(A) The Agency is duly established under the provisions of the Act and has the power to enter into this Agreement and the other Transaction Documents to which the Agency is a party and to carry out its obligations hereunder and thereunder. The Agency has been duly authorized to execute, deliver and perform this Agreement and the other Transaction Documents to which the Agency is a party.

(B) Neither the execution and delivery of this Agreement or the other Transaction Documents to which the Agency is a party, the consummation of the transactions contemplated hereby or thereby, nor the fulfillment of or compliance with the provisions of this Agreement or the other Transaction Documents to which the Agency is a party will conflict with or result in a breach by the Agency of any of the terms, conditions or provisions of the Act, the certificate of establishment or by-laws of the Agency or any order, judgment, agreement or instrument to which the Agency is a party or by which the Agency is bound, nor will constitute a default by the Agency under any of the foregoing.

(D) The Agency has been induced to enter into this Agreement and the other Transaction Documents to which the Agency is a party by the undertaking of the Company to acquire, renovate, install, equip and operate the Project Facility in furtherance of the public purposes of the Agency.

SECTION 2.2 REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE COMPANY.

The Company makes the following representations, warranties and covenants as the basis for the undertakings on its part herein contained:

(A) The Company is a limited liability company duly organized, validly existing and in good standing under the laws of the State of New York and all other jurisdictions in which its operations or ownership of its Properties so require, and has the power to execute and deliver this Agreement and the other Transaction Documents to which the Company is a party and to carry out its obligations hereunder and thereunder. By proper action of its members, the Company has been duly authorized to execute, deliver and perform this Agreement and the other Transaction Documents to which the Company is a party. No other consent, approval or action by the members or managers of the Company or any other consent or approval (governmental or otherwise) or the taking of any other action is required as a condition to the validity or enforceability of this Agreement or any of the other Transaction Documents. This Agreement and the other Transaction Documents to which the Company is a party have been duly authorized, executed and delivered by the Company.

(B) Neither the execution and delivery of this Agreement or any of the other Transaction Documents to which the Company is a party, the consummation of the transactions contemplated hereby and thereby, nor the fulfillment of or compliance with the provisions of this Agreement or the other Transaction Documents to which the Company is a party will (1) conflict with or result in a breach of any of the terms, conditions or provisions of the Company's articles of organization or operating agreement or any other company restriction, order, judgment, agreement, document or instrument to which the Company is a party or by which the Company or any of its Property is bound, or constitute a default by the Company under any of the foregoing, or result in the creation or imposition of any Lien of any nature upon the Project Facility under the terms of any of the foregoing, other than Permitted Encumbrances, (2) conflict with or result in a violation of Applicable Laws, (3) require consent or approval (which has not been heretofore received and provided to the Agency) under any company restriction, agreement or instrument to which the Company is a party or by which the Company or any of its Property may be bound or affected, or (4) require consent or approval (which has not been heretofore obtained and provided to the Agency) under or conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction or decree of any Governmental Authority having jurisdiction over the Company or any of the Property of the Company.

(C) The undertaking and completion of the Project by the Company as agent of the Agency and the operation of the Project Facility by the Company will not result in the removal of a facility or plant of the Company or any other occupant of the Project Facility, or any part thereof, from one area of the State to another area of the State (other than relocations within the County) or in the abandonment of one or more plants or facilities of the Company or any other occupant of the Project Facility, or any part thereof, located in the State (other than within the County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Company. Nothing in this subsection (C) shall constitute an authorization by the Agency for the Company to lease, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof without the prior written consent of the Agency.

(D) This Agreement and the other Transaction Documents to which the Company is a party constitute legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms.

(E) The Project Facility constitutes a commercial facility and the Project will advance the Agency's purposes by promoting job opportunities and preventing economic deterioration in the County. The Project Facility is, and so long as this Agreement shall remain in effect, the Project Facility will continue to be a "project" (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action), or allow any action to be taken or not taken, which action, inaction or omission would in any way cause the Project Facility not to constitute a "project" (as such quoted term is defined in the Act).

(F) The Application was true, correct and complete as of the date it was submitted to the Agency, and no event has occurred or failed to occur since such date of submission which cause the Application to contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not misleading

(G) The Company shall cause the Project Facility and the operation thereof to comply with all Applicable Laws in all respects. The Company shall cause all notices as required by all Applicable Laws to be given, and shall comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project or the operation of the Project Facility.

(H) The Project will not have a "significant adverse environmental impact" (as such term is used in SEQRA) and the Company hereby covenants to comply with all mitigating measures, requirements and conditions enumerated or referenced in the SEQRA Resolution applicable to the acquisition, renovation, installation, equipping and operation of the Project Facility contemplated by Section 4.1 of this Agreement and in any other approvals issued by any other Governmental Authority with respect to the Project Facility. No material changes with respect to any aspect of the Project have arisen from the date of the adoption of the SEQRA Resolution which would cause the determinations contained therein to be untrue.

(I) The owner, occupant or operator receiving Financial Assistance hereby certifies, under penalty of perjury, that it is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations.

(J) The Project is in substantial compliance with all provisions of the Act, including, but not limited to, the provisions of Sections 859-a and 862(1) thereof.

(K) There are no actions, suits, investigations or proceedings of or before any Governmental Authority, pending or threatened against the Company or any of its Property which (i) either in any case or in the aggregate, if adversely determined, would materially, adversely affect the business, operations or condition, financial or otherwise, of the Company, (ii) would adversely affect the ability of the Company to perform its obligations under this Agreement or any other Transaction Document, or (iii) question the validity of any of the

Transaction Documents or any action to be taken in connection with the transactions contemplated thereby.

