(B) Neither the execution and delivery of this Lease or any of the other Transaction Documents to which the Company is a party, the consummation of the transactions contemplated hereby and thereby, nor the fulfillment of or compliance with the provisions of this Lease or the other Transaction Documents to which the Company is a party will (1) conflict with or result in a breach of any of the terms, conditions or provisions of the Company's articles of organization or operating agreement or any other company restriction, order, judgment, agreement, document or instrument to which the Company is a party or by which the Company or any of its Property is bound, or constitute a default by the Company under any of the foregoing, or result in the creation or imposition of any Lien of any nature upon the Project Facility under the terms of any of the foregoing, other than Permitted Encumbrances, (2) conflict with or result in a violation of Applicable Laws, (3) require consent or approval (which has not been heretofore received and provided to the Agency) under any company restriction, agreement or instrument to which the Company is a party or by which the Company or any of its Property may be bound or affected, or (4) require consent or approval (which has not been heretofore obtained and provided to the Agency) under or conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction or decree of any Governmental Authority having jurisdiction over the Company or any of the Property of the Company.

The Company shall cause all notices as required by all Applicable Laws to be given, and shall comply and use its best efforts to cause others to comply with all Applicable Laws applying to or affecting the conduct of work on the Project or the operation of the Project Facility, and the Company will indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless, from all claims, liabilities, damages, fees, expenses, fines and penalties due to failure, or alleged failure, to comply therewith; provided that such claims, liabilities, damages, fees, expenses, fines and penalties of the Agency are not incurred or do not result solely from the intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees (other than the intentional wrongdoing of such parties) and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

The Company agrees to timely provide the foregoing information to the Agency and to otherwise reasonably cooperate with the Agency in connection with the preparation and filing of such form.

(K) There are no actions, suits, investigations or proceedings of or before any Governmental Authority, pending or, to the knowledge of the Company, threatened against the Company or any of its Property which (i) either in any case or in the aggregate, if adversely determined, would materially, adversely affect the business, operations or condition, financial or otherwise, of the Company, or (ii) question the validity of any of the Transaction Documents or any action to be taken in connection with the transactions contemplated thereby.

(L) The Company is not in default with respect to any order, writ, injunction or decree of any Governmental Authority, or in violation of any law, statute or regulation, domestic or foreign, to which the Company or any of its Property is subject, which may have a material adverse effect on the Company or any of its Property.

(M) The leasing of the Project Facility by the Agency to the Company and the granting of the Financial Assistance have induced the Company to proceed with the Project in the County. The granting of the Financial Assistance by the Agency with respect to the Project Facility, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their prosperity and standard of living, and will prevent unemployment and economic deterioration and thereby serve the public purposes of the Act.

(N) The Company shall (i) maintain its current level of employment in the State of New York as set forth in the Application throughout the term of this Lease, (ii) create at least ten (10) new, full-time equivalent, private sector jobs in the State of New York no later than the Scheduled Completion Date and maintain such jobs throughout the term of this Lease, and (iii) create at least fifty (50) new, full-time equivalent, private sector construction jobs during the period from the Closing Date until the Completion Date; all of which jobs shall be located at the Project Facility (collectively, the "Minimum Employment Requirement"). Subject to the terms of this Lease, the Company shall also sublease the Project Facility with the goal of maximizing private-sector employment at the Project Facility.

(O) The funds available to the Company are sufficient to pay all costs in connection with the acquisition, renovation, installation and equipping of the Project Facility.

(P) The Company is not a Prohibited Person, no Guarantor is a Prohibited Person, and no Affiliate of the Company or any Guarantor is a Prohibited Person and no member, manager, director or shareholder of the Company or of any Guarantor is a Prohibited Person.

(Q) Neither this Lease nor any other Transaction Document nor any other document, certificate, agreement or instrument furnished by or on behalf of the Company or any Guarantor contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading.

(R) No funds of the Agency shall be used in connection with the transactions contemplated by this Lease for the purpose of preventing the establishment of an industrial or manufacturing plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, nor shall any funds of the Agency be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State.

(S) The Company is, and shall at all times during the term of this Lease continue to be, owned, controlled and managed solely by Parviz Farahzad, however, that Parviz Farahzad may transfer all or any part of his interests in the Company to members of his immediate family, provided that no such transfers shall result in a change in the management, control or day-to-day operations of the Company.

(T) The Project Facility is located entirely within the boundaries of the Town of Oyster Bay, Nassau County, New York, is not located in whole or in part within the boundaries of any incorporated village, and is located only within the Bethpage School District.

ARTICLE III CONVEYANCE AND USE OF PROJECT FACILITY

SECTION 3.1 CONVEYANCE TO THE AGENCY. (A) Pursuant to the Deed to the Agency, the Company has conveyed or will convey, or will cause to be conveyed, to the Agency all of its right, title and interest in and to the Premises for the purpose of undertaking and completing the Project. The Company hereby represents and warrants that, prior to giving effect to such conveyance, the County has good and marketable title to the Premises, free and clear from all Liens except for Permitted Encumbrances, and agrees that the Company will defend (with counsel selected by the Agency), indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto.

(B) The Company and the Agency acknowledge that the Project Facility and the interest therein conveyed to the Agency from the Company and leased by the Agency back to

SECTION 3.2 USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Transaction Documents, provided such use causes the Project Facility to qualify or continue to qualify as a “project” under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project into disrepute as a public project; provided, further, however, that at no time shall any such use be other than as a first-class industrial, office and/or research & development facility, together with uses incidental thereto, except with the prior written consent of the Agency, which consent may be withheld in the Agency’s sole and absolute discretion. The Company shall not occupy, use or operate the Project Facility, or any part thereof, or allow the Project Facility, or any part thereof, to be occupied, used or operated (1) for any unlawful purpose, or (2) in violation of any certificate of occupancy affecting the Project Facility, or (3) for any use which may constitute a nuisance, public or private, or (4) for any use that would make void or voidable any insurance then in force with respect thereto, or (5) by any tenant, subtenant or occupant whose use, occupancy or operation of the Project Facility would be in violation of Applicable Laws. All permits and licenses necessary for the operation of the Project Facility as contemplated by this Section 3.2 shall be procured promptly by the Company. Any provision of this Lease to the contrary notwithstanding, the Company shall be liable at all times for all risk, loss and damage with respect to the Project Facility.

(B) The Company shall keep and shall cause the Project Facility to be kept free of Hazardous Materials except in compliance with Environmental Laws and except for the conditions existing as of the Closing Date that are disclosed in the Environmental Documents. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all Environmental Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company, or any tenant, subtenant, operator or occupant of the Project Facility, an unlawful release of Hazardous Materials onto, under or from the Project Facility or onto any other property. The Company shall not cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company or its members, managers, shareholders, directors, officers, agents, servants, employees or representatives, a release of Hazardous Materials that violates Environmental Laws on, under or from the Project Facility.

(C) The Company shall comply with, and shall use best efforts to ensure compliance by all tenants, subtenants and occupants of the Project Facility with, all Environmental Laws whenever and by whomever triggered, and shall obtain and comply with, and shall use best efforts to ensure that all tenants, subtenants, operators and occupants of the Project Facility obtain and comply with, any and all approvals, registrations or permits required thereunder. Costs under this subsection (D) will be repaid upon demand with interest at the Default Interest Rate commencing fifteen (15) days after such demand.

(E) In the event this Lease is terminated, the Company shall deliver the Project Facility to the Agency free of any and all Hazardous Materials (except Hazardous Materials the presence of which do not violate any Environmental Laws and except for the conditions existing on the Closing Date that are disclosed in the Environmental Documents), so that the condition of the Project Facility shall conform with all Environmental Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents, employees, members, servants or representatives, may at any reasonable time, on reasonable advance written notice (except in the event of an emergency for which no such advance notice is required), and at the Company's reasonable expense inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Environmental Laws.

(G) In the event that insurance is or shall become available at a reasonable cost to cover the Company's obligations under this Section 3.3, then, at the option of the Agency, the Company shall obtain adequate coverage.

SECTION 3.4 NON-MERGER. During the term of this Lease, there shall be no merger of this Lease nor of the leasehold estate created by this Lease with the fee estate in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly, (1) this Lease or the leasehold estate created by this Lease or any interest in this Lease or in any such leasehold estate and (2) the fee estate in the Premises or any part thereof or any interest in such fee estate, and no such merger shall occur unless and until all corporations, firms and other entities, including any mortgagee having any interest in (x) this Lease or the leasehold estate created by this Lease and (y) the fee estate in the Premises or any part thereof or any interest in such fee estate, shall join in a written instrument effecting such merger and shall duly record the same.

SECTION 3.5 TITLE INSURANCE. On or prior to the Closing Date, the Company will obtain and deliver to the Agency, in form, amount and substance satisfactory to the Agency, (a) a fee title insurance policy (the "Title Policy") insuring the Agency's fee simple interest in the Premises against loss as a result of defects in title, subject only to Permitted Encumbrances, (b) a mortgagee title insurance policy insuring the PILOT Mortgagee's mortgage interest in the Premises against loss as a result of defects in title, subject only to Permitted Encumbrances, and (c) a current survey of the Premises certified to the Agency, the Company, the PILOT Mortgagee and the title insurance company issuing the Title Policy. Any proceeds of the Title Policy shall be paid to the Company and applied by the Company to remedy the applicable defect in title. If not so capable of being applied or if a balance remains after such application, the Net Proceeds or the remaining balance of the Net Proceeds, as the case may be, shall be applied to the payment of any sums due the Agency under this Lease or under any other Transaction Document, and any balance thereafter may be used by the Company for any lawful corporate purpose.

(B) No material change in the Plans and Specifications shall be made unless the Agency shall have consented thereto in writing (which consent shall not be unreasonably withheld or delayed). If the Agency fails to respond to the Company's written request for such consent within twenty (20) days after delivery of such request to the Agency, then the Agency shall be deemed to have consented unless such consent requires the approval of the members of the Agency. If such request requires the approval of the members of the Agency, the Agency shall have such reasonable additional period of time as may be required to convene a meeting of the members of the Agency to consider such request.

(C) Title to all materials, equipment, machinery and other items of Property presently incorporated or installed in and which are a part of the Project Facility shall vest in the Agency immediately upon execution of the Bill of Sale to Agency. (D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may reasonably request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor and advanced by the Company for such purpose pursuant to Section 4.1(H) of this Lease.

(E) The Agency hereby appoints the Company, and the Company hereby accepts such appointment, as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Transaction Documents: (1) to acquire, renovate, install and equip the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be required or proper, all for the acquisition, renovation, installation and equipping of the Project Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to Section 4.1(H) of this Lease, (3) to pay all fees, costs and expenses incurred in the acquisition, renovation, installation and equipping of the Project Facility from funds made available therefor in accordance with this Lease, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever

(F) The Company has given or will give or cause to be given all notices and has complied and will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend (with counsel selected by the Agency), indemnify and save the Agency and its officers, members, agents, attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(G) The Company shall not take any action, or neglect to take any action, including, without limitation, the employment of any contractor, if such action or inaction results in jurisdictional disputes or strikes or labor disharmony in connection with the Project.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. Title to portions of the Project Facility acquired, renovated and installed at the Company's cost shall immediately upon such acquisition, renovation or installation vest in the Agency. The Company shall execute, deliver and record or file such instruments as the Agency may reasonably request in order to perfect or protect the Agency's title to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Lease.

(J) The Company agrees, (i) at the option of the Agency and at the sole expense of the Company, to erect signage at the Project Facility during the renovation, installation and equipping of the Project Facility, which signage shall be in form and content satisfactory to the Agency and shall identify the Agency and its role in the Project, and (ii) that the Agency may otherwise publicize the Agency's role in the Project.

(L) W/MBE Contractors.

(1) The Company will use its best efforts to take "affirmative steps" (as defined below) to assure that qualified women-owned and/or minority-owned business enterprises ("W/MBE's") are used, when possible, for each contract the Company (or any

Affiliate thereof) proposes to enter into with respect to the Project Facility, including, without limitation, contracts for construction (including, without limitation, the initial renovation, installation and equipping of the Project Facility and for buildout of subtenant premises), renovation, demolition, replacement, alteration, management, purchase of goods and services, maintenance and repair.

(2) For purposes of this subsection, the term “affirmative steps” shall mean: (a) placing qualified W/MBE’s on solicitation lists; (b) assuring that qualified W/MBE’s are solicited whenever they are potential sources; (c) dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by qualified W/MBE’s; (d) establishing delivery schedules, where the requirement permits, that encourage participation by qualified W/MBE’s; and (e) requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in clauses (a) through (d).

(3) For purposes of this subsection, the term “qualified W/MBE’s” shall mean those women-owned and/or minority-owned business enterprises designated as such by New York State.

(M) The Company shall furnish to the Agency all information and/or documentation requested by the Agency pursuant to this Section 4.1 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 4.1.

SECTION 4.2 COMPLETION OF THE PROJECT FACILITY; FEES.

(A) The Company will proceed with due diligence to commence renovation, installation and equipping of the Project Facility in accordance with Section 4.1 of this Lease, within thirty (30) days after the Closing Date, and shall thereafter proceed with due diligence to complete the renovation, installation and equipping of the Project Facility on or before July 1, 2011 (the “Scheduled Completion Date”). The Company covenants to diligently prosecute its application for all appropriate building permits for the Project Facility. Completion of the Project Facility shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (A) the date of such completion, (B) that all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (C) that the acquisition, renovation, installation and equipping of the Project Facility has been completed in a good and workmanlike manner, (D) that the Company or the Agency has good and valid title to all Property constituting a portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances, and (E) that the Project Facility is ready for occupancy, use and operation for its intended purposes. Such certificate shall be accompanied by a permanent certificate of occupancy for the Project Facility and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes.

(B) The Company shall pay within the time periods required by applicable Governmental Authorities, all construction related and other fees for the Project, including, without limitation, building permit fees, plumbing fixture permit fees, recreation fees, site

planning fees, city consultant review fees, special use fees, variance fees, sewer hook up fees, water service installation fees and fire line fees, if any.

SECTION 4.3 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a default by any contractor, subcontractor or materialman under any contract made by it in connection with the acquisition, renovation, installation and equipping of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialman so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, which consent shall not be unreasonably withheld, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility then to pay all reasonable costs and expenses incurred by the Agency in connection therewith, and thereafter be paid to the Company for its own use.

**ARTICLE V
DEMISE OF PROJECT FACILITY; RENTAL PAYMENTS
AND OTHER AMOUNTS PAYABLE**

SECTION 5.1 LEASE OF THE PROJECT FACILITY. In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and lease to the Company, and the Company hereby agrees to rent and lease from the Agency, a leasehold interest in the Project Facility, subject only to the Permitted Encumbrances.

SECTION 5.2 DURATION OF THE LEASE TERM; QUIET ENJOYMENT.

(A) The Agency shall deliver to the Company possession of the Project Facility, subject to the provisions of this Lease, and the leasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(B) Provided that all amounts, costs and expenses payable by the Company to the Agency under this Lease and all other Transaction Documents are paid in full, the leasehold estate created hereby shall terminate at 12:00 a.m. on the earlier to occur of (1) December 31, 2018 (the "Stated Expiration Date"), or (2) the date that this Lease shall terminate pursuant to Article X or Article XI hereof.

(C) The Agency shall take no action, other than pursuant to Article X or Article XI of this Lease, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Lease and will, at the request of the Company and at the Company's expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

SECTION 5.3 RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(A) The Company shall pay or cause to be paid on the date of execution and delivery of this Lease, as the basic lease payments due hereunder: (1) the sum of \$1.00, (2) all fees and expenses of counsel to the Agency and Special Counsel to date with respect to the Project, and (3) all other reasonable costs and expenses incurred by the Agency in connection with the transactions contemplated by this Lease and the other Transaction Documents.

(B) The Company agrees to pay or cause to be paid to the Agency the following fees: (1) a closing compliance fee in the amount of \$2,500.00, and (2) an Agency administrative fee in the amount of \$187,500, with respect to the Project (collectively, the "Administrative Fee"). The Administrative Fee is due and payable by the Company to the Agency on the Closing Date. The Administrative Fee is non-refundable and is deemed earned in full upon the execution and delivery of this Lease.

(C) The Company agrees to pay or cause to be paid to the Agency an annual administrative fee in the amount of \$1,000.00 (the "Annual Fee"). The Annual Fee for the first year of the lease term (or part thereof) shall be due and payable on the Closing Date and the Annual Fee for each year thereafter shall be due and payable, in advance, on January 1 of each year. The Annual Fee shall be adjusted annually based on the increase in the Index from the prior year.

(D) Within fifteen (15) days after receipt of a demand therefor from the Agency, the Company shall pay or cause to be paid to the Agency the sum of the reasonable costs and expenses of the Agency and the officers, members, agents, attorneys, servants and employees thereof, past, present and future, incurred by reason of the Agency's ownership, leasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease or any of the other Transaction Documents, and any other reasonable fee or expense of the Agency with respect to the Project Facility, the leasing or sale of the Project Facility to the Company, or any of the other Transaction Documents, the payment of which is not otherwise provided for under this Lease.

(E) The Company agrees to make or cause to be made the above-mentioned payments in immediately available funds, without any further notice or demand, by wire transfer or other form of payment satisfactory to the Agency, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make or cause to be made any payment required by this Section 5.3 within fifteen (15) days of the date such payment is due, the Company shall pay or cause to be paid the same, together with interest thereon at the Default Interest Rate, from the date on which such payment was due until the date on which such payment is received by the Agency.

SECTION 5.4 NATURE OF OBLIGATIONS OF THE COMPANY
HEREUNDER.

(A) The obligations of the Company to make the payments required by this Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of setoff, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease, or terminate this Lease (except as set forth in Section 11.1 hereof), for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part expressly contained in this Lease, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 12.9 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company), servants or employees, past, present and future, of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Lease, the relationship of the Agency and the Company hereunder or the Company's use and occupancy to the Project Facility, or any other liability of the Agency to the Company.

