NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency has reviewed the Application and the Report and, based upon the representations made by the Applicant to the Agency and the facts and information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting (including, without limitation, the facts and information set forth in the Staff Review of the Application), the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated including the prevention of economic deterioration, the job opportunities to be created and/or maintained by the Project and as further set forth in Section 1(h) hereof, the Project will constitute a commercial facility and, therefore, the Project constitutes a "project" within the meaning of the Act;

(b) the granting of the Financial Assistance by the Agency to the Applicants is necessary to induce the Applicants to proceed with the Project. This finding of the Agency is further supported by the "Cost Benefit Analysis Substantiation of Need for Nassau County IDA Financial Assistance" prepared by the National Development Counsel (the "NDC Report"); The NDC Report, *inter alia*, focused on establishing the level of partial exemptions from real property taxes under the PILOT Agreement to ensure that the level of Financial Assistance is the lowest

necessary to induce the Applicant to proceed with the Project. The NDC Report's conclusion also takes into account sales and use tax exemption and mortgage tax exemption components of the Financial Assistance herein approved with respect to the Project Facility (as set forth in Section 6 hereof) and the real property tax exemption herein approved with respect to the Project Facility (as set forth in Section 7 hereof). The NDC Report concludes that without the proposed financial incentive package, the development is not considered financially feasible. The NDC Report took into consideration a Real Estate Tax Assessment Projection prepared by Standard Valuation Services (SVS) for the subject property. The SVS Report provided the current taxes on the Land and estimated real estate taxes after determining value on the Project Facility based upon the income approach to valuation.

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicant;

(d) the completion of the Project Facility by the Applicant as agent of the Agency, the lease thereof by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of Nassau County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Additional Financial Assistance by the Agency to the Applicant;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(g) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act;

(h) The Project received a Special Permit from the Village of Farmingdale (the "Village") Board of Trustees for a three-story work force housing project on April 5, 2021, and the Land is presently developed with six (6) dated, vacant and

deteriorating dwellings. Taking into account the stated purposes of the Act being the promotion of employment opportunities and the prevention of economic deterioration and having reviewed the Economic Impact Study, prepared by Camoin Associates for the Agency regarding the costs benefits and other economic impacts of the Project, the Village approval, the Agency hereby finds that the undertaking of the Project constitutes a commercial activity as it promotes the creation of employment opportunities, elimination of blight and the prevention of economic deterioration.

(i) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this finding, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers; and

(j) the Project will not result in the removal or abandonment of a plant or facility of the Applicant, or of a proposed user, occupant or tenant of the Project Facility, currently located within Nassau County.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Chief Executive Officer / Executive Director and the staff of the Agency with respect to the Application, the IDA Meeting and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Harris Beach PLLC, Uniondale, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at the Public Hearing or otherwise in connection with the Project, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance.

Section 5. The Agency hereby approves the Applicant as the lessee/sublessee under the Lease with the Agency and hereby approves the Applicant as the recipient of the Financial Assistance.

Section 6. Based upon the representation and warranties made by the Applicant in its application for financial assistance, subject to the provisions of this resolution, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an aggregate amount of up to \$15,504,823.19, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$1,337,291.00, and approves a maximum mortgage recording tax exemption in an amount not to exceed \$97,190.00.

Section 7. The Agency is hereby authorized to (a) acquire an interest in the Project Facility pursuant to the Conveyance Instrument, the Bill of Sale to Agency and the other Transaction Documents, (b) grant a leasehold interest in the Project Facility pursuant to the Lease and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) execute the PILOT Mortgage for the sole purpose of encumbering its interest in the Project Facility or accept such other collateral as the Chief Executive Officer / Executive Director shall determine to secure the performance by the Applicants of their obligations under the PILOT Agreement, (e) execute and deliver the Project Agreement for the purpose of, inter alia, appointing the Applicants as agents of the Agency, (f) execute one (1) or more fee and leasehold mortgage, assignment of rents and leases, and security agreements in favor of such bank, governmental agency or financial institution as the Applicants may determine (such bank, governmental agency or financial institution, the "Bank"), encumbering the Project Facility, solely to subject to the lien thereof its interest in the Project Facility, all to secure one (1) or more loans made by such Bank to the Applicants with respect to the Project Facility, and (g) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 8. The form and substance of the Project Agreement, Conveyance Instrument, the Bill of Sale to Agency, the Lease, the Environmental Indemnification, the PILOT Agreement, the PILOT Mortgage and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chairman, the Vice Chairman or the Chief Executive Officer / Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chairman, the Vice Chairman, the Chief Executive Officer / Executive Director, Chief Operating Officer and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Conveyance Instrument, the Lease, the PILOT Agreement, the PILOT Mortgage, the other Transaction Documents, and any document with or in favor of the Bank to which the Agency is a party, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 9. The Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, the Chief Operating Officer and the Administrative Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Lease) of the Agency.

Section 11. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairman, Vice Chairman and Chief Executive Officer/Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.