(L) The Company is not in default with respect to any order, writ, injunction or decree of any Governmental Authority, or in violation of any law, statute or regulation, domestic or foreign, to which the Company or any of its Property is subject.

(M) The granting of the Financial Assistance by the Agency to the Company has induced the Company to proceed with the Project in the County. The granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their prosperity and standard of living, and will prevent unemployment and economic deterioration and thereby serve the public purposes of the Act.

(N) The Company shall (i) create at least thirty (30) new, full-time equivalent, private sector jobs in the State of New York as described in the Application within one (1) year after the Scheduled Completion Date and maintain such jobs throughout the term of this Agreement, and (ii) create at least an additional five (5) new, full-time equivalent, private sector jobs in the State of New York as described in the Application within two (2) years after the Scheduled Completion Date, for a total of thirty-five (35) new, full-time equivalent, private sector jobs, and maintain such jobs throughout the term of this Agreement, and (iii) create at least twenty (20) new, full-time equivalent, private sector construction jobs during the period from the Closing Date until the Completion Date; all of which jobs shall, at all times during the term of this Agreement, be located solely at the Project Facility (collectively, the "Minimum Employment Requirement").

(O) The funds available to the Company are sufficient to pay all costs in connection with the acquisition, renovation, installation and equipping of the Project Facility.

(P) The Company is not a Prohibited Person, no Affiliate of the Company, is a Prohibited Person and no member or manager of the Company, is a Prohibited Person.

(Q) Neither this Agreement nor any other Transaction Document nor any other document, certificate, agreement or instrument furnished to the Agency by or on behalf of the Company contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading.

(R) No funds of the Agency shall be used in connection with the transactions contemplated by this Agreement for the purpose of preventing the establishment of an industrial or manufacturing plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, nor shall any funds of the Agency be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State.

(S) The Company is, and shall at all times during the term of this Agreement, continue to be owned solely by (i) Trahanas Holdings, LLC, a New York limited liability company ("Trahanas"), (ii) Moshopoulos Holdings, LLC, a New York limited liability company

(“Moshopoulos”), and (iii) Gerasimos Pagoulatos, a natural person. Trahanas is, and shall at all times during the term of this Agreement, continue to be owned solely by Elias Trahanas and Bobby Trahanas, each a natural person. Moshopoulos is, and shall at all times during the term of this Agreement, continue to be owned solely by Danny Moshopoulos and Nicholas Moshopoulos, each a natural person.

(T) The Project Facility is located entirely within the boundaries of the Town of Hempstead, Nassau County, New York, is not located in whole or in part within the boundaries of any incorporated village, and is located only within the East Meadow School District.

(U) The total cost of the Project is at least \$5,300,000.

(V) As of the Closing Date, no leases, licenses or other occupancy arrangements exist with respect to the Project Facility or any part thereof except the License Agreement and this Agreement, and no Person (other than the Company) is in occupancy or possession of any portion of the Project Facility.

(W) The Company has not conveyed, assigned, transferred, mortgaged, hypothecated, pledged or granted a security interest in its interest in the Project Facility pursuant to a mortgage, security agreement, pledge or other agreement that prohibits the Company from executing and delivering this Agreement or any other Transaction Document. The Company covenants and agrees that it shall not enter into a mortgage, security agreement, pledge or other agreement under the terms of which the existence of this Agreement or any other Transaction Document would constitute a default or an event of default.

(X) Neither the Company, nor any Affiliate nor any or member or manager of the Company has employed or retained any appointed or elected governmental official to solicit or secure the Agency’s undertaking of the Project or its agreement to enter into this Agreement or any other Transaction Document upon an agreement of understanding for a commission or percentage, brokerage or contingent fee.

(Y) Although the Project Facility may constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Proposed Project, the Project Facility is likely to attract a significant number of visitors from outside the economic development region in which the Project Facility is located and, therefore, is a “tourism destination” project as that term is used in the Act. For purposes of this representation, “retail sales” shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers.

### ARTICLE III CONVEYANCE AND USE OF PROJECT FACILITY

SECTION 3.1 CONVEYANCE TO THE AGENCY. (A) Pursuant to the Bill of Sale to Agency, the Company has conveyed or will convey to the Agency its right, title and interest in the Equipment for the purpose of undertaking and completing the Project. The Company hereby represents and warrants that it has a good and valid license to the Premises, free and clear from all Liens except for Permitted Encumbrances, and agrees that the Company will defend (with counsel selected by the Agency), indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto.

(A) The Company and the Agency acknowledge that the Project Facility and the interest therein conveyed to the Agency from the Company pursuant to the Transaction Documents are not "property" (as such term is defined in Title 5-A of the Public Authorities Law of the State of New York) because such property and the interests therein are security for the Company's obligations to the Agency under this Agreement and the other Transaction Documents, including, without limitation, (i) the Company's obligation to acquire, renovate, install, equip and maintain the Project Facility on behalf of the Agency, and (ii) the performance by the Company to the Agency of the Company's other obligations under this Agreement and the other Transaction Documents.

SECTION 3.2 USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Transaction Documents, provided such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project into disrepute as a public project; provided, further, however, that at no time shall any such use be other than by the Company as a catering, restaurant and event facility constituting a tourism destination project, together with uses incidental thereto, except with the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion. The Company shall not occupy, use or operate the Project Facility, or any part thereof, or permit or suffer the Project Facility, or any part thereof, to be occupied, used or operated (1) for any unlawful purpose, or (2) in violation of any certificate of occupancy affecting the Project Facility, or (3) for any use which may constitute a nuisance, public or private, or (4) for any use that would make void or voidable any insurance then in force with respect thereto, (5) by any tenant, subtenant, user or occupant whose use, occupancy or operation of the Project Facility would be in violation of Applicable Laws, or (6) for any purpose or in any manner other than as approved by the Agency pursuant to the Authorizing Resolution and described herein, unless otherwise consented by the Agency. All permits and licenses necessary for the operation of the Project Facility as contemplated by this Section 3.2 shall be procured promptly by or on behalf of the Company. Any provision of this Agreement to the contrary notwithstanding, the Company shall be liable at all times for all risk, loss and damage with respect to the Project Facility.

Nothing in this Section 3.2 shall constitute an authorization by the Agency for the Company to lease, license, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof, except in accordance with Section 9.3 of this Agreement.

SECTION 3.3 HAZARDOUS MATERIALS.

(A) The Company represents, warrants and covenants that, (i) the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner that violates any Applicable Law, including, but not limited to, those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials (each, an “Environmental Law” and, collectively, the “Environmental Laws”), (ii) the environmental and ecological condition of the Project Facility is not in violation of any Applicable Law, including, without limitation, any Environmental Law, (iii) the Company has all Environmental Permits required to renovate and operate the Project Facility and is in compliance with their requirements, (iv) the Premises is not listed in CERCLIS, the NPL or any similar state or local listing nor is it included in an area included in such a list, and the Company has no knowledge that such a listing is pending or contemplated, (v) no event has occurred which, with the passage of time or the giving of notice or both, would constitute a violation of any Environmental Law, (vi) to the best of the Company’s knowledge, there are not now, nor have there ever been, underground storage tanks on or under the Premises, (vii) there are no actions, suits, claims or proceedings seeking money damages, injunctive relief, remedial action or any other remedy pending or, to the Company’s knowledge after diligent inquiry, threatened relating to a violation of Environmental Law or the disposal, discharge or release of Hazardous Materials, and (viii) to the best of the Company’s knowledge, no prior owner of the Project Facility or any tenant, subtenant, operator, occupant, prior tenant, prior subtenant, prior operator or prior occupant, has used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Environmental Law.

(B) The Company shall keep and shall cause all operators, tenants, subtenants, licensees, permittees, invitees, visitors and occupants of the Project Facility to keep the Project Facility free of Hazardous Materials except in compliance with Environmental Laws. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all Environmental Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company, or any tenant, subtenant, operator or occupant of the Project Facility, an unlawful release of Hazardous Materials onto, under or from the Project Facility or onto any other property. The Company shall not cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company or its members, managers, shareholders, directors, officers, agents, servants, employees or representatives, a release of Hazardous Materials on, under or from the Project Facility.

(C) The Company shall comply with all Environmental Laws whenever and by whomever triggered, and shall obtain and comply with any and all approvals, registrations or permits required thereunder with respect to the Project Facility. The Company agrees to provide the Agency with copies of any notifications given by the Company to any Governmental Authorities or received by the Company from any Governmental Authorities with respect to the environmental or ecological condition of the Project Facility.

(D) The Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Materials on, from or affecting the Project Facility (a) in accordance

with all Environmental Laws, (b) to the satisfaction of the Agency, and (c) in accordance with the orders and directives of all Governmental Authorities, and (2) defend (with counsel selected by the Agency), indemnify, and hold harmless the Agency and its employees, agents, officers, attorneys, servants and members, past, present and future, from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to: (a) the presence, disposal, release or threatened release of any Hazardous Materials on, from, under or affecting the Project Facility, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any government order relating to such Hazardous Materials, and/or (d) any violations of Environmental Laws which are based upon or in any way related to such Hazardous Materials, including, without limitation, consultant fees, costs of remediation, investigation and laboratory fees, court costs, reasonable attorney fees and litigation expenses. Costs under this subsection (D) will be repaid immediately upon demand with interest at the Default Interest Rate commencing five (5) days after such written demand.

(E) In the event this Agreement is terminated, the Company shall deliver the Project Facility to the Agency free of any and all Hazardous Materials (except Hazardous Materials the presence of which do not violate any Environmental Laws), so that the condition of the Project Facility shall conform with all Environmental Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents, employees, members, servants or representatives, may at any reasonable time, and at the Company's expense, inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Environmental Laws.

#### ARTICLE IV UNDERTAKING AND COMPLETION OF THE PROJECT

##### SECTION 4.1 UNDERTAKING OF THE PROJECT.

(A) The Company shall, on behalf of the Agency, promptly acquire, renovate, install and equip the Project Facility, or cause the acquisition, renovation, installation and equipping of the Project Facility, all in accordance with the Plans and Specifications, in a first-class, workmanlike manner using high grade materials, free of defects in materials and workmanship. Notwithstanding the foregoing, the Company shall not, at any time during the term of this Agreement, construct any new structure on the Land or construct an addition to or otherwise increase the useable square footage of the Building depicted in the Plans and Specifications or otherwise construct any additional improvements on the Land without the prior written consent of the Agency.

Title to all materials, equipment, machinery and other items of Property acquired subsequent to the Closing Date and intended to be incorporated or installed in and to become part of the Project Facility shall vest in the Agency immediately upon delivery to the Premises or incorporation or installation in the Project Facility, whichever shall first occur, subject to Permitted Encumbrances. The Company shall execute, deliver and record or file all instruments necessary or appropriate to vest title to the above in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1, which shall be in form and substance reasonably satisfactory to the Agency and containing such exculpatory provisions as the Agency shall require; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor and advanced by the Company for such purpose pursuant to this Section 4.1.

(E) The Agency hereby appoints the Company, and the Company hereby accepts such appointment, as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Transaction Documents: (1) to acquire, renovate, install and equip the Project Facility as contemplated by this Agreement, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be required or proper, all for the acquisition, renovation, installation and equipping of the Project Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to this Section 4.1, (3) to pay all fees, costs and expenses incurred in the acquisition, renovation, installation and equipping of the Project Facility from funds made available therefor in accordance with this Agreement, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt, writing or instruction in connection with the acquisition, renovation, installation and equipping of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same.