SECTION 5.5 GRANT OF SECURITY INTEREST. This Lease shall constitute a "security agreement", as such term is defined in the Uniform Commercial Code adopted in the State, as the same may from time to time be in effect (the "UCC"). The Company hereby grants the Agency a first-priority security interest in all of the right, title and interest of the Company in the Equipment and in all additions and accessions thereto, all replacements and substitutions therefor, all books, records and accounts of the Company pertaining to the Project Facility, and all proceeds and products thereof (collectively, the "Collateral"), as security for payment of the rental payments and all other payments and obligations of the Company hereunder, and the Agency is authorized to file financing statements with respect to such Collateral without the Company executing the same. If any default shall occur under this Lease or any of the other Transaction Documents, the Agency shall have, in addition to any and all other rights and remedies set forth in this Lease, and may exercise without demand, any and all rights and

remedies granted to a secured party under the UCC, including, but not limited to, the right to take possession of the Equipment and any fixtures or other personal property that constitute part of the Collateral, and the right to advertise and sell the same, or any part thereof, pursuant to and in accordance with the UCC. The Company agrees that any notice of public or private sale with respect to such Collateral, or any part thereof, shall constitute reasonable notice if it is sent to the Company not less than ten (10) days prior to the date of any such sale. The Company hereby irrevocably appoints the Agency as its attorney-in-fact to execute, deliver and/or file any instruments or statements necessary or convenient to perfect and continue the security interest granted herein.

ARTICLE VI
MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

SECTION 6.1 MAINTENANCE AND MODIFICATIONS OF THE PROJECT FACILITY.

(A) The Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) occupy, use and operate the Project Facility, and shall cause the Project Facility to be occupied, used and operated, in the manner for which it was intended and contemplated by this Lease, (3) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), (4) operate the Project Facility in a sound and economical manner, (5) not abandon the Project Facility, and (6) not create, permit or suffer to exist any mortgage, encumbrance, lien, security interest, claim or charge against the Project Facility, or any part thereof, or the interest of the Agency or the Company in the Project Facility or this Lease, except for Permitted Encumbrances. The Agency shall have no obligation to replace, maintain or effect replacements, renewals or repairs of the Project Facility, or to furnish any utilities or services for the Project Facility and the Company hereby agrees to assume full responsibility therefor.

(B) Upon prior written notice to the Agency, the Company may make alterations, modifications or improvements to the Project Facility, or any part thereof, including, without limitation, initial tenant improvement alterations for subtenants, provided:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such modification or improvement to the Project Facility, or any part thereof, (b) indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless from all fees, expenses, fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) not be in default under this Lease or under any of the other Transaction Documents;

(2) such alterations, modifications and improvements are effected with due diligence, in a good and workmanlike manner and in compliance with all Applicable Laws;

(3) the Company shall promptly and fully pay for such alterations, modifications and improvements in accordance with the terms of the applicable contract(s) therefor;

(4) the alteration, modification or improvement to the Project Facility shall not constitute or cause a default under any of the Transaction Documents;

(5) the Company shall furnish to the Agency, at least fifteen (15) days prior to commencing such alteration, modification or improvement to the Project Facility, detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for (a) nonstructural modifications or improvements to the Project Facility which do not exceed, at any one time, \$250,000.00 in value, and (b) non-structural modifications or improvements, without limitation as to amount, performed in connection with initial tenant improvement alterations for subtenants;

(6) as a result of such alterations, modifications or improvements, neither the usefulness, structural integrity nor operating efficiency of the Project Facility would be impaired in the reasonable judgment of the Agency;

(7) if the cost of such alterations, modifications or improvements is estimated to exceed \$250,000.00, such alterations, modifications or improvements shall be conducted only after the Company shall have furnished to the Agency a labor and materials payment bond, or other security, naming the Agency as dual obligee and otherwise in form and substance reasonably satisfactory to the Agency; provided, however, that such bond or other security need not be furnished to the Agency in connection with initial tenant improvement alterations for subtenants;

(8) the Agency receives reasonably satisfactory evidence that such alterations, modifications and alterations do not change the nature of the Project Facility such that it would not comply with the terms of this Lease or such that it would not constitute a "project" (as such quoted term is defined in the Act);

(9) if such alterations, modifications or improvements involve an addition to the Project Facility or would otherwise result, but for the Agency's ownership of the Project Facility, in an increase in the assessed value of the Premises, then the Agency may require an increase in the Administrative Fee, the Annual Fee and/or the sums payable under the PILOT Agreement, if any;

(10) no such alterations, modifications or improvements shall be entitled to any "financial assistance" (as such quoted term is defined in the Act) from the Agency; and

(11) an Event of Default shall not have occurred and be continuing under this Lease or any other Transaction Document.

All such alterations, modifications and improvements shall constitute a part of the Project Facility and the Company shall deliver or cause to be delivered to the Agency appropriate documents to convey title to such property to the Agency, free and clear of all liens, charges,

encumbrances, security interests or claims other than Permitted Encumbrances, and to subject such property to this Lease.

The provisions of this Subsection (B) shall not apply to the initial renovation, installation and equipping of the Project Facility pursuant to the Plans and Specifications.

(C) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the operation of the Project Facility, and the Company will defend (with counsel selected by the Agency), indemnify and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith.

(D) Any provision of this Lease to the contrary notwithstanding, the Company shall not construct any buildings or structures on the Land other than the Building, as depicted and described in the Plans and Specifications, without the prior written consent of the Agency, which consent shall not be unreasonably withheld.

SECTION 6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

(A) The Company shall pay or cause to be paid, as the same respectively become due without penalty or interest: (1) all taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility (other than those taxes for which payments in lieu thereof are being paid pursuant to the PILOT Agreement), (2) all utility and other charges, including "service charges" and deposits, incurred or imposed for the operation, maintenance, use, occupancy, upkeep and improvement of the Project Facility, and (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by any Governmental Authority for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Lease.

(B) If the Company fails to pay any tax, assessment or charge required to be paid pursuant to this Section 6.2, the Agency may pay or cause to be paid such taxes, assessments or charges. The Company shall reimburse the Agency for any amount paid under this Section 6.2, together with interest thereon from the date of payment at the Default Interest Rate.

(C) Notwithstanding the provisions of this Section 6.2, the Company may withhold any such payment and the Company may in good faith actively contest the validity or the applicability of any payment referred to in such subsection (A), provided that (1) the Company shall have first notified the Agency in writing of such contest, (2) the Company is not in default beyond applicable notice and cure periods under any of the Transaction Documents, (3) the overall operating efficiency of the Project for the purposes for which it is intended is not materially impaired, (4) neither the Project Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings, (5) the Company shall have set aside on its books adequate reserves with respect thereto, and (6) the

Company diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be reasonably satisfactory to the Agency.

SECTION 6.3 INSURANCE REQUIRED. During the term of this Lease, the Company shall maintain insurance with respect to the Project Facility against such risks and liabilities and for such amounts as are, in the Agency's reasonable judgment, customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) Insurance protecting the interests of the Company and the Agency as insureds, as their interests may appear, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils embraced by so-called "All Risks" insurance, in amounts sufficient to prevent the Company or the Agency from becoming a co-insurer under such policy and in no event less than \$20,000,000, provided, however, that prior to the commencement of any construction or renovation of the Project Facility, the Company shall provide evidence that such insurance shall be in such amount as the Agency reasonably requires but not less than 100% of the replacement cost of the Project Facility, without deduction for depreciation, and including coverage against acts of terrorism. Additionally, during any period in which construction work or alterations are being performed at the Project Facility, the Company shall maintain extended coverage casualty insurance in the form of a "Builder's Risk" non-reporting policy in an amount to be reasonably satisfactory to the Agency.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition, renovation, installation and equipping of the Project Facility.

(C) Insurance protecting the Company and the Agency against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.2 of this Lease) and arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000.00 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$1,000,000.00 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law, and a separate umbrella liability policy protecting the Company and the Agency with a limit of not less than \$10,000,000.00, as said amounts may be adjusted by the Agency from time to time in its sole and absolute discretion.

(D) During any period of construction, renovation, improvement or reconstruction, to the extent not covered by the public liability insurance set forth in Subsection (C) above, Owners & Contractors Liability insurance for the benefit of the Company and the Agency in a minimum amount of \$2,000,000.00 aggregate coverage for personal injury and property damage.

(E) Boiler and machine property damage insurance in respect of any steam and pressure boilers and similar apparatus, insuring risks normally insured against under boiler and machinery policies and in amounts and with deductibles customarily obtained for similar enterprises.

(F) Such other insurance in such amounts and against such insurable hazards and risks as the Agency from time to time may reasonably require, including, without limitation, environmental hazard and liability insurance.

SECTION 6.4 ADDITIONAL PROVISIONS RESPECTING INSURANCE.

(A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having a Best rating reasonably satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged and shall provide that such insurance shall be without any right of contribution from any other insurance carried by the Agency. All policies evidencing such insurance shall name the Company and the Agency as insureds, as their interests may appear, and naming the Agency as loss payee (subject to Subsection (F) hereof), and provide for at least thirty (30) days' written notice to the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. All insurance required hereunder shall be in form, content and coverage satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 hereof. At least thirty (30) days prior to the expiration of any such policy, the Company shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Lease.

(B) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company; provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest thereon at the Default Interest Rate.

(C) In the event of construction, reconstruction, improvement or renovation of any part of the Project Facility, the Company shall require its contractors and subcontractors, if any, to name the Agency as an additional insured on liability policies carried by such contractors or subcontractors with respect to their operations at the Premises or with respect to the Project.

(D) Each of the policies evidencing the insurance required by Section 6.3 of this Lease shall provide that: (i) there shall be no recourse against the Agency for the payment of premiums or commissions or, if such policies provide for the payment thereof, additional premiums or assessments; (ii) in respect of the interest of the Agency in such policies, the

insurance shall not be invalidated by any action or inaction of the Company or any other Person and shall insure the Agency regardless of, and any losses shall be payable notwithstanding, any such action or inaction; (iii) if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or if there shall occur any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Agency until at least thirty (30) days after receipt by the Agency of written notice by such insurers of such cancellation, lapse, expiration, reduction or change; and (iv) the insurers waive subrogation thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or other deduction, in respect of any liability of any Person insured under such policy.

(E) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST IN THE PROJECT FACILITY.

(F) Any provision of this Lease to the contrary notwithstanding, at any time during the term of this Lease that any portion of the Bank Loan is outstanding and the Bank Mortgage remains a Lien on the Project Facility, the Agency agrees that (i) the Bank shall be the loss payee with respect to the Net Proceeds of the insurance required by Sections 6.3(A) and (E) hereof, and (ii) the provisions of Section 6.5 and 7.1(B) hereof shall be superseded and replaced by the applicable provisions of the Bank Mortgage.

SECTION 6.5 APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows: (A) the Net Proceeds of the insurance required by Sections 6.3(A) and 6.3(E) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Sections 6.3(B), 6.3(C) and 6.3(D) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6 PAYMENTS IN LIEU OF TAXES.

(A) It is recognized that, under the provisions of the Act, the Agency is required to pay no taxes or assessments upon any of the Property acquired by it or under its jurisdiction, control or supervision or upon its activities. It is the intention of the parties hereto that the Project Facility be treated as exempt from real property taxation to the extent set forth in the PILOT Agreement. Accordingly, the parties hereto acknowledge that the Agency shall file New York State Board of Real Property Services Form RP-412-a (a "Real Property Tax Exemption Form") with respect to the Project Facility. The Company hereby consents to any enforcement action provided pursuant to law by such Taxing Entities in the event that the Company should fail to pay such taxes as aforesaid and shall not object to any such enforcement action on the grounds that title to the Project Facility has been transferred and is held by the Agency or that the Project Facility is under the Agency's jurisdiction, control or supervision or subject to its activities.

(B) The Agency and the Company hereby agree that the Company, or any permitted subsequent user of the Project Facility under this Lease, shall be required to make or cause to be made payments in lieu of taxes to the school district or school districts, city, town, county, village and other political units wherein the Project Facility is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities"), in such amounts and at such times as are required by the PILOT Agreement.

ARTICLE VII
DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1 DAMAGE OR DESTRUCTION.

(A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease (whether or not the Project Facility is replaced, repaired, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, which consent shall not be unreasonably withheld or delayed, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b) (1) subject to the provisions of Section 6.4(F) of this Lease, the Agency shall make available to the Company (from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company, if any, are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as

provided in subsection (A) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to purchase the Project Facility. In such event, and subject to the provisions of Section 6.4(F) of this Lease, the Net Proceeds collected by the Agency under any and all policies of insurance covering the damage to or destruction of the Project Facility, after deducting the amount necessary to repay the Indebtedness, shall be paid to the Company for its own purposes. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to repay the Indebtedness in full.

(C) Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) and 6.3(C) hereof.

(D) The Company hereby waives the provisions of Section 227 of the Real Property Law of the State or any laws of like import, now or hereafter in effect.

SECTION 7.2 CONDEMNATION.

(A) To the best of the Company's knowledge, no Condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility or the Agency's or the Company's interest therein.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

(1) the Agency shall have no obligation to restore the Project Facility, or any part thereof;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease (whether or not the Project Facility is restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (C) of this Section 7.2, (a) the Company shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) subject to the provisions of Section 6.4(F) of this Lease, the Agency shall make available to the Company (from the Net Proceeds of any Condemnation award, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency

provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any Condemnation award remaining on deposit with the Agency, if any, after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in subsection (B) of this Section 7.2, the Company shall not be obligated to restore the Project Facility and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) (4) of this Section 7.2, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to purchase the Project Facility. In such event, and subject to the provisions of Section 6.4(F) of this Lease, the Net Proceeds of any Condemnation award collected by the Agency, if any, after deducting the amount necessary to repay the Indebtedness, shall be paid over to the Company for its own purposes. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be repaid in full.

(D) Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof or any interest therein and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any Condemnation proceedings and, within seven (7) days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(E) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company, which consent shall not be unreasonably withheld or delayed.

SECTION 7.3 ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein and shall be subject to this Lease.

IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE AGENCY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

SECTION 8.2 HOLD HARMLESS PROVISIONS.

The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(B) In the event of any claim against the Agency or its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefits laws or other employee benefit laws.

(C) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure to the extent possible, in the liability policies required by Section 6.3(C) of this Lease, its liabilities assumed pursuant to this Section 8.2.

(D) Notwithstanding any other provisions of this Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency or its members, agents (other than the Company), attorneys, servants or employees, past, present or future, relating thereto.

SECTION 8.3 RIGHT OF ACCESS TO THE PROJECT FACILITY. The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times and upon reasonable notice to enter upon and to examine and inspect the Project Facility; provided, however, that no such notice shall be required in the event of an emergency or if an Event of Default has occurred and is continuing under this Lease. The Company further agrees that the Agency shall have such rights of access to the Project Facility as may be reasonably necessary to cause the proper maintenance of the Project Facility in the event of failure by the Company to perform its obligations hereunder, but the exercise of such right shall in no event be construed to mean that the Agency has assumed any obligation hereunder to perform such maintenance.

SECTION 8.4 COMPANY NOT TO TERMINATE EXISTENCE OR DISPOSE OF ASSETS. The Company agrees that, during the term of this Lease, it will maintain its company existence as in effect on the date hereof, will not dissolve or otherwise dispose of all or substantially all of its assets, will not consolidate with or merge into another limited liability company or other Person, or permit one or more limited liability companies or other Persons to consolidate with or merge into it, without giving prior written notice to the Agency and obtaining the consent of the Agency, which consent shall not be unreasonably withheld or delayed. The Company agrees that it will not change its name or its state of organization without giving prior written notice to the Agency and obtaining the consent of the Agency, which consent shall not be unreasonably withheld or delayed.

SECTION 8.5 AGREEMENT TO PROVIDE INFORMATION. The Company agrees, whenever reasonably requested by the Agency, to promptly provide and certify or cause to be provided and certified such information concerning the Project Facility, the Company, the Guarantors or their respective finances, operations and affairs and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by Applicable Laws or other governmental regulation.

SECTION 8.6 BOOKS OF RECORD AND ACCOUNT; COMPLIANCE CERTIFICATES.

(A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) In no event later than thirty (30) days after end of each fiscal year of the Company, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder or under any other Transaction Document has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto.

SECTION 8.7 COMPLIANCE WITH APPLICABLE LAWS.

(A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default beyond applicable notice and cure periods under any of the Transaction Documents, (3) shall have set aside adequate reserves for any such requirement, (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture, (5) demonstrates to the reasonable satisfaction of the Agency that such contest shall not result in the Company or the Agency being in any danger of any civil or criminal liability for failure to comply therewith, and (6) diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be reasonably satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

(A) The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency (other than the Project Facility) or on any funds of the Agency applicable to or deriving from the Project Facility.

(B) If any Lien (other than a Permitted Encumbrance) is filed or asserted, or any judgment, decree, order, levy or process of any court or governmental body is entered, made or issued or any claim, whether or not valid, is made against the Project Facility or any part thereof or the interest therein of the Company or the Agency or against any funds of the Agency applicable to or deriving from the Project Facility, the Company, immediately upon receiving notice of the filing, assertion, entry or issuance thereof, shall give written notice thereof to the Agency and take all action (including, without limitation, the payment of money and/or securing

of a bond) at its own cost and expense as may be necessary or appropriate to obtain the discharge in full thereof and remove or nullify the basis therefor. Nothing herein shall be construed as constituting the consent to or permission of the Agency for the performance of any labor or services or the furnishing of any materials that would give rise to any Lien against the Agency's interest in the Project Facility.

SECTION 8.9 PERFORMANCE OF THE COMPANY'S OBLIGATIONS.

Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but shall not be obligated to, after any applicable notice or cure period, without further notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith; and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon, at the Default Interest Rate.

SECTION 8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS.

The parties agree that as between them the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other state and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

SECTION 8.11 EMPLOYMENT OPPORTUNITIES.

(A) The Company shall ensure that all employees and applicants for employment with regard to the Project, including, without limitation, the employees of and applicants for employment with the County, are afforded equal employment opportunities without discrimination.

(B) Pursuant to Section 858-b of the Act, except as otherwise provided by collective bargaining contracts or agreements, the Company agrees (1) to list all new employment opportunities created as a result of the Project with the New York State Department of Labor, Community Services Division (the "NYSDOL") and with the administrative entity (collectively with NYSDOL, the "JTPA Referral Entities") of the service delivery area created by the federal Job Training Partnership Act (P.L. No. 97-300) (including any successor statute thereto, the "JTPA") in which the Project Facility is located, and (2) where practicable, to first consider for such new employment opportunities persons eligible to participate in federal JTPA programs who shall be referred by the JTPA Referral Entities.

(C) Pursuant to the requirements of subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, prior to the effective date of this Lease, an employment plan, in form and substance satisfactory to the Agency.

(D) Pursuant to the requirements of subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, on an annual basis not later than January 1 of each year during the term of this Lease, reports regarding the number of people employed at the Project Facility and certain other matters, said annual employment reports to be in substantially the form annexed hereto as Exhibit G. The Agency shall have the right, at the Company's expense, to audit, confirm and/or require additional information with regard thereto and the Company agrees to cooperate with the Agency in connection therewith.

(E) The Company shall, at all times during the term of this Lease, maintain the Minimum Employment Requirement.

SECTION 8.12 SALES AND USE TAX EXEMPTION.

(A) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain sales and use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. Any exemption from the payment of New York sales and use taxes resulting from Agency involvement in the Project shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of or incorporated within the Project Facility. No operating expenses (including, without limitation, costs of utilities, cleaning services or supplies) of the Project and no other purchases of services or property shall be subject to an exemption from the payment of New York sales or use taxes. Without limitation of the foregoing, the purchase of materials, fixtures, improvements, additions, machinery, equipment, furniture, furnishings and other items of tangible and intangible property by the Company for use by or in connection with the preparation of premises for any subtenant of the Project Facility shall not be entitled to an exemption from the payment of New York sales or use taxes. The Agency makes no representations or warranties that any property is exempt from the payment of New York sales or use taxes.

(B) On the Closing Date, the Agency shall execute and deliver to the Company a sales and use tax exemption letter in the form attached hereto as Exhibit E (the "Sales Tax Exemption Letter"). The granting of the sales and use tax exemption herein is subject to the following additional terms and conditions:

(1) The Sales Tax Exemption Letter shall be dated the Closing Date and shall be effective for a term commencing on its date and expiring upon the earliest to occur of: (a) the termination of this Lease, (b) September 1, 2011, or (c) the termination of the Sales Tax Exemption Letter pursuant to the terms hereof and thereof;

(2) Anything in this Lease or the Sales Tax Exemption Letter to the contrary notwithstanding, the sales and use tax exemption to be provided pursuant to the Sales Tax Exemption Letter (a) shall not be available for any date subsequent to which the Sales Tax Exemption Letter shall have been suspended as provided in this Lease; provided, however, that in the event the Company shall thereafter cure the default(s) giving rise to such suspension, or the Agency shall thereafter waive such suspension and the sales and use tax exemption shall again continue from the date of such cure or waiver; (b) shall not

be available for or with respect to any tangible personal property having a useful life of less than one year; and (c) shall not be available after the Company shall have made purchases under the Sales Tax Exemption Letter resulting in sales and use tax exemptions in the aggregate amount of the Maximum Sales Tax Benefit;

(C) The Company agrees to furnish to the Agency within fifteen (15) days after the end of each calendar quarter through the end of the calendar quarter following the expiration of the Sales Tax Exemption Letter, a sales and use tax exemption report (the "Quarterly Sales Tax Report"), in form and substance satisfactory to the Agency in its reasonable judgment, with respect to the use of the Sales Tax Exemption Letter by the Company and its agents, contractors and subcontractors during the preceding calendar quarter. Each said Quarterly Sales Tax Report shall be certified by an Authorized Representative of the Company and shall: (1) identify the contracts and specific property exempted from sales taxes and/or use taxes during such period; (2) indicate the parties to said contract; (3) indicate the maximum amount payable under said contract, and indicate what portion of said amount would normally be subject to sales and use taxes imposed in the State; (4) indicate the amount of sales tax benefit expected to be received with respect to said contract; and (5) indicate the cumulative sales tax benefit received by the Company with respect to the Project for the calendar year.

(D) Pursuant to Section 874(8) of the Act, the Company agrees to file annually, with the New York State Department of Taxation and Finance (the "Department"), on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Annual Sales Tax Report"), a statement of the value of all sales and use tax exemptions claimed by the Company and all contractors, subcontractors, consultants and other agents of the Company under the authority granted to the Company pursuant to Section 4.1(E) of this Lease. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be the termination of authority to act as agent of the Agency. Additionally, if the Company shall fail to comply with the requirements of this subsection (D), the Company shall immediately cease to be the agent of the Agency in connection with the Project.

(E) The Company agrees to furnish to the Agency, simultaneously with its delivery of such report to the Department, a copy of each such Annual Sales Tax Report submitted to the Department by the Company pursuant to Section 874(8) of the Act.

(F) Pursuant to Section 874(9) of the Act, the Agency shall file within thirty (30) days of the Closing Date with the Department on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), a statement identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease. The Company agrees to timely provide the foregoing information to the Agency and to otherwise cooperate with the Agency in connection with the preparation and filing of the Thirty-Day Sales Tax Report.

(G) The Company agrees to furnish to the Agency, on request, an opinion of a certified public accountant to the effect that such accountant has audited the use by the Company of the Sales Tax Exemption Letter for the preceding calendar year, and has reviewed the terms and provisions of the Sales Tax Exemption Letter and of this Section 8.12, and has further audited the Quarterly Sales Tax Reports for the preceding calendar year, and that such Quarterly Sales Tax Reports were properly prepared and accurately reflect the matters certified therein.

(H) The Company covenants and agrees that it shall include the following language in and as a part of each contract, invoice, bill or purchase order entered into by the Company, as agent of the Agency, in connection with the acquisition, renovation, installation and equipping of the Project Facility:

“This [contract] is being entered into by Lunar Module Park, LLC (the “Agent”), as agent for and on behalf of the Nassau County Industrial Development Agency (the “Agency”) in connection with a certain project of the Agency for the Agent consisting in part of the acquisition and renovation of a commercial building and the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation in certain premises located at 500 Grumman Road West in Bethpage, Town of Oyster Bay, Nassau County, New York (the “Premises”). The machinery, equipment and building materials to be incorporated and installed in the Premises shall be exempt from the sales and use taxes levied by the State of New York if the acquisition thereof is effected in accordance with the terms and conditions set forth in the attached sales tax exemption letter of the Agency; and the Agent hereby represents that this [contract] is in compliance with the terms of the sales tax exemption letter. This [contract] is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this [contract], the [vendor/contractor] hereby acknowledges and agrees to the terms and conditions set forth in this paragraph.”

If the Company fails to include, incorporate by reference or otherwise cause the contract, invoice, bill or purchase order to be subject to the above provision, then such contract, invoice, bill or purchase order shall not be an undertaking on behalf of the Agency and shall not be entitled to any of the benefits that may be conferred by the Agency, the Company shall not claim any sales or use tax benefits or exemptions with respect thereto, and the Company shall return to the Agency any such benefits or exemptions so taken, together with interest thereon at the Default Interest Rate, from the date of such taking.

(I) Without limitation of any of the Agency’s other rights under this Lease, in the event that the Company shall utilize the sales or use tax exemption provided pursuant to the Sales Tax Exemption Letter in violation of the provisions of this Section 8.12, the Company shall promptly deliver notice of same to the Agency, and the Company, upon demand of the Agency, shall pay to the Agency a return of sales or use tax exemptions in an amount equal to all

such unauthorized sales or use tax exemptions together with interest at the Default Interest Rate from the date and with respect to the dollar amount for which each such unauthorized sales or use tax exemption was used by the Company.

SECTION 8.13 IDENTIFICATION OF THE EQUIPMENT. All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

SECTION 8.14 FINANCIAL STATEMENTS. Within ninety (90) days after the end of each fiscal year, the Company shall deliver to the Agency the financial statements of the Company prepared and compiled by an independent certified public accountant, certified by the chief financial officer of the Company, consisting of a balance sheet as of the last day of such period and an operating statement through the last day of such period.

ARTICLE IX ASSIGNMENTS; LEASING; MERGER OF THE AGENCY

SECTION 9.1 ASSIGNMENT OF THIS LEASE. This Lease may not be assigned by the Company, in whole or in part, without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion, and shall in all events be subject to and conditioned upon the payment of any required fees of the Agency and the satisfaction of all requirements of the Act. Any such sale, assignment or transfer shall be made pursuant to documentation reasonably satisfactory to the Agency. The Company shall pay all reasonable and customary fees and expenses incurred by the Agency in connection with such sale, assignment or transfer.

SECTION 9.2 MERGER OF THE AGENCY.

(A) Nothing contained in this Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or any political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder; provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall endeavor to give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3 SALE OR LEASE OF THE PROJECT FACILITY.

(A) The Company shall not sell, lease, sublease, transfer, convey or otherwise dispose of the Project Facility or any part thereof without the prior written consent of the

Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion, except for transfers, conveyances, subleases and other occupancy arrangements as set forth in Subsections (B) and (E) hereof.

(B) (1) The Company may sublease the Project Facility, or any portion thereof, to one or more Persons approved by the Agency, such approval not to be unreasonably withheld or delayed, pursuant to a form of sublease agreement reasonably approved by the Agency. The foregoing notwithstanding, the Company shall not, without the prior written consent of the Agency, which consent may be withheld in the sole and absolute discretion of the Agency, sublease the Project Facility, or any portion thereof, in any manner that would cause (i) the removal of a facility or plant of such subtenant or occupant from one area of the state to another area of the State or in the abandonment of one or more plants or facilities of such subtenant or occupant located within the State, or (ii) the Project Facility to be a project where property that is used in making retail sales of goods or services to customers who personally visit the Project Facility would constitute more than one-third of the total cost of the Project, or (iii) the Project Facility not to constitute a "project", as such quoted term is defined in the Act, (iv) the Project Facility, or any portion thereof, to be occupied by a Prohibited Person, or (v) would cause the Project Facility or the operation thereof to be in violation of Applicable Laws. The Company shall include representations substantially the same as those set forth in the immediately preceding sentence in all leases, subleases and other occupancy agreements with respect to the Project Facility, or any part thereof.

