(B) Neither the execution and delivery of this Lease or the other Transaction Documents to which the Agency is a party, the consummation of the transactions contemplated hereby or thereby, nor the fulfillment of or compliance with the provisions of this Lease or the other Transaction Documents to which the Agency is a party will conflict with or result in a

breach by the Agency of any of the terms, conditions or provisions of the Act, the by-laws of the Agency or any order, judgment, agreement or instrument to which the Agency is a party or by which the Agency is bound, nor will constitute a default by the Agency under any of the foregoing.

(C) Except as provided in Articles IX, X and XI hereof, the Agency, to the extent of its interest therein, shall not sell, assign, transfer, encumber or pledge as security the Project Facility or any part thereof and shall maintain the Project Facility free and clear of all liens or encumbrances created by the Agency, except as contemplated or permitted by the terms of this Lease and the other Transaction Documents.

(D) The Transaction Documents to which the Agency is a party constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid, legal and binding obligations of the Agency, enforceable in accordance with their terms, subject to the provisions of applicable bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium, rearrangement, liquidation, conservatorship or similar laws of general application now or hereafter in effect relating to or affecting the rights of creditors generally.

SECTION 2.2 REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE COMPANY. The Company makes the following representations, warranties and covenants as the basis for the undertakings on its part herein contained:

(A) The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of New York and in all other jurisdictions in which its operations or ownership of its Properties so require, and has the power to enter into this Lease and the other Transaction Documents to which the Company is a party and to carry out its obligations hereunder and thereunder. By proper action of its board of directors, the Company has been duly authorized to execute, deliver and perform this Lease and the other Transaction Documents to which the Company is a party. No other consent, approval or action by the shareholders or directors of the Company or any other consent or approval (governmental or otherwise) or the taking of any other action is required as a condition to the validity or enforceability of this Lease or any of the other Transaction Documents.

(B) Neither the execution and delivery of this Lease or any of the other Transaction Documents to which the Company is a party, the consummation of the transactions contemplated hereby and thereby, nor the fulfillment of or compliance with the provisions of this Lease or the other Transaction Documents to which the Company is a party will (1) conflict with or result in a breach of any of the terms, conditions or provisions of the Company's certificate of incorporation or by-laws or any other company restriction, order, judgment, agreement, document or instrument to which the Company is a party or by which the Company or any of its Property is bound, or constitute a default by the Company under any of the foregoing, or result in the creation or imposition of any Lien of any nature upon the Project Facility under the terms of any of the foregoing, other than Permitted Encumbrances, (2) conflict with or result in a violation of Applicable Laws, (3) require consent or approval (which has not been heretofore received and provided to the Agency) under any corporate restriction, agreement or instrument to which the Company is a party or by which the Company or any of its Property may be bound or affected, or (4) require consent or approval (which has not been heretofore obtained and

provided to the Agency) under or conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction or decree of any Governmental Authority having jurisdiction over the Company or any of the Property of the Company.

(C) The acquisition of the Project Facility by the Company as agent of the Agency, the sub-sublease thereof by the Agency to the Company, and the operation thereof by the Company will not result in the removal of a facility or plant of the Company from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the Company located in the State (other than within the County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Company and the Overlandlord.

(D) The Transaction Documents to which the Company is a party constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid, legal and binding obligations of the Company, enforceable in accordance with their respective terms.

(F) The Project Facility and the operation thereof will comply with all Applicable Laws, and the Company will indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from all claims, liabilities, damages, fees, expenses, fines and penalties due to failure, or alleged failure, to comply with all Applicable Laws. The Company shall cause all notices as required by all Applicable Laws to be given, and shall comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project or the operation of the Project Facility, and the Company will indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless, from all claims, liabilities, damages, fees, expenses, fines and penalties due to failure, or alleged failure, to comply therewith; provided that such claims, liabilities, damages, fees, expenses, fines and penalties of the Agency are not incurred or do not result solely from the intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees, and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(G) The Project will not have a "significant adverse environmental impact" (as such term is used in SEQRA) and the Company hereby covenants to comply with all mitigating measures, requirements and conditions enumerated in the resolution adopted by the Agency on

(K) The Company is not in default with respect to any order, writ, injunction or decree of any Governmental Authority, or in violation of any law, statute or regulation, domestic or foreign, to which the Company or any of its Property is subject.

(L) The sub-subleasing of the Project Facility by the Agency to the Company and the granting of the Financial Assistance have induced the Company to proceed with the Project in the County. The granting of the Financial Assistance by the Agency with respect to the Project Facility, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their prosperity and standard of living, and will prevent unemployment and economic deterioration and thereby serve the public purposes of the Act.

(Q) No funds of the Agency shall be used in connection with the transactions contemplated by this Lease for the purpose of preventing the establishment of an industrial or manufacturing plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, nor shall any funds of the Agency be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State.

(V) Neither the Overlandlord nor the Company has conveyed, assigned, transferred, mortgaged, hypothecated, pledged or granted a security interest in its interest in the Project Facility pursuant to a mortgage, security agreement, pledge or other agreement that prohibits the Company or the Overlandlord from executing and delivering the Company Lease, this Lease or any other Transaction Document. The Company covenants and agrees that it shall not enter into a mortgage, security agreement, pledge or other agreement pursuant to which the existence of the Company Lease, this Lease or any other Transaction Document would constitute a default or an event of default.

(W) Neither the Company, the Overlandlord, any Guarantor, nor any Affiliate of the Company, the Overlandlord or any Guarantor has employed or retained any appointed or elected governmental official to solicit or secure the Agency's undertaking of the Project or its agreement to enter into this Lease or any other Transaction Document upon an agreement of understanding for a commission or percentage, brokerage or contingent fee.

SECTION 3.1 CONVEYANCE TO THE AGENCY. (A) Pursuant to the Company Lease, the Company has conveyed or will convey to the Agency a subleasehold interest in and to the Premises for the purpose of undertaking the Project. The Company hereby represents and warrants that it has a good and valid leasehold interest in the Premises pursuant to the Overlease, free and clear from all Liens except for Permitted Encumbrances, and agrees that the Company will defend (with counsel selected by the Agency), indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto or due to any defect in the subleasehold interest granted to the Agency pursuant to the Company Lease.

(B) The Company and the Agency acknowledge that the Project Facility and the subleasehold interest therein conveyed to the Agency from the Company and sub-leased by the Agency back to the Company are not "property" as defined in Title 5-A of the Public Authorities Law of the State because such property and the interests therein are security for the Company's obligations to the Agency under this Lease and the other Transaction Documents, including, without limitation, (i) the Company's obligation to acquire and maintain the Project Facility on behalf of the Agency, and (ii) the performance by the Company to the Agency of the Company's other obligations under this Lease and the other Transaction Documents.

SECTION 3.2 USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Transaction Documents, provided such use causes the Project Facility to qualify or to continue to qualify as a "project" under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project into disrepute as a public project; provided, further, however, that at no time shall any such use be other than by the Company as its office, manufacturing,

warehousing and distribution facility, except with the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion. The Company shall not occupy, use or operate the Project Facility, or any part thereof, or permit or suffer the Project Facility, or any part thereof, to be occupied, used or operated (1) for any unlawful purpose, or (2) in violation of any certificate of occupancy affecting the Project Facility, or (3) for any use that constitutes a nuisance, public or private, or (4) for any use that makes void or voidable any insurance then in force with respect thereto, or (5) for any use, occupancy or operation of the Project Facility that would be in violation of Applicable Laws. All permits and licenses necessary for the operation of the Project Facility as contemplated by this Section 3.2 shall be procured promptly by the Company. Any provision of this Lease to the contrary notwithstanding, the Company shall be liable at all times for all risk, loss and damage with respect to the Project Facility.

Nothing in this Section shall constitute an authorization by the Agency for the Company to lease, license, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof, except in accordance with Section 9.3 of this Lease.

SECTION 3.3 HAZARDOUS MATERIALS.

(A) The Company represents, warrants and covenants that, (i) the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner that violates any Applicable Law, including, but not limited to, those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials (each, an "Environmental Law" and, collectively, the "Environmental Laws"), (ii) except as expressly set forth in the Environmental Report, to the best of the Company's knowledge, the environmental and ecological condition of the Project Facility is not in violation of any Applicable Law, including, without limitation, any Environmental Law, (iii) the Company has all Environmental Permits required to operate the Project Facility and is in compliance with their requirements, (iv) the Premises is not listed in CERCLIS, the NPL or any similar state or local listing nor is it included in an area included in such a list, and the Company has no knowledge that such a listing is pending or contemplated, (v) no event has occurred which, with the passage of time or the giving of notice or both, would constitute a violation of any Environmental Law, (vi) except as expressly set forth in the Environmental Report, to the best of the Company's knowledge, there are not now, nor have there ever been, underground storage tanks on or under the Premises which have not been maintained or removed in accordance with Environmental Laws, (vii) there are no actions, suits, claims or proceedings seeking money damages, injunctive relief, remedial action or any other remedy pending or, to the Company's knowledge, threatened relating to a violation of Environmental Law or the disposal, discharge or release of Hazardous Materials, and (viii) except as expressly set forth in the Environmental Report, to the best of the Company's knowledge, no prior owner of the Project Facility nor any tenant, subtenant, operator, occupant, prior tenant, prior subtenant, prior operator or prior occupant, has used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Environmental Law.

(B) The Company shall keep and shall cause the Project Facility to be kept free of Hazardous Materials except in compliance with Environmental Laws. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate,

manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all Environmental Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company, or any tenant, subtenant, operator or occupant of the Project Facility, or any part thereof, an unlawful release of Hazardous Materials onto, under or from the Project Facility or onto any other property. The Company shall not cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company or its members, managers, shareholders, directors, officers, agents, servants, employees or representatives, a release of Hazardous Materials on, under or from the Project Facility, except in compliance with all Environmental Laws.

(C) The Company shall comply with and cause the Overlandlord and all tenants, subtenants, operators and occupants of the Project Facility, or any part thereof, to comply with, all Environmental Laws whenever and by whomever triggered, and shall obtain and comply with, and shall cause the Overlandlord and all such all tenants, subtenants, operators and occupants of the Project Facility to obtain and comply with, any and all approvals, registrations or permits required thereunder. The Company agrees to provide the Agency with copies of any notifications given by the Company to any Governmental Authorities or received by the Company from any Governmental Authorities with respect to the environmental or ecological condition of the Project Facility. The Company hereby agrees that at all times during which it owns, leases or operates the Project Facility, and whether or not this Lease or any other Transaction Document is in effect, to comply with, and ensure compliance by all tenants, subtenants, users and occupants of the Project Facility with, the provisions of the Environmental Indemnification.

(D) The Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Materials on, from or affecting the Project Facility (a) in accordance with all Environmental Laws, (b) to the satisfaction of the Agency, and (c) in accordance with the orders and directives of all Governmental Authorities, and (2) defend (with counsel selected by the Agency), indemnify, and hold harmless the Agency and its employees, agents, officers, attorneys, servants and members, past, present and future, from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to: (a) the presence, disposal, release or threatened release of any Hazardous Materials on, from, under or affecting the Project Facility, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any government order relating to such Hazardous Materials, and/or (d) any violations of Environmental Laws which are based upon or in any way related to such Hazardous Materials, including, without limitation, consultant fees, costs of remediation, investigation and laboratory fees, court costs, reasonable attorney fees and litigation expenses. Costs under this subsection (D) will be repaid within immediately upon demand with interest at the Default Interest Rate commencing five (5) days after such demand.

