(A) The Agency is duly established under the provisions of the Act and has the power to enter into this Lease and the other Transaction Documents to which the Agency is a party and to carry out its obligations hereunder and thereunder. Based upon the representations of the Company, the Project will constitute a “project”, as such quoted term is defined in the Act. By proper official action, the Agency has been duly authorized to execute, deliver and perform this Lease and the other Transaction Documents to which the Agency is a party.

(B) Neither the execution and delivery of this Lease or the other Transaction Documents to which the Agency is a party, the consummation of the transactions contemplated hereby or thereby, nor the fulfillment of or compliance with the provisions of this Lease or the other Transaction Documents to which the Agency is a party will conflict with or result in a breach by the Agency of any of the terms, conditions or provisions of the Act, the by-laws of the Agency or any order, judgment, agreement or instrument to which the Agency is a party or by which the Agency is bound, nor will constitute a default by the Agency under any of the foregoing.

(C) Except as provided in Articles IX, X and XI hereof, the Agency, to the extent of its interest therein, shall not sell, assign, transfer, encumber or pledge as security the Project Facility or any part thereof and shall maintain the Project Facility free and clear of all liens or encumbrances created by the Agency, except as contemplated or permitted by the terms of this Lease and the other Transaction Documents.

SECTION 2.2 REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE COMPANY. The Company makes the following representations, warranties and covenants as the basis for the undertakings on its part herein contained:

(A) The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, is qualified and authorized to do business as a

foreign corporation in the State of New York and in all other jurisdictions in which its operations or ownership of its Properties so require, and has the power to enter into this Lease and the other Transaction Documents to which the Company is a party and to carry out its obligations hereunder and thereunder. By proper action of its board of directors, the Company has been duly authorized to execute, deliver and perform this Lease and the other Transaction Documents to which the Company is a party. (B) Neither the execution and delivery of this Lease or any of the other Transaction Documents to which the Company is a party, the consummation of the transactions contemplated hereby and thereby, nor the fulfillment of or compliance with the provisions of this Lease or the other Transaction Documents to which the Company is a party will (1) conflict with or result in a breach of any of the terms, conditions or provisions of the Company's certificate of incorporation or by-laws or any other corporate restriction, order, judgment, agreement, document or instrument to which the Company is a party or by which the Company or any of its Property is bound, or constitute a default by the Company under any of the foregoing, or result in the creation or imposition of any Lien of any nature upon the Project Facility under the terms of any of the foregoing, other than Permitted Encumbrances, (2) conflict with or result in a violation of Applicable Laws, (3) require consent or approval (which has not been heretofore received and provided to the Agency) under any corporate restriction, agreement or instrument to which the Company is a party or by which the Company or any of its Property may be bound or affected, or (4) require consent or approval (which has not been heretofore obtained and provided to the Agency) under or conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction or decree of any Governmental Authority having jurisdiction over the Company or any of the Property of the Company.

(C) The completion of the Project Facility by the Company as agent of the Agency, the sub-sublease thereof by the Agency to the Company and the operation thereof by the Company will not result in the removal of a facility or plant of the Company or any other lessee, sublessee or other proposed occupant of the Project Facility from one area of the State to another area of the State (other than relocations within the County) or in the abandonment of one or more plants or facilities of the Company or any other lessee, sublessee or other proposed occupant of the Project Facility located in the State (other than within the County); provided, however, that nothing in this Section shall constitute an authorization by the Agency for the Company to lease, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof without the prior written consent of the Agency, except as set forth in Section 9.3 of this Lease.

(D) The Transaction Documents to which the Company is a party constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid, legal and binding obligations of the Company, enforceable in accordance with their respective terms.

County. The Project Facility is, and so long as this Lease shall remain in effect, the Project Facility will continue to be a “project”, as such quoted term is defined in the Act, and the Company will not take any action (or omit to take any action), or allow any action to be taken or not taken, which action, inaction or omission would in any way cause the Project Facility not to constitute a “project”, as such quoted term is defined in the Act.

(F) The Project Facility and the operation thereof will comply with all Applicable Laws, and the Company will indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from all claims, liabilities, damages, fees, expenses, fines and penalties due to failure, or alleged failure, to comply with all Applicable Laws. The Company shall cause all notices as required by all Applicable Laws to be given, and shall comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project or the operation of the Project Facility, and the Company will indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless, from all claims, liabilities, damages, fees, expenses, fines and penalties due to failure, or alleged failure, to comply therewith; provided that such claims, liabilities, damages, fees, expenses, fines and penalties of the Agency are not incurred or do not result solely from the intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees. The foregoing indemnities shall apply notwithstanding the negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees, and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(G) The Project will not have a “significant adverse environmental impact” (as such term is used in SEQRA) and the Company hereby covenants to comply with all mitigating measures, requirements and conditions enumerated or referenced in the resolution adopted by the Agency on August 27, 2014 (including, without limitation, the measures, requirements and conditions contained in the negative declaration issued by the Village of North Hills with respect to the Project), under SEQRA applicable to the acquisition, construction, installation, equipping and operation of the Project Facility contemplated by Section 4.1 of this Lease and in any other approvals issued by any other Governmental Authority with respect to the Project Facility. (K) The Company is not in default with respect to any order, writ, injunction or decree of any Governmental Authority, or in violation of any law, statute or regulation, domestic or foreign, to which the Company or any of its Property is subject.

(L) The sub-subleasing of the Project Facility by the Agency to the Company and the granting of the Financial Assistance have induced the Company to proceed with the Project in the County. The granting of the Financial Assistance by the Agency with respect to the Project Facility, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their prosperity and standard of living, and will prevent unemployment and economic deterioration and thereby serve the public purposes of the Act.

(M) The Company, together with its Affiliates, shall (i) continue to employ not less than three hundred sixty-seven (367) full-time equivalent, private sector employees as described in the Application throughout the term of this Lease (it being understood and agreed that such employees may not initially be located at the Project Facility, provided, however, that same shall be located in Nassau County), (ii) employ at least an additional one hundred three (103) new, full-time equivalent, private sector employees in the State of New York within one (1) year after the Scheduled Completion Date as described in the Application and maintain such jobs throughout the term of this Lease (it being understood and agreed that such employees may not initially be located at the Project Facility, provided, however, that same shall be located in Nassau County), (iii) employ at least an additional sixty-three (63) new, full-time equivalent, private sector employees in the State of New York within two (2) years after the Scheduled Completion Date as described in the Application and maintain such jobs throughout the term of this Lease (it being understood and agreed that such employees may not initially be located at the Project Facility, provided, however, that same shall be located in Nassau County), (iv) employ at least an additional sixty-three (63) new, full-time equivalent, private sector employees in the State of New York within three (3) years after the Scheduled Completion Date as described in the Application and maintain such jobs throughout the term of this Lease (it being understood and agreed that such employees may not initially be located at the Project Facility, provided, however, that same shall be located in Nassau County), (v) employ at least an additional sixty-three (63) new, full-time equivalent, private sector employees in the State of New York within four (4) years after the Scheduled Completion Date as described in the Application and maintain such jobs throughout the term of this Lease (it being understood and agreed that such employees may not initially be located at the Project Facility, provided, however, that same shall be located in Nassau County), (vi) employ at least an additional sixty-five (65) new, full-time equivalent, private sector employees in the State of New York within five (5) years after the Scheduled Completion Date as described in the Application and maintain such jobs throughout the term of this Lease (it being understood and agreed that such employees may not initially be located at the Project Facility, provided, however, that same shall be located in Nassau County), and (vii) cause the Overlandlord and/or the Contractor to create, in the aggregate and not an annual basis, at least five hundred fifty-two (552) new, full-time equivalent, private sector construction jobs at the Project Facility during the period from the commencement of construction, installation and equipping of the Project Facility until the Completion Date (but, for purposes of clarity, not all such construction jobs are required to exist at the Project Facility at all times during such period); all of which jobs shall, at all applicable times during the term of this Lease, be located at the Project Facility (collectively, the "Minimum Employment Requirement").

(N) The funds available to the Company are sufficient to pay all costs in connection with the Company equipping the Project Facility.

(O) The Company is not a Prohibited Person, no Affiliate of the Company is a Prohibited Person and no member, manager, director or shareholder, as the case may be, of the Company is a Prohibited Person.

(P) Neither this Lease nor any other Transaction Document nor any other document, certificate, agreement or instrument furnished to the Agency by or on behalf of the Company contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading.

(Q) No funds of the Agency shall be used in connection with the transactions contemplated by this Lease for the purpose of preventing the establishment of an industrial or manufacturing plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, nor shall any funds of the Agency be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State.

(R) Intentionally omitted.

(S) The Project Facility is located entirely within the boundaries of the Village of North Hills, Town of North Hempstead, Nassau County, New York, is not located in whole or in part within the boundaries of any other incorporated village, and is located only within the Great Neck Union Free School District.

(T) The total cost of the Project is at least \$112,343,000.

(U) As of the Closing Date, no leases or other occupancy arrangements exist with respect to the Project Facility or any part thereof except the Overlease, this Lease and the Company Lease, and no Person (other than the Company) is in occupancy or possession of any portion of the Project Facility.

(V) Neither the Overlandlord nor the Company has conveyed, assigned, transferred, mortgaged, hypothecated, pledged or granted a security interest in its interest in the Project Facility pursuant to a mortgage, security agreement, pledge or other agreement that prohibits the Company from executing and delivering the Company Lease, this Lease or any other Transaction Document. The Company covenants and agrees that it shall not enter into a mortgage, security agreement, pledge or other agreement pursuant to which the existence of the Company Lease, this Lease or any other Transaction Document would constitute a default or an event of default.

(W) Neither the Company, the Overlandlord, nor any Affiliate of the Company or the Overlandlord has employed or retained any appointed or elected governmental official to solicit or secure the Agency's undertaking of the Project or its agreement to enter into this Lease or any other Transaction Document upon an agreement of understanding for a commission or percentage, brokerage or contingent fee.

(X) The Project Facility does not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this representation, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers.

ARTICLE III CONVEYANCE AND USE OF PROJECT FACILITY

SECTION 3.1 CONVEYANCE TO THE AGENCY. (A) Pursuant to the Company Lease, the Company has conveyed or will convey to the Agency a subleasehold interest in and to the Premises for the purpose of undertaking and completing the Project. The Company hereby represents and warrants that it has a good and valid leasehold interest in the Premises, free and clear from all Liens except for Permitted Encumbrances, and agrees that the Company will defend (with counsel selected by the Agency), indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto or due to any defect in the subleasehold interest granted to the Agency pursuant to the Company Lease.

(B) The Company and the Agency acknowledge that the Project Facility and the subleasehold interest therein conveyed to the Agency from the Company and sub-leased by the Agency back to the Company are not “property” as defined in Title 5-A of the Public Authorities Law of the State because such property and the interests therein are security for the Company’s obligations to the Agency under this Lease and the other Transaction Documents, including, without limitation, (i) the Company’s obligation to acquire, construct, install, equip and maintain the Project Facility on behalf of the Agency, and (ii) the performance by the Company to the Agency of the Company’s other obligations under this Lease and the other Transaction Documents.

SECTION 3.2 USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Transaction Documents, provided such use causes the Project Facility to qualify or to continue to qualify as a “project” under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project into disrepute as a public project; provided, that the Project Facility shall be used solely as the Company’s headquarters facility, together with uses incidental thereto, subject to the Company’s rights under Sections 9.1 and 9.3 of this Lease. The Company shall not occupy, use or operate the Project Facility, or any part thereof, or permit or suffer the Project Facility, or any part thereof, to be occupied, used or operated (1) for any unlawful purpose, or (2) in violation of any certificate of occupancy affecting the Project Facility, or (3) for any use that constitutes a nuisance, public or private, or (4) for any use that makes void or voidable any insurance then in force with respect thereto, or (5) by any tenant, subtenant or occupant whose use, occupancy or operation of the Project Facility would be in violation of Applicable Laws. All permits and licenses necessary for the operation of the Project Facility as contemplated by this Section 3.2 shall be procured promptly by the Company. Any provision of

this Lease to the contrary notwithstanding, the Company shall be liable at all times for all risk, loss and damage with respect to the Project Facility.

Nothing in this Section shall constitute an authorization by the Agency for the Company to lease, license, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof, except in accordance with Section 9.3 of this Lease.

SECTION 3.3 HAZARDOUS MATERIALS.

(A) The Company represents, warrants and covenants that, (i) the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner that violates any Applicable Law, including, but not limited to, those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials (each, an “Environmental Law” and, collectively, the “Environmental Laws”), and (ii) the Company has or will have prior to the Scheduled Completion Date all Environmental Permits required to operate the Project Facility and is or will at the applicable time be in compliance with their requirements.

