its obligations under the PILOT Agreement, (e) execute one (1) or more fee and leasehold mortgage, assignment of rents and leases, and security agreements in favor of such bank, governmental agency or financial institution as the Applicant may determine

(such bank, governmental agency or financial institution, the “Bank”), encumbering the Project Facility, solely to subject to the lien thereof its interest in the Project Facility, all to secure one (1) or more loans made by such Bank to the Applicant with respect to the Project Facility, and (f) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 8. The form and substance of the Project Agreement, the Conveyance Instrument, the Bill of Sale to Agency, the Lease, the Environmental Indemnification, the PILOT Agreement, the PILOT Mortgage and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chairman, the Vice Chairman or the Chief Executive Officer/Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chairman, the Vice Chairman, the Chief Executive Officer / Executive Director, Chief Operating Officer and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Conveyance Instrument, the Lease, the PILOT Agreement, the PILOT Mortgage, the other Transaction Documents, and any document with or in favor of the Bank to which the Agency is a party, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 9. The Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, the Chief Operating Officer and the Administrative Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Lease) of the Agency.

Section 10. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 11. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairman, Vice Chairman and Chief Executive Officer/Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 12. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with such

terms and conditions with respect to the Project and hereby direct Special Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 13. The Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

the Project, said Public Hearing to be held in the city, town or village within which the Project Facility is or will be located; (B) to cause notice of said Public Hearing to be given to the public by publishing a notice of said Public Hearing in a newspaper of general circulation available to residents of the governmental units where the Project Facility is or is to be located, such notice to comply with the requirements of and to be published in accordance with the requirements of the Act; (C) to cause notice of said Public Hearing, pursuant to the Act, to be given to the chief executive officer of the County of Nassau, New York, and of each city, town, village, school district and other affected tax jurisdiction in which the Project Facility is or is to be located; (D) to establish a time, date and place for a meeting of the Agency (the "IDA Meeting") to consider whether to approve a proposed deviation from the Agency's uniform tax exemption policy in accordance with the Act if the Executive Director determines that the portion of the Financial Assistance consisting of an exemption from real property taxes constitutes a deviation from such policy; (E) to cause notice of any such proposed deviation from the Agency's uniform tax exemption policy and of the IDA Meeting to be given to the chief executive officer of each affected tax jurisdiction in accordance with the Act; (F) to conduct the Public Hearing or to authorize a hearing officer to conduct the Public Hearing; (G) to cause a report of the Public Hearing fairly summarizing the views presented at said Public Hearing to be promptly prepared and cause copies of said report to be made available to the members of the Agency; (H) to hold the IDA Meeting and to review and respond to any correspondence received from the affected tax jurisdictions regarding the proposed deviation from the Agency's uniform tax exemption policy, if applicable; and (I) to otherwise comply with all other procedural and other requirements imposed on the Agency pursuant to Applicable Laws with respect to the Project and/or the Financial Assistance.