(E) In the event this Lease is terminated, the Company shall deliver the Project Facility to the Agency free of any and all Hazardous Materials (except Hazardous Materials the

presence of which do not violate any Environmental Laws), so that the condition of the Project Facility shall conform with all Environmental Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents, employees, members, servants or representatives, may at any reasonable time, and at the Company's expense inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Environmental Laws.

(G) In the event that insurance is or shall become available at a reasonable cost to cover the Company's obligations under this Section 3.3, then, at the option of the Agency, the Company shall obtain adequate coverage.

SECTION 3.4 NON-MERGER. During the term of this Lease, there shall be no merger of this Lease or the Company Lease nor of the subleasehold estate created by the Company Lease or the sub-subleasehold estate created by this Lease with the fee estate in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly, (1) this Lease or the Company Lease or the sub-subleasehold estate created by this Lease or the subleasehold estate created by the Company Lease or any interest in this Lease or the Company Lease or in any such leasehold or subleasehold estate and (2) the fee estate in the Premises or any part thereof or any interest in such fee estate, and no such merger shall occur unless and until all corporations, firms and other entities, including any mortgagee having any interest in (x) this Lease or the Company Lease or the subleasehold estate created by this Lease or the subleasehold estate created by the Company Lease and (y) the fee estate in the Premises or any part thereof or any interest in such fee estate, shall join in a written instrument effecting such merger and shall duly record the same.

Any proceeds of the Title Policy shall be paid to the Company and applied by the Company to remedy the applicable defect in title. If not so capable of being applied or if a balance remains after such application, the Net Proceeds or the remaining balance of the Net Proceeds, as the case may be, shall be applied to the payment of any sums due the Agency under this Lease or under any other Transaction Document, and any balance thereafter may be used by the Company for any lawful corporate purpose.

SECTION 5.4 NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER.

(A) The obligations of the Company to make the payments required by this Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of setoff, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease, or terminate this Lease (except as set forth in Section 11.1 hereof), for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part expressly contained in this Lease, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 12.9 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the

Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company), servants or employees, past, present and future, of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Lease, the relationship of the Agency and the Company hereunder or the Company's use and occupancy to the Project Facility, or any other liability of the Agency to the Company.

ARTICLE VI
MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

SECTION 6.1 MAINTENANCE AND MODIFICATIONS OF THE PROJECT FACILITY.

(A) The Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) occupy, use and operate the Project Facility, and shall cause the Project Facility to be occupied, used and operated, in the manner for which it was intended and contemplated by this Lease, (3) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), (4) operate the Project Facility in a sound and economical manner, (5) not abandon the Project Facility, (6) perform or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency under and pursuant to the Bank Mortgage, and (7) not create, permit or suffer to exist any mortgage, encumbrance, lien, security interest, claim or charge against the Project Facility, or any part thereof, or the interest of the Agency or the Company in the Project Facility, the Company Lease or this Lease, except for Permitted Encumbrances. The Agency shall have no obligation to replace, maintain or effect replacements, renewals or repairs of the Project Facility, or to furnish any utilities or services for the Project Facility and the Company hereby agrees to assume full responsibility therefor.

(B) Upon prior written notice to the Agency, the Company may make alterations, modifications or improvements to the Project Facility, or any part thereof, provided:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such modification or improvement to the Project Facility, or any part thereof, (b) indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless from all fees, expenses, fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) not be in monetary

default under this Lease or under any of the other Transaction Documents beyond applicable notice and cure periods;

(2) such alterations, modifications and improvements are effected with due diligence, in a good and workmanlike manner and in compliance with all Applicable Laws;

(3) the Company shall promptly and fully pay for such alterations, modifications and improvements in accordance with the terms of the applicable contract(s) therefor;

(4) the alteration, modification or improvement to the Project Facility shall not constitute or cause a default under any of the Transaction Documents;

(5) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such alteration, modification or improvement to the Project Facility, detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for (a) nonstructural modifications or improvements to the Project Facility which do not exceed, at any one time, \$250,000.00 in value, and (b) non-structural modifications or improvements, without limitation as to amount, performed in connection with customary and reasonable improvements, renovations and replacements;

(6) as a result of such alterations, modifications or improvements, neither the usefulness, structural integrity nor operating efficiency of the Project Facility would be materially impaired in the reasonable judgment of the Agency;

(7) if the cost of such alterations, modifications or improvements is estimated to exceed \$250,000.00, such alterations, modifications or improvements shall be conducted only after the Company shall have furnished to the Agency a labor and materials payment bond, or other security, naming the Agency as dual obligee and otherwise in form and substance reasonably satisfactory to the Agency; provided, however, that such bond or other security need not be furnished to the Agency in connection with customary and reasonable initial tenant improvements;

(8) the Agency receives reasonably satisfactory evidence that such alterations, modifications and alterations do not change the nature of the Project Facility such that it would not comply with the terms of this Lease or such that it would not constitute a "project" (as such quoted term is defined in the Act);

(9) if such alterations, modifications or improvements involve an addition to the Project Facility or would otherwise result, but for the Agency's interest in the Project Facility, in an increase in the assessed value of the Premises, then the Agency may require an increase in the Administrative Fee, the Annual Fee and/or the sums payable under the PILOT Agreement, if any;

(10) no such alterations, modifications or improvements shall be entitled to any "financial assistance" (as such quoted term is defined in the Act) from the Agency unless agreed to in writing by the Agency; and

(11) an Event of Default shall not have occurred and be continuing under this Lease or any other Transaction Document.

All such alterations, modifications and improvements shall constitute a part of the Project Facility and the Company shall deliver or cause to be delivered to the Agency appropriate documents to convey title to or a leasehold interest in such property, as the case may be, to the Agency, free and clear of all liens, charges, encumbrances, security interests or claims other than Permitted Encumbrances, and to subject such property to this Lease.

(C) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the operation of the Project Facility, and the Company will defend (with counsel selected by the Agency), indemnify and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith.

(D) Any provision of this Lease to the contrary notwithstanding, the Company shall not construct any new building or structure on the Land (other than the Building) or any addition to any existing building on the Land, without the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion.

SECTION 6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

(A) The Company shall pay as the same respectively become due: (1) all taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility (other than those taxes for which payments in lieu thereof are being paid pursuant to the PILOT Agreement), (2) all utility and other charges, including "service charges" and deposits, incurred or imposed for the operation, maintenance, use, occupancy, upkeep and improvement of the Project Facility, and (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by any Governmental Authority for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Lease.

(B) If the Company fails to pay any tax, assessment or charge required to be paid pursuant to this Section 6.2, the Agency may pay or cause to be paid such taxes, assessments or charges. The Company shall reimburse the Agency for any amount paid under this Section 6.2, together with interest thereon from the date of payment at the Default Interest Rate.

(C) Notwithstanding the provisions of this Section 6.2, the Company may withhold any such payment and the Company may in good faith actively contest the amount, validity or the applicability of any payment referred to in such subsection (A), provided that (1) the Company shall have first notified the Agency in writing of such contest, (2) no Event of Default shall have occurred and be continuing under any of the Transaction Documents beyond applicable notice and cure periods, (3) the overall operating efficiency of the Project for the purposes for which it is intended is not materially impaired, (4) neither the Project Facility nor

any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings, (5) the Company shall have set aside on its books adequate reserves with respect thereto, and (6) the Company diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3 INSURANCE REQUIRED. During the term of this Lease, the Company shall maintain insurance with respect to the Project Facility against such risks and liabilities and for such amounts as are, in the Agency's reasonable judgment, customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) Insurance protecting the interests of the Company, as insured, the PILOT Mortgagee, as mortgagee, and the Agency, as loss payee (subject to Section 6.4(F) of this Lease), against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils embraced by a so-called "Special Form" policy of property insurance, in amounts sufficient to prevent the Company, the PILOT Mortgagee and the Agency from becoming a co-insurer under such policy and not less than 100% of the replacement cost of the Project Facility, without deduction for depreciation, and including coverage against acts of terrorism. Additionally, during any period in which construction work or alterations are being performed at the Project Facility, the Company shall maintain "Special Form" property insurance in the form of a "Builder's Risk" completed value non-reporting policy in an amount satisfactory to the Agency and which shall contain a provision granting the insured permission to complete and/or occupy.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the operation or maintenance of the Project Facility.

(C) Commercial general liability insurance protecting the Company, as insured, and the PILOT Mortgagee and the Agency, as additional insureds, against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.2 of this Lease), or arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000.00 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$1,000,000.00 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law, and a separate umbrella liability policy protecting the Company, as insured, and the PILOT Mortgagee and the Agency, as additional insureds, with a limit of not less than \$10,000,000.00, as said amounts may be adjusted by the Agency from time to time in its sole and absolute discretion.

(D) During any period of construction, renovation, improvement or reconstruction, to the extent not covered by the general liability insurance set forth in Subsection (C) above, Owners & Contractors Liability insurance for the benefit of the Company, the PILOT

Mortgagee and the Agency in a minimum amount of \$2,000,000.00 aggregate coverage for personal injury and property damage.

(E) Boiler and machine property damage insurance in respect of any steam and pressure boilers and similar apparatus, insuring risks normally insured against under boiler and machinery policies and in amounts and with deductibles customarily obtained for similar enterprises.

(F) A policy or policies of flood insurance in an amount not less than the maximum amount of flood insurance available with respect to the Project Facility under the Flood Disaster Protection Act of 1973, as amended. The requirements of this Subsection (F) shall be waived upon presentation of evidence satisfactory to the Agency that no portion of the Project Facility is located within an area identified by the U.S. Department of Housing and Urban Development as having special flood hazards.

(G) Such other insurance in such amounts and against such insurable hazards and risks as the Agency from time to time may reasonably require, including, without limitation, environmental hazard and liability insurance.

SECTION 6.4 ADDITIONAL PROVISIONS RESPECTING INSURANCE.

(A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having an A.M. Best rating of A- or better and a financial size category of at least VII. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged and shall provide that such insurance shall be without any right of contribution from any other insurance carried by the Agency. All policies evidencing such insurance shall name the Company, as named insured, and the Agency and the PILOT Mortgagee, as additional insureds, with respect to liability policies, and name the Agency as loss payee (subject to Subsection (F) hereof) and the PILOT Mortgagee as mortgagee, with respect to casualty policies, and provide for at least thirty (30) days' written notice to the Company, the PILOT Mortgagee and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. All insurance required hereunder shall be in form, content and coverage reasonably satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 hereof. At least fifteen (15) days prior to the expiration of any such policy, the Company shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Lease.

(B) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company; provided, however, that, if the premiums are not timely paid, the

Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest thereon at the Default Interest Rate.

