WHEREAS, the Long Island Association, Inc. is the organizer of an Executive Breakfast: State of the Region Report event that took place on January 21, 2022 (the “Event”), which organization’s mission is to lead and unify the region in order to enhance, strengthen and protect Long Island as a premier place to live, work and play, with its activities including, without limitation, supporting policies, programs and projects that (i) create jobs, spur private investment, and improve the overall business climate in our region and (ii) support economic development, workforce housing, clean reliable energy, workforce training and retention, environmental protection, technology and infrastructure investments, and opportunities for growth, equality and diversity on Long Island; and

Source Program, (c) there is only one possible source from which to procure the services contemplated by the Agreement, and such services have unique benefits and, therefore, no competitive bidding process is feasible, and (d) the cost of such services is reasonable.

Section 2. The Agency hereby determines that the proposed action is a Type II Action pursuant to Article 8 of the New York Environmental Conservation Law (including the regulations thereunder, "SEQRA") involving "continuing agency administration" which does not involve "new programs or major reordering of priorities that may affect the environment" (6 NYCRR Section 6.17.5 (c)(26)) and therefore no findings or determination of significance are required under SEQRA.

Section 3. The Chief Executive Officer / Executive Director is hereby authorized and directed in his sole discretion, to negotiate and enter into the Agreement, together with such changes to the terms and conditions thereof that the Chief Executive Officer / Executive Director may deem advisable or necessary, subject to the terms of this Resolution.