(2) Within thirty (30) days after the end of each fiscal quarter, the Company shall deliver to the Agency a current rent roll and a certificate, (i) listing all leases, subleases and other occupancy agreements entered into with respect to the Project Facility, or any part thereof, during the immediately preceding fiscal quarter, including, without limitation, the name of the tenant, subtenant or occupant, the square footage of the space leased, subleased or occupied, the rental and other consideration for such lease, sublease or agreement, and such other information as the Agency may require from time to time, (ii) attaching true, correct and complete copies of such leases, subleases or other occupancy agreements entered into within such prior fiscal quarter, and (iii) certifying that such leases, subleases or other occupancy agreements do not and shall not result in a violation of the terms of this Lease or any other Transaction Document.

(C) Notwithstanding anything to the contrary contained in this Section 9.3, in any instance where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency but upon reasonable prior notice to the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with items of similar quality and value as the items replaced as of the date of original installation of the replaced items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments reasonably necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Transaction Documents. The Company shall pay all reasonable costs and expenses (including reasonable

attorneys' fees and expenses) incurred in transferring title to and releasing from the Liens of the Transaction Documents any item of Property removed pursuant to this Section 9.3.

(D) The Company covenants and agrees to use all commercially reasonable efforts to promptly sublease or enter into other occupancy arrangements with respect to the Project Facility, subject to the terms of this Lease.

(E) Any provision of this Section 9.3 to the contrary notwithstanding, the Company shall have the right to convert the Premises to a condominium form of ownership (the "Conversion"), subject to and in accordance with the terms of the Conversion Agreement.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1 EVENTS OF DEFAULT DEFINED.

(A) The following shall be "Events of Default" under this Lease, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Lease, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of any amount due under this Lease or under any other Transaction Document, and the continuance thereof for a period of fifteen (15) days after written notice thereof is given by the Agency to the Company.

(2) A default in the performance or observance of any other of the covenants, conditions or agreements on the part of the Company in this Lease and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, or, if such covenant, condition or agreement is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the cure to completion with due diligence.

(3) The occurrence of an "Event of Default" under any other Transaction Document.

(4) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

(5) The Company shall conceal, remove or permit to be concealed or removed any part of its Property, with intent to hinder, delay or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within ten (10) days from the date thereof.

(6) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy or insolvency statute; (b) the failure by the Company within thirty (30) days to lift any execution, garnishment or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder; (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy or insolvency statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of thirty (30) days; (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver, liquidator or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within thirty (30) days of such appointment.

(7) If any interest in the Company shall be sold, assigned, transferred, conveyed, mortgaged, pledged, hypothecated or alienated, other than by a will or pursuant to the laws of intestate succession upon the death of a member of the Company, or if any member of the Company enters into an agreement or contract to do so, without the prior written consent of the Agency, which consent may be withheld in the Agency's reasonable discretion, except that members of the Company as of the date of the execution and delivery of this Lease (collectively, "Existing Members") may transfer all or any portion of their membership interests in the Company to other Existing Members and the members of Existing Members may transfer all or any part of their membership interests to members of their immediate family; provided, however, that no such transfers shall result in a change in the management, control or day-to-day operations of the Company.

(8) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance, subject to the right of the Company to obtain the discharge thereof pursuant to Section 8.8(B) of this Lease.

(9) The removal of the Project Facility, or any portion thereof, outside the County, without the prior written consent of the Agency, other than in connection with a removal permitted under Section 9.3(C) of this Lease.

(10) If any certificate, statement, representation, warranty or financial statement made to the Agency by or on behalf of the Company or any Guarantor shall prove to have been false, misleading or incorrect in any material respect at the time as of which the facts therein set forth were made, or to have omitted any material liability or claim against the Company or such Guarantor, as the case may be.

(11) If, except for any condition existing as of the Closing Date that is disclosed in the Environmental Documents, the environmental or ecological condition of the Project Facility is in violation of any Environmental Law or any permit, license or

approval related thereto or if the Project Facility, or any part thereof, contains any Hazardous Materials (except Hazardous Materials which do not violate Environmental Laws), and the Company (a) does not commence all appropriate and lawful remedial containment and clean-up action with twenty (20) days of the notification or discover of the existence of such Hazardous Materials, or (b) having commenced such containment and action, fails to diligently prosecute such containment and action to completion within a reasonable period of time, which reasonable period of time shall in no event exceed one hundred twenty (120) days after the notification or discovery.

(12) Any loss of title by the Agency to the Project Facility, or any part thereof.

(13) The Company, any Guarantor, any Affiliate thereof or any member thereof shall become a Prohibited Person.

(14) Any assignment of this Lease, in whole or in part, or any subletting of the Project Facility, or any portion thereof, in violation of the terms of this Lease.

(15) If Guarantor ceases to be the Managing Member of the Company or otherwise ceases to have day-to-day control of the operations of the Company for any reason.

(16) A default, beyond applicable notice, cure or grace periods, or an Event of Default shall occur under the Bank Mortgage or under any other Permitted Encumbrance.

(17) If any of the events enumerated in clauses (4) through (6) of this Section 10.1(A) shall happen to any Guarantor.

(18) Any Guarantor defaults under or attempts to withdraw, rerate, cancel or disclaim liability under or the occurrence of an Event of Default under any guaranty or indemnity made by such Guarantor in favor of the Agency, including, without limitation, the Guaranty and the Environmental Indemnification Agreement.

(B) Notwithstanding the provisions of Section 10.1(A) hereof if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Lease and if such party shall give notice and full particulars of such force majeure event or cause in writing to the other party within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Lease of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability to perform. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required under this Lease, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 2.2(G), 3.1, 3.3, 4.1(F), 6.1, 8.2 and 12.9(C) hereof and to comply with the provisions of Sections 2.2(G), 6.6, 8.2, 8.4, 8.5 and 8.7(C) hereof. The term "force majeure" as used herein shall include acts outside of the control of the Agency and the Company, including, but not limited to, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, insurrections, riots, epidemics,

landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, restraint of government and people, civil disturbances, breakage or accident to transmission pipes or canals, and failure of utilities.

SECTION 10.2 REMEDIES ON DEFAULT.

(A) Whenever any Event of Default shall have occurred, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

(1) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 hereof, and (b) all other payments due under this Lease or any of the other Transaction Documents; or

(2) re-enter and take possession of the Project Facility, enforce or terminate this Lease, sell the Project Facility, subject to Permitted Encumbrances, at public or private sale, as a whole or piecemeal, in whole or in part, for such consideration as may be deemed appropriate in the circumstances by the Agency, and hold the Company liable for the amount, if any, by which the aggregate unpaid amounts due hereunder exceed the Net Proceeds received upon such sale, or manage and operate the Project Facility, collect all or any rents accruing therefrom, let or relet the Project Facility or any part thereof for the Agency's own account or the account of the Company, holding the Company liable for payments due up to the effective date of such leasing and for the difference in the rent and other amounts paid by the lessee pursuant to such lease and the rental payments and other amounts payable by the Company hereunder, cancel or modify leases, evict tenants, bring or defend any suits in connection with the possession of the Project Facility in its own name or in the Company's name, make repairs as the Agency deems appropriate, and perform such other acts in connection with the management, operation or disposition of the Project Facility, or any portion thereof, as the Agency, in its discretion, may deem proper; or

(3) terminate this Lease and convey to the Company all the Agency's right, title and interest in and to the Project Facility. The conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the recording by the Agency of the Deed to the Company and the delivery of the Bill of Sale to Company. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such transfer of title. The Company hereby waives delivery and acceptance of such deed and bill of sale as a condition to their validity, and appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest) with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording or filing of such documents; or

(4) bring an action for damages, injunction or specific performance; or

(5) suspend the right of the Company to act as agent for the Agency in connection with the Project, including, without limitation, as its agent for the purpose of the sales and use tax exemption afforded to the Company pursuant to this Lease; or

(6) require the Company to make payments in lieu of real property taxes under the PILOT Agreement in amounts equal to the amounts the Company would otherwise be required to pay if it were the owner of the Project Facility; or

(7) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Lease.

(B) No action taken pursuant to this Section 10.2 (including repossession of the Project Facility) shall relieve the Company from its obligations to make all payments required by this Lease and the other Transaction Documents.

SECTION 10.3 REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. In the event the Company should default under any of the provisions of this Lease or any other Transaction Document and the Agency should retain attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency such fees and expenses (including, without limitation, attorneys' fees and expenses) so incurred, whether an action is commenced or not.

SECTION 10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI OPTIONS AND OBLIGATION TO PURCHASE

SECTION 11.1 EARLY TERMINATION OF THE LEASE. The Company shall have the option to terminate this Lease prior to the termination date specified in Section 5.2 hereof by filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section 11.1. The exercise of the option to terminate pursuant to this Section 11.1 shall constitute a "Recapture Event" (as such term is defined in Section 11.4 hereof). The Company shall not, at any time, assign or

transfer its option to purchase the Agency's interest in the Project Facility as contained in this Section 11.1 separate and apart from a permitted assignment of this Lease pursuant to Section 9.1 of this Lease without the prior written consent of the Agency.

SECTION 11.2 OBLIGATION TO SELL AND PURCHASE THE PROJECT FACILITY.