(C) In the event of construction, reconstruction, improvement or renovation of any part of the Project Facility, the Company shall require its contractors and subcontractors, if any, to name the Agency and the PILOT Mortgagee as additional insureds on liability policies carried by such contractors or subcontractors with respect to their operations at the Premises or with respect to the Project.

(D) Each of the policies evidencing the insurance required by Section 6.3 of this Lease shall provide that: (i) there shall be no recourse against the Agency or the PILOT Mortgagee for the payment of premiums or commissions or, if such policies provide for the payment thereof, additional premiums or assessments; (ii) in respect of the interest of the Agency or the PILOT Mortgagee in such policies, the insurance shall not be invalidated by any action or inaction of the Company or any other Person and shall insure the Agency and the PILOT Mortgagee regardless of, and any losses shall be payable notwithstanding, any such action or inaction; (iii) if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or if there shall occur any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Agency or the PILOT Mortgagee until at least thirty (30) days after receipt by the Agency of written notice by such insurers of such cancellation, lapse, expiration, reduction or change (except for cancellation for nonpayment of premium for which ten (10) days notice of cancellation shall be given to the Agency); and (iv) the insurers waive subrogation thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or other deduction, in respect of any liability of any Person insured under such policy.

(E) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST IN THE PROJECT FACILITY.

(F) Any provision of this Lease to the contrary notwithstanding, at any time during the term of this Lease that any portion of the Bank Loan is outstanding and the Bank Mortgage remains a Lien on the Project Facility, the Agency agrees that (i) the Bank shall be the loss payee with respect to the Net Proceeds of the insurance required by Sections 6.3(A) and (E) hereof, and (ii) the provisions of Sections 6.5(A) and 7.1(B) hereof shall be superseded and replaced by the applicable provisions of the Bank Mortgage.

SECTION 6.5 APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows, subject to Section 6.4(F) of this Lease: (A) the Net Proceeds of the insurance required by Sections 6.3(A) and 6.3(E) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Sections 6.3(B), 6.3(C) and 6.3(D) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6 PAYMENTS IN LIEU OF TAXES.

(A) It is recognized that, under the provisions of the Act, the Agency is not required to pay certain taxes or assessments upon the Property acquired by it or under its jurisdiction, control or supervision or upon its activities as more particularly set forth in Section 874 of the Act. It is the intention of the parties hereto that the Project Facility be treated as exempt from real property taxation to the extent set forth in the PILOT Agreement, a copy of which is attached hereto as Exhibit H. Accordingly, the parties hereto acknowledge that the Agency shall file New York State Board of Real Property Services Form RP-412-a (a "Real Property Tax Exemption Form") with respect to the Project Facility. The Company hereby consents to any enforcement action provided to the Taxing Entities pursuant to law in the event that the Company should fail to pay any taxes not exempted as aforesaid and shall not object to any such enforcement action on the grounds that a subleasehold interest in the Project Facility is held by the Agency or that the Project Facility is under the Agency's jurisdiction, control or supervision or subject to its activities.

(B) The Agency and the Company hereby agree that the Company shall be required to make or cause to be made payments in lieu of taxes to the school districts, cities, towns, county, villages and other political unit(s) wherein the Project Facility is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities"), in such amounts and at such times as are required by the PILOT Agreement.

(C) Within thirty (30) days after receipt of written request therefore, the Company shall deliver to the Agency official receipts of the Taxing Entities or other proof reasonably satisfactory to the Agency evidencing payment of any amount that the Company is required to pay under the PILOT Agreement.

ARTICLE VII DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1 DAMAGE OR DESTRUCTION.

(A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease or the PILOT Agreement (whether or not the Project Facility is replaced, repaired, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or

modifications do not so change the nature of the Project Facility that it does not constitute a “project”, as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b) (1) the Agency shall make available to the Company (solely from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and, subject to the provisions of Section 6.4(F) of this Lease, in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company, if any, are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Lease. In such event, subject to the provisions of Section 6.4(F) of this Lease, the Net Proceeds collected by the Agency under any and all policies of insurance covering the damage to or destruction of the Project Facility, after deducting the amount necessary to repay the Indebtedness shall be paid to the Company for its own purposes. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to repay the Indebtedness in full.

(C) Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) and 6.3(C) hereof.

(D) The Company hereby waives the provisions of Section 227 of the Real Property Law of the State or any laws of like import, now or hereafter in effect.

SECTION 7.2 CONDEMNATION.

(A) To the best of the Company’s knowledge, no Condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility or the Agency’s or the Company’s interest therein or in the Overlease, the Company Lease or this Lease.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

(1) the Agency shall have no obligation to restore the Project Facility, or any part thereof;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease or the PILOT Agreement (whether or not the Project Facility is restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (C) of this Section 7.2, (a) the Company shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) subject to the provisions of Section 6.4(F) of this Lease, the Agency shall make available to the Company (solely from the Net Proceeds of any Condemnation award, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any Condemnation award remaining on deposit with the Agency, if any, after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in subsection (B) of this Section 7.2, the Company shall not be obligated to restore the Project Facility and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) (4) of this Section 7.2, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Lease. In such event, subject to the applicable provisions of the Bank Mortgage, the Net Proceeds of any Condemnation award collected by the Agency, if any, after deducting the amount necessary to repay the Indebtedness, shall be paid over to the Company for its own purposes. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be repaid in full.

(D) Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof or any interest therein or in the Overlease, the Company Lease or this Lease and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any Condemnation

proceedings and, within seven (7) days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(E) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company, which consent shall not be unreasonably withheld or delayed.

SECTION 7.3 ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein and shall be subject to this Lease.

ARTICLE VIII SPECIAL COVENANTS

SECTION 8.1 NO WARRANTY OF CONDITION OR SUITABILITY BY THE AGENCY; ACCEPTANCE "AS IS". THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS OF THE PROJECT FACILITY OR ANY PART THEREOF OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. THE COMPANY SHALL ACCEPT THE PROJECT FACILITY "AS IS", WITHOUT RECOURSE OF ANY NATURE AGAINST THE AGENCY FOR ANY CONDITION NOW OR HEREAFTER EXISTING. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE AGENCY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

SECTION 8.2 HOLD HARMLESS PROVISIONS.

(A) The Company hereby releases the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, from, agrees that the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, shall not be liable for and agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from and against any and all claims, causes of action, judgments, liabilities, damages, losses, costs and expenses arising directly or indirectly as a result of the Agency's undertaking the Project, including, but not limited to: (1) liability for loss or damage to Property or bodily injury to or death of any and all Persons that may be occasioned, directly or indirectly, by any cause whatsoever pertaining to the Project or the Project Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any Person or Property on, in or about the Project Facility, (2) liability arising from or expense incurred by the Agency's acquiring, owning, leasing, subleasing, sub-subleasing or selling the Project Facility or arising from or incurred based on the Agency's involvement in the Project Facility, including, without

limiting the generality of the foregoing, (i) all liabilities or claims arising as a result of the Agency's obligations under this Lease or any of the other Transaction Documents or the enforcement of or defense of validity of any provision of any of the Transaction Documents, and (ii) all liabilities or claims arising as a result of the Agency's involvement in the Project or the granting of the Financial Assistance, (3) all liabilities and expenses arising from the failure or alleged failure of the Project Facility, the Company or the Company's members, officers, agents, attorneys, servants or employees to comply with Applicable Laws, including, without limitation, any claim that the Agency aided or abetted in such failure or alleged failure to comply with Applicable Laws, and (4) all causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing; provided that such claims, causes of action, judgments, liabilities, damages, losses, costs or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(B) In the event of any claim against the Agency or its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefits laws or other employee benefit laws.

(C) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure its liabilities assumed pursuant to this Section 8.2 in the liability policies required by Section 6.3(C) of this Lease, if and to the extent available in the State.

(D) Notwithstanding any other provisions of this Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency or its members, agents (other than the Company), attorneys, servants or employees, past, present or future, relating thereto.

SECTION 8.3 RIGHT OF ACCESS TO THE PROJECT FACILITY. The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times and upon reasonable notice to enter upon and to examine and inspect the Project Facility; provided, however, that no such notice shall be required in the event of an emergency or if an Event of Default has occurred and is continuing under this Lease. The Company further agrees that the Agency shall have such rights of access to the Project Facility (subject to the provisions of the immediately preceding sentence of this Section) as may be reasonably necessary to cause the proper maintenance of the Project Facility in the event of failure by the Company to perform

its obligations hereunder, but the exercise of such right shall in no event be construed to mean that the Agency has assumed any obligation hereunder to perform such maintenance.

SECTION 8.4 COMPANY NOT TO TERMINATE EXISTENCE OR DISPOSE OF ASSETS. The Company agrees that, during the term of this Lease, it (A) will maintain its corporate existence as in effect on the Closing Date, (B) will not dissolve or otherwise dispose of all or substantially all of its assets, and (C) will not consolidate with or merge into another corporation or other Person, or permit one or more corporations or other Persons to consolidate with or merge into it, without giving prior written notice to the Agency and obtaining the consent of the Agency. The Company agrees that it will not change its name or its state of organization without giving prior written notice to the Agency and obtaining the consent of the Agency, which consent shall not be unreasonably withheld or delayed.

SECTION 8.5 AGREEMENT TO PROVIDE INFORMATION. The Company agrees, whenever reasonably requested by the Agency, to promptly provide and certify or cause to be provided and certified such information concerning the Project Facility, the Company, the Overlandlord, the Guarantors and/or their respective finances, operations and affairs and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by Applicable Laws or other governmental regulation or to ensure compliance with the provisions of this Lease and the other Transaction Documents.

SECTION 8.6 BOOKS OF RECORD AND ACCOUNT; COMPLIANCE CERTIFICATES.

(A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) Within thirty (30) days after the end of each fiscal year of the Company, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder or under any other Transaction Document has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto. The Company represents to the Agency that the Company's fiscal year ends on December 31st.

SECTION 8.7 COMPLIANCE WITH APPLICABLE LAWS.

(A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) no Event of Default shall have occurred and be continuing under any of the Transaction Documents beyond any applicable notice or cure period, (3) shall have set aside adequate reserves for any such requirement, (4) demonstrates to the reasonable satisfaction of the

Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture, (5) demonstrates to the reasonable satisfaction of the Agency that such contest shall not result in the Company or the Agency being in any danger of any civil or criminal liability for failure to comply therewith, and (6) diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

(A) The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency or on any funds of the Agency applicable to or deriving from the Project Facility.

(B) If any Lien (other than a Permitted Encumbrance) is filed or asserted, or any judgment, decree, order, levy or process of any court or governmental body is entered, made or issued or any claim, whether or not valid, is made against the Project Facility or any part thereof or the interest therein of the Company or the Agency or against any funds of the Agency applicable to or deriving from the Project Facility, the Company, immediately upon receiving notice of the filing, assertion, entry or issuance thereof, shall give written notice thereof to the Agency and shall take all action (including, without limitation, the payment of money and/or securing of a bond) at its own cost and expense as may be necessary or appropriate to obtain the discharge in full thereof and remove or nullify the basis therefor. Nothing herein shall be construed as constituting the consent to or permission of the Agency for the performance of any labor or services or the furnishing of any materials that would give rise to any Lien against the Agency's interest in the Project Facility.

SECTION 8.9 PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but shall not be obligated to, without notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith; and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon, at the Default Interest Rate.

The Company shall provide such annual reports (and supporting documentation) and shall cause its Affiliates, tenants, occupants, operators, contractors and agents and the Overlandlord to provide such reports (and supporting documentation) with respect to their respective employees, if any, at the Project Facility. The Agency shall have the right, at the Company’s expense, to audit, confirm and/or require additional information with regard thereto and the Company agrees to cooperate with the Agency in connection therewith.

(E) The Company shall, at all times during the term of this Lease, maintain the Minimum Employment Requirement.

(F) Subject to (i) collective bargaining contracts or agreements and other existing contracts or agreements to which the Company is a party or by which the Company is bound and (ii) compliance with Applicable Laws, the Company agrees to list or cause to be listed all new employment opportunities created as a result of the Project on the Nassau County TweetMyJobs website or other website designated by the Agency from time to time, provided that such listing shall be at no cost to the Company.

ARTICLE IX
ASSIGNMENTS; LEASING; MERGER OF THE AGENCY

SECTION 9.1 ASSIGNMENT OF THIS LEASE.

This Lease may not be sold, assigned or otherwise transferred by the Company, in whole or in part, without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion, and shall in all events be subject to and conditioned upon the payment of the then-standard fees of the Agency and the satisfaction of all requirements of the Act. Any such sale, assignment or transfer made by the Company without the prior written consent of the Agency as aforesaid shall be null and void. Any such sale, assignment or transfer consented to by the Agency shall be made pursuant to documentation satisfactory to the Agency. The Company shall pay all reasonable and customary fees and expenses incurred by the Agency in connection with such sale, assignment or transfer.

SECTION 9.2 MERGER OF THE AGENCY.

(A) Nothing contained in this Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or any political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder and under the other Transaction Documents; provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall endeavor to give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3 SALE OR LEASE OF THE PROJECT FACILITY.

(A) The Company shall not lease, sublease, sub-sublease, license or otherwise permit others to use or occupy the Project Facility or any portion thereof without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion, except for leases, subleases, sub-subleases and other occupancy arrangements as set forth in Subsection (B) of this Section 9.3, if any.

(B) Intentionally omitted.

(C) Subject to Subsection (D) of this Lease, the Company shall not sell, transfer, convey or otherwise dispose of its interest in the Project Facility or any portion thereof without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion.

(D) Notwithstanding anything to the contrary contained in this Section 9.3, in any instance where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency but, upon reasonable prior notice to the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with items of similar quality and value as the items replaced as of the date of original installation of the replaced items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments reasonably necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Transaction Documents. The Company shall pay all reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred in transferring title to and releasing from the Liens of the Transaction Documents any item of Property removed pursuant to this Section 9.3.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1 EVENTS OF DEFAULT DEFINED.

(2) A default in the performance or observance of any covenant, condition or agreement on the part of the Company in this Lease (other than as set forth in subsection (1) above or in any other subsection of this Section 10.1(A)) and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, or, if such covenant, condition or agreement is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the cure to completion with due diligence.

(3) The occurrence of an "Event of Default" under any other Transaction Document.

(4) The Company shall generally not pay its debts as such debts become due or admits in writing its inability to generally pay its debts as they become due.

them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within ten (10) days from the date thereof.

(6) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy or insolvency statute; (b) the failure by the Company within thirty (30) days to lift any execution, garnishment or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder; (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy or insolvency statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of thirty (30) days; (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver, liquidator or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within thirty (30) days of such appointment.

(7) Except as expressly permitted pursuant to the provisions of Section 2.2(R) of this Lease, if any interest in the Company shall be sold, assigned, transferred, conveyed, mortgaged, pledged, hypothecated or alienated, or if any member or shareholder of the Company enters into an agreement or contract to do so, without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed, provided that the Minimum Employment Requirement is maintained and the Company is not otherwise in default of its obligations under this Lease or any other Transaction Document.

(8) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance and the failure of the Company to remove such Lien, whether by the payment of money, the securing of a bond or otherwise, within fifteen (15) days after the Company receives notice or becomes aware of such imposition.

(9) The removal of the Project Facility, or any portion thereof, outside the County, without the prior written consent of the Agency, other than in connection with a removal permitted under Section 9.3(D) of this Lease.

(10) If any certificate, statement, representation, warranty or financial statement made to the Agency by or on behalf of the Company, the Overlandlord or any Guarantor shall prove to have been false, misleading or incorrect in any material respect at the time as of which the facts therein set forth were made, or to have omitted any

material liability or claim against the Company, the Overlandlord or any Guarantor as the case may be.

(11) If the environmental or ecological condition of the Project Facility is in violation of any Environmental Law or any permit, license or approval related thereto or if the Project Facility, or any part thereof, contains any Hazardous Materials (except Hazardous Materials which do not violate Environmental Laws), and the Company is unable to comply with such Environmental Laws within twenty (20) days of the notification or discovery of such violation or complete all appropriate and lawful remedial containment and clean-up action within twenty (20) days of the notification or discovery of the existence of such Hazardous Materials.

(12) Any loss or impairment of the Agency's interest in and to the Project Facility, or any part thereof, not due to the voluntary acts of the Agency.

(13) The Company, the Overlandlord, any Guarantor or any Affiliate thereof or any director, member, manager, officer or shareholder of the Company or the Overlandlord, as the case may be, shall become a Prohibited Person.

(14) Any assignment of this Lease or the Company Lease, in whole or in part, or any letting or sub-subletting of the Project Facility, or any portion thereof, except as expressly permitted by Section 9.3(B) of this Lease, without the prior written consent of the Agency, or any sale of fee title to the Project Facility by the Overlandlord.

(15) An Event of Default shall occur under the Overlease, the Company Lease, the Bank Mortgage or under any other Permitted Encumbrance, or the Overlease shall expire by its terms or shall be sooner terminated for any reason.

(16) If a Person other than one of the Initial Owners ceases to have control of the management and operations of the Company for any reason.

(17) If any of the events enumerated in clauses (4) through (6) of this Section 10.1(A) shall happen to the Overlandlord or any Guarantor.

(18) The Company, the Overlandlord or any Guarantor defaults under or attempts to withdraw, renege, cancel or disclaim liability under any guaranty or indemnity made by such party in favor of the Agency, including, without limitation, the Environmental Indemnification or the Guaranty.

(19) If the Company fails to maintain the Minimum Employment Requirement at any time during the term of this Lease.

(20) Failure by the Company at any time to keep in full force and effect the insurance policies and coverages required by Section 6.3 of this Lease.

(21) Any loss or impairment of the Company's interest in and to the Project Facility, or any part thereof.

(22) The occurrence of an Event of Default under any Related Lease or under any other document, instrument or agreement between the Agency and the Company with respect to the 5 Harbor Project Facility, the 10 Harbor Project Facility and/or the 18 Industrial Project Facility (each, a “Related Transaction Document”).

(B) Notwithstanding the provisions of Section 10.1(A) hereof if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Lease and if such party shall give notice and full particulars of such force majeure event or cause in writing to the other party within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Lease of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability to perform. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required under this Lease, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 2.2(G), 3.1, 3.3, 6.1, 8.2 and 12.9(C) hereof and to comply with the provisions of Sections 2.2(G), 6.6, 8.2, 8.4, 8.5 and 8.7(C) hereof. The term “force majeure” as used herein shall include acts outside of the control of the Agency and the Company, including, but not limited to, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, restraint of government and people, civil disturbances, breakage or accident to transmission pipes or canals, and failure of utilities.

SECTION 10.2 REMEDIES ON DEFAULT.

(A) Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent not prohibited by law, take any one or more of the following remedial steps:

(1) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 hereof, and (b) all other payments due under this Lease or any of the other Transaction Documents, including, without limitation, any resulting Recapture of Benefits under Section 11.4 of this Lease; or

(2) re-enter and take possession of the Project Facility, enforce or terminate this Lease, sell or assign the Agency’s interest in the Project Facility, subject to Permitted Encumbrances, at public or private sale, as a whole or piecemeal, in whole or in part, for such consideration as may be deemed appropriate in the circumstances by the Agency, and hold the Company liable for the amount, if any, by which the aggregate unpaid amounts due hereunder exceed the Net Proceeds received upon such sale, or manage and operate the Project Facility, collect all or any rents accruing therefrom, let or relet the Project Facility or any part thereof for the Agency’s own account or the account of the Company, holding the Company liable for payments due up to the effective date of such leasing and for the difference in the rent and other amounts paid by the sublessee

pursuant to such lease and the rental payments and other amounts payable by the Company hereunder, cancel or modify leases, evict tenants, bring or defend any suits in connection with the possession of the Project Facility in its own name or in the Company's name, make repairs as the Agency deems appropriate, and perform such other acts in connection with the management, operation or disposition of the Project Facility, or any portion thereof, as the Agency, in its discretion, may deem proper; or

(3) terminate this Lease and/or terminate the Company Lease and/or convey to the Company all the Agency's right, title and interest in and to the Project Facility. The conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution by the Agency of the Termination of Lease and/or the Termination of Company Lease, as applicable. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such termination and conveyance. The Company hereby waives delivery and acceptance of such termination as a condition to its validity, and appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest) with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording or filing of such documents; or

(4) bring an action for damages, injunction or specific performance; or

(5) intentionally omitted; or

(6) require the Company and the Overlandlord to make payments in lieu of real property taxes under the PILOT Agreement in amounts equal to the amounts the Company or the Overlandlord would otherwise be required to pay if the Company or the Overlandlord were the owner of the Project Facility (and the Agency did not hold an interest therein); or

(7) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Lease.

(B) No action taken pursuant to this Section 10.2 (including repossession of the Project Facility) shall relieve the Company from its obligations to make all payments required by this Lease and the other Transaction Documents.

SECTION 10.3 REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES.

In the event the Company should default under any of the provisions of this Lease or any other Transaction Document and the Agency should retain attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency such fees and expenses (including, without limitation, attorneys' fees and expenses) so incurred, whether an action is commenced or not.

SECTION 10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In

the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI
OPTIONS TO TERMINATE

SECTION 11.1 EARLY TERMINATION OF THE LEASE. The Company shall

have the option, subject to obtaining the written consent of the Bank, to terminate this Lease at any time prior to the termination date specified in Section 5.2 hereof, by filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section 11.1 and setting forth the effective date of such termination, which effective date shall not be less than thirty (30) days after the delivery of the certificate to the Agency. The exercise of the option to terminate pursuant to this Section 11.1 shall constitute a "Recapture Event" (as such term is defined in Section 11.4 hereof). The Company shall not, at any time, assign or transfer its option to terminate this Lease and purchase the Agency's interest in the Project Facility as contained in this Section 11.1 separate and apart from a permitted assignment of this Lease pursuant to Section 9.1 of this Lease without the prior written consent of the Agency.

SECTION 11.2 OBLIGATION TO TERMINATE THE LEASE.

