C. Briefly describe the purpose of the proposed Project, the reasons why the Project is necessary to the Applicant and why the Agency's financial assistance is necessary, and the effect the Project will have on the Applicant's business or operations:

The proposed development is set for 18 apartments with high end retail on the first floor. Local governments, weekly regional publications, and several economic development studies in our region call for the need for market rate apartments with 10% affordable units to attract and retain Long Island's young and workforce residents. This development centers around keeping a robust/talented workforce in the town

and region. The high end retail will act as an anchor for greater economic development for the Hicksville downtown. The combination of market rate apartments, high end retail, proximity to the Hicksville train station and the private investment of \$8 million plus dollars sets the stage for the first successful Transit Oriented Development in Oyster Bay's Hicksville downtown. Assistance from the Nassau IDA is necessary to control development cost and mitigate future expenses. The Nassau IDA incentive package will provide stability and continuity of cost. Continuity in cost is vital to long term success of this development.

- D. Is there a likelihood that the proposed Project would not be undertaken by the Applicant but for the granting of the financial assistance by the Agency? (If yes, explain; if no, explain why the Agency should grant the financial assistance with respect to the proposed Project)

The site of the project is the center of the downtown Hicksville corridor and very close proximity to the Hicksville LIRR train station. The mixed use development, apartments and retail, is considered a transit-oriented development, TOD. The Hicksville LIRR train station is the second busiest terminal in our region. (More than 14,000 commuters a day use the Hicksville LIRR station and there are about 58,000 vehicles driving on that four-lane section of Routes 106 and 107 daily) and this redevelopment of an underutilized office building into a vibrant successful mix used TOD would be the first approved private investment deal and great start to the town's goal of revitalizing Hicksville downtown. We see very little impact on the town's infrastructure since this is the redevelopment of an existing building. We will in accordance with the town planning goals, maintain and contain parking on our property as to not take away public parking places. We believe this redevelopment will have a positive affect on public safety services. The site is directly across the street from the Hicksville Gazebo. The Gazebo is currently unkept and subject to vagrants. According to the President of the Hicksville Downtown Civic Group, an active TOD will mitigate these concerns by producing more people and commercial pedestrian traffic.

YES X _____ NO _____

We believe this development will provide a unique service/product. Although market rate apartments are not unique, this TOD does provide a high quality, high end apartments with retail that is unique to the Hicksville Downtown. Please see attached letter by the Honorable Rebecca Alesia, Councilwoman from the town of Oyster Bay. Councilwoman Alesia believes this is a unique development for the Hicksville Downtown. _____

Dear Sirs:

I take this opportunity to offer my support for the redevelopment of 35 North Broadway, Hicksville

As Councilwoman and an involved member of the Hicksville Downtown Revitalization Committee, I am seeking a vibrant downtown, which would include high quality rental units. This redevelopment of an underutilized office building into a vibrant successful mix used transit-oriented development would be a great start to the town's goal of revitalizing our downtown while seeking developers to invest in our town.

I have reviewed the plans and have examined previous work by the developer and I fully support Mr. DeRosa's efforts to bring his vision to our downtown. I support and understand his application to the Nassau IDA seeking financial assistance. Local government, together with agencies such as yours are key players in the chance of success for such redevelopment ideas and dollars. The Town of Oyster Bay looks forward to working with the developer and the community to address all planning and building department issues in a satisfactory manner, as such we expect Mr. DeRosa to deliver a high quality redeveloped 35 North Broadway, a new 35 North Broadway that will bring economic development activity to our downtown, young and young at heart tenants who want to live, socialize and spend money in our downtown. I ask the Nassau IDA board of directors to support the new 35 North Broadway, by doing so, you are supporting a new Hicksville downtown.

Respectfully,

Rebecca M. Alesia
Councilwoman
