WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors set forth in the Tax Exemption Policy: (1) the extent to which the Proposed Project would create or retain permanent jobs; (2) the extent to which the Proposed Project would create construction jobs; (3) the estimated value of tax exemptions to be provided with respect to the Proposed Project; (4) the amount of private sector investment generated or likely to be generated by the Proposed Project; (5) the likelihood of the Proposed Project being accomplished in a timely manner; (6) the extent of new revenue that would be provided to affected tax jurisdictions as a result of the Proposed Project; (7) whether affected tax jurisdictions would be reimbursed by the Applicant if a Proposed Project does not fulfill the purposes for which an exemption was provided, (8) the impact of the Proposed Project on existing and proposed businesses and economic development projects in the vicinity, (9) the demonstrated public support for the Proposed Project, (10) the effect of the Proposed Project on the environment, (11) the extent to which the Proposed Project would require the provision of additional services, including, but not limited to, additional educational, transportation, police, emergency, medical or fire services, and (12) any other miscellaneous public benefits that might result from the Proposed Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Proposed Project and because the PILOT payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the closing date of the transaction.

Section 4. The Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the “Transaction”), the Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant, providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the formula set forth in the Pilot Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Richard Kessel	VOTING	AYE
Chris Fusco	VOTING	AYE
John Coumatos	VOTING	AYE
Timothy Williams	VOTING	AYE

NOTICE OF PROPOSED DEVIATION FROM  
UNIFORM TAX EXEMPTION POLICY

Ladies and Gentlemen:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the “Agency”) to be held on April 28, 2022 at 6:30 p.m. local time and to be conducted in the Nassau County Legislative Chamber, 1550 Franklin Avenue, Mineola, New York 11501, the Agency will consider whether to approve the application of the Applicant (as defined below), for certain “financial assistance” which, if granted, would deviate from the Agency’s Uniform Tax Exemption Policy (the “Policy”) with respect to the payment of real property taxes. The meeting of the Agency will be open to the public. A notice was previously sent with respect to the Agency considering this matter on March 31, 2022, however, the Agency adjourned its further consideration of the “financial assistance” until April 28, 2022.

At the meeting of the Agency, the Agency will consider the application of NY PLUMBING WHOLESAL AND SUPPLY INC., a business corporation organized and existing under the laws of the State of New York, together with entities formed or to be formed on its behalf, and MINEOLA 435, LLC (collectively, the "Applicant"), the fee owner of the Land, as defined below, have presented an application for financial assistance (the "Application") to the Agency, which Application requests that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the retention of an approximately 1.53 acre parcel of land located at 435 1st Street, Village of Mineola, Town of North Hempstead, Nassau County, New York (Section: 9; Block: 672; Lot: 4) (the "Land"), (2) the renovation of an existing building totaling approximately 43,000 square feet (the "Building"), on the Land, together with related improvements to the Land, (3) the acquisition of certain furniture, fixtures, machinery and equipment (the "Equipment") necessary for the completion thereof (collectively, the "Project Facility"), all of the foregoing for use by the Applicant for its plumbing supply business, together with surface parking; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency.

The Application states that the Applicant is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant an approximately twenty (20) year real property tax exemption (the "Property Tax Exemption") with respect to the Project Facility as follows: payments shall be equal to one hundred percent (100%) of the real property taxes and assessments that should be levied upon the Project Facility as of the closing date of the Project transaction without taking into consideration the transfer of ownership, jurisdiction, supervision or control of the Project Facility to the Agency (the "Base Year PILOT Amount"), which Base Year PILOT Amount would be payable each fiscal tax year for a period of three (3) fiscal tax years without increase, followed by a period of seventeen (17) fiscal tax years with annual increases of 2.00% per year (compounded) each fiscal tax year (i.e. years 4-20 of the term of the PILOT) (collectively the "PILOT Term").

In calculating the Base Year PILOT Amount with respect to the applicable Project Facility, the Agency shall take into account the most recent assessment data (i.e., assessed value and tax rates) available as of the closing as if the applicable Project Facility was on the tax rolls as taxable property, including, without limitation, any applicable approved tax certiorari stipulation or other settlement or arrangement with the applicable tax assessor(s) or the report of a tax consultant satisfactory to the Agency. The applicable Base Year PILOT Amount shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions.

Thereafter, and through the end of the term of the lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if such Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

The Property Tax Exemption shall commence the first fiscal tax year of each of the affected tax jurisdictions following the first taxable status date following the closing of the proposed transaction and filing of the appropriate application(s) for exemption. Each annual PILOT Payment with respect to the Project Facility shall be allocated among the affected tax jurisdictions in proportion to the amount of real property taxes that would have been received by each affected tax jurisdiction had the Project Facility not been tax exempt due to the status of the Agency.

The PILOT Payments shall not increase or decrease during the term of the PILOT Agreement. The PILOT Payments shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the PILOT Payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the Closing Date.

Sincerely,

NASSAU COUNTY INDUSTRIAL  
DEVELOPMENT AGENCY