(A) Contemporaneously with the termination of this Lease in accordance with Section 5.2 or Section 11.1 hereof, the Company shall pay all sums required to be paid to the Agency or any other Person pursuant to this Lease and the other Transaction Documents (including any applicable Recapture of Benefits). The obligation of the Agency under this Section 11.2 to convey its interest in the Project Facility to the Company will be subject to there being no Event of Default existing hereunder or under any other Transaction Document, and there being no other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default.

(B) The termination of this Lease and the conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution and delivery by the Agency of (1) the Termination of Company Lease (an unexecuted copy of which is attached hereto as Exhibit C), and (2) the Termination of Lease (an unexecuted copy of which is attached hereto as Exhibit F). The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such termination, including, without limitation, all of the Agency's

reasonable costs and expenses in connection therewith (including reasonable attorneys' fees and expenses).

(C) The Company agrees to prepare the Termination of Company Lease and/or the Termination of Lease, and all schedules thereto, together with all equalization and assessment forms and other necessary documentation, and to forward same to the Agency at least fifteen (15) days prior to the date that this Lease is to be terminated and the Agency's interest in the Project Facility or any portion thereof is to be conveyed to the Company. The Company hereby irrevocably appoints and designates the Agency as its attorney-in-fact for the purpose of executing, delivering and/or recording such documents and to take such other and further action as shall be necessary to terminate the Agency's interest in the Project Facility.

(D) This Lease shall survive the transfer of the Project Facility to the Company pursuant to this Section 11.2 and shall remain in full force and effect until ninety-one (91) days after all of the Indebtedness shall have been paid in full, and thereafter the obligations of the Company shall survive as set forth in Section 12.7 hereof.

(E) Upon the payment in full of all Indebtedness, and notwithstanding the survival of certain obligations of the Company as described in Section 12.7 hereof, the Agency shall upon the request of the Company execute and deliver to the Company such documents as the Company may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency hereunder.

SECTION 11.3 RESERVED.

SECTION 11.4 RECAPTURE OF AGENCY BENEFITS.

(A) It is understood and agreed by the parties to this Lease that the Agency is entering into this Lease in order to provide the Financial Assistance to the Company for the Project and to accomplish the purposes of the Act. In consideration therefor, the Company hereby agrees that if there shall occur a Recapture Event (as hereinafter defined), then the Company shall pay to the Agency as a return of public benefits conferred by the Agency, an amount as follows (such amount, the "Recapture of Benefits"):

- (1) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs on or before the seventh (7th) anniversary of the Closing Date;
- (2) eighty per cent (80%) of the Benefits if the Recapture Event occurs after the seventh (7th) anniversary of the Closing Date but on or before the ninth (9th) anniversary of the Closing Date;
- (3) sixty per cent (60%) of the Benefits if the Recapture Event occurs after the ninth (9th) anniversary of the Closing Date but on or before the eleventh (11th) anniversary of the Closing Date;
- (4) forty per cent (40%) of the Benefits if the Recapture Event occurs after the eleventh (11th) anniversary of the Closing Date but on or before the thirteenth (13th) anniversary of the Closing Date;

(5) twenty per cent (20%) of the Benefits if the Recapture Event occurs after the thirteenth (13th) anniversary of the Closing Date but on or before the fifteenth (15th) anniversary of the Closing Date; or

(6) zero per cent (0%) of the Benefits thereafter.

(B) The term “Benefits” shall mean the Agency’s calculation of, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Company during such time as the Agency held an interest in the Project Facility by reason of such interest, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under the PILOT Agreement (through the date that the Project Facility is returned to the tax rolls as taxable property) from those payments which the Company would have been required to pay through such date had the Company been the owner of the Project Facility and the Agency not been involved in the Project and based on the records of the Nassau County Tax Assessor and any applicable village tax assessor, and treating any negative result as \$0; and

(2) all miscellaneous benefits derived from the Agency’s participation in the transactions contemplated by this Lease, including, but not limited to, any exemption from real property transfer taxes and any exemption from mortgage recording taxes.

(C) For the purposes of this Section 11.4 the term “Recapture Event” shall mean the occurrence of any of the following events:

(1) The Company shall have liquidated its operations and/or assets; or

(2) The Company shall have ceased all or substantially all of its operations at the Project Facility (whether by closure or by relocation to another facility either within or outside of the County); or

(3) The Company shall have transferred all or substantially all of its employees engaged in the maintenance or operation of the Project Facility to a location outside of the County; or

(4) The occurrence and continuance of an Event of Default under this Lease or any other Transaction Document; or

(5) The Company shall have effected a substantial change in the scope and nature of the operations of the Company at the Project Facility without the prior written consent of the Agency; or

(6) The Company shall have sold, leased, subleased, sub-subleased, assigned, transferred or otherwise disposed of all or any part of its interest in the Project Facility in violation of this Lease or the Overlandlord shall have sold or otherwise transferred fee title to the Project Facility; or

(7) The Company fails to maintain the Minimum Employment Requirement at any time during the term of this Lease; or

(8) The Application, or documentation in support of the Application, contained a false or misleading statement of a material nature as to any fact in the Application or omitted any information which, if included, would have rendered any information in the Application or supporting documentation false or misleading in any material respect, and such false or misleading statement or omission was made knowingly by the Company.

(9) The occurrence of a Recapture Event under any Related Lease.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a Condemnation by governmental authority of all or substantially all of the Project Facility or any interest therein, or (ii) the inability at law of the Company to rebuild, repair, restore or replace the Project Facility after the occurrence of a casualty to substantially its condition prior to such casualty, which inability shall have arisen in good faith through no fault on the part of the Company.

(D) The Company covenants and agrees to furnish the Agency with written notification upon the occurrence of any Recapture Event, which notification shall set forth the terms of such Recapture Event.

(E) In the event any payment owing by the Company under this Section 11.4 shall not be paid on demand by the Company, such payment shall bear interest from the date of such demand at the Default Interest Rate until the Company shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

Further, if any one or more of the phrases, sentences, clauses, paragraphs or sections herein shall be held void, voidable, invalid or unenforceable by a court of competent jurisdiction, then such covenant or covenants or agreement or agreements shall be deemed separable from the remaining covenants and agreements hereof and shall in no way affect the validity of the other provisions of this Lease.

SECTION 12.6 APPLICABLE LAW. This Lease shall be governed by and construed in accordance with the applicable laws of the State, as in effect from time to time, without regard to its principles of conflicts of law.

SECTION 12.7 SURVIVAL OF OBLIGATIONS.

(A) The obligations of the Company to make the payments required by Sections 2.2(G), 3.1, 3.3, 4.1, 5.3, 5.4, 6.4(B), 6.6, 8.2, 8.9, 9.1, 9.3, 10.2 10.4, 11.2 and 11.4 hereof and to provide the indemnity required by Sections 2.2(G), 3.1, 3.3, 6.1, 8.2 and 12.9(C) hereof and its obligations and those of the Company, the Overlandlord and the Guarantors under the Environmental Indemnification, as the case may be, shall survive the termination of this Lease, and all such payments after such termination shall be made upon demand of the party to whom such payment is due.

(B) The obligations of the Company to the Agency with respect to the Unassigned Rights shall survive the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitation during which a claim, cause of action or prosecution relating to the Unassigned Rights may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), attorneys, servants or employees, past, present or future, related thereto.

SECTION 12.8 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING. The Table of Contents and the headings of the several Sections in this Lease have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Lease.

SECTION 12.9 NO RECOURSE; SPECIAL OBLIGATION.

(A) The obligations and agreements of the Agency contained herein and in the other Transaction Documents and any other instrument or document executed in connection therewith or herewith, and any other instrument or document supplemental thereto or hereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Company), servant or employee of the Agency in his individual capacity, and the members, officers, agents (other than the Company), servants and employees, past, present and future, of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby.

(B) The obligations and agreements of the Agency contained herein and therein shall not constitute or give rise to an obligation of the State or the County and neither the State nor the County shall be liable hereon or thereon, and, further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Agency's interest in the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights).

(C) No order or decree of specific performance with respect to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and ten (10) business days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than ten (10) business days, shall have failed to institute and diligently pursue action to cause compliance with such request within such ten (10) business day period) or failed to respond within such notice period, (2) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such fees and expenses, and (3) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents (other than the Company), servants or employees, past, present or future, shall be subject to potential liability, the party seeking such order or decree shall (a) agree to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability incurred as a result of its compliance with such demand, and (b) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents (other than the Company), servants and employees, past, present and future, against all liability expected to be incurred as a result of compliance with such request.

SECTION 12.10 NET LEASE. The obligation of the Company to make the payments specified in this Lease shall be absolutely net to the Agency without any abatement, recoupment, diminution, reduction, deduction, counterclaim, set-off or offset whatsoever, so that this Lease shall yield, net, to the Agency, the payments set forth herein.

SECTION 12.11 WAIVER OF JURY TRIAL. THE COMPANY AND THE AGENCY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS LEASE, ANY OTHER TRANSACTION DOCUMENT OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION WITH THIS LEASE.

SECTION 12.12 PRIOR AGREEMENTS. This Lease and the other Transaction Documents shall completely and fully supersede all other prior understandings or agreements, written or oral, between the Company and the Agency relating to the Project.

SECTION 12.13 SERVICE OF PROCESS.

(A) The Company represents that it is subject to service of process in the State of New York and covenants that it will remain so subject so long as this Lease shall be in effect. If for any reason the Company should cease to be so subject to service of process in the State of New York, the Company hereby designates and appoints, without power of revocation, William Cornachio, Esq., Rivkin Radler LLP, 926 RXR Plaza, Uniondale, NY 11556, and successor(s) as its agent for service of process, and if such agent shall cease to act or otherwise cease to be subject to service of process in the State of New York, the Secretary of State of the State of New York, as the agents of the Company upon whom may be served all process, pleadings, notices or other papers which may be served upon the Company as a result of any of its obligations under this Lease; provided, however, that the serving of such process, pleadings, notices or other papers shall not constitute a condition to the Company's obligations hereunder.

(B) The Company irrevocably and unconditionally (a) agrees that any suit, action or other legal proceeding arising out of this Lease or the other Transaction Documents may be brought in the courts of record of the State of New York in Nassau County or the courts of the United States, Eastern District of New York; (b) consents to the jurisdiction of each such court in any such suit, action or proceeding; and (c) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. For such time as this Lease is in effect, the Company's agents designated above shall accept and acknowledge in the Company's behalf service of any and all process in any such suit, action or proceeding brought in any such court. The Company agrees and consents that any such service of process upon such agents and written notice of such service to the Company in the manner set forth in Section 12.1 hereof shall be taken and held to be valid personal service upon the Company whether or not the Company shall then be doing, or at any time shall have done, business within the State of New York and that any such service of process shall be of the same force and validity as if service were made upon the Company according to the laws governing the validity and requirements of such service in the State of New York, and waives all claim of error by reason of any such service. Such agents shall not have any power or authority to enter into any appearance or to file any pleadings in connection with any suit, action or other legal proceedings against the Company or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Company.

SECTION 12.14 THIRD PARTY BENEFICIARIES. Nothing herein is intended to be for, or to inure to, the benefit of any Person other than the parties hereto.

