County Executive Edward P. Mangano
County of Nassau
1550 Franklin Avenue
Mineola, NY 11501

NOTICE OF PROPOSED DEVIATION FROM UNIFORM TAX EXEMPTION POLICY

Dear County Executive Edward P. Mangano:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the “Agency”) to be held on December 19, 2017, at 9:00 a.m. local time at the offices of the Agency at 1550 Franklin Avenue, Mineola, New York, the Agency will consider whether to approve the application of the Applicant (as defined below), for certain “financial assistance” which, if granted, would deviate from the Agency’s Uniform Tax Exemption Policy (the “Policy”) with respect to the payment of real property taxes. The meeting of the Agency will be open to the public.

Roslyn Plaza Housing Associates, L.P., a limited partnership organized and existing under the laws of the State of New York (the “Applicant”), presented an application (the “Application”) to the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) consisting of the following: (A)(1) the acquisition of an interest in an approximately 4.29 acre parcel of land located at 101-172 Laurel Street, Roslyn Heights, Town of North Hempstead, County of Nassau, New York (Section: 7; Block: 60; Lot: 321) (collectively, the “Land”), (2) the renovation of the existing approximately 96,806 square foot building on the Land and other related improvements to the Land (collectively, the “Building”), and (4) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the “Equipment”), all of the foregoing for use by the Applicant as a residential rental facility consisting of 104 units, of which 103 units shall be affordable units and 1 unit shall be a
building superintendent's unit (collectively, the "Project Facility"); (B) the granting of certain “financial assistance” within the meaning of Section 854(14) of the General Municipal Law with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes and sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency.

Base upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant an approximately twenty (20) year real property tax exemption (the "Property Tax Exemption") with respect to the Project Facility as follows: payments equal to ten percent (10%) of the annual "effective gross income" of the Project Facility as of the closing date of the proposed transaction (the "Base Year PILOT Amount"), as determined by the Agency, which Base Year PILOT Amount would be subject to annual increases of 1.66% per year (compounded) after the first year of the PILOT term.

Thereafter, and through the end of the term of the lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reasons for the deviation are that the Property Tax Exemption, if approved by the Agency, (a) is necessary to induce the Applicant to undertake the Project and to preserve the affordable nature of 103 units in the Project Facility for the term of the Property Tax Exemption, and (b) the PILOT payments would not be lower than the annual PILOT payment applicable to the Project Facility pursuant to the Tax Exemption Agreement dated as of August 30, 1977 entered into by the Applicant with respect to the Project Facility under Article 11 of the Private Housing Finance Law (the “Existing PILOT Agreement”), as if the Existing PILOT Agreement were in effect as of the closing date of the proposed transaction.

Sincerely,

NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY
