WHEREAS, the Nassau County Industrial Development Agency (the “Agency”) is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, ACUPATH LABORATORIES INC., a business corporation organized and existing under the laws of the State New York, and One Ames Realty LLC, a limited liability company organized and existing under the laws of State of New York, together with entities formed or to be formed on their behalf (collectively, the “Applicant”), have presented an application for financial assistance (the “Application”) to the Agency, which Application requests that the Agency consider undertaking a project (the “Project”) consisting of the following: (A)(1) the acquisition of an approximately 1.34 acre parcel of land located at One Ames Court, Plainview, Town of Oyster Bay, Nassau County, New York (Section 13; Block: 83; Lot: 38) (the “Land”), (2) the renovation of an existing building totaling approximately 30,546 square feet (the “Building”), on the Land, together with related improvements to the Land, including surface parking spaces, (3) the acquisition of certain furniture, fixtures, machinery and equipment (the “Equipment”) necessary for the completion thereof (collectively, the “Project Facility”), all of the foregoing for use by the Applicant for a medical diagnostic laboratory, together with surface parking; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Application states that the Applicant is seeking an exemption from real property taxes with respect to the Project Facility that constitutes a deviation from the Agency's Uniform Tax Exemption Policy (the "Tax Exemption Policy"); and

WHEREAS, pursuant to Section 874(4) of the Act, (A) the Executive Director of the Agency caused a letter dated June 13, 2022 (the "Pilot Deviation Notice Letter") mailed to the chief executive officer of each affected tax jurisdiction, informing said individuals that the Agency would, at its meeting on June 30, 2022 (the "IDA Meeting"), continue to consider a proposed deviation from the Tax Exemption Policy with respect to the payments in lieu of real property taxes to be made pursuant to a payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors set forth in the Tax Exemption Policy: (1) the extent to which the Proposed Project would create or retain permanent jobs; (2) the extent to which the Proposed Project would create construction jobs; (3) the estimated value of tax exemptions to be provided with respect to the Proposed Project; (4) the amount of private sector investment generated or likely to be generated by the Proposed Project; (5) the likelihood of the Proposed Project being accomplished in a timely manner; (6) the extent of new revenue that would be provided to affected tax jurisdictions as a result of the Proposed Project; (7) whether affected tax jurisdictions would be reimbursed by the Applicant if a Proposed Project does not fulfill the purposes for which an exemption was provided, (8) the impact of the Proposed Project on existing and proposed businesses and economic development projects in the vicinity, (9) the demonstrated public support for the Proposed Project, (10) the effect of the Proposed Project on the environment, (11) the extent to which the Proposed Project would require the provision of additional services, including, but not limited to, additional educational, transportation, police, emergency, medical or fire services, and (12) any other miscellaneous public benefits that might result from the Proposed Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Proposed Project and because the PILOT payments would not be lower than the real property

taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the closing date of the transaction.

Section 4. The Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the "Transaction"), the Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant, providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the formula set forth in the Pilot Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Richard Kessel	VOTING	AYE
John Coumatos	VOTING	AYE
Timothy Williams	VOTING	AYE
Reginald A. Spinello	VOTING	AYE
William H. Rockensies	VOTING	AYE
Raymond Pinto	VOTING	AYE
Victor Lagreca	VOTING	AYE

The foregoing Resolution was thereupon declared duly adopted.

NOTICE OF PROPOSED DEVIATION FROM
UNIFORM TAX EXEMPTION POLICY

Ladies and Gentlemen:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the "Agency") to be held on June 30, 2022 at 6:30 p.m. local time and to be conducted in the Nassau County Legislative Chamber, 1550 Franklin Avenue, Mineola, New York 11501, the Agency will consider whether to approve the application of the Applicant (as defined below), for certain "financial assistance" which, if granted, would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes. The meeting of the Agency will be open to the public.

At the meeting of the Agency, the Agency will consider the application of ACUPATH LABORATORIES INC., a business corporation organized and existing under the laws of the State New York, and ONE AMES REALTY LLC, a limited liability company organized and existing under the laws of State of New York, together with entities formed or to be formed on their behalf (collectively, the "Applicant"), have presented an application for financial assistance (the "Application") to the Agency, which Application requests that the Agency consider undertaking a

project (the “Project”) consisting of the following: (A)(1) the acquisition of an approximately 1.34 acre parcel of land located at One Ames Court, Plainview, Town of Oyster Bay, Nassau County, New York (Section 13; Block: 83; Lot: 38) (the “Land”), (2) the renovation of an existing building totaling approximately 30,546 square feet (the “Building”), on the Land, together with related improvements to the Land, including surface parking spaces, (3) the acquisition of certain furniture, fixtures, machinery and equipment (the “Equipment”) necessary for the completion thereof (collectively, the “Project Facility”), all of the foregoing for use by the Applicant for a medical diagnostic laboratory, together with surface parking; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency.

The Application states that the Applicant is seeking an abatement of real property taxes for the Project. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant an approximately thirteen (13) year real property tax exemption (the “Property Tax Exemption”) with respect to the Project Facility as follows: payments for each of the first three (3) fiscal tax years shall be equal to one hundred percent (100%) of the real property taxes and assessments that should be levied upon the Project Facility as of the closing date of the Project transaction without taking into consideration the transfer of ownership, jurisdiction, supervision or control of the Project Facility to the Agency (the “Base Year PILOT Amount”) without any increase followed by a period of ten (10) fiscal tax years with annual increases of 2.00% per year (compounded) each fiscal tax year (i.e. year 4 through year 13, inclusive, of the term (collectively the “PILOT Term”) of the payment in lieu of taxes agreement (“PILOT Agreement”) for the Project.

In calculating the Base Year PILOT Amount for the Project, the Agency shall take into account the most recent assessment data (i.e., assessed value and tax rates) available as of the closing as if the Project Facility was on the tax rolls as taxable property, including, without limitation, any applicable approved tax certiorari stipulation or other settlement or arrangement with the applicable tax assessor(s) or the report of a tax consultant satisfactory to the Agency. The Base Year PILOT Amount shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions.

Thereafter, and through the end of the term of the project agreement, lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the applicable portion of the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

For the purposes of the foregoing, “Effective Date” shall be deemed to mean for each affected tax jurisdiction the first day of the first fiscal tax year following the first taxable status date occurring subsequent to the last to occur of (i) the Agency acquiring an interest in the Project Facility, (ii) the filing by the Agency of the appropriate application for tax exemption with the Nassau County Tax Assessor, and (iii) the acceptance of such Application by such assessor.

The PILOT Agreement payments shall not increase or decrease during the term of the PILOT Agreement. The PILOT Agreement payments shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the PILOT Agreement payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the Closing Date.

Sincerely,

NASSAU COUNTY INDUSTRIAL
DEVELOPMENT AGENCY