SECTION 12.15 NON-DISCRIMINATION.

(A) At all times during the term of this Lease, the Company shall not discriminate against any employee or applicant for employment because of race, color, religion, age, gender, sexual orientation, national origin, marital status, military status, disability, familial status or other characteristic or criteria protected by Applicable Law. The Company shall use reasonable efforts to ensure that employees and applicants for employment with any tenant, subtenant, occupant or user of the Project Facility, or any part thereof, or any contractor or subcontractor with respect to the Project Facility, are treated without regard to their race, color, ethnicity, religion, creed, age, gender, sexual orientation, national origin, marital status, military status, disability, familial status or other characteristic or criteria protected by Applicable Law. As used herein, the term "treated" shall mean and include, without limitation, the following: recruited, whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship; promoted; upgraded; downgraded; demoted; transferred; laid off; and terminated.

(B) The Company shall, in all solicitations or advertisements for employees placed by or on behalf of the Company, state that all qualified applicants will be considered for employment without regard to race, color, ethnicity, religion, creed, age, gender, sexual orientation, national origin, marital status, military status, disability, familial status or other characteristic or criteria protected by Applicable Law.

(C) The Company shall furnish to the Agency all information required by the Agency pursuant to this Section 12.15 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 12.15.

SECTION 12.16 DATE OF LEASE. The date of this Lease shall be for reference purposes only and shall not be construed to imply that this Lease was executed on the date first above written. This Lease was executed and delivered on April 16, 2018.

SECTION 12.17 RECORDING AND FILING. This Lease or a memorandum hereof shall be recorded by the Company in the appropriate office of the Clerk of the County, or in such other office as may at the time be provided by law as the proper place for the recordation thereof.

SECTION 12.18 SUBORDINATION. This Lease and all of the Transaction Documents, except for the PILOT Agreement, the PILOT Mortgage, the Agency's rights under Section 11.4 of this Lease and the Agency's rights with respect to the Unassigned Rights under this Lease, shall be subject and subordinate to the lien and the terms and conditions of the Bank Mortgage, including all amounts advanced thereunder and all renewals, modifications and replacements thereof. The Bank Mortgage (including all amounts advanced thereunder and all renewals, modifications and replacements thereof) shall be subject and subordinate to the PILOT Agreement, the PILOT Mortgage, the Agency's rights under Section 11.4 of this Lease and the Agency's rights with respect to the Unassigned Rights under this Lease. This Lease, except with regard to the Agency's Unassigned Rights, is subject and subordinate to the lien of the PILOT Mortgage.

SECTION 12.19. BANK MORTGAGE. (A) The Company hereby directs the Agency to give and the Agency hereby agrees to give the Bank notice, in the manner set forth in Section 12.1 of this Lease, of any default by the Company under this Lease (including, without limitation, any Recapture Event), the PILOT Agreement or any other Transaction Document which the Agency is required to give to the Company pursuant to the terms of this Lease, the PILOT Agreement or any such other Transaction Document, and the Bank shall have the right (but not the obligation) to cure such default within the time period, if any, provided for such cure to be carried out by the Company pursuant to the terms of this Lease, the PILOT Agreement or such other Transaction Document, as applicable. Each of the Company and the Agency agrees that no notice given pursuant to the preceding sentence shall be effective against the Bank unless a copy has been delivered to the Bank. The Agency shall accept such cure by the Bank as if such cure were performed by the Company. The Company acknowledges and agrees that the Agency may accept such cure by the Bank and waives any claims it may have against the Agency based upon, arising from or in connection with this Subsection (A).

(B) The Agency and the Company agree that the Bank may exercise the Company's option to terminate this Lease in accordance with Section 11.1 of this Lease, whether in the name of the Company or the Bank, subject to compliance with the provisions of Article XI of this Lease. If the Bank shall exercise such option to terminate in accordance with the terms of Article XI of this Lease, the Agency agrees to perform its obligations under such Article XI at the direction and for the benefit of the Bank. The Company waives any claims it may have against the Agency based upon, arising from or in connection with Article XI of this Lease.

(C) The Agency acknowledges that the lien of the Bank Mortgage attaches to property insurance proceeds and, notwithstanding the provisions of this Lease to the contrary, if any, the Bank may, subject to the terms of the Bank Mortgage and the other documents, instruments and agreements executed by the Overlandlord in connection therewith (collectively, the "Bank Loan Documents"), require that such property insurance proceeds be applied to reduce the unpaid balance of the Overlandlord's obligations under the Bank Note and the other Bank Loan Documents. Also, notwithstanding any of the provisions of this Lease to the contrary, under no circumstances shall the Bank or its successors or assigns have any obligation under this Lease to repair, restore or replace the improvements or the clean-up and removal of Hazardous Materials, or reimburse the Agency for such repair, restoration, replacement, clean-up or removal, except to the extent that any obligation to clean-up and remove Hazardous Materials arises, commences or, occurs as a result of actions taken by Bank, or continues following acquisition of the Project Facility by the Bank through foreclosure of the Bank Mortgage or a deed in lieu of foreclosure.

(D) In the event of a taking of the Project Facility through the exercise of eminent domain or similar proceedings, all proceeds shall, subject to the terms of the Bank Loan Documents, be applied first to reduce the unpaid balance of the Overlandlord's obligations to the Bank pursuant to the terms and conditions of the Bank Note and the other Bank Loan Documents. In addition, the Agency agrees that in the event of a taking of the Project Facility, or any portion thereof, through the exercise of eminent domain or similar proceedings, the Bank shall, subject to the terms of the Bank Loan Documents, have the right to participate in such

proceedings with respect to the determination of value as provided under the terms of the Bank Mortgage and the other Bank Loan Documents.

(E) The Bank may terminate, sell, transfer or assign its rights and obligations under the Bank Loan Documents, or modify or amend any of the terms of the Bank Loan Documents at any time without the Agency's consent, but the Agency shall not be bound by any such modification or amendment thereto unless it consents thereto in writing.

(F) This Lease, the PILOT Agreement and the PILOT Mortgage shall not be amended or modified without the Bank's prior written consent, which consent shall not be unreasonably withheld or delayed.

SECTION 12.20 OVERLEASE. The Company covenants and agrees to comply with and perform as and when required all of the covenants and agreements imposed on the tenant under the Overlease.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Agency and the Company have caused this Lease to be executed in their respective names by their respective duly authorized officers, all as of the day and year first above written.

PAYMENT IN LIEU OF TAXES AGREEMENT

THIS PAYMENT IN LIEU OF TAXES AGREEMENT (this “Agreement”), made as of April 1, 2018, by and among LIF INDUSTRIES, INC., a corporation organized and existing under the laws of the State of New York, having an office at 5 Harbor Park Drive, Port Washington, NY 11050 (the “Company”), 22 HARBOR PARK DRIVE, LLC, a limited liability company organized and existing under the laws of the State of New York, having an office at 5 Harbor Park Drive, Port Washington, NY 11050 (the “Overlandlord” and together with the Company, the “Obligors”), and the NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation of the State of New York, having an office at One West Street, Suite 326, Mineola, NY 11501 (the “Agency”). Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Lease Agreement (as hereinafter defined).

W I T N E S S E T H

WHEREAS, the Agency is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, the Company submitted an application for financial assistance (the “Application”) to the Agency requesting that the Agency consider undertaking a project (the “Project”) consisting of, inter alia, the following: (A) the acquisition of an interest in an approximately 6.59 acre parcel of land located at 22 Harbor Park Drive, Port Washington, Town of North Hempstead, Nassau County, New York (Section: 6; Block: 58; Lots: 105 & 106) (the “Land”), which Land is more particularly described on Schedule A attached hereto, and the existing building (the “Building”) on the Land (collectively, the “Project Facility”); (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Company or such other entity as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, the Overlandlord is the owner of fee title to the Land and the Building (collectively, the “Facility”); and

WHEREAS, the Company is the tenant under a lease agreement dated the Closing Date (the “Overlease”) between the Overlandlord, as landlord, and the Company, as tenant, pursuant to which the Company leases the Facility from the Overlandlord; and

WHEREAS, the Agency is or will be the holder of a subleasehold interest in the Facility pursuant to a certain company lease agreement of even date herewith (as amended, modified, supplemented or restated from time to time, the “Company Lease”), between the Company and the Agency, which conveys to the Agency a subleasehold interest in and to the Facility (with the consent of the Overlandlord); and

WHEREAS, the Agency proposes to undertake the Project as an authorized project under the Act and to sublease its interest in the Facility to the Company pursuant to a Sublease Agreement of even date herewith between the Agency and the Company (as amended, modified, supplemented or restated from time to time, the “Lease Agreement”); and

WHEREAS, the payment and performance of the Obligors respective obligations under this Agreement shall be secured by a Mortgage and Assignment of Leases and Rents of even date herewith (as amended, modified, supplemented or restated from time to time, the “PILOT Mortgage”) from the Obligors and the Agency, as mortgagor, to the County of Nassau (the “PILOT Mortgagee”), its successors and assigns, as mortgagee, pursuant to which the Agency, the Overlandlord and the Company grant a first mortgage lien on the Facility to the PILOT Mortgagee; and

WHEREAS, under the present provisions of the Act and under the present Section 412-a of the Real Property Tax Law of the State of New York (the “RPTL”), the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or under its control;

NOW, THEREFORE, in consideration of the premises and the payments, agreements, and covenants hereinafter contained, the Obligors and the Agency covenant and mutually agree as follows:

Section 1. Tax-Exempt Status of Facility.

A. RPTL Application. (1) The Company shall complete, and the Agency shall file, an application for tax exemption pursuant to Section 412-a of the RPTL (the “RPTL Application”). The RPTL Application shall be filed with the assessor for each of the various taxing entities having jurisdiction over the Facility, including, without limitation, the County of Nassau (the “County”) and each city, town, village and school district within which the Facility is located (such taxing entities, and any successors thereto, being hereinafter collectively referred to as the “Taxing Entities” and each individually as a “Taxing Entity”). The Facility shall not be entitled to exempt status on the tax rolls of any Taxing Entity until the beginning of the first fiscal tax year of such Taxing Entity following the first taxable status date of such Taxing Entity occurring subsequent to the last to occur of (i) the Agency becoming the holder of a subleasehold interest in the Facility, (ii) the filing by the Agency of the appropriate RPTL Application for tax

exemption, and (iii) the acceptance of such RPTL Application by the appropriate tax assessor(s) (such date, the “PILOT Commencement Date”).

(2) The Obligors hereby waive any claim or cause of action against the Agency, and release the Agency from any liability to the Obligors, arising from any denial of an exemption from real property taxes and assessments, except to the extent that such denial results from the failure of the Agency, after demand by the Obligors, to file the completed RPTL Application for tax exemption as set forth in this Agreement.

(3) By virtue of the execution and delivery of this PILOT Agreement by the Obligors, the Project Facility is under the jurisdiction of the Agency for purposes of Section 412-a of the RPTL.

B. Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the General Municipal Law of the State of New York and Section 412-a of the RPTL may not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement and the other Transaction Documents, the Obligors will be required to pay all special assessments and special ad valorem levies levied and/or assessed against or with respect to the Facility, subject to Section 2(B)(3) hereof.

C. Other Charges. If any assessments, service charges or other governmental charges become payable by the Company, the Overlandlord or the Agency on the Facility or the rental paid pursuant to the Lease Agreement or the occupancy of or any interest of the Company, the Overlandlord or the Agency in the Facility or any part thereof or any personal property used in connection with the business conducted and located therein, the amount of any such taxes, assessments or charges shall be paid by the Obligors as and when due. Furthermore, water charges, sewer rentals, sewage treatment charges, solid waste charges and any other charges in the nature of utility charges shall be paid as and when due directly by the Obligors and shall not be credited against nor be affected in any manner by any payment in lieu of real property taxes and assessments in any year and shall be computed pursuant to the formula adopted by the relevant Taxing Entity.

Section 2. Payments.

A. Tax Payments. Prior to the PILOT Commencement Date, the applicable real property taxes and assessments levied and/or assessed against or with respect to the Facility shall be payable in full by the Obligors to the applicable Taxing Entity as if the Agency were not the holder of a subleasehold interest in the Facility or otherwise involved in the Project.

B. PILOT Payments. (1) From the PILOT Commencement Date through and including the last day of the fifteenth (15th) fiscal tax year thereafter (such date, the “Abatement Expiration Date” and such period, the “Term”), the Obligors shall make payments in lieu of real property taxes and assessments levied and/or assessed by the Taxing Entities against the Facility as set forth on Schedule B hereto, subject to the provisions of Section 2(B)(3) hereof.

The payments in lieu of real property taxes and assessments levied and/or assessed by the Taxing Entities against the Facility pursuant to clause (1) above are referred to herein as the “PILOT Payments.”

(2) From and after the Abatement Expiration Date, and until the Agency’s interest in the Facility is conveyed to the Company pursuant to the terms of the Lease Agreement and the Facility has been returned to the tax rolls as fully taxable property, the Obligors shall make PILOT Payments equal to one hundred percent (100%) of the amount of real property taxes and assessments that would have been levied and/or assessed against or with respect to the Facility as if the Facility were owned by the Company and/or the Overlandlord and the Agency were not otherwise involved in the Project.

“PILOT Obligations” shall mean all amounts required to be paid by the Obligors under this Agreement, including, without limitation, those amounts set forth in Sections 2(A) and 2(B) hereof.

(3) Any provision of this Agreement to the contrary notwithstanding, the amount of PILOT Payments set forth in Section 2(B)(1) hereof for each fiscal tax year through the Abatement Expiration Date, shall be reduced (but not below \$0) by the amount, if any, of special assessments and special ad valorem levies assessed against or levied upon the Facility for such fiscal tax year (collectively, “Special Assessments”), whether by the Nassau County Tax Assessor’s Office or otherwise, which Special Assessments would otherwise be payable by the Obligors pursuant to this Agreement. The amount of any such reduction of a PILOT Payment shall be set forth on the applicable PILOT bill issued with respect to such fiscal tax year, if any, but the failure of the Obligors to receive such bill shall in no event affect the Obligors’ obligation to pay such PILOT Payment. In the event that (i) the amount of Special Assessments for a particular fiscal tax year exceeds the amount of the PILOT Payment for such fiscal tax year (such excess is hereinafter referred to as an “SA Credit”), or (ii) the amount of PILOT Payments for a particular fiscal tax year are not reduced by the amount of Special Assessments for such fiscal tax year (the amount of such Special Assessments is hereinafter referred to as an “SA Reduction”), then the amount of such SA Credit or SA Reduction, as the case may be, shall be carried over as a credit for the following fiscal tax year(s); provided, however, that if there is an unused SA Credit at the end of the Term of this Agreement, then the Obligors shall not be entitled to (a) take such SA Credit against any further payments hereunder or against real property taxes assessed against the Facility, or (b) an extension of the Term of this Agreement.

C. Payments. (1) Amounts due and payable under this Agreement shall be payable to the Treasurer of the County of Nassau (the “Treasurer”), One West Street, 1st floor, Mineola, NY 11501, or at such other address as the Treasurer may notify the Obligors of in writing.

(2) All PILOT Payments hereunder shall be allocated among the affected tax jurisdictions in proportion to the amount of real property and other taxes and assessments that would have been received by each Taxing Entity had the Project not been tax exempt due to the status of the Agency. This provision constitutes the formula for the

calculation of the amounts for each Taxing Entity of the PILOT Payments as required by Section 859-a(6) of the General Municipal Law.

D. Due Dates; Interest; and Penalties. (1) The Obligors may be billed for PILOT Payments as if the Facility were on the tax rolls at the time when taxes for each Taxing Entity are due.

(2) If any payment required under this Agreement is not made on or before the due date thereof, such payment shall be delinquent and the unpaid amount(s) shall accrue interest (and penalties) at the rates applicable to late payments of taxes for the respective Taxing Entities and as further provided in the General Municipal Law, including Section 874(5) thereof, which currently provides for a late charge equal to the greater of (a) five (5%) percent of the unpaid amount for the first month, and for each month, or part thereof, that the payment is delinquent beyond the first month, an additional late charge equal to one (1%) percent per month of the total amount payable; and (b) the late charge applicable from time to time to real property tax levies and assessments that are not paid when due. The Obligors shall pay all such interest, late charges and penalties when due.

(3) Anything contained in this subparagraph to the contrary notwithstanding, the Obligors shall have the obligation to make all payments of PILOT Obligations (other than payments of penalties, if any), in (a) two equal semi-annual installments on or prior to the date which is five (5) Business Days prior to January 1 and July 1 for the General Tax portion of the PILOT Obligations, and (b) two equal semi-annual installments on or prior to the date which is five (5) Business Days prior to October 1 and April 1 for the School Tax portion of the PILOT Obligations, as applicable, of each year of the term of the Lease Agreement or on such other due dates as may be established by the Agency or the Treasurer from time to time and on notice to the Company during the term of the Lease Agreement.

E. Partial Sale; Transferee's Obligation; Apportionment of Reduction to Local Taxing Entities. During the Term of this Agreement, in the event that the Agency's interest in the Facility, or any portion thereof or interest therein, is sold, transferred, assigned or otherwise disposed of by the Agency in accordance with the Lease Agreement, the transferees thereof will thereafter pay the real property taxes and assessments on such Land and the Building and any Additional Facilities (as hereinafter defined) located on the Land, or on such portion of the Land, that was sold, transferred, assigned or otherwise disposed of, as may be required by applicable law.

F. Sale; Company's Obligation. In the event that the Agency sells, transfers, assigns or otherwise disposes of its interest in the Facility to any party other than the Company, the Obligors' obligation for PILOT Obligations shall be prorated to the date of the closing of the transaction and thereupon all obligations of the Obligors for payment of PILOT Obligations shall cease, but the Agency shall take such steps with the transferee or assignee other than the Company to assure that each of the Taxing Entities shall suffer no loss of revenue until the Facility can be placed back on the tax rolls as fully taxable real property and taxes levied and billed therefor.

Section 3. Effective Date: Duration of Agreement. This Agreement shall become effective upon the execution and delivery of the Company Lease and the Lease Agreement by the Company and the Agency and this Agreement by the Obligors and the Agency and shall continue in effect until the earlier of (i) the termination of this Agreement pursuant to the terms of the Lease Agreement or of this Agreement, or (ii) the date on which the Company Lease and the Lease Agreement are terminated pursuant to the Lease Agreement or this Agreement and the Facility has been placed back on the tax rolls as taxable property.

Section 4. Events of Default. The following shall constitute an “Event of Default” under this Agreement:

A. Failure by the Obligors to make any payment specified herein and the continuance of such failure for a period of ten (10) days after receipt by the Obligors of written notice from the Agency, the County and/or any Taxing Entity.

B. Failure by the Obligors to comply with or perform any provision of this Agreement other than the payment provisions hereof and the continuance of such failure for a period of fifteen (15) days after receipt by the Obligors of written notice thereof from the Agency, or if such default is capable of being cured but cannot be cured within such 15 day period, the failure of the Obligors to commence to cure such default within such 15 day period or to thereafter to diligently prosecute such cure to completion, provided in no event shall such additional cure period exceed sixty (60) days.

C. An Event of Default under the Company Lease, the Lease Agreement or any other agreement between the Agency and the Company, which is not cured within the applicable period of grace, if any.

D. If the Overlandlord or the Company shall sell, transfer, convey or otherwise dispose of its interest in the Project Facility or any portion thereof without the prior written consent of the Agency.

E. The Overlandlord, or any Affiliate thereof, or any director, member, manager, partner or shareholder of the Overlandlord, shall become a Prohibited Person.

F. If any representation, warranty or certification made to the Agency by or on behalf of the Company or the Overlandlord in this Agreement shall prove to have been false, misleading or incorrect in any material respect at the time as of which the facts therein set forth were made.

If the Obligors fail to make any payments pursuant to this Agreement when due, the amount or amounts so in default shall continue as an obligation of the Obligors until fully paid.

Upon the occurrence and during the continuance of an Event of Default hereunder, the Obligors shall be required to make PILOT Payments as if the Facility were owned by the Company (or the Overlandlord) and the Agency was not otherwise involved in the Project, such amounts to commence to be paid for the period subsequent to the date it is determined by

the Agency that there is an Event of Default hereunder. In such event, the tax rate, interest and penalties shall be those then in effect in the Taxing Entities in which the Facility is located.

Upon the occurrence and continuance of an Event of Default hereunder, (i) the Agency shall be entitled to sue to enforce any provision of this Agreement and to recover the payments of PILOT Obligations in default from the Obligors, together with all the costs and expenses of the Agency, its successors or assigns, paid or incurred in such recovery (including court costs and attorneys' fees and expenses) and interest at the rate charged by the respective Taxing Entities on overdue payments of taxes, and (ii) the Agency shall have the right to terminate the Company Lease and the Lease Agreement at any time, and the Company shall accept such termination and any tender of reconveyance by the Agency of its interest in the Facility.

The Agency, in enforcing payment by the Obligors of the PILOT Obligations, may take whatever action and exercise any or all of the rights and remedies specified in this Agreement or any other remedy provided by law.

Each and every Event of Default shall give rise to a separate cause of action hereunder, and separate suits may be brought hereunder as each cause of action arises.

No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. Further, no payment by the Agency or receipt by the Agency or a Taxing Entity of a lesser amount than the correct amount or manner of payment due hereunder shall be deemed to be other than a payment on account, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed to effect or evidence an accord and satisfaction, and the Agency and/or any Taxing Entity may accept any check or payment as made without prejudice to the right to recover the balance or pursue any other remedy in this Agreement or otherwise provided at law or in equity.

In no event shall the Agency be liable to any of the Taxing Entities for the payments specified herein, whether or not the Obligors make such payments. The Obligors hereby agree to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, against any such liability for such payments and against all penalties, interest, and other charges resulting from the delinquency of such payments.