(B) The Company shall keep and shall cause the Project Facility to be kept free of Hazardous Materials except in compliance with Environmental Laws, and except for those Hazardous Materials that were located on the Project Facility prior to the Closing Date and which were not placed thereon by the Company or any of its agents, employees, members, servants, representatives or contractors. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all Environmental Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company, or any tenant, subtenant, operator or occupant of the Project Facility, an unlawful release of Hazardous Materials onto, under or from the Project Facility or onto any other property. The Company shall not cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company or its members, managers, shareholders, directors, officers, agents, servants, employees or representatives, a release of Hazardous Materials on, under or from the Project Facility, except in compliance with all Environmental Laws.

(C) The Company shall comply with and cause the Overlandlord and all tenants, subtenants and occupants of the Project Facility to comply with, all Environmental Laws whenever and by whomever triggered, and shall obtain and comply with, and shall cause the Overlandlord and all tenants, subtenants, operators and occupants of the Project Facility to obtain and comply with, any and all approvals, registrations or permits required thereunder. The Company agrees to provide the Agency with copies of any notifications given by the Company to any Governmental Authorities or received by the Company from any Governmental Authorities with respect to the environmental or ecological condition of the Project Facility. The Company hereby agrees that at all times during which it owns or operates the Project Facility, and whether or not this Lease or any other Transaction Document is in effect, to comply with, and ensure compliance by all tenants, subtenants and occupants of the Project Facility with, the provisions of the Environmental Indemnification.

(D) The Company shall (1) conduct and complete, or cause the Overlandlord to conduct and complete, all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Materials on, from or affecting the Project Facility (a) in accordance with all Environmental Laws, (b) to the satisfaction of the Agency, and (c) in accordance with the orders and directives of all Governmental Authorities, and (2) defend (with counsel selected by the Agency), indemnify, and hold harmless the Agency and its employees, agents, officers, attorneys, servants and members, past, present and future, from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to: (a) the presence, disposal, release or threatened release of any Hazardous Materials on, from, under or affecting the Project Facility, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any government order relating to such Hazardous Materials, (d) any violations of Environmental Laws which are based upon or in any way related to such Hazardous Materials, and/or (e) the disturbance of any wetlands on or at the Project Facility, including, without limitation, consultant fees, costs of remediation, investigation and laboratory fees, court costs, reasonable attorney fees and litigation expenses. Costs under this subsection (D) will be repaid immediately upon demand with interest at the Default Interest Rate commencing five (5) days after such demand.

(E) In the event this Lease is terminated, the Company shall deliver the Project Facility to the Agency free of any and all Hazardous Materials (except Hazardous Materials the presence of which do not violate any Environmental Laws and except for those Hazardous Materials that were located on the Project Facility prior to the Closing Date and which were not placed thereon by the Company or any of its agents, employees, members, servants, representatives or contractors), so that the condition of the Project Facility shall conform with all Environmental Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents, employees, members, servants or representatives, may at any reasonable time, and at the Company's expense inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Environmental Laws.

(G) Intentionally omitted.

SECTION 3.4 NON-MERGER. During the term of this Lease, there shall be no merger of this Lease or the Company Lease nor of the subleasehold estate created by the Company Lease or the sub-subleasehold estate created by this Lease with the fee estate in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly, (1) this Lease or the Company Lease or the sub-subleasehold estate created by this Lease or the subleasehold estate created by the Company Lease or any interest in this Lease or the Company Lease or in any such subleasehold or sub-subleasehold estate and (2) the fee estate in the Premises or any part thereof or any interest in such fee estate, and no such merger shall occur unless and until all corporations, firms and other entities, including any mortgagee having any interest in (x) this Lease or the Company Lease or

the subleasehold estate created by this Lease or the subleasehold estate created by the Company Lease and (y) the fee estate in the Premises or any part thereof or any interest in such fee estate, shall join in a written instrument effecting such merger and shall duly record the same.

SECTION 3.5 TITLE INSURANCE. On or prior to the Closing Date, the Company will obtain and deliver to the Agency, in form, amount and substance satisfactory to the Agency, (a) an owner's title insurance policy (the "Title Policy") insuring the Agency's subleasehold interest in the Premises against loss as a result of defects in title, subject only to Permitted Encumbrances, (b) a mortgagee title insurance policy insuring the PILOT Mortgagee's fee, leasehold and subleasehold mortgage interest in the Premises against loss as a result of defects in title, subject only to Permitted Encumbrances, and (c) a current survey of the Premises certified to the Agency, the Company, the PILOT Mortgagee and the title insurance company issuing the Title Policy. Any proceeds of the Title Policy shall be paid to the Company and applied by the Company to remedy the applicable defect in title. If not so capable of being applied or if a balance remains after such application, the Net Proceeds or the remaining balance of the Net Proceeds, as the case may be, shall be applied to the payment of any sums due the Agency under this Lease or under any other Transaction Document, and any balance thereafter may be used by the Company for any lawful corporate purpose.

ARTICLE IV UNDERTAKING AND COMPLETION OF THE PROJECT

SECTION 4.1 ACQUISITION, CONSTRUCTION, INSTALLATION AND EQUIPPING OF THE PROJECT FACILITY.

(A) The Company shall, on behalf of the Agency, promptly acquire, construct, install and equip the Project Facility, or cause the Overlandlord to acquire, construct, install and equip the Project Facility, all in accordance with the Plans and Specifications, in a first-class, workmanlike manner using high grade materials, free of material defects in materials and workmanship. Notwithstanding the foregoing, the Company shall not, at any time during the term of this Lease, either directly or by causing the Overlandlord or other Persons to do so, construct any new structure on the Land (other than the Building) or construct an addition to or otherwise increase the useable square footage of the Building depicted in the Plans and Specifications or otherwise construct any additional improvements on the Land without the prior written consent of the Agency.

(B) No material change in the Plans and Specifications shall be made unless the Agency shall have consented thereto in writing (which consent shall not be unreasonably withheld or delayed).

(C) Title to all materials, equipment, machinery and other items of Property presently incorporated or installed in and which are a part of the Project Facility shall vest in the Agency immediately upon execution of the Bill of Sale to Agency. Title to all materials, equipment, machinery and other items of Property acquired subsequent to the Closing Date and intended to be incorporated or installed in and to become part of the Project Facility shall vest in the Agency immediately upon deposit on the Premises or incorporation or installation in the Project Facility, whichever shall first occur. The Company shall execute, deliver and record or

file all instruments necessary or appropriate to vest title to the above in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor and advanced by the Company for such purpose pursuant to Section 4.1(H) of this Lease.

(E) The Agency hereby appoints the Company, and the Company hereby accepts such appointment, as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Transaction Documents: (1) to acquire, construct, install and equip the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be required or proper, all for the acquisition, construction, installation and equipping of the Project Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to Section 4.1(H) of this Lease, (3) to pay all fees, costs and expenses incurred in the acquisition, construction, installation and equipping of the Project Facility from funds made available therefor in accordance with this Lease, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt, writing or instruction in connection with the acquisition, construction, installation and equipping of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same.

(F) The Company has given or will give or cause to be given all notices and has complied and will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend (with counsel selected by the Agency), indemnify and save the Agency and its officers, members, agents, attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(G) The Company shall not take any action, or neglect to take any action, including, without limitation, the employment of any contractor, if such action or inaction would result in jurisdictional disputes or strikes or labor disharmony in connection with the Project.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. A subleasehold interest in portions of the Project Facility acquired, constructed, renovated and installed at the Company's cost shall immediately upon such acquisition, construction, construction or installation vest in the Agency, subject to Permitted Encumbrances. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency's interest in and to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Lease.

(J) The Company agrees, (i) at the sole expense of the Company, to erect signage at the Project Facility during the construction, installation and equipping of the Project Facility, which signage shall be in form and content reasonably satisfactory to the Agency and shall identify the Agency and its role in the Project, (ii) at the option of the Agency and at the sole expense of the Company, to install within the Project Facility a sign or plaque permanently memorializing the Agency's role in the Project, which sign or plaque shall be in form, content and placed in a location satisfactory to the Agency, and (iii) that the Agency may otherwise publicize the Agency's role in the Project.

(K) The Company agrees to solicit bids from at least one (1) contractor or vendor based in the County for each contract the Company (or any Affiliate thereof) proposes to enter into with respect to the Project Facility, including, without limitation, contracts for construction (including, without limitation, the initial construction, installation and equipping of the Project Facility), renovation, alteration, management, purchase of goods or services, maintenance and repair, provided that the required goods and/or services are available from a contractor/vendor based in the County. Further, the Company covenants to use its best efforts to let such contracts, where practicable, to contractors or vendors based in the County.

(L) W/MBE Contractors.

(1) The Company will use commercially reasonable efforts to take "affirmative steps" (as defined below) to assure that qualified women-owned and/or minority-owned business enterprises ("W/MBE's") are used, when possible, for each contract the Company (or any Affiliate thereof) proposes to enter into with respect to the Project Facility, including, without limitation, contracts for construction (including, without limitation, the initial construction, installation and equipping of the Project Facility), and any renovation, demolition, replacement or alteration requiring the Agency's approval pursuant to Section 6.1 hereof, and management, purchase of goods and services relating to same, provided that the required goods and/or services are available from a W/MBE.

(2) For purposes of this subsection, the term "affirmative steps" shall mean: (a) placing qualified W/MBE's on solicitation lists; (b) assuring that qualified W/MBE's are solicited whenever they are potential sources; (c) dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by qualified W/MBE's; (d) establishing delivery schedules, where the requirement permits, that encourage participation by qualified W/MBE's; and (e) requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in clauses (a) through (d).

(3) For purposes of this subsection, the term "qualified W/MBE's" shall mean those women-owned and/or minority-owned business enterprises designated as such by New York State.

(M) The Company shall furnish to the Agency all information and/or documentation requested by the Agency pursuant to this Section 4.1 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 4.1.

SECTION 4.2 COMPLETION OF THE PROJECT FACILITY; FEES.

(A) The Company will proceed or cause the Overlandlord to proceed with due diligence to commence construction, installation and equipping of the Project Facility in accordance with Section 4.1 of this Lease and shall proceed with due diligence to complete the construction, installation and equipping of the Project Facility on or before July 1, 2019 (the "Scheduled Completion Date") and shall commence its operations in the Project Facility on or before the Scheduled Completion Date and thereafter continuously operate its business at the Project Facility. The Company covenants to diligently prosecute or cause the Overlandlord to diligently prosecute an application for any required building permits for the Project Facility. Completion of the construction, installation and equipping of the Project Facility shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (A) the date of such completion, (B) that all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (C) that the acquisition, construction, installation and equipping of the Project Facility have been completed in a good and workmanlike manner, (D) that the Company and the Agency have good and valid interests in and to all Property constituting a portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances, and (E) that the Project Facility is ready for occupancy, use and operation for its intended purposes. Such certificate shall be accompanied by a permanent certificate of occupancy for the Building and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes. The Agency will not unreasonably withhold its consent to an extension of the Scheduled Completion Date provided that the Company is otherwise in compliance with its obligations under this Lease, including, without limitation, the requirements of the Minimum Employment Requirement.

(B) The Company shall pay or cause the Overlandlord to pay within the time periods required by applicable Governmental Authorities, all construction related and other fees for the Project, including, without limitation, building permit fees, plumbing fixture permit fees, recreation fees, site planning fees, municipal consultant review fees, special use fees, variance fees, sewer hook up fees, water service installation fees and fire line fees, if any.

SECTION 4.3 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a default by any contractor, subcontractor or materialman under any contract made by it in connection with the acquisition, construction, installation and equipping of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company shall proceed or cause the Overlandlord to proceed, either separately or in conjunction with others, to exhaust the remedies of the Company, the Overlandlord and the Agency against the contractor, subcontractor or materialman so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, which consent shall not be unreasonably withheld, in the name of the Agency, prosecute or defend any action or proceeding or take any

other action involving any such contractor, subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility then to pay all reasonable costs and expenses incurred by the Agency in connection therewith, and thereafter be paid to the Company for its own use.

**ARTICLE V
DEMISE OF PROJECT FACILITY; RENTAL PAYMENTS
AND OTHER AMOUNTS PAYABLE**

SECTION 5.1 SUB-SUBLEASE OF THE PROJECT FACILITY. In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and sub-sublease to the Company, and the Company hereby agrees to rent and sub-sublease from the Agency, a sub-subleasehold interest in the Project Facility, subject only to the Permitted Encumbrances.

SECTION 5.2 DURATION OF THE LEASE TERM; QUIET ENJOYMENT.