(A) Contemporaneously with the termination of this Lease in accordance with Section 5.2 or Section 11.1 hereof, the Agency shall sell and the Company shall purchase all the Agency's right, title and interest in and to the Project Facility for the purchase price of One Dollar (\$1.00) plus payment of all sums required to be paid to the Agency or any other Person pursuant to this Lease and the other Transaction Documents. The obligation of the Agency under this Section 11.2 to convey the Project Facility to the Company will be subject to there being no Event of Default existing hereunder or under any other Transaction Document.

(B) The sale and conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution and delivery by the Agency of (1) the Deed to the Company (an unexecuted copy of which is attached hereto as Exhibit C), (2) the Bill of Sale to Company (an unexecuted copy of which is attached hereto as Exhibit D) and (3) the Termination of Lease (an unexecuted copy of which is attached hereto as Exhibit F). The Company hereby agrees to pay all taxes and reasonable expenses, if any, applicable to or arising from such transfers of title, including, without limitation, all of the Agency's reasonable costs and expenses in connection therewith (including reasonable attorneys' fees and expenses).

(C) The Company agrees to prepare the Deed to the Company, the Bill of Sale to Company and/or the Termination of Lease, and all schedules thereto, together with all equalization and assessment forms and other necessary documentation, and to forward same to the Agency at least fifteen (15) days prior to the date that the Project Facility or any portion thereof is to be conveyed to the Company.

(D) This Lease shall survive the transfer of the Project Facility to the Company pursuant to this Section 11.2 and shall remain in full force and effect until ninety-one (91) days after all of the Indebtedness shall have been paid in full, and thereafter the obligations of the Company shall survive as set forth in Section 12.7 hereof.

(E) Upon the payment in full of all Indebtedness, and notwithstanding the survival of certain obligations of the Company as described in Section 12.7 hereof, the Agency shall upon the request of the Company execute and deliver to the Company such documents as the Company may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency hereunder.

SECTION 11.3 CONVEYANCE ON PURCHASE OF THE PROJECT FACILITY. At the closing of any purchase of the Project Facility pursuant to Section 11.2 hereof, the Agency shall, upon the satisfaction of the conditions set forth in Section 11.1 and Section 11.2 hereof, as appropriate, deliver to the Company all necessary documents (A) to convey to the Company all the Agency's right, title and interest in and to the Project Facility, as such Property then exists, subject only to the following: (1) any Liens or title defects to which

title to such Property was subject when conveyed to the Agency, (2) any Liens created at the request of the Company or to the creation of which the Company consented, (3) any Permitted Encumbrances, and (4) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Lease or in any other Transaction Document or arising out of an Event of Default; and (B) to release and convey to the Company all of the Agency's rights and interest in and to any rights of action or any Net Proceeds of insurance settlements or Condemnation awards with respect to the Project Facility.

SECTION 11.4 RECAPTURE OF AGENCY BENEFITS.

(A) It is understood and agreed by the parties to this Lease that the Agency is entering into this Lease in order to provide the Financial Assistance to the Company for the Project and to accomplish the purposes of the Act. In consideration therefor, the Company hereby agrees that if there shall occur a Recapture Event (as hereinafter defined), then the Company shall pay to the Agency as a return of public benefits conferred by the Agency, an amount as follows:

(1) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs on or before the fifth (5th) anniversary of the Closing Date;

(2) eighty per cent (80%) of the Benefits if the Recapture Event occurs after the fifth (5th) anniversary of the Closing Date but on or before the sixth (6th) anniversary of the Closing Date;

(3) sixty per cent (60%) of the Benefits if the Recapture Event occurs after the sixth (6th) anniversary of the Closing Date but on or before the seventh (7th) anniversary of the Closing Date;

(4) forty per cent (40%) of the Benefits if the Recapture Event occurs after the seventh (7th) anniversary of the Closing Date but on or before the eighth (8th) anniversary of the Closing Date;

(5) twenty per cent (20%) of the Benefits if the Recapture Event occurs after the eighth (8th) anniversary of the Closing Date but on or before the ninth (9th) anniversary of the Closing Date;

(6) ten per cent (10%) of the Benefits if the Recapture Event occurs after the ninth (9th) anniversary of the Closing Date but on or before the tenth (10th) anniversary of the Closing Date; or

(7) zero per cent (0%) of the Benefits thereafter.

(B) The term "Benefits" shall mean the Agency's calculation of, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Company during such time as the Agency was the owner of the Project Facility by reason of the Agency's ownership, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under the PILOT Agreement from those payments which the

Company would have been required to pay during the term of this Lease (within the meaning of Section 5.2 hereof) had the Company been the owner of the Project Facility during such term and the Agency not been involved in the Project; and

(2) all miscellaneous benefits derived from the Agency's participation in the transactions contemplated by this Lease, including, but not limited to, any exemption from real property transfer taxes, any exemption from mortgage recording taxes and any exemption from applicable sales and use taxes.

(C) For the purposes of this Section 11.4 the term "Recapture Event" shall mean the occurrence of any of the following events:

(1) The Company shall have liquidated its operations and/or assets; or

(2) The Company shall have ceased all or substantially all of its operations at the Project Facility (whether by relocation to another facility or otherwise, or whether to another facility either within or outside of the County); or

(3) The Company shall have transferred all or substantially all of its employees engaged in the construction, maintenance or operation of the Project Facility to a location outside of the County; or

(4) The occurrence of an Event of Default under this Lease; or

(5) The Company shall have effected a substantial change in the scope and nature of the operations of the Company at the Project Facility; or

(6) The Company shall have sold, leased, assigned, transferred or otherwise disposed of all or any part of its interest in the Project Facility in violation of this Lease; or

(7) The Company fails to maintain the Minimum Employment Requirement at any time during the term of this Lease.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a Condemnation by governmental authority of all or substantially all of the Project Facility or any interest therein, or (ii) the inability at law of the Company to rebuild, repair, restore or replace the Project Facility after the occurrence of a casualty to substantially its condition prior to such casualty, which inability shall have arisen in good faith through no fault on the part of the Company.

(D) The Company covenants and agrees to furnish the Agency with written notification upon any Recapture Event, which notification shall set forth the terms of such Recapture Event.

(E) In the event any payment owing by the Company under this Section 11.4 shall not be paid on demand by the Company, such payment shall bear interest from the date of

such demand at the Default Interest Rate until the Company shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

SECTION 12.3 SEVERABILITY. If any one or more of the covenants or agreements provided herein on the part of the Agency or the Company to be performed shall, for any reason, be held or shall, in fact, be inoperative, unenforceable or contrary to law in any particular case, such circumstance shall not render the provision in question inoperative or unenforceable in any other case or circumstance. Further, if any one or more of the phrases, sentences, clauses, paragraphs or sections herein shall be held void, voidable, invalid or unenforceable by a court of competent jurisdiction, then such covenant or covenants or agreement or agreements shall be deemed separable from the remaining covenants and agreements hereof and shall in no way affect the validity of the other provisions of this Lease.

SECTION 12.4 AMENDMENT. This Lease may not be amended, changed, modified, altered or terminated, except by an instrument in writing signed by the parties hereto.

SECTION 12.5 EXECUTION OF COUNTERPARTS. This Lease may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 12.6 APPLICABLE LAW. This Lease shall be governed by and construed in accordance with the applicable laws of the State, as in effect from time to time, without regard to its principles of conflicts of law.

(A) The obligations of the Company to make the payments required by Sections 5.3, 6.6, 8.9, 8.12, 9.1, 9.3, 10.4, 11.2 and 11.4 hereof and to provide the indemnity required by Sections 2.2(G), 3.1, 3.3, 4.1(F), 6.1, 8.2 and 12.9(C) hereof shall survive the termination of this Lease, and all such payments after such termination shall be made upon demand of the party to whom such payment is due.

(B) The obligations of the Company to the Agency with respect to the Unassigned Rights shall survive the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitation during which a claim, cause of action or prosecution relating to the Unassigned Rights may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), attorneys, servants or employees, past, present or future, related thereto.

SECTION 12.8 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING. The Table of Contents and the headings of the several Sections in this Lease have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Lease.

SECTION 12.9 NO RECOURSE; SPECIAL OBLIGATION.

(A) The obligations and agreements of the Agency contained herein and in the other Transaction Documents and any other instrument or document executed in connection therewith or herewith, and any other instrument or document supplemental thereto or hereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Company), servant or employee of the Agency in his individual capacity, and the members, officers, agents (other than the Company), servants and employees, past, present and future, of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby.

(B) The obligations and agreements of the Agency contained herein and therein shall not constitute or give rise to an obligation of the State or the County and neither the State nor the County shall be liable hereon or thereon, and, further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights).

(C) No order or decree of specific performance with respect to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and ten (10) business days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than ten (10) business days, shall have failed to institute and diligently pursue action to cause compliance with such request within such ten (10) business day period) or failed to

respond within such notice period, (2) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such fees and expenses, and (3) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents (other than the Company) , servants or employees, past, present or future, shall be subject to potential liability, the party seeking such order or decree shall (a) agree to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability incurred as a result of its compliance with such demand, and (b) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents (other than the Company), servants and employees, past, present and future, against all liability expected to be incurred as a result of compliance with such request.