(F) The Company has given or will give or cause to be given all notices pursuant to and has complied and will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility. All permits and licenses necessary for the prosecution of work on the Project Facility have been or shall be procured promptly by the Company.

(G) The Company shall not take any action, or neglect to take any action, including, without limitation, the employment of any contractor, if such action or inaction would result in jurisdictional disputes or strikes or labor disharmony at or in connection with the Project Facility.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. Title to portions of the Project Facility acquired, renovated and installed at the Company's cost shall immediately upon such acquisition, renovation or installation vest in the Agency, subject to Permitted Encumbrances. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency's title to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Agreement or any other Transaction Document.

(J) The Company agrees, (i) at the sole expense of the Company, to erect signage at the Project Facility during the renovation, installation and equipping of the Project Facility, which signage shall be in form and content reasonably satisfactory to the Agency and shall identify the Agency and its role in the Project, (ii) at the option of the Agency and at the sole expense of the Company, to install within the Project Facility a sign or plaque permanently memorializing the Agency's role in the Project, which sign or plaque shall be in form, content and placed in a location satisfactory to the Agency, and (iii) that the Agency may otherwise publicize the Agency's role in the Project.

(K) The Company agrees to solicit bids, or cause bids to be solicited, from at least one (1) contractor or vendor based in the County for each contract entered into with respect to the Project Facility, including, without limitation, contracts for construction (including, without limitation, the initial renovation, installation and equipping of the Project Facility), alteration, renovation, management, purchase of goods or services, maintenance and repair. Further, the Company covenants to use its best efforts to let such contracts or cause its contractors or subcontractors to let such contracts, where practicable, to contractors or vendors based in the County.

(3) For purposes of this subsection (L), the term “qualified W/MBE’s” shall mean those women-owned and/or minority-owned business enterprises designated as such by New York State.

The Company covenants to diligently prosecute its application for any required building permits for the Project Facility. Completion of the acquisition, renovation, installation and equipping of the Project Facility shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (A) the date of such completion, (B) that all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (C) that the acquisition, renovation, installation and equipping of the Project Facility have been completed in a good and workmanlike manner, (D) that the Company and the Agency have good and valid interests in and to all Property constituting a portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances, and (E) that the Project Facility is ready for occupancy, use and operation for its intended purposes. Such certificate shall be accompanied by a temporary or permanent certificate of occupancy for all the Project Facility and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes.

**SECTION 5.4 NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER.**  
The obligations of the Company to make the payments required by this Agreement and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of setoff, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that any notice of public or private sale with respect to such Collateral, or any part thereof, shall constitute reasonable notice if it is sent to the Company not less than ten (10) days prior to the date of any such sale. The Company hereby irrevocably appoints the Agency as its attorney-in-fact to execute, deliver and/or file any instruments or statements necessary or convenient to perfect and continue the security interest granted herein.

ARTICLE VI

(A) The Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) occupy, use and operate the Project Facility, and shall cause the Project Facility to be occupied, used and operated, in the manner for which it was intended and contemplated by this Agreement, (3) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), (4) operate the Project Facility in a sound and economical manner, (5) not abandon the Project Facility, and (6) not create, permit or suffer to exist any mortgage, encumbrance, lien, security interest, claim or charge against the Project Facility, or any part thereof, or the interest of the Agency or the Company in the Project Facility or this Agreement, except for Permitted Encumbrances. The Agency shall have no obligation to replace, maintain or effect replacements, renewals or repairs of the Project Facility, or to furnish any utilities or services for the Project Facility and the Company hereby agrees to assume full responsibility therefor.

(B) Upon prior written notice to the Agency, the Company may make alterations, modifications or improvements to the Project Facility, or any part thereof, provided:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such modification or improvement to the Project Facility, or any part thereof, (b) indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless from all fees, expenses, fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this subsection (B), and (d) not be in default under this Agreement or under any of the other Transaction Documents beyond applicable notice and cure periods;

(2) such alterations, modifications and improvements are effected with due diligence, in a good and workmanlike manner and in compliance with all Applicable Laws;

(3) the Company shall promptly and fully pay for such alterations, modifications and improvements in accordance with the terms of the applicable contract(s) therefor;

(4) the alteration, modification or improvement to the Project Facility shall not constitute or cause a default under any of the Transaction Documents;

(5) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such alteration, modification or improvement to the Project Facility,

detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for nonstructural modifications or improvements to the Project Facility which do not exceed, at any one time, \$100,000.00 in value;

(6) as a result of such alterations, modifications or improvements, neither the usefulness, structural integrity nor operating efficiency of the Project Facility would be materially impaired in the reasonable judgment of the Agency;

(7) if the cost of such alterations, modifications or improvements is estimated to exceed \$400,000, such alterations, modifications or improvements shall be conducted only after the Company shall have furnished to the Agency a labor and materials payment bond, or other security, naming the Agency as dual obligee and otherwise in form and substance satisfactory to the Agency; provided, however, that such bond or other security need not be furnished to the Agency in connection with the initial renovation, installation and equipping of the Project Facility;

(8) the Agency receives evidence reasonably satisfactory to the Agency that such alterations, modifications and alterations do not change the nature of the Project Facility such that it would not comply with the terms of this Agreement or such that it would not constitute a "project" (as such quoted term is defined in the Act);

(9) no such alterations, modifications or improvements shall be entitled to any "financial assistance" (as such quoted term is defined in the Act) from the Agency unless agreed to in writing by the Agency; and

(10) an Event of Default shall not have occurred and be continuing under this Agreement or any other Transaction Document.