(A) The Agency shall deliver to the Company possession of the Project Facility, subject to the provisions of this Lease, and the sub-subleasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(B) Provided that all amounts, costs and expenses payable by the Company to the Agency under this Lease and all other Transaction Documents are paid in full, the sub-subleasehold estate created hereby shall terminate at 12:00 a.m. on the earlier to occur of (1) December 31, 2035 (the "Stated Expiration Date"), or (2) the date that this Lease shall terminate pursuant to Article X or Article XI hereof.

(C) The Agency shall take no action, other than pursuant to Article X or Article XI of this Lease, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Lease and will, at the request of the Company and at the Company's expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

SECTION 5.3 RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(A) The Company shall pay on the date of execution and delivery of this Lease, as the basic sub-sublease payments due hereunder: (1) the sum of \$1.00, (2) all reasonable fees and expenses of counsel to the Agency and Special Counsel to date with respect to the Project, and (3) all other actual costs and expenses incurred by the Agency in connection with the transactions contemplated by this Lease and the other Transaction Documents.

(B) The Company agrees to pay to the Agency the following fees: (1) a closing compliance fee in the amount of \$2,500.00, (2) an Agency administrative fee in the amount of \$304,686.00, with respect to the Project, and (3) the Agency's general counsel fee in the amount of \$112,343.00 (collectively, the "Administrative Fee"). The Administrative Fee is due and payable by the Company to the Agency on the Closing Date. The Administrative Fee is non-refundable and is deemed earned in full upon the execution and delivery of this Lease.

(C) The Company agrees to pay to the Agency an annual administrative fee in the amount of \$1,000.00 (the "Annual Fee"). The Annual Fee for the first year of the lease term or part thereof (i.e., 2015) shall be due and payable on the Closing Date and the Annual Fee for each year thereafter (i.e., 2016 and thereafter) shall be due and payable, in advance, on January 1 of each year.

(D) Within ten (10) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the reasonable costs and expenses of the Agency and the officers, members, agents, attorneys, servants and employees thereof, past, present and future, incurred by reason of the Agency's ownership, sub-subleasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease or any of the other Transaction Documents, and any other reasonable fee or expense of the Agency with respect to the Project Facility, the sub-subleasing or sale of the Project Facility to the Company, the payment of which is not otherwise provided for under this Lease.

(E) The Company agrees to make the above-mentioned payments in immediately available funds, within thirty (30) days after written notice and demand, by wire transfer or other form of payment satisfactory to the Agency, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 within ten (10) days of the date such payment is due, the Company shall pay the same, together with interest thereon at the Default Interest Rate, from the date on which such payment was due until the date on which such payment is received by the Agency.

SECTION 5.4 NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER.

(A) The obligations of the Company to make the payments required by this Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of setoff, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease, or terminate this Lease (except as set forth in Section 11.1 hereof), for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe

any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part expressly contained in this Lease, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 12.9 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company), servants or employees, past, present and future, of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Lease, the relationship of the Agency and the Company hereunder or the Company's use and occupancy to the Project Facility, or any other liability of the Agency to the Company.

SECTION 5.5 GRANT OF SECURITY INTEREST.

This Lease shall constitute a "security agreement", as such term is defined in the Uniform Commercial Code adopted in the State, as the same may from time to time be in effect (the "UCC"). The Company hereby grants the Agency a first-priority security interest in all of the right, title and interest of the Company in the Equipment and in all additions and accessions thereto, all replacements and substitutions therefor, all books, records and accounts of the Company pertaining to the Project Facility, and all proceeds and products thereof (collectively, the "Collateral"), as security for payment of the rental payments and all other payments and obligations of the Company hereunder, and the Agency is authorized to file financing statements with respect to such Collateral without the Company executing the same. If any default shall occur under this Lease or any of the other Transaction Documents, the Agency shall have, in addition to any and all other rights and remedies set forth in this Lease, and may exercise without demand, any and all rights and remedies granted to a secured party under the UCC, including, but not limited to, the right to take possession of the Equipment and any fixtures or other personal property that constitute part of the Collateral, and the right to advertise and sell the same, or any part thereof, pursuant to and in accordance with the UCC. The Company agrees that any notice of public or private sale with respect to such Collateral, or any part thereof, shall constitute reasonable notice if it is sent to the Company not less than ten (10) days prior to the date of any such sale. The Company hereby irrevocably appoints the Agency as its attorney-in-fact to execute, deliver and/or file any instruments or statements necessary or convenient to perfect and continue the security interest granted herein.

ARTICLE VI MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

SECTION 6.1 MAINTENANCE AND MODIFICATIONS OF THE PROJECT FACILITY.

(A) The Company shall (1) keep or cause to be kept the Project Facility in good condition and repair and preserve or cause to be preserved the same against waste, loss and damage, ordinary wear and tear, casualty and depreciation excepted, (2) occupy, use and operate the Project Facility, and shall cause the Project Facility to be occupied, used and operated, in the manner for which it was intended and contemplated by this Lease, (3) make or cause to be made all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), (4) operate the Project Facility in a sound and economical manner, (5) not abandon the Project Facility, and (6) not create, permit or suffer to exist any mortgage, encumbrance, lien, security interest, claim or charge against the Project Facility, or any part thereof, or the interest of the Agency or the Company in the Project Facility or this Lease, except for Permitted Encumbrances. The Agency shall have no obligation to replace, maintain or effect replacements, renewals or repairs of the Project Facility, or to furnish any utilities or services for the Project Facility and the Company hereby agrees to assume full responsibility therefor.

(B) Upon prior written notice to the Agency, the Company may make alterations, modifications or improvements to the Project Facility, or any part thereof, provided:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such modification or improvement to the Project Facility, or any part thereof, (b) indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless from all fees, expenses, fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) not be in monetary default under this Lease or under any of the other Transaction Documents beyond applicable notice and cure periods;

(2) such alterations, modifications and improvements are effected with due diligence, in a good and workmanlike manner and in compliance with all Applicable Laws;

(3) the Company shall promptly and fully pay for such alterations, modifications and improvements in accordance with the terms of the applicable contract(s) therefor;

(4) the alteration, modification or improvement to the Project Facility shall not constitute or cause a default under any of the Transaction Documents;

(5) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such alteration, modification or improvement to the Project Facility, detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for (a) nonstructural modifications or improvements to the Project Facility which do not exceed, at any one time, \$1,000,000.00 in value, and

(b) non-structural modifications or improvements, without limitation as to amount, performed in connection with customary and reasonable initial tenant improvements;

(6) as a result of such alterations, modifications or improvements, neither the usefulness, structural integrity nor operating efficiency of the Project Facility would be materially impaired in the reasonable judgment of the Agency;

(7) if the cost of such alterations, modifications or improvements is estimated to exceed \$1,000,000.00, such alterations, modifications or improvements shall be conducted only after the Company shall have furnished to the Agency a labor and materials payment bond, or other security, naming the Agency as dual obligee and otherwise in form and substance satisfactory to the Agency; provided, however, that such bond or other security need not be furnished to the Agency in connection with (a) customary and reasonable initial tenant improvements, and (b) the initial construction, installation and equipping of the Project Facility;

(8) the Agency receives reasonably satisfactory evidence that such alterations, modifications and alterations do not change the nature of the Project Facility such that it would not comply with the terms of this Lease or such that it would not constitute a "project" (as such quoted term is defined in the Act);

(9) except with respect to the creation of additional surface (i.e., non-structural) parking areas, if such alterations, modifications or improvements involve an addition to the Project Facility or would otherwise result, but for the Agency's interest in the Project Facility, in an increase in the assessed value of the Premises, then the Agency may require an increase in the Administrative Fee, the Annual Fee and/or the sums payable under the PILOT Agreement, if any;

(10) no such alterations, modifications or improvements shall be entitled to any "financial assistance" (as such quoted term is defined in the Act) from the Agency unless agreed to in writing by the Agency; and

(11) an Event of Default shall not have occurred and be continuing under this Lease or any other Transaction Document.

All such alterations, modifications and improvements shall constitute a part of the Project Facility and the Company shall deliver or cause to be delivered to the Agency appropriate documents to convey title to or a subleasehold interest in such property, as the case may be, to the Agency, free and clear of all liens, charges, encumbrances, security interests or claims other than Permitted Encumbrances, and to subject such property to this Lease.

The provisions of this Subsection (B) shall not apply to the initial construction, installation and equipping of the Project Facility pursuant to the Plans and Specifications.

(C) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the operation of the Project Facility, and the Company will defend (with counsel selected by the Agency), indemnify and save the Agency and its officers, members, agents (other than the

Company), attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith.

(D) Any provision of this Lease to the contrary notwithstanding, the Company shall not construct any new building or structure on the Land (other than the Building) or any addition to any existing building on the Land, without the prior written consent of the Agency, which consent shall not be unreasonably withheld, conditioned or delayed, provided, however, that the Company acknowledges that such construction or addition may, if consented to by the Agency, result in an increase in the payments due under the PILOT Agreement as determined by the Agency. The foregoing restriction shall not apply to the creation of additional surface (i.e., non-structural) parking areas.

SECTION 6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

(A) The Company shall pay or cause to be paid as the same respectively become due: (1) all taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility (other than those taxes for which payments in lieu thereof are being paid pursuant to the PILOT Agreement), (2) all utility and other charges, including "service charges" and deposits, incurred or imposed for the operation, maintenance, use, occupancy, upkeep and improvement of the Project Facility, and (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by any Governmental Authority for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay or to cause to be paid only such installments as are required to be paid during the term of this Lease.

(B) If the Company fails to pay or cause to be paid any tax, assessment or charge required to be paid pursuant to this Section 6.2, the Agency may pay or cause to be paid such taxes, assessments or charges. The Company shall reimburse the Agency for any amount paid under this Section 6.2, together with interest thereon from the date of payment at the Default Interest Rate.

(C) Notwithstanding the provisions of this Section 6.2, the Company may withhold any such payment and the Company may in good faith actively contest the amount, validity or the applicability of any payment referred to in such subsection (A), provided that (1) the Company shall have first notified the Agency in writing of such contest, (2) no Event of Default shall have occurred and be continuing under any of the Transaction Documents beyond applicable notice and cure periods, (3) the overall operating efficiency of the Project for the purposes for which it is intended is not materially impaired, (4) neither the Project Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings, (5) the Company shall have set aside on its books adequate reserves with respect thereto, and (6) the Company diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3 INSURANCE REQUIRED. During the term of this Lease, the Company shall maintain or cause to be maintained insurance with respect to the Project Facility against

such risks and liabilities and for such amounts as are, in the Agency's reasonable judgment, customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) Insurance protecting the interests of the Company, the PILOT Mortgagee and the Agency as insureds, as their interests may appear, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils embraced by so-called "All Risks" insurance, in amounts sufficient to prevent the Company, the PILOT Mortgagee and the Agency from becoming a co-insurer under such policy and not less than 100% of the replacement cost of the Project Facility, without deduction for depreciation, and including coverage against acts of terrorism (if such terrorism coverage is available for similar commercial properties at commercially reasonable rates). Additionally, during any period in which construction work or alterations are being performed at the Project Facility, the Company shall maintain extended coverage casualty insurance in the form of a "Builder's Risk" completed value non-reporting policy in an amount satisfactory to the Agency and which shall contain a provision granting the insured permission to complete and/or occupy.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition, construction, installation and equipping of the Project Facility.

(C) General liability insurance protecting the Company, the PILOT Mortgagee and the Agency against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.2 of this Lease), or arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000.00 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$1,000,000.00 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law, and a separate umbrella liability policy protecting the Company, the PILOT Mortgagee and the Agency with a limit of not less than \$10,000,000.00, as said amounts may be adjusted by the Agency from time to time in its sole and absolute discretion.

(D) During any period of construction, renovation, improvement or reconstruction, to the extent not covered by the general liability insurance set forth in Subsection (C) above, Owners & Contractors Liability insurance for the benefit of the Company, the PILOT Mortgagee and the Agency in a minimum amount of \$2,000,000.00 aggregate coverage for personal injury and property damage.

(E) Boiler and machine property damage insurance in respect of any steam and pressure boilers and similar apparatus, insuring risks normally insured against under boiler and machinery policies and in amounts and with deductibles customarily obtained for similar enterprises.

(F) A policy or policies of flood insurance in an amount not less than the maximum amount of flood insurance available with respect to the Project Facility under the Flood Disaster Protection Act of 1973, as amended. The requirements of this Subsection (F) shall be waived upon presentation of evidence satisfactory to the Agency that no portion of the Project Facility is located within an area identified by the U.S. Department of Housing and Urban Development as having special flood hazards.

(G) Such other insurance in such amounts and against such insurable hazards and risks as the Agency from time to time may reasonably require, including, without limitation, environmental hazard and liability insurance with a limit of not less than \$3,000,000 naming the Agency and the PILOT Mortgagee as additional insureds (the "Environmental Insurance Policy") during the entire term of this Lease. The Company agrees to cause the Overlandlord to keep the Environmental Insurance Policy in full force and effect until such time as the Company occupies the Project Facility.