The Agency, the Overlandlord and the Company hereby acknowledge the right of the County, as beneficiary of this Agreement (on behalf of itself and all other Taxing Entities), to pursue any appropriate remedies, including an action or proceeding in the courts, to recover directly from the Obligors any payments of PILOT Obligations in default hereunder and/or to exercise its rights and remedies under the PILOT Mortgage. The Obligors shall promptly notify the Agency of any action or proceeding brought, or other measure taken, by a Taxing Entity to recover such payments in default hereunder. It is understood that the right of any Taxing Entity herein acknowledged is in addition to, and shall not impair, the Agency's own rights arising from a breach of this Agreement.

In the event that any interest in and to the Facility is conveyed by the Company or title to the Facility is conveyed by the Overlandlord to any other party prior to expiration of the term of the Lease Agreement (other than transfers expressly permitted under the Lease Agreement or otherwise consented to by the Agency), this Agreement shall, at the option of the Agency, become null and void and any remaining tax abatement hereunder shall be canceled.

The rights, powers and remedies of the Agency and the County under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which the Agency or the County may have against the Obligors pursuant to this Agreement or the other Transaction Documents, or existing at law or in equity or otherwise. The respective rights, powers and remedies of the Agency and the County hereunder may be pursued singly, concurrently or otherwise, at such time and in such order as the Agency or the County may determine in its sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Event of Default with respect to the Obligors shall not be construed to be a waiver of any subsequent Event of Default by the Obligors or to impair any remedy, right or power consequent thereon.

Section 5. Additional Facilities. If any structural additions or change in use shall be made to the buildings or other improvements included in the Facility subsequent to the date hereof, or if any additional buildings or improvements shall be constructed on the Land other than the Building (such change of use, new structures, structural additions, buildings and improvements being referred to hereinafter as "Additional Facilities"), the Obligors agree to increase the PILOT Obligations hereunder in an amount, as determined by the Agency or the Nassau County Department of Assessment, equal to the increased tax payments, if any, that would have been payable on such increase if this Agreement were not in effect. Nothing herein shall constitute the Agency's consent to the construction of any such additions or additional buildings or improvements or to such change of use.

Section 6. Change of Law. In the event the Facility, or any part thereof, is declared to be subject to taxation for real property taxes or assessments by an amendment to the Act, other legislative change or a final judgment of a court of competent jurisdiction, the obligations of the Obligors hereunder shall, to such extent, be null and void. If the Obligors have already paid any amounts under this Agreement for any period that the Obligors are required to pay taxes or assessments because of such amendment, legislative or final judgment (collectively, "Prior Payments"), then the Obligors shall look to the Taxing Authorities for repayment of the Prior Payments or a credit in the amount of the Prior Payments against taxes payable to the relevant Taxing Entity but in no event shall the Obligors look to the Agency for a refund of the Prior Payments.

Section 7. Waiver of Tax Exemption. The Obligors, in recognition of the benefits provided under this Agreement, and for so long as the Lease Agreement is in effect, hereby expressly waive any rights they may have for any exemption under Section 485-b of the RPTL or any other exemption under any other law or regulation (except, however, for the exemption provided under Article 18-A of the General Municipal Law) with respect to the Facility.

The Obligors, in recognition of the benefits provided under this Agreement and the Lease Agreement, hereby expressly waive the right to institute judicial or other review of an assessment of the real property with respect to the Facility for any fiscal tax year prior to the 2030/31 School Year and the 2031 General Year, whether pursuant to the provisions of Article 7 of the RPTL or other applicable law, as the same may be amended from time to time. In addition, the Obligors hereby represent and warrant that they have stipulated to the discontinuance (with prejudice) of all pending tax certiorari proceedings, if any, with respect to the Facility on or before the date hereof. With respect to any such judicial or other review brought with respect to the 2030/31 School Year and the 2031 General Year or after, such judicial or other review or settlement thereof shall not have any effect on the Obligors' obligations hereunder, including, without limitation, the Obligors' obligation to make the PILOT Payments when due. Such judicial or other review shall only be for purposes of setting the assessed value of the Facility as though the Facility was on the tax rolls of each Taxing Entity as taxable real property but shall have no effect on this Agreement or the tax-exempt status of the Facility during the term of this Agreement.

Section 8. Delivery of PILOT Statement. The Obligors shall deliver to the Comptroller of the County of Nassau, on or before the dates set forth for payment of the PILOT Obligations in Section 2 hereof, in each year during the term of the Lease Agreement, a verified statement setting forth the amount of such payments and the dates of such payments.

Section 9. Limited Obligation. The obligations, covenants and agreements of the Agency hereunder shall not constitute or give rise to an obligation of the State of New York, the County, or any city, town, village or school district within which the Facility is located and neither the State of New York, the County, nor any such city, town, village or school district shall be liable thereon, and further, such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency.

Section 10. No Waiver. Failure by the Agency in any instance to insist upon the strict performance of any one or more of the obligations of the Obligors under this Agreement, or to exercise any election herein contained, shall in no manner be or be deemed to be a waiver by the Agency of any of the Obligors' defaults or breaches hereunder or of any of the rights and remedies of the Agency by reason of such defaults or breaches, or a waiver or relinquishment of any and all of the Obligors' obligations hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing. Further, no payment by the Obligors or receipt by the Agency of a lesser amount than the correct amount or manner of payment due hereunder shall be deemed to be other than a payment on account, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed to effect or evidence an accord and satisfaction, and the Agency may accept any check or payments as made without prejudice to the right to recover the balance or pursue any other remedy in this Agreement or otherwise provided at law or in equity.

Section 12. Change of Address. The Agency, the Overlandlord or the Company may, by notice given hereunder to each other, designate any further or different addresses to which subsequent notices, certificates or other communications to them shall be sent.

Section 13. Assignment of Agreement. This Agreement shall be binding upon the successors and permitted assigns of the Obligors but no assignment shall be effective to relieve the Obligors of any of their obligations hereunder unless expressly authorized and approved in writing by the Agency. The rights and obligations of the Obligors hereunder may not be assigned except in connection with a permitted assignment of the Company's interest in

and to the Lease Agreement. Nothing herein is intended to be for, or to inure to, the benefit of any Person other than the parties hereto, the County and the other Taxing Entities.

Section 14. Independent Agreement. Notwithstanding any other provision of this Agreement, including the recitals hereof, the parties agree that the Lease Agreement executed between the parties thereto shall be a separate and independent document from this Agreement, and irrespective of whether any provision of this Agreement or the entirety hereof shall be held invalid or unenforceable by any court of competent jurisdiction, the Lease Agreement shall be construed, interpreted, and otherwise regarded separate and apart from this Agreement. The parties hereto specifically note that the considerations and terms provided for in this Agreement and provided for in the Lease Agreement are the only considerations and terms for which the parties thereto have executed this Agreement.

Section 15. Invalidity. If any one or more phrases, sentences, clauses or provisions of this Agreement or the entirety hereof shall be declared invalid or unenforceable by any order, decree or judgment of any court of competent jurisdiction, then such phrase, sentence, clause or provision or the entirety of this Agreement shall be deemed to be reformed in such manner as shall be determined by such court, to render such phrase, sentence, clause or provision of this Agreement valid and enforceable under applicable law. The parties hereto agree to enter into such documents, agreements and instruments as the Agency reasonably determines are necessary to effect any such reformation. In the event that any one more of the phrases, sentences, clauses or provisions of this Agreement cannot be reformed to comply with applicable law, then this Agreement shall be construed as if such phrase, sentence, clause or paragraph had not appeared in this Agreement.

Section 16. Amendments. This Agreement may not be modified, amended, supplemented, or changed without the written consent of the Agency and the Obligors.

Section 17. Prior Agreements. This Agreement constitutes the entire agreement, and supersedes all prior agreements and understandings, whether written or oral, among the parties with respect to the subject matter hereof.

Section 18. Delivery of Agreement. The Agency covenants to use reasonable efforts to deliver to each Taxing Entity a copy of this Agreement within fifteen (15) days after its execution.

Section 19. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 20. Service of Process; Consent to Jurisdiction; Forum.

A. The Obligors represent that they are subject to service of process in the State of New York and covenant that they will remain so subject so long as the Lease Agreement shall be in effect. be subject to service of process in the State of New York, the Secretary of State of the State of New York, as the agents of such Obligor upon whom may be served all process, pleadings, notices or other papers which may be served upon such Obligor as a result of any of its obligations under this Agreement; provided, however, that the serving of such process, pleadings, notices or other papers shall not constitute a condition to such Obligor's obligations hereunder.

B. Each Obligor irrevocably and unconditionally (1) agrees that any suit, action or other legal proceeding arising out of this Agreement or the other Transaction Documents may be brought in the courts of record of the State of New York in Nassau County or the courts of the United States, Eastern District of New York; (2) consents to the jurisdiction of each such court in any such suit, action or proceeding; and (3) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. For such time as the Lease Agreement is in effect, the Obligors' agents designated above shall accept and acknowledge in the Obligors behalf service of any and all process in any such suit, action or proceeding brought in any such court. The Obligors agree and consent that any such service of process upon such agents and written notice of such service to the Obligors in the manner set forth in Section 11 hereof shall be taken and held to be valid personal service upon the Obligors whether or not the Obligors shall then be doing, or at any time shall have done, business within the State of New York and that any such service of process shall be of the same force and validity as if service were made upon the Obligors according to the laws governing the validity and requirements of such service in the State of New York, and waives all claim of error by reason of any such service. Such agents shall not have any power or authority to enter into any appearance or to file any pleadings in connection with any suit, action or other legal proceedings against the Obligors or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Obligors.

Section 21. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, as the same may be in effect from time to time, without regard to principles of conflicts of laws.

Section 22. Nature of Obligations. This Agreement shall remain in full force and effect until the earlier of (i) the time that each and every one of the PILOT Obligations shall have been irrevocably paid in full and all other obligations of the Obligors under this Agreement shall have been paid and performed in full, or (ii) the termination of this Agreement pursuant to the terms of this Agreement and/or any of the other Transaction Documents.

The obligations of the Obligors under this Agreement are joint and several.

Section 23. Indemnification. The Obligors agree to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability arising from any default by the Obligors in performing their obligations hereunder or any expense incurred hereunder, including, without limitation, any expenses of the Agency and reasonable attorneys' fees and expenses.

Section 24. Representations/Certifications/Acknowledgments of the Obligors.

The Obligors hereby represent and warrant to the Agency that: (a) there is a likelihood that the Project would not be undertaken but for the Financial Assistance provided by the Agency, (b) the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Obligors, and (c) the Project is in substantial compliance with all provisions of the Act, including, but not limited to, the provisions of Section 859-a and 862(1) thereof. The Obligors hereby certify, under penalty of perjury, that each owner, occupant or operator receiving Financial Assistance is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations. The Obligors acknowledge and agree that (i) the submission to the Agency by any Obligor of any knowingly false or knowingly misleading information may lead to the immediate termination of any Financial Assistance and the recapture from the Company of an amount equal to all or any part of any tax exemption claimed by reason of the Agency's involvement in the Project, and (ii) the Overlandlord shall comply with the requirements of Section 8.11(D) of the Lease as if such Section 8.11(D) of the Lease was incorporated in this Agreement.