The obligation of the Company to make the payments specified in this Lease shall be absolutely net to the Agency without any abatement, recoupment, diminution, reduction, deduction, counterclaim, set-off or offset whatsoever, so that this Lease shall yield, net, to the Agency, the payments set forth herein.

SECTION 12.11 WAIVER OF JURY TRIAL. THE COMPANY AND THE AGENCY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS LEASE, ANY OTHER TRANSACTION DOCUMENT OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION WITH THIS LEASE.

SECTION 12.12 PRIOR AGREEMENTS. This Lease shall completely and fully supersede all other prior understandings or agreements, written or oral, between the Company and the Agency relating to the Project.

SECTION 12.13 SERVICE OF PROCESS.

(A) The Company represents that it is subject to service of process in the State of New York and covenants that it will remain so subject so long as this Lease shall be in effect. If for any reason the Company should cease to be so subject to service of process in the State of New York, the Company hereby designates and appoints, without power of revocation, Parviz Farahzad and his successor(s) as its agent for service of process, and if such agent shall cease to act or otherwise cease to be subject to service of process in the State of New York, the Secretary of State of the State of New York, as the agents of the Company upon whom may be served all process, pleadings, notices or other papers which may be served upon the Company as a result of any of its obligations under this Lease; provided, however, that the serving of such process, pleadings, notices or other papers shall not constitute a condition to the Company's obligations hereunder.

(B) The Company irrevocably and unconditionally (a) agrees that any suit, action or other legal proceeding arising out of this Lease or the other Transaction Documents

may be brought in the courts of record of the State of New York in Nassau County or the courts of the United States, Eastern District of New York; (b) consents to the jurisdiction of each such court in any such suit, action or proceeding; and (c) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. For such time as this Lease is in effect, the Company's agents designated above shall accept and acknowledge in the Company's behalf service of any and all process in any such suit, action or proceeding brought in any such court. The Company agrees and consents that any such service of process upon such agents and written notice of such service to the Company in the manner set forth in Section 12.1 hereof shall be taken and held to be valid personal service upon the Company whether or not the Company shall then be doing, or at any time shall have done, business within the State of New York and that any such service of process shall be of the same force and validity as if service were made upon the Company according to the laws governing the validity and requirements of such service in the State of New York, and waives all claim of error by reason of any such service. Such agents shall not have any power or authority to enter into any appearance or to file any pleadings in connection with any suit, action or other legal proceedings against the Company or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Company.

SECTION 12.14 THIRD PARTY BENEFICIARIES. Nothing herein is intended to be for, or to inure to, the benefit of any Person other than the parties hereto (and the Bank).

SECTION 12.15 NON-DISCRIMINATION.

(A) At all times during the term of this Lease, the Company shall not discriminate against any employee or applicant for employment because of race, color, creed, age, gender, sexual orientation or national origin. The Company shall use reasonable efforts to ensure that employees and applicants for employment with the Company or any tenant, subtenant or occupant of the Project Facility, or any part thereof, or any contractor or subcontractor with respect to the Project Facility, are treated without regard to their race, color, creed, age, gender, sexual orientation or national origin. As used herein, the term "treated" shall mean and include, without limitation, the following: recruited, whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship; promoted; upgraded; downgraded; demoted; transferred; laid off; and terminated.

(B) The Company shall, in all solicitations or advertisements for employees placed by or on behalf of the Company, state that all qualified applicants will be considered for employment without regard to race, color, creed, national origin, age, gender or sexual orientation.

(C) The Company shall furnish to the Agency all information required by the Agency pursuant to this Section 12.15 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 12.15.

SECTION 12.16 DATE OF LEASE. The date of this Lease shall be for reference purposes only and shall not be construed to imply that this Lease was executed on the date first above written. This Lease was executed and delivered on July 25, 2007.

SECTION 12.17 RECORDING AND FILING. This Lease or a memorandum hereof shall be recorded by the Company in the appropriate office of the Clerk of the County, or in such other office as may at the time be provided by law as the proper place for the recordation thereof.

SECTION 12.18 SUBORDINATION. This Lease and all of the Transaction Documents, except for the PILOT Agreement, the PILOT Mortgage, the Agency's rights under Section 11.4 of this Lease and the Agency's rights with respect to the Unassigned Rights under this Lease, shall be subject and subordinate to the lien and the terms and conditions of the Bank Mortgage, including all amounts advanced thereunder and all renewals, modifications and replacements thereof. The Bank Mortgage (including all amounts advanced thereunder and all renewals, modifications and replacements thereof) shall be subject and subordinate to the PILOT Agreement, the PILOT Mortgage, the Agency's rights under Section 11.4 of this Lease and the Agency's rights with respect to the Unassigned Rights under this Lease. This Lease is subject and subordinate to the lien of the PILOT Mortgage.

SECTION 12.19 SPECIAL BANK PROVISIONS. (A) (i) The Agency shall not accept a voluntary surrender of this Lease without the Bank's consent. (ii) The Agency shall give to the Bank a copy of each notice of default under this Lease concurrently with the giving of any such notice by the Agency to the Company. The Bank shall, as herein provided, have the right to remedy such default within the applicable notice, cure or grace period, if any, provided under this Lease with respect to such default. The Agency shall accept performance by the Bank of any covenant, condition or agreement on the Company's part to be performed hereunder with the same force and effect as though performed by the Company.

(B) Notwithstanding the provisions of subsection (A) of this Section, if a non-monetary default under this Lease cannot reasonably be cured by the Bank within the applicable notice, cure or grace period, with respect to such non-monetary default, the Bank shall have as long as is reasonably required to cure such non-monetary default provided that, within the applicable notice, cure or grace period, the Bank shall have delivered to the Agency its written agreement to take the action described in clause (i) or (ii) below and thereafter, in good faith, shall have commenced promptly either (i) to cure such non-monetary default and to actively prosecute the same with diligence and continuity to completion, or (ii) if possession of the Premises is required to cure such non-monetary default, to institute foreclosure proceedings and obtain possession directly or through a receiver, and to actively prosecute such proceedings with diligence and continuity and, upon obtaining such possession, commence promptly to cure such non-monetary default and to prosecute the same to completion with diligence and continuity, provided that during the period in which such action as set forth in clause (i) or (ii) is being taken (and any foreclosure proceedings are pending), all of the other obligations of the Company under this Lease, to the extent they are reasonably susceptible to being performed by the Bank, are being performed and during such period the Agency shall not terminate this Lease nor shall it resort to any of its remedies on account of such default. By way of illustration and not of limitation, a "non-monetary default" as such term is used in this Section shall not be deemed to mean any default which is susceptible to cure by the payment of money, including, without limitation, default by the Company with respect to (i) its obligation to obtain and maintain insurance pursuant to Section 6.3 of this Lease, and (ii) its

obligation to indemnify pursuant to Sections 2.2(G), 3.1, 3.3, 4.1(F), 6.1, 8.2 and 12.9(C) of this Lease.

(C) Except as provided in subsection (B) of this Section, the Bank shall not become liable under the provisions of this Lease unless and until such time as it becomes, and then only for as long as it remains, the owner of the leasehold estate created hereby. In the event that the Bank shall become the owner of such leasehold estate, the Bank shall not be bound by any modification or amendment of this Lease made subsequent to the date of the Bank Mortgage unless the Bank shall have consented (which consent shall not be unreasonably withheld, conditioned or delayed) to such modification or amendment. The Bank shall have ten (10) Business Days to consent or deny consent to any such modification or amendment and the Bank's failure to consent or deny consent in writing within such period shall be deemed to mean that the Bank has consented to the amendment or modification in question.

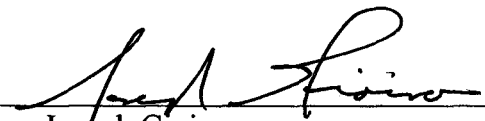

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

(D) In the case of termination of this Lease by reason of any Event of Default hereunder, the Agency shall give prompt notice thereof to the Bank. The Agency shall not unreasonably withhold its consent to a written request of the Bank made at any time within ninety (90) days after the giving of such notice by the Agency, that the Agency promptly execute and deliver a new lease of the Project Facility to the Bank, or any designee or nominee who is not a Prohibited Party, for the remainder of the term of this Lease upon all the covenants, conditions, limitations and agreements herein contained, provided that the Bank (i) shall pay to the Agency, simultaneously with the delivery of such new lease, all unpaid rents and other charges due and payable under or pursuant to this Lease up to and including the date of the commencement of the term of such new lease and all expenses, including, without limitation, attorneys' fees and disbursements and court costs, incurred by the Agency in connection with such Event of Default, the termination of this Lease and the preparation of the new lease, and (ii) shall cure (within the time periods set forth in this Lease) all defaults existing under this Lease. Any such consent, if given, shall be subject to the Agency's then current rules, policies and procedures.

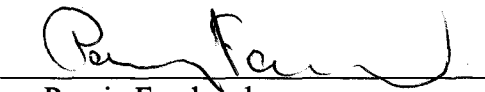

(E) Any such new lease and the leasehold estate created thereby shall, subject to the same conditions contained in this Lease, continue to maintain the same priority as this Lease with regard to any mortgage, including the PILOT Mortgage, encumbering the Project Facility or any part thereof or any other lien, charge or encumbrance thereon whether or not the same shall then be in existence.

IN WITNESS WHEREOF, the Agency and the Company have caused this Lease to be executed in their respective names by their respective duly authorized officers, all as of the day and year first above written.