SECTION 6.4 ADDITIONAL PROVISIONS RESPECTING INSURANCE.

(A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having an A.M. Best rating reasonably satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged and shall provide that such insurance shall be without any right of contribution from any other insurance carried by the Agency. All policies evidencing such insurance shall name the Company, the PILOT Mortgagee and the Agency as insureds, as their interests may appear, and naming the Agency as loss payee (subject to the insurance provisions of the Bank Mortgages and the Prior Mortgage), and the PILOT Mortgagee as mortgagee (subject to the insurance provisions of the Bank Mortgages and the Prior Mortgage), and provide for at least thirty (30) days' written notice to the Company, the PILOT Mortgagee and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. All insurance required hereunder shall be in form, content and coverage reasonably satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. Upon the Agency's request, the Company shall deliver to the Agency or cause to be delivered to the Agency certificates reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 hereof.

(B) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company or caused by the Company to be paid by the Overlandlord; provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay upon thirty (30) days' notice and demand all sums so expended by the Agency, together with interest thereon at the Default Interest Rate.

(C) In the event of construction, reconstruction, improvement or renovation of any part of the Project Facility, the Company shall require and/or cause the Overlandlord to require

its contractors and subcontractors, if any, to name the Agency and the PILOT Mortgagee as an additional insured on liability policies carried by such contractors or subcontractors with respect to their operations at the Premises or with respect to the Project.

(D) Each of the policies evidencing the insurance required by Section 6.3 of this Lease shall provide that: (i) there shall be no recourse against the Agency or the PILOT Mortgagee for the payment of premiums or commissions or, if such policies provide for the payment thereof, additional premiums or assessments; (ii) in respect of the interest of the Agency or the PILOT Mortgagee in such policies, the insurance shall not be invalidated by any action or inaction of the Company or any other Person and shall insure the Agency and the PILOT Mortgagee regardless of, and any losses shall be payable notwithstanding, any such action or inaction; (iii) if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or if there shall occur any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Agency or the PILOT Mortgagee until at least ten (10) days after receipt by the Agency of written notice by such insurers of such cancellation, lapse, expiration, reduction or change; and (iv) the insurers waive subrogation thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or other deduction, in respect of any liability of any Person insured under such policy. Any such insurance policies may be furnished under a so-called "master" or "blanket" policy covering locations other than the Project Facility; provided, however, that if casualty coverage for the Project Facility is provided under a master or blanket policy, such policy must contain an agreed amount endorsement evidencing that such coverage is in an amount sufficient to insure the full replacement cost of the Project Facility.

(E) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST IN THE PROJECT FACILITY.

(F) Any provision of this Lease to the contrary notwithstanding, at any time during the term of this Lease that any Bank Mortgage and/or the Prior Mortgage remains a Lien on the Project Facility, the Agency agrees that (i) the Bank and the Prior Mortgagee, as applicable, shall be the loss payees with respect to the Net Proceeds of the insurance required by Sections 6.3(A) and (E) hereof, and (ii) the provisions of Section 6.5(A) and 7.1(B) hereof shall be superseded and replaced by the applicable provisions of such Bank Mortgage and the Prior Mortgage.

SECTION 6.5 APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows, subject to Section 6.4(F) of this Lease and the applicable provisions of the Overlease: (A) the Net Proceeds of the insurance required by Sections 6.3(A) and 6.3(E) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Sections 6.3(B), 6.3(C) and 6.3(D) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6 PAYMENTS IN LIEU OF TAXES.

(A) It is recognized that, under the provisions of the Act, the Agency is not required to pay certain taxes or assessments upon the Property acquired by it or under its jurisdiction, control or supervision or upon its activities. It is the intention of the parties hereto that the Project Facility be treated as exempt from real property taxation to the extent set forth in the PILOT Agreement. Accordingly, the parties hereto acknowledge that the Agency shall file New York State Board of Real Property Services Form RP-412-a (a "Real Property Tax Exemption Form") with respect to the Project Facility. The Company hereby consents to any enforcement action provided to the Taxing Entities pursuant to law in the event that the Company should fail to pay any taxes not exempted as aforesaid and shall not object to any such enforcement action on the grounds that a subleasehold interest in the Project Facility is held by the Agency or that the Project Facility is under the Agency's jurisdiction, control or supervision or subject to its activities.

(B) The Agency and the Company hereby agree that the Company shall be required to make or cause to be made payments in lieu of taxes to the school districts, cities, towns, county, villages and other political unit(s) wherein the Project Facility is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities"), in such amounts and at such times as are required by the PILOT Agreement.

(C) Within thirty (30) days after receipt of written request therefore, the Company shall deliver to the Agency official receipts of the Taxing Entities or other proof reasonably satisfactory to the Agency evidencing payment of any amount that the Company is required to pay under the PILOT Agreement.

ARTICLE VII DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1 DAMAGE OR DESTRUCTION.

(A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease or the PILOT Agreement (whether or not the Project Facility is replaced, repaired, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore, or cause the Overlandlord to promptly replace, repair, rebuild or restore, the Project Facility to substantially the same condition and value as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in

Section 3.2 hereof without the prior written consent of the Agency, and (b) (1) the Agency shall make available to the Company (solely from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and, subject to the provisions of Section 6.4(F) of this Lease, in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company, if any, are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Lease. In such event, subject to the provisions of Section 6.4(F) of this Lease, the Net Proceeds collected by the Agency under any and all policies of insurance covering the damage to or destruction of the Project Facility, after deducting the amount necessary to repay the Indebtedness, shall be paid to the Company for its own purposes. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to repay the Indebtedness in full.

(C) Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) and 6.3(C) hereof.

(D) The Company hereby waives the provisions of Section 227 of the Real Property Law of the State or any laws of like import, now or hereafter in effect.

SECTION 7.2 CONDEMNATION.

(A) To the best of the Company's actual knowledge after due inquiry, no Condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility or the Agency's or the Company's interest therein.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

(1) the Agency shall have no obligation to restore the Project Facility, or any part thereof;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease or the PILOT Agreement (whether or not the Project Facility is restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (C) of this Section 7.2, (a) the Company shall promptly restore or cause the Overlandlord to restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) subject to the provisions of Section 6.4(F) of this Lease, the Agency shall make available to the Company (solely from the Net Proceeds of any Condemnation award, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any Condemnation award remaining on deposit with the Agency, if any, after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in subsection (B) of this Section 7.2, the Company shall not be obligated to restore the Project Facility and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) (4) of this Section 7.2, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Lease. In such event, subject to the applicable provisions of the Bank Mortgages and the Prior Mortgage, the Net Proceeds of any Condemnation award collected by the Agency, if any, after deducting the amount necessary to repay the Indebtedness, shall be paid over to the Company for its own purposes. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be repaid in full.

(D) Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof or any interest therein and may negotiate the settlement of any such proceeding, subject to the terms of the Overlease. The Company shall notify the Agency of the institution of any Condemnation proceedings and, within seven (7) days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(E) The Agency shall, at the reasonable expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company, which consent shall not be unreasonably withheld or delayed.

SECTION 7.3 ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein and shall be subject to this Lease.

ARTICLE VIII SPECIAL COVENANTS

SECTION 8.1 NO WARRANTY OF CONDITION OR SUITABILITY BY THE AGENCY; ACCEPTANCE "AS IS". THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS OF THE PROJECT FACILITY OR ANY PART THEREOF OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. THE COMPANY SHALL ACCEPT THE PROJECT FACILITY "AS IS", WITHOUT RECOURSE OF ANY NATURE AGAINST THE AGENCY FOR ANY CONDITION NOW OR HEREAFTER EXISTING. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE AGENCY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

SECTION 8.2 HOLD HARMLESS PROVISIONS.

(A) The Company hereby releases the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, from, agrees that the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, shall not be liable for and agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from and against any and all claims, causes of action, judgments, liabilities, damages, losses, costs and expenses arising directly or indirectly as a result of the Agency's undertaking the Project, including, but not limited to: (1) liability for loss or damage to Property or bodily injury to or death of any and all Persons that may be occasioned, directly or indirectly, by any cause whatsoever pertaining to the Project or the Project Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any Person or Property on, in or about the Project Facility, (2) liability arising from or expense incurred by the Agency's acquiring, constructing, renovating, equipping, installing, owning, leasing, subleasing, sub-subleasing or selling the Project Facility, including, without limiting the generality of the foregoing, any sales or use taxes which may be payable with respect to goods supplied or services rendered with respect to the Project Facility, all liabilities or claims arising as a result of the Agency's obligations under this Lease or any of the other Transaction Documents or the

enforcement of or defense of validity of any provision of any of the Transaction Documents, (3) all claims arising from the exercise by the Company of the authority conferred on it pursuant to Section 4.1(E) hereof, and (4) all causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing; provided that such claims, causes of action, judgments, liabilities, damages, losses, costs or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees. The foregoing indemnities shall apply notwithstanding the negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(B) In the event of any claim against the Agency or its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefits laws or other employee benefit laws.

(C) [Intentionally omitted.]

(D) Notwithstanding any other provisions of this Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency or its members, agents (other than the Company), attorneys, servants or employees, past, present or future, relating thereto.

SECTION 8.3 RIGHT OF ACCESS TO THE PROJECT FACILITY. The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times and upon reasonable notice to enter upon and to examine and inspect the Project Facility; provided, however, that no such notice shall be required in the event of an emergency or if an Event of Default has occurred and is continuing under this Lease. The Company further agrees that the Agency shall have such rights of access to the Project Facility (subject to the provisions of the immediately preceding sentence of this Section) as may be reasonably necessary to cause the proper maintenance of the Project Facility in the event of failure by the Company to perform its obligations hereunder, but the exercise of such right shall in no event be construed to mean that the Agency has assumed any obligation hereunder to perform such maintenance.

SECTION 8.4 COMPANY NOT TO TERMINATE EXISTENCE OR DISPOSE OF ASSETS. The Company agrees that, during the term of this Lease, it (A) will maintain its corporate existence as in effect on the Closing Date, (B) will not dissolve or otherwise dispose of all or substantially all of its assets, and (C) will not consolidate with or merge into another corporation or other Person, or permit one or more corporations or other Persons to consolidate

with or merge into it, without giving prior or simultaneous written notice to the Agency. The Company agrees that it will not change its name or its state of organization without giving prior or simultaneous written notice to the Agency. Notwithstanding the foregoing or any provision of Sections 9.1 or 9.3 to the contrary, the Company may assign this Lease to any Affiliate of the Company or any "successor" of the Company without the consent of the Agency, provided that (i) the Company is not in default of its obligations under this Lease or any other Transaction Document beyond applicable notice, grace and cure periods, including, without limitation the requirements of the Minimum Employment Requirement, and the Company shall certify to the Agency at the time of such assignment that it is not in default under this Lease or any other Transaction Document beyond applicable notice, grace and cure periods, (ii) the assignee shall assume and be bound by all the conditions, terms and obligations of the Company under this Lease and the other Transaction Documents pursuant to an assignment and assumption agreement reasonably satisfactory to the Agency, and (iii) the Company shall remain primarily liable under this Lease and the other Transaction Documents unless the Agency shall consent to the release of the Company, which consent shall not be unreasonably withheld, conditioned or delayed.

As used herein, "successor" shall mean a corporation, limited liability company, partnership or other entity which acquires substantially all of the assets and business operations of the Company, whether in connection with a merger or consolidation of the Company or otherwise.

In addition, in no event shall any transfer or issuance of shares of the Company which is effected through private placement, employee options, the NASDAQ exchange or through any other recognized exchange be deemed an assignment or other transfer of the Company's interests in this Lease.

SECTION 8.5 AGREEMENT TO PROVIDE INFORMATION. The Company agrees, whenever reasonably requested by the Agency, to promptly provide and certify or cause to be provided and certified such information concerning the Project Facility, the Company, the Overlandlord or their respective finances, operations and affairs and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by Applicable Laws or other governmental regulation.

SECTION 8.6 BOOKS OF RECORD AND ACCOUNT; COMPLIANCE CERTIFICATES.

(A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) On or before February 11th of each year, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder or under any other Transaction Document has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto, it being understood and agreed

that the Agency's annual employment report attached as Exhibit G may serve as such "No Event of Default" certificate. The Company represents to the Agency that the Company's fiscal year currently ends on December 31st.

SECTION 8.7 COMPLIANCE WITH APPLICABLE LAWS.