All such alterations, modifications and improvements shall constitute a part of the Project Facility and the Company shall deliver or cause to be delivered to the Agency appropriate documents to convey title to or a leasehold interest in such property, as the case may be, to the Agency, free and clear of all liens, charges, encumbrances, security interests or claims other than Permitted Encumbrances, and to subject such property to this Agreement.

The provisions of this subsection (B) shall not apply to the initial renovation, installation and equipping of the Project Facility pursuant to the Plans and Specifications.

(C) Any provision of this Agreement to the contrary notwithstanding, the Company shall not construct any building or structure on the Land or any addition to any existing building on the Land without the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion.

(D) The Company from time to time may install additional machinery, equipment or other personal property in the Project Facility (which may be attached or affixed to the Project Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Project Facility, so long as such additional property is properly identified by such appropriate records, including computerized records, as

approved by the Agency and such additional property is not acquired using any Financial Assistance from the Agency. The Company from time to time may create or permit to be created any Lien on such machinery, equipment or other personal property. Further, the Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Project Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur: (i) if any Event of Default has occurred or (ii) if any such removal shall adversely affect the structural integrity of the Project Facility or impair the overall operating efficiency of the Project Facility for the purposes for which it is intended, and provided further, that if any damage to the Project Facility is occasioned by such removal, the Company agrees promptly to repair or cause to be repaired such damage at its own expense.

#### SECTION 6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

(B) If the Company fails to pay any tax, assessment or charge required to be paid pursuant to this Section 6.2, the Agency may pay or cause to be paid such taxes, assessments or charges. The Company shall reimburse the Agency for any amount paid under this Section 6.2, together with interest thereon from the date of payment at the Default Interest Rate.

(C) Notwithstanding the provisions of this Section 6.2, the Company may in good faith actively contest the amount, validity or the applicability of any payment referred to in subsection (A), provided that (1) the Company shall have first notified the Agency in writing of such contest, (2) the Company is not in default under any of the Transaction Documents beyond applicable notice and cure periods, (3) the overall operating efficiency of the Project for the purposes for which it is intended is not materially impaired, (4) neither the Project Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings, (5) the Company shall have set aside on its books adequate reserves with respect thereto, and (6) the Company diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3 INSURANCE REQUIRED. During the term of this Agreement, the Company shall maintain insurance with respect to the Project Facility against such risks and liabilities and for such amounts as are, in the Agency's judgment, customarily insured against by

Additionally, during any period in which construction work or alterations are being performed at the Project Facility, the Company shall maintain "Special Form" property insurance in the form of a "Builder's Risk" completed value non-reporting policy in an amount satisfactory to the Agency and which shall contain a provision granting the insured permission to complete and/or occupy.

The requirements of this subsection (F) shall be waived upon presentation of evidence satisfactory to the Agency that no portion of the Project Facility is located within an area identified by the U.S. Department of Housing and Urban Development as having special flood hazards.

(G) Such other insurance in such amounts and against such insurable hazards and risks as the Agency from time to time may reasonably require, including, without limitation, environmental hazard and liability insurance.

SECTION 8.7 COMPLIANCE WITH APPLICABLE LAWS.

(A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Agreement, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A), the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default under any of the Transaction Documents beyond any applicable notice or cure period, (3) shall have set aside adequate reserves for any such requirement, (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture, (5) demonstrates to the reasonable satisfaction of the Agency that such contest shall not result in the Company or the Agency being in any danger of any civil or criminal liability for failure to comply therewith, and

(6) diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B), if the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

#### SECTION 8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

(A) The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency, or on any funds of the Agency applicable to or deriving from the Project Facility, other than Permitted Encumbrances.

(B) If any Lien (other than a Permitted Encumbrance) is filed or asserted, or any judgment, decree, order, levy or process of any court or governmental body is entered, made or issued or any claim, whether or not valid, is made against the Project Facility or any part thereof or the interest therein of the Company or the Agency or against any funds of the Agency applicable to or deriving from the Project Facility, the Company, immediately upon receiving notice of the filing, assertion, entry or issuance thereof, shall give written notice thereof to the Agency and take all action (including, without limitation, the payment of money and/or securing of a bond) at its own cost and expense as may be necessary or appropriate to obtain the discharge in full thereof and remove or nullify the basis therefor. Nothing herein shall be construed as constituting the consent to or permission of the Agency for the performance of any labor or services or the furnishing of any materials that would give rise to any Lien against the Agency's interest in the Project Facility.

SECTION 8.9 PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to make any payment or to do any act as herein provided beyond applicable notice and/or cure periods, if applicable, the Agency may, but shall not be obligated to, without notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith; and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon, at the Default Interest Rate, from the date of written demand to the Company.

SECTION 8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS. The parties agree that as between them the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other state and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

#### SECTION 8.11 EMPLOYMENT OPPORTUNITIES.

(A) The Company shall ensure that all employees and applicants for employment with regard to the Project, including, without limitation, the employees of and applicants for employment with the Company or any of its Affiliates, are afforded equal employment opportunities without discrimination.

(B) Pursuant to Section 858-b of the Act, except as otherwise provided by collective bargaining contracts or agreements, the Company agrees (1) to list or cause to be listed all new employment opportunities created as a result of the Project with the New York State Department of Labor, Community Services Division (the "NYSDOL") and with the administrative entity (collectively with NYSDOL, the "JTPA Referral Entities") of the service delivery area created by the federal Job Training Partnership Act (P.L. No. 97-300) (including any successor statute thereto, including, without limitation, the Workforce Investment Act of 1998 (P.L. No. 105-270), collectively, the "JTPA") in which the Project Facility is located, and (2) where practicable, to first consider and to cause to be first considered for such new employment opportunities persons eligible to participate in federal JTPA programs who shall be referred by the JTPA Referral Entities.

