Community Outreach Plan

The segments of the eligible population who are least likely to apply for the proposed affordable rental units without special outreach efforts are very low- and low- income persons, especially minorities within those income groups. The LIHP will make every reasonable effort to identify these persons and to market the units to them. The Marketing Plan set forth herein will be used to ensure that marketing efforts are fair and reach a broad spectrum of the population.

The proposed project will employ the following means to affirmatively market the units. Paid advertising will be done by LIHP. Community outreach and notifications will also be done by LIHP.

Community Outreach

Newspapers
Display or classified advertisements will be placed in NEWSDAY and its affiliate publications, which have a wide circulation throughout Long Island as well as, regional weekly newspapers. In addition, an advertisement will be placed in minority publications. Minority publications include: New York Amsterdam News, Bi Lingual News, and NOTICIA HISPANO AMERICANA. An ad will also be placed in ABLE, which is a publication targeted to persons with disabilities.

All ads will include a statement advising that fair housing laws will be followed. The ads will be placed a minimum of one time. Initial advertising will be done a minimum of 30 days prior to the deadline for submission of applications.

Brochures
Brochures or flyers will be prepared which will include, at a minimum, the name and location of the development, telephone number and address to obtain an application, number of units, and fair housing law compliance.

Media

Radio and Television
LIHP will also provide the following radio and cablevision stations with media releases suitable for use as public service announcements: WALK, WBAB, WBLI, NEWS 12 LONG ISLAND, WLIG-TV 55, TELICARE and WLIW-TV.

Social Media
LIHP will also advertise the program on social media sites, such as Facebook and Twitter.

Program Participant Selection

The Long island Housing Partnership will conduct a lottery to establish a ranking list of potential renters. A household interested in participating in the Program must complete and submit a Lottery Intake Application form. The application must be submitted by the advertised deadline date to LIHP to be eligible for the lottery. At a minimum thirty days will be provided between the commencement of advertising and the deadline for the submission of the Lottery Intake Application.

The lottery will establish a list of potential renters for the units being developed by 555 Stewart Garden City, LLC. Applications received or post marked after the lottery is held will be accepted on a first come first served basis after lottery applicants have been served.

Lottery Intake Applications can be completed and submitted online at: www.lihp.org or by being mailed to or submitted to the LIHP office in Hauppauge. LIHP will notify applicants in writing of their ranking.

As an applicant’s name is reached on the lottery list, the applicant will be contacted by LIHP to submit a Formal Program Application and supporting documents. LIHP will then conduct an eligibility review to determine if an applicant meets all program guidelines. A letter from LIHP detailing eligibility will be sent to an applicant after a full review of the formal program application has been completed.

Applications will include a cover page directing the applicant to the enclosed program guidelines that fully describe the program and requirements. The cover page will also advise that LIHP staff will assist applicants with completion of the application and provides both an address and telephone number to secure such assistance.

The application requests a variety of information to enable determination of an applicant’s program eligibility including but not limited to: applicant(s) name, address, telephone number and Social Security Number; names of persons who will reside in the home (to determine family size); credit history; employment data; monthly debts; asset information. In addition, supporting documentation is requested including tax returns, pay stubs, and bank statements to determine household income.

In the event that an applicant is determined not to be eligible for the program, the applicant is sent a certified letter advising of the reason for the ineligibility. The applicant is also afforded ten days to challenge the determination and/or provide clarifying information. In addition, he/she is offered mortgage counseling.

It should be noted that all staff is instructed to comply with all applicable fair housing laws specifically the Fair Housing Act - Title VIII of the Civil Rights Act of 1968 as amended and with the Fair Housing Amendments Act of 1988. All staff will also be instructed that it is illegal to base any qualifying criteria on a person's race, color, national origin, sex, religion, familial status or handicap in accordance with the Fair Housing Act and other rules and regulations pertaining to the above.