(A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) no Event of Default shall have occurred and be continuing under any of the Transaction Documents beyond any applicable notice or cure period, (3) shall have set aside adequate reserves for any such requirement, (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture, (5) demonstrates to the reasonable satisfaction of the Agency that such contest shall not result in the Company or the Agency being in any danger of any civil or criminal liability for failure to comply therewith, and (6) diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

(A) The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency or on any funds of the Agency applicable to or deriving from the Project Facility. The Agency acknowledges that the Company may acquire all or portions of the Equipment pursuant to equipment leasing transactions and the Agency agrees that it shall execute and deliver subordination agreements in connection therewith, at the sole cost and expense of the Company, which agreements shall be in form and substance reasonably satisfactory to the Agency and the equipment financier(s).

(B) If any Lien (other than a Permitted Encumbrance) is filed or asserted, or any judgment, decree, order, levy or process of any court or governmental body is entered, made or issued or any claim, whether or not valid, is made against the Project Facility or any part thereof or the interest therein of the Company or the Agency or against any funds of the Agency applicable to or deriving from the Project Facility, the Company, immediately upon receiving notice of the filing, assertion, entry or issuance thereof, shall give written notice thereof to the Agency and take all action or cause the Overlandlord to take all action (including, without limitation, the payment of money and/or securing of a bond) at no cost or expense to the Agency, as may be necessary or appropriate to obtain the discharge in full thereof and remove or nullify

the basis therefor. Nothing herein shall be construed as constituting the consent to or permission of the Agency for the performance of any labor or services or the furnishing of any materials that would give rise to any Lien against the Agency's interest in the Project Facility.

SECTION 8.9 PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to perform any act as herein provided, the Agency may, but shall not be obligated to, upon notice and demand to the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith; and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon, at the Default Interest Rate.

SECTION 8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS. The parties agree that as between them the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other state and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

SECTION 8.11 EMPLOYMENT OPPORTUNITIES.

(A) The Company shall ensure that all employees and applicants for employment with regard to the Project, including, without limitation, the employees of and applicants for employment with the Company, are afforded equal employment opportunities without discrimination.

(B) Pursuant to Section 858-b of the Act, except as otherwise provided by collective bargaining contracts or agreements, the Company agrees (1) to list all new employment opportunities created as a result of the Project with the New York State Department of Labor, Community Services Division (the "NYSDOL") and with the administrative entity (collectively with NYSDOL, the "JTPA Referral Entities") of the service delivery area created by the federal Job Training Partnership Act (P.L. No. 97-300) (including any successor statute thereto, including without limitation, the Workforce Investment Act of 1998 (P.L. No. 105-270), collectively, the "JTPA") in which the Project Facility is located, and (2) where practicable, to first consider for such new employment opportunities persons eligible to participate in federal JTPA programs who shall be referred by the JTPA Referral Entities.

(C) Pursuant to the requirements of subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, prior to the effective date of this Lease, an employment plan, in form and substance reasonably satisfactory to the Agency.

(D) Pursuant to the requirements of subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, on an annual basis not

later than February 11 of each year during the term of this Lease, reports regarding the number of people employed at the Project Facility as of December 31st of the immediately preceding year, and certain other matters, said annual employment reports to be in substantially the form promulgated from time to time by the Agency. The current forms of annual employment report are annexed hereto as Exhibit G. The Agency shall have the right, at the Company's expense, to audit, confirm and/or require additional information with regard thereto and the Company agrees to cooperate with the Agency in connection therewith.

(E) The Company shall, at all times during the term of this Lease, maintain the Minimum Employment Requirement.

(F) Intentionally omitted.

(G) Intentionally omitted.

SECTION 8.12 SALES AND USE TAX EXEMPTION.

(A) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain sales and use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. Any exemption from the payment of New York sales and use taxes resulting from Agency involvement in the Project shall be limited to purchases of services and the purchase or lease of tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency, in connection with the completion of the acquisition, construction, installation and equipping of the Project Facility (but not the operation thereof). No operating expenses (including, without limitation, costs of utilities, cleaning services or supplies) of the Project Facility and no other purchases or leases of services or property shall be subject to an exemption from the payment of New York sales or use taxes. The Agency makes no representations or warranties that any property or service is exempt from the payment of New York sales or use taxes.

(B) On the Closing Date, the Agency and the Company shall execute and deliver a sales tax agency agreement in the form attached hereto as Exhibit E (the "Sales Tax Agency Agreement"). The granting of the sales and use tax exemption herein is subject to the following additional terms and conditions:

(1) The Sales Tax Agency Agreement shall be dated the Closing Date and shall be effective for a term commencing on its date and expiring upon the earliest to occur of: (a) the termination of this Lease, (b) August 1, 2019, or (c) the termination of the Sales Tax Agency Agreement pursuant to the terms hereof and thereof;

(2) Anything in this Lease or the Sales Tax Agency Agreement to the contrary notwithstanding, the sales and use tax exemption to be provided pursuant to the Sales Tax Agency Agreement (a) shall not be available for any date subsequent to which the Sales Tax Agency Agreement shall have been suspended as provided in this Lease; (b) shall not be available for or with respect to any tangible personal property having a useful life of less than one year; and (c) shall not be available after the Company (or the contractors or subcontractors engaged by the Company and approved by the Agency as its agents) shall

have made purchases under the Sales Tax Agency Agreement resulting in sales and use tax exemptions in the aggregate amount of the Maximum Sales Tax Benefit;

(C) The Company agrees to furnish to the Agency within fifteen (15) days after the end of each calendar quarter, a sales and use tax exemption report (the "Quarterly Sales Tax Report"), in form and substance satisfactory to the Agency in its reasonable judgment, with respect to the use of the Sales Tax Agency Agreement by the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency) under the authority granted to the Company pursuant to Section 4.1(E) of this Lease during the preceding calendar quarter. Each said Quarterly Sales Tax Report shall be certified by an Authorized Representative of the Company and shall: (1) identify the contracts and specific property exempted from sales taxes and/or use taxes during such period; (2) indicate the parties to said contract; (3) indicate the maximum amount payable under said contract and indicate what portion of said amount would normally be subject to sales and use taxes imposed in the State; (4) indicate the amount of sales tax benefit expected to be received with respect to said contract; and (5) indicate the cumulative sales tax benefit claimed by the Company (and its contractors and subcontractors approved by the Agency as its agents) with respect to the Project for the calendar year.

(D) Pursuant to Section 874(8) of the Act, the Company agrees to file annually (through the year after the Sales Tax Agency Agreement expires or is earlier terminated), with the New York State Department of Taxation and Finance (the "Department"), no later than January 15th of each year, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Annual Sales Tax Report"), a statement of the value of all sales and use tax exemptions claimed by the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency) under the authority granted to the Company pursuant to Section 4.1(E) of this Lease during the preceding calendar year. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be the termination of authority to act as agent of the Agency. Additionally, if the Company shall fail to comply with the requirements of this subsection (D), the Company (and its contractors and subcontractors) shall immediately cease to be the agent of the Agency in connection with the Project.

(E) The Company agrees to furnish to the Agency, simultaneously with its delivery of such report to the Department, a copy of each such Annual Sales Tax Report submitted to the Department by the Company pursuant to Section 874(8) of the Act.

(F) The Company acknowledges that, pursuant to Section 874(9) of the Act, the Agency shall file within thirty (30) days of the Closing Date with the Department on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), statements identifying the Company and its contractors and subcontractors approved by the Agency as agents of the Agency, setting forth the taxpayer identification numbers of such Persons, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease. The Company agrees to timely provide

the foregoing information to the Agency and to otherwise cooperate with the Agency in connection with the preparation and filing of the Thirty-Day Sales Tax Report.

(G) With respect to any period in which the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency) receives a sales tax exemption benefit under the authority granted to the Company pursuant to Section 4.1(E) of this Lease, the Company agrees to furnish to the Agency, on request, an officer's certificate stating that such officer has reviewed the claiming of such exemption from sales and use taxes by the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency) for the preceding calendar year, and has reviewed the terms and provisions of the Sales Tax Agency Agreement and of this Section 8.12, and has further audited the Quarterly Sales Tax Reports for the preceding calendar year, and that such Quarterly Sales Tax Reports were properly prepared and accurately reflect the matters certified therein.

(H) The Company covenants and agrees that it shall include or cause to be included the following language in and as a part of each contract, agreement, lease, invoice, bill or purchase order entered into by the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent), as agent of the Agency, in connection with the acquisition, construction, installation and equipping of the Project Facility:

"This [contract, agreement, lease, invoice, bill or purchase order] is being entered into by [] (the "Agent"), as approved agent for and on behalf of the Nassau County Industrial Development Agency (the "Agency") in connection with a certain project (the "Project") of the Agency for Dealertrack Technologies, Inc. (the "Company") consisting in part of the acquisition and construction of the world headquarters facility of the Company located at 3400 New Hyde Park Road, Incorporated Village of North Hills, Town of North Hempstead, County of Nassau, New York (the "Premises") and the acquisition of certain capital improvements, materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for the completion of the Project. The capital improvements, materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for completion of the Project which are the subject of this [contract, agreement, lease, invoice, bill or purchase order] shall be exempt from the sales and use taxes levied by the State of New York and the County of Nassau if effected in accordance with the terms and conditions set forth in the attached Sales Tax Agency Agreement of the Agency, and the Agent hereby represents that this [contract, agreement, lease, invoice, bill or purchase order] is in compliance with the terms of the Sales Tax Agency Agreement. This [contract, agreement, lease, invoice, bill or purchase order] is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance

of this [contract, agreement, lease, invoice, bill or purchase order], the [vendor, lessor, licensor, contractor or subcontractor] hereby acknowledges and agrees to the terms and conditions set forth in this paragraph.”

If the Company fails to include, incorporate by reference or otherwise cause the contract, agreement, lease, invoice, bill or purchase order to be subject to the above provision, then such contract, agreement, lease, invoice, bill or purchase order shall not be an undertaking on behalf of the Agency and shall not be entitled to any of the benefits that may be conferred by the Agency, neither the Company nor any contractor or subcontractor engaged by the Company and approved by the Agency as its agent shall claim any sales or use tax benefits or exemptions with respect thereto, and the Company shall return or cause to be returned to the Agency any such benefits or exemptions so taken, together with interest thereon at the Default Interest Rate, from the date of such taking.

The appointment by the Company of a contractor or subcontractor as an agent of the Agency pursuant to this Section 8.12 shall be subject to the prior written approval of the Agency, which approval shall not be unreasonably withheld. Any such appointment approved by the Agency shall not be valid unless and until the contractor or subcontractor executes and delivers an agency agreement in the form required by the Agency (each, a “Sub-Agent Agency Agreement”).

(I) The Company agrees to provide a completed Form ST-123, *IDA Agent or Project Operator Exempt Purchase Certificate*, to each vendor, lessor, licensor, contractor or subcontractor from which the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent) purchases and/or leases goods or services or with which the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent) enters into an improvement or installation contract relating to the acquisition, construction, installation and equipping of the Project Facility. The Company acknowledges that, pursuant to Section 875 of the Act, the Certificate must be provided to the vendor, lessor, licensor, contractor or subcontractor in order for the contract, agreement, lease, invoice, bill or purchase order to be exempt from the imposition of sales and/or use taxes pursuant to the authority granted pursuant to Section 4.1(E) of this Lease. The Company agrees to provide the Agency a copy of each such Form ST-123 within five (5) days after the delivery of such form to the vendor, lessor, licensor, contractor or subcontractor.

(J) (1) Without limitation of any of the Agency’s other rights under this Lease, in the event that the Company (or any contractor or subcontractor engaged by the Company and approved by the Agency as its agent) shall utilize the sales or use tax exemption provided pursuant to Section 4.1(E) of this Lease (i) in a manner that is not authorized or for which the Company (or any contractor or subcontractor engaged by the Company and approved by the Agency as its agent) is not entitled to claim an exemption, (ii) to claim exemptions in excess of the Maximum Sales Tax Benefit, (iii) to purchase or lease goods or services that are not authorized under this Lease, or (iv) in a manner that violates the provisions of this Section 8.12 or any other provision of this Lease or any provision of the Sales Tax Agency Agreement or Sub-Agent Agency Agreement, then the Company shall promptly deliver notice of same to the Agency, and the Company shall promptly pay or cause to be paid to the Agency a return of sales

or use tax exemptions in an amount equal to all such unauthorized sales or use tax exemptions together with interest at the Default Interest Rate from the date and with respect to the dollar amount for which each such unauthorized sales or use tax exemption was used by the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent). If the Company fails to promptly pay such return of sales or use tax exemptions when due, the Agency shall have the right, without limitation of any of its other rights under this Lease, to take any action or commence any proceeding at law or in equity which may appear necessary or desirable to the Agency to recover any such amounts and the Agency shall have the right to join the Commissioner as a party in any such action or proceeding. The Company shall cooperate with the Agency in all such actions and proceedings to recover such amounts. The Company acknowledges and agrees that its failure to pay over any such amounts to the Agency shall also be grounds for the Commissioner to assess and determine State Sales and Use Taxes due from the Company under Article 28 or Article 28-A of the New York State Tax Law, together with any applicable penalties and interest due on such amounts.