(C) Pursuant to the requirements of subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, prior to the effective date of this Agreement, an employment plan, in form and substance satisfactory to the Agency.

(D) The Company agrees to file with the Agency on a calendar year basis not later than February 10th of each year during the term of this Agreement, measured as of December 31st of the immediately preceding calendar year, a report (i) certifying the full-time equivalent jobs retained and the full time equivalent jobs created as a result of the granting of the Financial Assistance, by category, including full-time equivalent independent contractors and employees of independent contractors that work at the Project Facility, and (ii) certifying that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that were set forth in the Application are then still accurate or, if not then still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Said annual report shall be in substantially the form promulgated from time to time by the Agency. The current form of report is annexed hereto as Exhibit G. The Company shall provide such annual report (and supporting documentation) with respect to its employees and shall cause its Affiliates, contractors and agents to provide such report (and supporting documentation) with respect to their respective employees, if any, at the Project Facility. The Agency shall have the right, at the Company's expense, to audit, confirm and/or require additional information with regard thereto and the Company agrees to cooperate with and to cause its Affiliates and such third parties to cooperate with the Agency in connection therewith.

(E) The Company shall, at all times during the term of this Agreement, maintain or cause to be maintained the Minimum Employment Requirement. The Company agrees to give the Agency written notice of the occurrence of any default under this subsection (E) within five (5) days after the Company becomes aware of the occurrence of such default.

(F) Subject to (i) collective bargaining contracts or agreements and other existing contracts or agreements to which the Company is a party or by which the Company is bound and (ii) compliance with Applicable Laws, the Company agrees to list or cause to be listed all new employment opportunities created as a result of the Project on the Nassau County TweetMyJobs website or other website designated by the Agency from time to time, provided that such listing shall be at no cost to the Company.

(G) Subject to (i) collective bargaining contracts or agreements and other existing contracts or agreements to which the Company is a party or by which the Company is bound and (ii) compliance with Applicable Laws, the Company agrees that to the greatest extent possible new employment opportunities shall be provided to Nassau County or Suffolk County residents first.

#### SECTION 8.12 SALES AND USE TAX EXEMPTION.

(A) Pursuant to Section 874 of the Act, the parties understand that the Agency is a corporate governmental agency and a public benefit corporation under the laws of the State and, therefore, is exempt from certain sales and use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. Any exemption from the payment of New York sales and use taxes resulting from Agency involvement in the Project shall be limited to purchases of services and the purchase or lease of tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency, in connection with the completion of the acquisition, renovation, installation and equipping of the Project Facility (but not the operation thereof). No operating expenses (including, without limitation, costs of utilities, cleaning services or supplies) of the Project Facility and no other purchases or leases of services or property shall be subject to an exemption from the payment of New York sales or use taxes. The Agency makes no representations or warranties that any property or service is exempt from the payment of New York sales or use taxes.

(B) The Agency's granting of the sales and use tax exemption herein is subject to the following additional terms and conditions:

(1) The exemption from sales and use taxes shall be effective for a term commencing on the Closing Date and expiring upon the earliest to occur of: (a) the termination of this Agreement, (b) July 1, 2023, (c) the failure of the Company to file a Form ST-340 (as defined below) when required, or (d) the termination of the exemption from sales and use taxes pursuant to the terms hereof or thereof, including, without limitation, pursuant to the provisions of Section 10.2 of this Agreement;

(2) Anything in this Agreement to the contrary notwithstanding, the sales and use tax exemption to be provided pursuant to this Agreement and the other Transaction Documents (a) shall not be available for any date subsequent to which the authorization to claim sales and use tax exemptions shall have been suspended as provided in this Agreement or any other Transaction Document; (b) shall not be available for or with respect to any tangible personal property other than Equipment; and (c) shall not be available after the Company (or the contractors or subcontractors engaged by the

Company and approved by the Agency as its agents) shall have made purchases resulting in the claiming of sales and use tax exemptions for the Project equal in the aggregate to the Maximum Sales Tax Benefit;

(3) The sales and use tax exemption to be provided pursuant to this Agreement shall be utilized only for Equipment which shall be purchased, incorporated, completed and installed for use only by the Company at the Project Facility;

(4) The sales and use tax exemption to be provided pursuant to this Agreement shall not be used to benefit any person or entity other than the Company without the prior written consent of the Agency;

(5) The aggregate amount of sales and use tax exemption claimed by the Company (and the contractors or subcontractors engaged by the Company and approved by the Agency as its agents) in connection with the Project shall not exceed the Maximum Sales Tax Benefit. The Company shall notify the Agency within seven (7) days of exceeding the Maximum Sales Tax Benefit; and

(6) Upon the expiration or the earlier termination of the sales and use tax exemption to be provided pursuant to this Agreement, the Company shall immediately notify each Sub-Agent (as defined below) in writing of such expiration or earlier termination.

(C) If the Company desires to seek from the Agency the appointment of a contractor, subcontractor or other party to act as the Agency's agent (each, a "Sub-Agent") for the purpose of effecting purchases or leases which are otherwise eligible for an exemption from sales and use taxes hereunder, the Company shall:

(1) For each Sub-Agent, the Company must complete and submit Form ST-60, *IDA Appointment of Project Operator or Agent* (each, a "Form ST-60"), to the Agency. The foregoing is required pursuant to the Section 874(9) of the Act and Form ST-60 and the regulations relating thereto which require that within thirty (30) days of the date that the Agency appoints a project operator or other person or entity to act as agent of the Agency for purposes of extending a sales or use tax exemption to such person or entity, the Agency must file a completed Form ST-60 with respect to such person or entity.

