WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, EGB HOSPITALITY, LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of EGB Hospitality, LLC and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the “Applicant”), has presented an application for financial assistance (the “Application”) to the Agency, which Application requests that the Agency consider undertaking a project (the “Project”) consisting of the following: (A)(1) the renovation of an existing approximately 35,000 square foot building (the “Building”) located on a parcel of land having an address of 1899 Hempstead Turnpike, East Meadow, Town of Hempstead, Nassau County, New York (the “Land”), and (2) the acquisition of certain furniture, fixtures, machinery and equipment (the “Equipment”) necessary for the completion thereof (collectively, the “Project Facility”), all of the foregoing for use by the Applicant as a catering, restaurant and event facility constituting a tourism destination project; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from sales and use taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, any approval of the Project is contingent upon, among other things, a final determination by the members of the Agency to proceed with the Project following a determination by the Agency that: (A) the public hearing and notice requirements and other procedural requirements contained in the Act relating to the Project and the Financial Assistance have been satisfied; and (B) the undertaking of the Project by the Agency and the granting of the Financial Assistance are and will be in compliance with all other applicable requirements of the Act, Article 8 of the Environmental Conservation Law (the “SEQR Act”) and the regulations adopted pursuant thereto (the “Regulations” and together with the SEQR Act, collectively, “SEQRA”), and all other statutes, codes, laws, rules and regulations of any governmental authority having jurisdiction over the Project or the Project Facility (collectively, the “Applicable Laws”); and

WHEREAS, the Executive Director of the Agency (A) caused notice of a public hearing of the Agency pursuant to Section 859-a of the Act (the “Public Hearing”) to hear all persons interested in the Project and the Financial Assistance contemplated by the Agency with respect to the Project, to be mailed on February 8, 2023 to the chief executive officer of the County of Nassau, New York, and of each other affected tax jurisdiction within which the Project Facility is or is to be located; (B) caused notice of the Public Hearing to be published on February 8, 2023 in the Nassau edition of *Newsday*, a newspaper of general circulation available to residents of the County of Nassau, New York; (C) caused the Public Hearing to be conducted on February 21, 2023, at 2:00 p.m., local time, at the Nassau County Executive and Legislative Building, Legislative Chambers (in lieu of the Ceremonial Chambers), 1550 Franklin Avenue, Mineola, Town of Hempstead, Nassau County, New York; (D) caused the Public Hearing to be streamed on the Agency’s website in real-time and caused a recording of the Public Hearing to be posted on the Agency’s website, all in accordance with Section 857 of the Act; and (E) caused a report of the Public Hearing (the “Report”) to be prepared which fairly summarizes the views presented at the Public Hearing and distributed the Report to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”), and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (the “Regulations,” and collectively with the SEQR Act, “SEQRA”), the appropriate personnel of the Agency reviewed the environmental assessment form and other materials submitted by the Applicants and made any necessary comments to the members of the Agency, and by resolution of the members of the Agency adopted on February 23, 2023, the Agency determined that the Project is a Type II action under SEQRA and, therefore, that the Project will not have a significant adverse environmental impact because the Project involves the replacement, rehabilitation and reconstruction of a structure, in kind, on the same site and the footprint of the facility does not exceed any threshold that would make it a Type I Action; and

WHEREAS, by resolution adopted by the members of the Agency on February 23, 2023 (the “Authorizing Resolution”), the Agency, following a review of the Report, determined to proceed with the Project, to grant the Financial Assistance and to enter into the “straight lease transaction” (as such quoted term is defined in the Act) contemplated by the Project Agreement (as hereinafter defined) and the other Transaction Documents (as defined in the Project Agreement); and

WHEREAS, the Agency appointed the Applicant as agent of the Agency to undertake the acquisition, renovation, installation and equipping of the Project Facility and the Agency has subleased the Project Facility to the Applicant all pursuant to the terms and conditions set forth in the Uniform Project Agreement between the Applicant and the Agency dated as of March 1, 2023 (as amended to date, the "Project Agreement"), and the other Transaction Documents; and

WHEREAS, after the adoption of the Authorizing Resolution but prior to the execution and delivery of the Project Agreement and the other Transaction Documents, the Applicant requested that the Agency accept an adjusted administrative fee (including out-of-pocket costs and expenses) of \$27,749.05, because the Applicant is receiving Financial Assistance in the form only of sales and use tax exemptions;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency hereby ratifies, confirms and approves actions heretofore taken by the Chair and the staff of the Agency with respect to the matters contemplated by this Resolution, including, without limitation, those actions required to ensure full compliance with the requirements of the Act, SEQRA, and all other Applicable Laws that relate thereto.

Section 2. The Agency hereby determines that the Applicant's request with respect to the previously approved and unchanged Project is a Type II Action pursuant to SEQRA involving "continuing agency administration" which does not involve "new programs or major reordering of priorities that may affect the environment" (6 NYCRR §617.5(c)(20)) and therefore no findings or determination of significance are required under SEQRA.

Section 3. The Agency has considered the request made by the Applicant and hereby finds and determines that the requested consent will serve the public purposes of the Act. Accordingly, the Agency hereby approves the requested fee reduction.

Section 4. This Resolution shall take effect immediately.