(2) The Company acknowledges and agrees that, in the event the Agency recovers, receives or otherwise obtains any amount of State Sales and Use Tax from the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent) pursuant to the foregoing subsection, the Agency shall have the right to remit same to the Commissioner, together with such information and report that the Commissioner deems necessary to administer payment over of such amounts, and the Company agrees to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability incurred as a result of remitting such amounts to the Commissioner.

(3) Pursuant to Section 875 of the Act, the Agency shall prepare and file an annual compliance report (each, a "Compliance Report") detailing provisions of this Lease and, if applicable, its activities and efforts to recover, receive or otherwise obtain State Sales and Use Taxes pursuant to the terms of this Lease, together with such other information as the Commissioner and/or the Commissioner of Economic Development may require, which Compliance Report will be filed with the Commissioner, the Director of the Division of the Budget, the Commissioner of Economic Development, the State Comptroller and the Nassau County Legislature. The Company acknowledges the provisions of Section 875 of the Act, agrees to timely provide any information required by the Agency in connection with such Compliance Report and agrees to cooperate with the Agency in connection with the preparation and filing of such Compliance Report.

SECTION 8.13 IDENTIFICATION OF THE EQUIPMENT. All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

SECTION 8.14 FINANCIAL STATEMENTS. Within one hundred twenty (120) days after the end of each fiscal year, the Company shall deliver to the Agency the financial statements of the Company prepared and compiled by an independent certified public accountant, certified by the chief financial officer of the Company, including a balance sheet as

of the last day of such period and an operating statement through the last day of such period. The Company represents to the Agency that the Company's fiscal year ends on December 31st. Notwithstanding the foregoing, if the Company fails to timely deliver such financial statements, the Agency shall send written notification to the Company and the Company shall deliver such financial statements within thirty (30) days of such notice.

SECTION 8.15 ANTI-TERRORISM LAWS.

(A) General. To the Company's actual knowledge after due inquiry, neither the Company nor any director or executive officer of the Company, nor any Affiliate of the Company, is in violation of any Anti-Terrorism Law or engages in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law.

(4) a Person or entity that commits, threatens or conspires to commit or supports "terrorism" as defined in Executive Order No. 13224;

(5) a Person or entity that is named as a "specially designated national" on the most current list published by the U.S. Treasury Department Office of Foreign Asset Control at its official website or any replacement website or other replacement official publication of such list; or

(6) a Person or entity who is affiliated or associated with a person or entity listed above.

(C) Blocked Person or Transactions. To the Company's actual knowledge after due inquiry, neither the Company, nor any director or executive officer of the Company, nor any Affiliate of the Company (i) conducts any business or engages in making or receiving any contribution of funds, goods or services to or for the benefit of any Blocked Person, or (ii) deals in, or otherwise engages in any transaction relating to, any property or interests in property blocked pursuant to Executive Order No. 13224.

(D) Trading with the Enemy. The Company is not engaged, nor does it intend to engage, in any business or activity prohibited by the Trading with the Enemy Act.

(E) OFAC and Patriot Act. The Company represents and warrants (to the best of its actual knowledge), covenants and agrees as follows: (i) the Company, its directors, executive officers and Affiliates are in compliance with all Anti-Terrorism Laws; (ii) the Company shall immediately notify the Agency if it obtains knowledge that it or any of its Affiliates has become or been listed as a Restricted Party or has been charged with or has engaged in any violation of any Anti-Terrorism Law; (iii) the Company shall not knowingly receive any funds from a Restricted Party and, in any case, exclude any funds derived from any Restricted Party or from any person or entity involved in the violation of any Anti-Terrorism Law from being used to pay the Indebtedness or any part thereof; (iv) the Company shall not knowingly acquire, directly or indirectly, ownership interest of any kind in any Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law; (v) the Company shall not knowingly form any partnership or joint venture or conduct any business with any Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law; (vi) the Company shall not knowingly act, directly or indirectly, as the agent or representative of any Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law; and (vii) the Company shall indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency from and against any costs incurred by the Agency, and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, as a result of any violation of an Anti-Terrorism Law by the Company or any of its directors, officers, members, managers or Affiliates.

ARTICLE IX ASSIGNMENTS; LEASING; MERGER OF THE AGENCY

SECTION 9.1 ASSIGNMENT OF THIS LEASE.

Subject to the provisions of Sections 8.4 and 9.3 of this Lease, this Lease may not be sold, assigned or otherwise transferred by the Company, in whole or in part, without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion, and shall in all events be subject to and conditioned upon the payment of the then-standard fees of the Agency and the satisfaction of all requirements of the Act. Any such sale, assignment or transfer made by the Company without the prior written consent of the Agency as aforesaid shall be null and void. Any such sale, assignment or transfer consented to by the Agency shall be made pursuant to documentation satisfactory to the Agency. The Company shall pay all reasonable and customary fees and expenses incurred by the Agency in connection with such sale, assignment or transfer.

SECTION 9.2 MERGER OF THE AGENCY.

(A) Nothing contained in this Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or any political subdivision thereof

which has the legal authority to perform the obligations of the Agency hereunder and under the other Transaction Documents; provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall endeavor to give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3 SALE OR LEASE OF THE PROJECT FACILITY.

(A) The Company shall not lease, sublease, sub-sublease, license or otherwise permit others to use or occupy the Project Facility or any portion thereof without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion, except for leases, subleases and other occupancy arrangements as set forth in Subsection (B) of this Section 9.3, if any.

(B) The Company shall have the right, without the prior written consent of the Agency but upon reasonable prior written notice to the Agency, to lease, sublease, sub-sublease or license to or otherwise permit use or occupancy of the Project Facility by one (1) or more Affiliates or other Persons provided that: (a) the Company is not in default of its obligations under this Lease or any other Transaction Document, including, without limitation the requirements of the Minimum Employment Requirement, and the Company shall certify to the Agency at the time of such transaction that it is not in default under this Lease or any other Transaction Document, (b) the Company shall nevertheless remain liable to the Agency for the payment of all rent and for the full performance of all of the terms, covenants and conditions of this Lease and the other Transaction Documents, and (c) the use and occupancy by the subtenant or occupant shall not violate or result in a violation of any provision of this Lease or any other Transaction Document. Notwithstanding the foregoing, the Company shall not, without the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion, lease, sublease, sub-sublease, license or permit others to occupy the Project Facility, or any portion thereof, in any manner that would cause (i) the removal of a facility or plant of the tenant or occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such tenant or occupant located within the State, or (ii) the Project Facility not to constitute a "project", as such quoted term is defined in the Act, or (iii) the Project Facility, in the reasonable judgment of the Agency, to be in disrepute as a public project, or (iv) the Project Facility or any part thereof to be leased, subleased or occupied by a Prohibited Person or an Affiliate of a Prohibited Person, or (v) the Project Facility or the operation thereof to be in violation of any Applicable Law, or (vi) funds of the Agency to be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, or (vii) the Project Facility to constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project Facility. The Company shall include or cause to be included restrictions substantially

the same as those set forth in the immediately preceding sentence in all subleases, licenses and occupancy agreements.

(C) Subject to Subsection (D) of this Lease, the Company shall not sell, transfer, convey or otherwise dispose of its interest in the Project Facility or any portion thereof without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion.

(D) Notwithstanding anything to the contrary contained in this Section 9.3, in any instance where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency but, upon reasonable prior notice to the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with items of similar quality and value as the items replaced as of the date of original installation of the replaced items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments reasonably necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Transaction Documents. The Company shall pay all reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred in transferring title to and releasing from the Liens of the Transaction Documents any item of Property removed pursuant to this Section 9.3.

(E) The Agency acknowledges that it has received notice that the Company's wholly-owned Affiliates may occupy portions of the Project Facility from time to time during the term of this Lease.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1 EVENTS OF DEFAULT DEFINED.

(A) The following shall be "Events of Default" under this Lease, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Lease, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of any amount when due under this Lease or under any other Transaction Document, and the continuance thereof for a period of fifteen (15) days after written notice thereof is given by the Agency to the Company.

(2) A default in the performance or observance of any covenant, condition or agreement on the part of the Company in this Lease (other than as set forth in subsection (1) above or in any other subsection of this Section 10.1(A)) and the continuance thereof for a period of sixty (60) days after written notice thereof is given by the Agency to the Company, or, if such covenant, condition or agreement is capable of cure but cannot be

cured within such sixty (60) day period, the failure of the Company to commence to cure within such sixty (60) day period and to prosecute the cure to completion with due diligence.

(3) The occurrence of an “Event of Default” on the part of the Company under any other Transaction Document which has not been cured after any applicable grace, notice or cure period thereunder.

(4) The Company shall generally not pay its debts as such debts become due or admits in writing its inability to generally pay its debts as they become due.

(5) The Company shall conceal, remove or knowingly permit to be concealed or removed any material part of its Property, with intent to hinder, delay or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which it knows or has reason to know is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within sixty (60) days receives notice or has knowledge thereof.

(6) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy or insolvency statute; (b) the failure by the Company within ninety (90) days to lift any execution, garnishment or attachment of such consequence as will impair the Company’s ability to carry out its obligations hereunder; (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy or insolvency statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of ninety (90) days; (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver, liquidator or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within ninety (90) days of such appointment.

(7) Intentionally omitted.

(8) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance and the failure of the Company to remove such Lien, whether by the payment of money, the securing of a bond or otherwise, within sixty (60) days after the Company receives notice or becomes aware of such imposition.

(9) The removal of the Project Facility, or any portion thereof, outside the County, without the prior written consent of the Agency, other than in connection with a removal permitted under Section 9.3(D) of this Lease.

(10) If any certificate, statement, representation, warranty or financial statement made to the Agency by or on behalf of the Company shall prove to have been false, misleading or incorrect in any material and adverse respect at the time as of which the facts therein set forth were made, or to have omitted any material liability or claim against the Company.

(11) If the environmental or ecological condition of the Project Facility is in violation of any Environmental Law or any permit, license or approval related thereto or if the Project Facility, or any part thereof, contains any Hazardous Materials (except Hazardous Materials which do not violate Environmental Laws), and the Company is either unable to commence to comply with such Environmental Laws within forty-five (45) days of the notification or discovery of such violation or to complete all appropriate and lawful remedial containment and clean-up action within one hundred twenty (120) days of the notification or discovery of the existence of such Hazardous Materials.

(12) Any loss of the Agency's interest in and to the Project Facility, or any part thereof, not due to the voluntary acts of the Agency.

(13) The Company or any Affiliate thereof or any director of the Company shall become a Prohibited Person and the Company has not cured same within thirty (30) days after it becomes aware of same.

(14) Any assignment of this Lease or the Company Lease, in whole or in part, or any letting or sub-subletting of the Project Facility, or any portion thereof, without the prior written consent of the Agency, except as otherwise expressly permitted under this Lease.

(15) Intentionally omitted.

(16) An Event of Default on the part of the Company shall occur under the Company Lease or any other Transaction Document or the Overlease shall expire by its terms or shall be sooner terminated for any reason.

(17) Intentionally omitted.

(18) The Company defaults beyond applicable notice, grace and cure periods under or attempts to withdraw, reate, cancel or disclaim liability under any guaranty or indemnity made by such party in favor of the Agency, including, without limitation, the Environmental Indemnification.

(19) If the Company fails to maintain or fails to cause to be maintained the Minimum Employment Requirement at any time during the term of this Lease. In the event of the Company's failure to comply or cause compliance with the Minimum Employment Requirement at any time, the Company shall present a remediation plan to

the Agency within thirty (30) days after the occurrence of such default and the Agency agrees that it will reasonably consider whether or not to waive such default and accept the proposed remediation plan.

(20) Failure by the Company at any time to keep in full force and effect the insurance policies and coverages required by Section 6.3 of this Lease, including, without limitation, the failure by the Company to keep in full force and effect or to cause the Overlandlord to keep in full force and effect the Environmental Insurance Policy.

(21) Except as otherwise set forth herein, any loss or impairment of the Company's interest in and to the Project Facility, or any part thereof, other than a Permitted Encumbrance.

(B) Notwithstanding the provisions of Section 10.1(A) hereof if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Lease and if such party shall give notice and full particulars of such force majeure event or cause in writing to the other party within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Lease of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability to perform. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required under this Lease, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 2.2(G), 3.1, 3.3, 4.1(F), 6.1, 8.2 and 12.9(C) hereof and to comply with the provisions of Sections 2.2(G), 6.6, 8.2, 8.4, 8.5 and 8.7(C) hereof. The term "force majeure" as used herein shall include acts outside of the control of the Agency and the Company, including, but not limited to, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, restraint of government and people, civil disturbances, breakage or accident to transmission pipes or canals, and failure of utilities.