(2) Following receipt by the Agency of the completed Form ST-60, such Sub-Agent may be appointed as agent by the Agency, by execution by the Agency and the Sub-Agent of a sales tax sub-agent authorization letter in the form attached hereto as Exhibit H (each, a "Sales Tax Sub-Agent Authorization Letter"). The determination whether to approve the appointment of an agent shall be made by the Agency, in its sole discretion. If executed by the Agency, a completed copy of the Sales Tax Sub-Agent Authorization Letter shall be sent to the Company. The Company must provide a copy of the executed Sales Tax Sub-Agent Authorization Letter, together with a copy of this Agreement, to the Sub-Agent within five (5) Business Days after receipt thereof by the Company.

(3) The Company shall ensure that each Sub-Agent shall observe and comply with the terms and conditions of its Sales Tax Sub-Agent Authorization Letter and this Agreement.

(D) The Company acknowledges that the executed Form ST-60 designating the Company or any Sub-Agent as an agent of the Agency shall not serve as a sales or use tax exemption certificate or document. Neither the Company nor any other Sub-Agent may tender a copy of the executed Form ST-60 to any person required to collect sales tax as a basis to make such purchases exempt from tax. No such person required to collect sales or use taxes may accept the executed Form ST-60 in lieu of collecting any tax required to be collected. THE CIVIL AND CRIMINAL PENALTIES FOR MISUSE OF A COPY OF FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT OR FOR FAILURE TO PAY OR COLLECT TAX SHALL BE AS PROVIDED IN THE TAX LAW OF THE STATE. IN ADDITION, THE USE BY A SUB-AGENT, THE COMPANY, OR OTHER PERSON OR ENTITY OF SUCH FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT SHALL BE DEEMED TO BE, UNDER ARTICLES TWENTY-EIGHT AND THIRTY-SEVEN OF THE TAX LAW OF THE STATE, THE ISSUANCE OF A FALSE OR FRAUDULENT EXEMPTION CERTIFICATE OR DOCUMENT WITH THE INTENT TO EVADE TAX.

(E) The Company agrees to furnish to the Agency within fifteen (15) days after the end of each calendar quarter, a sales and use tax exemption report (the "Quarterly Sales Tax Report"), in form and substance satisfactory to the Agency in its reasonable judgment, with respect to the use of the sales and use tax exemption granted to the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency as its agents) under the authority granted to the Company pursuant to this Agreement during the preceding calendar quarter. Each said Quarterly Sales Tax Report shall be certified by an Authorized Representative of the Company and shall: (1) identify the contracts and specific property exempted from sales taxes and/or use taxes during such period; (2) indicate the parties to said contract; (3) indicate the maximum amount payable under said contract and indicate what portion of said amount would normally be subject to sales and use taxes imposed in the State; (4) indicate the amount of sales tax benefit expected to be received with respect to said contract; and (5) indicate the cumulative sales tax benefit claimed by the Company and the Sub-Agents with respect to the Project for the calendar year.

(F) Pursuant to Section 874(8) of the Act, the Company agrees to file annually (through the year after the exemption from sales and use taxes granted under this Agreement expires or is earlier terminated), with the New York State Department of Taxation and Finance (the "Department"), no later than January 15th of each year, on Form ST-340, *Annual Report of Sales and Use Tax Exemptions Claimed by Agent/Project Operator of Industrial Development Agency/Authority* (each, a "Form ST-340"), or such other form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance, a statement of the value of all sales and use tax exemptions claimed by the Company and each Sub-Agent during the preceding calendar year under the authority granted pursuant to this Agreement. Pursuant to Section 874(8) of the Act, the penalty for failure to file a Form ST-340 shall be the termination of authority to act as agent of the Agency. Additionally, if the Company shall fail to comply

with the requirements of this subsection (F), the Company and the Sub-Agents shall immediately cease to be the agent of the Agency in connection with the Project.

(G) The Company agrees to furnish to the Agency, simultaneously with its delivery of such report to the Department, a copy of each such Form ST-340 submitted to the Department by the Company pursuant to Section 874(8) of the Act.

(H) The Company acknowledges that, pursuant to Section 874(9) of the Act, the Agency shall file within thirty (30) days of the Closing Date with the Department on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), statements identifying the Company and its contractors and subcontractors approved by the Agency as agents of the Agency, setting forth the taxpayer identification numbers of such Persons, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease. The Company agrees to timely provide the foregoing information to the Agency and to otherwise cooperate with the Agency in connection with the preparation and filing of the Thirty-Day Sales Tax Report.

(I) With respect to any period in which the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency as its agents) receives a sales tax exemption benefit under the authority granted to the Company pursuant to this Agreement, the Company agrees to furnish to the Agency, on request, an opinion of a certified public accountant to the effect that such accountant has audited the claiming of such exemption from sales and use taxes by the Company (and the contractors and subcontractors engaged by the Company and approved by the Agency as its agents) for the preceding calendar year, and has reviewed the terms and provisions of this Section 8.12, and has further audited the Quarterly Sales Tax Reports for the preceding calendar year, and that such Quarterly Sales Tax Reports were properly prepared and accurately reflect the matters certified therein.