SECTION 10.2 REMEDIES ON DEFAULT.

(A) Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent not prohibited by law, take any one or more of the following remedial steps:

(1) declare, upon fifteen (15) days' written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 hereof, and (b) all other payments due under this Lease or any of the other Transaction Documents, including, without limitation, any resulting Recapture of Benefits under Section 11.4 of this Lease; or

(2) upon fifteen (15) days' written notice to the Company, enforce or terminate this Lease, sell the Agency's interest in the Project Facility, subject to Permitted Encumbrances, at public or private sale, as a whole or piecemeal, in whole or in part, for such consideration as may be deemed appropriate in the circumstances by the Agency, and hold the Company liable for the amount, if any, by which the aggregate unpaid amounts due hereunder exceed the Net Proceeds received upon such sale, or manage and operate the Project Facility, collect all or any rents accruing therefrom, let or relet the Project Facility or any part thereof for the Agency's own account or the account of the Company, holding the Company liable for payments due up to the effective date of such leasing and for the difference in the rent and other amounts paid by the sublessee pursuant to such lease and the rental payments and other amounts payable by the Company hereunder, cancel or modify leases, evict tenants, bring or defend any suits in connection with the possession of the Project Facility in its own name or in the Company's name, make repairs as the Agency deems appropriate, and perform such other acts in connection with the management, operation or disposition of the Project Facility, or any portion thereof, as the Agency, in its discretion, may deem proper; or

(3) upon fifteen (15) days' written notice to the Company, terminate this Lease and/or terminate the Company Lease and/or convey to the Company all the Agency's right, title and interest in and to the Project Facility. The conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution by the Agency of the Termination of Lease and/or the Termination of Company Lease and/or the delivery of the Bill of Sale to Company, as applicable. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such termination and conveyance. The Company hereby waives delivery and acceptance of such termination and bill of sale as a condition to their validity, and appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest) with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording or filing of such documents; or

(4) bring an action for damages, injunction or specific performance; or

(5) suspend the right of the Company to act as agent for the Agency in connection with the Project, including, without limitation, as its agent for the purpose of the sales and use tax exemption afforded to the Company pursuant to this Lease; or

(6) require the Company to make payments in lieu of real property taxes under the PILOT Agreement in amounts equal to the amounts the Company would otherwise be required to pay if the Company or the Overlandlord were the owner of the Project Facility (and the Agency did not hold an interest therein); or

(7) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Lease.

(B) No action taken pursuant to this Section 10.2 (including repossession of the Project Facility) shall relieve the Company from its obligations to make all payments required by this Lease and the other Transaction Documents.

SECTION 10.3 REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. In the event the Company should default under any of the provisions of this Lease or any other Transaction Document and the Agency should retain attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency such reasonable fees and expenses (including, without limitation, attorneys' fees and expenses) so incurred, whether an action is commenced or not.

SECTION 10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI OPTIONS TO TERMINATE

SECTION 11.1 EARLY TERMINATION OF THE LEASE. The Company shall have the option to terminate this Lease at any time prior to the termination date specified in Section 5.2 hereof, by filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section 11.1 and setting forth the effective date of such termination, which effective date shall not be less than thirty (30) days after the delivery of the certificate to the Agency. The exercise of the option to terminate pursuant to this Section 11.1 shall constitute a "Recapture Event" (as such term is defined in Section 11.4 hereof). The Company shall not, at any time, assign or transfer its option to terminate this Lease and purchase the Agency's interest in the Project Facility as contained in this Section 11.1 separate and apart from a permitted assignment of this Lease pursuant to Section 9.1 of this Lease without the prior written consent of the Agency.

SECTION 11.2 OBLIGATION TO TERMINATE THE LEASE.

(A) Contemporaneously with the termination of this Lease in accordance with Section 5.2 or Section 11.1 hereof, the Company shall pay all sums required to be paid to the Agency or any other Person pursuant to this Lease and the other Transaction Documents

(including any applicable Recapture of Benefits). The obligation of the Agency under this Section 11.2 to convey its interest in the Project Facility to the Company will be subject to there being no uncured monetary Event of Default existing hereunder or under any other Transaction Document, and there being no other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default.

(B) The termination of this Lease and the conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution and delivery by the Agency of (1) the Termination of Company Lease (an unexecuted copy of which is attached hereto as Exhibit C), (2) the Bill of Sale to Company (an unexecuted copy of which is attached hereto as Exhibit D) and (3) the Termination of Lease (an unexecuted copy of which is attached hereto as Exhibit F). The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such termination, including, without limitation, all of the Agency's reasonable costs and expenses in connection therewith (including reasonable attorneys' fees and expenses).

(C) The Company agrees to prepare the Termination of Company Lease, the Bill of Sale to Company and/or the Termination of Lease, and all schedules thereto, together with all equalization and assessment forms and other necessary documentation, and to forward same to the Agency at least fifteen (15) days prior to the date that this Lease is to be terminated and the Agency's interest in the Project Facility or any portion thereof is to be conveyed to the Company. The Company hereby irrevocably appoints and designates the Agency as its attorney-in-fact for the purpose of executing, delivering and/or recording such documents and to take such other and further action as shall be necessary to terminate the Agency's interest in the Project Facility.

(D) This Lease shall survive the transfer of the Project Facility to the Company pursuant to this Section 11.2 and shall remain in full force and effect until ninety-one (91) days after all of the Indebtedness shall have been paid in full, and thereafter the obligations of the Company shall survive as set forth in Section 12.7 hereof.

(E) Upon the payment in full of all Indebtedness, and notwithstanding the survival of certain obligations of the Company as described in Section 12.7 hereof, the Agency shall upon the request of the Company execute and deliver to the Company such documents as the Company may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency hereunder.

SECTION 11.3 RESERVED.

SECTION 11.4 RECAPTURE OF AGENCY BENEFITS.

(A) It is understood and agreed by the parties to this Lease that the Agency is entering into this Lease in order to provide the Financial Assistance to the Company for the Project and to accomplish the purposes of the Act. In consideration therefor, the Company hereby agrees that if there shall occur a Recapture Event (as hereinafter defined), then the Company shall pay to the Agency as a return of public benefits conferred by the Agency, an amount as follows (such amount, the "Recapture of Benefits"):

(1) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs on or before the tenth (10th) anniversary of the Closing Date;

(2) eighty per cent (80%) of the Benefits if the Recapture Event occurs after the tenth (10th) anniversary of the Closing Date but on or before the twelfth (12th) anniversary of the Closing Date;

(3) sixty per cent (60%) of the Benefits if the Recapture Event occurs after the twelfth (12th) anniversary of the Closing Date but on or before the fourteenth (14th) anniversary of the Closing Date;

(4) forty per cent (40%) of the Benefits if the Recapture Event occurs after the fourteenth (14th) anniversary of the Closing Date but on or before the sixteenth (16th) anniversary of the Closing Date;

(5) twenty per cent (20%) of the Benefits if the Recapture Event occurs after the sixteenth (16th) anniversary of the Closing Date but on or before the eighteenth (18th) anniversary of the Closing Date;

(6) ten per cent (10%) of the Benefits if the Recapture Event occurs after the eighteenth (18th) anniversary of the Closing Date but on or before the nineteenth (19th) anniversary of the Closing Date; or

(7) zero per cent (0%) of the Benefits thereafter.

(B) The term "Benefits" shall mean the Agency's calculation of, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Company during such time as the Agency held an interest in the Project Facility by reason of such interest, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under the PILOT Agreement (through the date that the Project Facility is returned to the tax rolls as taxable property) from those payments which the Company would have been required to pay through such date had the Company been the owner of the Project Facility and the Agency not been involved in the Project and based on the records of the Nassau County Tax Assessor and any applicable village tax assessor, and treating any negative result as \$0; and

(2) all miscellaneous benefits derived from the Agency's participation in the transactions contemplated by this Lease, including, but not limited to, any exemption from real property transfer taxes, any exemption from mortgage recording taxes and any exemption from applicable sales and use taxes, provided, however, that the recapture of the value of any exemption from State Sales and Use Taxes shall be in the full amount of any exemption taken and shall not be subject to the scheduled percentage reduction set forth in Subsection (A) above. The parties acknowledge that the foregoing proviso reflects the provisions of Section 875 of the General Municipal Law in effect on the Closing Date and agree that upon any amendment of such provisions, the parties shall mutually agree upon an amendment of this Lease reflecting such amendment.

(C) For the purposes of this Section 11.4 the term “Recapture Event” shall mean the occurrence of any of the following events:

- (1) The Company shall have liquidated its operations and/or assets; or
- (2) The Company shall have ceased all or substantially all of its operations at the Project Facility (whether by closure or by relocation to another facility either within or outside of the County); or
- (3) The Company shall have transferred all or substantially all of its employees engaged in the maintenance or operation of the Project Facility to a location outside of the County; or
- (4) The occurrence and continuance of an Event of Default under this Lease or any other Transaction Document; or
- (5) The Company shall have effected a substantial change in the scope and nature of the operations of the Company at the Project Facility without the prior written consent of the Agency; or
- (6) The Company shall have sold, leased, subleased, sub-subleased, assigned, transferred or otherwise disposed of all or any part of its interest in the Project Facility except as expressly permitted under this Lease; or
- (7) The Company fails to maintain the Minimum Employment Requirement at any time during the term of this Lease, subject to the provisions of Section 10.1(A)(19) of this Lease; or
- (8) The Application, or documentation in support of the Application, contained a false or intentionally misleading statement as to any fact material to the Application or omitted any information which, if included, would have rendered any information in the Application or supporting documentation false or misleading in any material respect, and such false or misleading statement or omission was made knowingly and intentionally for the purpose of obtaining the Financial Assistance.

The Agency agrees that upon the occurrence of a Recapture Event under subsection (7) above (and assuming there are no other Recapture Events), the applicable Recapture of Benefits shall be computed based on the percentage of the Company’s compliance with the Minimum Employment Requirement. For purposes of illustration, if such Recapture Event occurs in the fifth (5th) year of the term of this Lease and the Company’s job count is ten percent (10%) below the Minimum Employment Requirement, then the amount of Recapture of Benefits due shall be ten percent (10%) of the otherwise applicable Recapture of Benefits.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a Condemnation by governmental authority of all or substantially all of the Project Facility or any interest therein, or (ii) the inability at law of the Company to rebuild, repair, restore or replace the Project Facility

after the occurrence of a casualty to substantially its condition prior to such casualty, which inability shall have arisen in good faith through no fault on the part of the Company.

(D) The Company covenants and agrees to furnish the Agency with written notification upon the occurrence of any Recapture Event, which notification shall set forth the terms of such Recapture Event.

(E) In the event any payment owing by the Company under this Section 11.4 shall not be paid on demand by the Company, such payment shall bear interest from the date of such demand at the Default Interest Rate until the Company shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

hereof and its obligations and those of the Company and the Overlandlord under the Environmental Indemnification, as the case may be, shall survive the termination of this Lease, and all such payments after such termination shall be made upon demand of the party to whom such payment is due.

(B) The obligations of the Company to the Agency with respect to the Unassigned Rights shall survive the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitation during which a claim, cause of action or prosecution relating to the Unassigned Rights may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), attorneys, servants or employees, past, present or future, related thereto.

SECTION 12.8 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING. The Table of Contents and the headings of the several Sections in this Lease have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Lease.

SECTION 12.9 NO RECOURSE; SPECIAL OBLIGATION.

(A) The obligations and agreements of the Agency contained herein and in the other Transaction Documents and any other instrument or document executed in connection therewith or herewith, and any other instrument or document supplemental thereto or hereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Company), servant or employee of the Agency in his individual capacity, and the members, officers, agents (other than the Company), servants and employees, past, present and future, of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby.

(B) The obligations and agreements of the Agency contained herein and therein shall not constitute or give rise to an obligation of the State or the County and neither the State nor the County shall be liable hereon or thereon, and, further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Agency's interest in the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights).

(C) No order or decree of specific performance with respect to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and ten (10) business days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than ten (10) business days, shall have failed to institute and diligently pursue action to cause compliance with such request within such ten (10) business day period) or failed to respond within such notice period, (2) if the Agency refuses to comply with such request and the

SECTION 12.10 NET LEASE. The obligation of the Company to make the payments specified in this Lease shall be absolutely net to the Agency without any abatement, recoupment, diminution, reduction, deduction, counterclaim, set-off or offset whatsoever, so that this Lease shall yield, net, to the Agency, the payments set forth herein.

SECTION 12.11 WAIVER OF JURY TRIAL. THE COMPANY AND THE AGENCY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS LEASE, ANY OTHER TRANSACTION DOCUMENT OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION WITH THIS LEASE.

SECTION 12.13 SERVICE OF PROCESS.

(A) The Company represents that it is subject to service of process in the State of New York and covenants that it will remain so subject so long as this Lease shall be in effect. If for any reason the Company should cease to be so subject to service of process in the State of New York, the Company hereby designates and appoints, without power of revocation, the General Counsel of the Company, having an address at 1111 Marcus Avenue, Lake Success, NY 11042, and successor(s) as its agent for service of process, and if such agent shall cease to act or otherwise cease to be subject to service of process in the State of New York, the Secretary of State of the State of New York, as the agents of the Company upon whom may be served all process, pleadings, notices or other papers which may be served upon the Company as a result of any of its obligations under this Lease; provided, however, that the serving of such process, pleadings, notices or other papers shall not constitute a condition to the Company's obligations hereunder.

(B) The Company irrevocably and unconditionally (a) agrees that any suit, action or other legal proceeding arising out of this Lease or the other Transaction Documents may be

brought in the courts of record of the State of New York in Nassau County or the courts of the United States, Eastern District of New York; (b) consents to the jurisdiction of each such court in any such suit, action or proceeding; and (c) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. For such time as this Lease is in effect, the Company's agents designated above shall accept and acknowledge in the Company's behalf service of any and all process in any such suit, action or proceeding brought in any such court. The Company agrees and consents that any such service of process upon such agents and written notice of such service to the Company in the manner set forth in Section 12.1 hereof shall be taken and held to be valid personal service upon the Company whether or not the Company shall then be doing, or at any time shall have done, business within the State of New York and that any such service of process shall be of the same force and validity as if service were made upon the Company according to the laws governing the validity and requirements of such service in the State of New York, and waives all claim of error by reason of any such service. Such agents shall not have any power or authority to enter into any appearance or to file any pleadings in connection with any suit, action or other legal proceedings against the Company or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Company.

(B) The Company shall, in all solicitations or advertisements for employees placed by or on behalf of the Company, state that all qualified applicants will be considered for employment without regard to race, color, creed, national origin, age, gender or sexual orientation.

(C) The Company shall furnish to the Agency all information required by the Agency pursuant to this Section 12.15 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 12.15.

SECTION 12.16 DATE OF LEASE. The date of this Lease shall be for reference purposes only and shall not be construed to imply that this Lease was executed on the date first above written. This Lease was executed and delivered on June 24, 2015 (the "Closing Date").

Notwithstanding any provision of this Lease to the contrary, the representations, warranties, covenants and agreements of the parties herein are made as of the Closing Date and not as of the reference date.

SECTION 12.19. BANK MORTGAGE AND PRIOR MORTGAGE. (A) The Company hereby directs the Agency to give and the Agency hereby agrees to give the Bank notice, in the manner set forth in Section 12.1 of this Lease, of any default by the Company under this Lease (including, without limitation, any Recapture Event) which the Agency is required to give to the Company pursuant to the terms of this Lease, and the Bank shall have the right (but not the obligation) to cure such default within the time period, if any, provided for such cure to be carried out by the Company pursuant to the terms of this Lease. The Agency shall accept such cure by the Bank as if such cure were performed by the Company. The Company acknowledges and agrees that the Agency may accept such cure by the Bank and waives any claims it may have against the Agency based upon, arising from or in connection with this Subsection (A).

(B) The Company hereby directs the Agency to give and the Agency hereby agrees to give the Prior Mortgagee notice, in the manner set forth in Section 12.1 of this Lease, of any default by the Company under this Lease (including, without limitation, any Recapture Event) which the Agency is required to give to the Company pursuant to the terms of this Lease, and the Prior Mortgagee shall have the right (but not the obligation) to cure such default within the time period, if any, provided for such cure to be carried out by the Company pursuant to the terms of this Lease. The Agency shall accept such cure by the Prior Mortgagee as if such cure were performed by the Company. The Company acknowledges and agrees that the Agency may accept such cure by the Prior Mortgagee and waives any claims it may have against the Agency based upon, arising from or in connection with this Subsection (B).

(C) Provided that no Event of Default by Overlandlord shall have occurred and be continuing under any Transaction Document, the Overlandlord shall have the right to obtain, on or before September 1, 2015, a construction loan for the purposes of financing the construction of the Building and shall have the right to encumber the Project Facility with the Original Bank Mortgage in connection therewith; provided, however, that so long as the

Overlandlord is actively pursuing such construction loan, the Agency shall not unreasonably withhold its consent to an extension of the aforesaid date for a reasonable additional period of time, not to exceed four (4) months beyond the aforesaid date. Subject to the foregoing, the Agency agrees to execute and deliver (i) the Original Bank Mortgage to mortgage and grant a security interest in the Agency's subleasehold interest in the Project Facility, except for the Agency's Unassigned Rights, and (ii) a mortgage recording tax exemption affidavit with respect to the recording of the Original Bank Mortgage, all in form and substance reasonably satisfactory to the Agency and all at the sole cost and expense of the Company. For all other Bank Mortgages, provided no Event of Default by Overlandlord shall have occurred and be continuing under any Transaction Document, the Agency agrees to execute and deliver such Bank Mortgage to mortgage and grant a security interest in the Agency's subleasehold interest in the Project Facility, except for the Agency's Unassigned Rights, which other Bank Mortgages shall be in form and substance reasonably satisfactory to the Agency and shall be executed and delivered at the sole cost and expense of the Overlandlord.

Re: Nassau County Industrial Development Agency
(2015 Dealertrack Project)

Ladies and Gentlemen:

The Nassau County Industrial Development Agency (the "Agency") and Dealertrack Technologies, Inc. (the "Company") agree as follows:

1. The Agency constitutes a corporate governmental agency and a public benefit corporation under the laws of the State of New York, and therefore, in the exercise of its governmental functions, including the acquisition of property, is exempt from the imposition of any New York State or Nassau County sales and use tax. As an exempt governmental entity, no exempt organization identification number has been issued to the Agency nor is one required.

2. Pursuant to a resolution adopted by the Agency on August 27, 2014 (the "Authorizing Resolution") and a Sublease Agreement, dated as of June 1, 2015 (as amended, modified, supplemented or restated, the "Lease Agreement"), between the Agency and Dealertrack Technologies, Inc. (the "Company"), the Agency has authorized the Company to act as its agent to acquire, construct, improve, install and equip a commercial facility in Nassau County, New York, consisting of: (1) the acquisition of an interest in an approximately 9.6 acre parcel of land located at 3400 New Hyde Park Road, Incorporated Village of North Hills, Town of North Hempstead, County of Nassau, New York (Section: 8; Block: A; Lots: 880 and 881) (the "Land"), (2) the construction of an approximately 233,000 square foot office building on the

Land, together with related improvements to the Land (collectively, the "Building"), and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the "Equipment"), all of the foregoing for use by the Company as its world headquarters facility (collectively, the "Project Facility").

3. As agent for the Agency, the Company agrees that each contract, agreement, lease, invoice, bill or purchase order entered into by the Company as agent for the Agency in connection with the acquisition, construction, installation or equipping of the Project Facility shall include language in substantially the following form:

"This [contract, agreement, lease, invoice, bill or purchase order] is being entered into by Dealertrack Technologies, Inc. (the "Agent"), as approved agent for and on behalf of the Nassau County Industrial Development Agency (the "Agency") in connection with a certain project (the "Project") of the Agency for Dealertrack Technologies, Inc. (the "Company") consisting in part of the acquisition and construction of the world headquarters facility of the Company located at 3400 New Hyde Park Road, Incorporated Village of North Hills, Town of North Hempstead, County of Nassau, New York (the "Premises") and the acquisition of certain capital improvements, materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for the completion of the Project. The capital improvements, materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for completion of the Project which are the subject of this [contract, agreement, lease, invoice, bill or purchase order] shall be exempt from the sales and use taxes levied by the State of New York and the County of Nassau if effected in accordance with the terms and conditions set forth in the attached Sales Tax Agency Agreement of the Agency, and the Agent hereby represents that this [contract, agreement, lease, invoice, bill or purchase order] is in compliance with the terms of the Sales Tax Agency Agreement. This [contract, agreement, lease, invoice, bill or purchase order] is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this [contract, agreement, lease, invoice, bill or purchase order], the [vendor, lessor, licensor, contractor or subcontractor] hereby acknowledges and agrees to the terms and conditions set forth in this paragraph."

4. The acquisition of capital improvements, materials, machinery, equipment, trade fixtures, furniture, furnishings and other tangible personal property necessary for the completion of the Project Facility (collectively, the "Property") shall be exempt from the sales and use taxes levied by the State of New York and the County of Nassau on the condition that (i) such items of Property are separately identifiable property of the Agency, and (ii) each

item of Property shall have a useful life of one year or more, and shall solely be for the use of the Company at and in the Project Facility, and for no other entity and at no other location, and shall be effected by and at the sole cost of the Company. The exemption provided pursuant to Section 4.1(E) of the Lease Agreement shall not apply to the acquisition of: (i) inventory, (ii) rolling stock, (iii) any item of personalty having a useful life of less than one (1) year or which shall not constitute a tangible capital asset, (iv) plants, shrubs, trees, flowers, lawns or plants, (v) fine art or other similar decorative items, or (vi) motor vehicles, including any cars, trucks, vans or buses that are licensed by the Department of Motor Vehicles or other similar agency for use on public highways or streets.

5. The Agency shall have no liability or performance obligations under any contract, agreement, lease, invoice, bill or purchase order entered into by the Company, as agent for the Agency pursuant to Section 4.1(E) of the Lease Agreement, and in the event liability should arise under any such contract, agreement, lease, invoice, bill, or purchase order, the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, lease, invoice, bill or purchase order in any manner and to any extent whatsoever, and the Company shall be the sole party liable thereunder.

6. By execution of its acceptance of the terms of this Agreement, the Company agrees to accept the terms hereof and represents and warrants to the Agency that the use of this Agreement by the Company is and will be strictly for the purposes above stated.

7. Until the earliest of (i) August 1, 2019, (ii) the receipt by the Company of the Maximum Sales Tax Benefit (as defined in the Lease Agreement), and (iii) the termination of the Lease Agreement and/or revocation of the appointment of the Company as agent of the Agency (the earliest to occur of the foregoing, the "Termination Date"), all vendors, lessors, licensors, contractors and subcontractors are hereby authorized to rely on the ST-123 Form prepared by the Company and issued to such vendor, lessor, licensor, contractor or subcontractor pursuant to Paragraph 11 hereof as evidence that purchases and leases of Property, and improvement and installation contracts relating to the acquisition, construction, installation and equipping of the Project Facility (but not the operation thereof), to the extent effected by the Company, as agent for the Agency, are exempt from all New York State and Nassau County sales and use taxes.

8. Any vendor, lessor, licensor, contractor or subcontractor that does not collect otherwise applicable sales or use tax in reliance upon this Agreement and the ST-123 Form issued by the Company to such vendor, lessor, licensor, contractor subcontractor, shall be deemed to have acknowledged and agreed to the provisions of Paragraph 3 hereof regardless of whether or not the provisions thereof are inserted in the contract, agreement, lease, invoice, bill or purchase order entered into with the Company.

9. This Agreement and the ST-123 Form issued by the Company to a vendor, lessor, licensor, contractor or subcontractor are provided solely for the purposes described herein and therein. No other principal/agent relationship is intended or may be implied or inferred from this Agreement or the issuance of such ST-123 Form.

10. The exemption from sales and use taxes provided under the Lease Agreement is granted subject to the requirements of Section 875 of the General Municipal Law, which requirements are incorporated herein by reference, and the Company agrees to such requirements as a condition precedent to receiving the exemption from sales and use taxes.

11. The Company agrees to provide a completed Form ST-123, *IDA Agent or Project Operator Exempt Purchase Certificate*, to each vendor, lessor, licensor, contractor or subcontractor from which the Company purchases and/or leases Property, or with which the Company enters into an improvement or installation contract relating to the acquisition, construction, installation and equipping of the Project Facility. All vendors, lessors, licensors, contractors and subcontractors are authorized to rely on such completed Form ST-123 as evidence that purchases and leases of Property, and improvement and installation contracts relating to the acquisition, construction, installation and equipping of the Project Facility (but not the operation thereof), to the extent effected by the Company as agent for the Agency pursuant to Section 4.1(E) of the Lease Agreement are exempt from all New York State and Nassau County sales and use taxes. The Company agrees to provide the Agency a copy of each such Form ST-123 within five (5) days after the delivery of such form to the vendor, lessor, licensor, contractor or subcontractor.

The signature of a representative of the Company where indicated below will indicate that the Company has accepted the terms hereof.