(J) As an agent of the Agency, the Company agrees that it will, and will cause each Sub-Agent to, present to each seller or vendor a completed and signed Form ST-123, *IDA Agent or Project Operator Exempt Purchase Certificate* (each, a "Form ST-123") for each contract, agreement, invoice, bill or purchase order entered into by the Company or by any Sub-Agent, as agent for the Agency, with respect to the Project. Form ST-123 requires that each seller or vendor accepting Form ST-123 identify the Project Facility on each bill or invoice for purchases and indicate on the bill or invoice that the Agency, the Sub-Agent or the Company, as project operator of the Agency, was the purchaser. For the purposes of indicating who the purchaser is, each bill or invoice must state, "I, [Company/Agent], certify that I am duly appointed agent of the Nassau County Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the 2023 EGB Hospitality Project located at 1899 Hempstead Turnpike, East Meadow, Town of Hempstead, Nassau County, New York, IDA Project Number 2803 23 02A." The Company shall retain copies of all such contracts, agreements, invoices, bills and purchase orders for a period of not less than six (6) years from the date thereof. For each Sub-Agent, the Form ST-123 shall be completed as follows: (i) the

“Project Information” section of Form ST-123 should be completed using the name and address of the Project Facility as indicated on the Form ST-60 used to appoint the Sub-Agent; (ii) the date that the Sub-Agent was appointed as an agent should be completed using the date of the Sub-Agent’s Sales Tax Sub-Agent Authorization Letter; and (iii) the “Exempt purchases” section of Form ST-123 should be completed by marking “X” in box “A” only. The Company acknowledges that, pursuant to Section 875 of the Act, the Form ST-123 must be provided to the vendor, lessor, licensor, contractor or subcontractor in order for the contract, agreement, lease, invoice, bill or purchase order to be exempt from the imposition of sales and/or use taxes pursuant to the authority granted under Section 4.1 of this Agreement. The Company agrees to provide the Agency a copy of each such Form ST-123 within five (5) days after the delivery of such form by the Company or a Sub-Agent to the vendor, lessor, licensor, contractor or subcontractor.

(K) (1) The Company covenants and agrees to comply, and to cause each of its contractors, subcontractors, agents, and persons or entities acting on its behalf to comply, with the requirements of Sections 875(1) and (3) of the Act (the “Special Provisions”), as such provisions may be amended from time to time. In the event of a conflict between the other provisions of this Agreement and the Special Provisions, the Special Provisions shall control.

(2) Without limitation of any of the Agency’s other rights under this Agreement, the Company acknowledges and agrees that pursuant to Section 875(3) of the Act, in the event that the Company or any Sub-Agent shall utilize the sales or use tax exemption provided pursuant to this Agreement (i) in a manner that is not authorized or for which the Company (or any contractor or subcontractor engaged by the Company and approved by the Agency as its agent) is not entitled to claim an exemption, (ii) to claim exemptions in excess of the Maximum Sales Tax Benefit, (iii) to purchase or lease goods or services that are not authorized under this Agreement, or (iv) in a manner that violates the provisions of this Section 8.12 or any other provision of this Agreement or any Sales Tax Sub-Agent Authorization Letter, then the Company shall promptly deliver notice of same to the Agency, and the Company shall promptly pay or cause to be paid to the Agency a return of sales or use tax exemptions in an amount equal to all such unauthorized sales or use tax exemptions together with interest at the Default Interest Rate from the date and with respect to the dollar amount for which each such unauthorized sales or use tax exemption was used by the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent). If the Company fails to promptly pay such return of sales or use tax exemptions when due, the Agency shall have the right, without limitation of any of its other rights under this Agreement, to take any action or commence any proceeding at law or in equity which may appear necessary or desirable to the Agency to recover any such amounts and the Agency shall have the right to join the Commissioner as a party in any such action or proceeding. The Company shall cooperate with, and shall require each Agent and any other person or entity acting on behalf of the Company to cooperate with, the Agency in all such actions and proceedings to recover such amounts. The Company acknowledges and agrees that its failure to pay over any such amounts to the Agency shall also be grounds for the Commissioner to assess and determine State Sales and Use Taxes due

from the Company under Article 28 or Article 28-A of the New York State Tax Law, together with any applicable penalties and interest due on such amounts.

(3) The Company acknowledges and agrees that, in the event the Agency recovers, receives or otherwise obtains any amount of State Sales and Use Tax from the Company (or a contractor or subcontractor engaged by the Company and approved by the Agency as its agent) pursuant to the foregoing subsection, the Agency shall have the right to remit same to the Commissioner, together with such information and report that the Commissioner deems necessary to administer payment over of such amounts, and the Company agrees to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability incurred as a result of remitting such amounts to the Commissioner.

(4) Upon reasonable notice to the Company from the Agency, the Company shall make available at reasonable times to the Agency and/or the Agency's officers, employees or agents, all such books, records, contracts, agreements, invoices, bills or purchase orders of the Company and any Sub-Agent, and require all appropriate officers and employees of the Company to respond to reasonable inquiries by the Agency and/or such officers, employees or agents, as shall be necessary (y) to indicate in reasonable detail those costs for which the Company or any Sub-Agent shall have utilized the sales and use tax exemption granted pursuant to this Agreement and the dates and amounts so utilized, and (z) to permit the Agency to determine any amounts owed by the Company under this Section 8.12.

(5) Pursuant to Section 875 of the Act, the Agency shall prepare and file an annual compliance report (each, a "Compliance Report") detailing provisions of this Agreement and, if applicable, its activities and efforts to recover, receive or otherwise obtain State Sales and Use Taxes pursuant to the terms of this Agreement, together with such other information as the Commissioner and/or the Commissioner of Economic Development may require, which Compliance Report will be filed with the Commissioner, the Director of the Division of the Budget, the Commissioner of Economic Development, the State Comptroller and the Nassau County Legislature. The Company acknowledges the provisions of Section 875 of the Act, agrees to timely provide any information required by the Agency in connection with such Compliance Report and agrees to cooperate with the Agency in connection with the preparation and filing of such Compliance Report.

**IDENTIFICATION OF THE EQUIPMENT.** All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency. Within ten (10) days after request from the Agency, the Company shall deliver to the Agency a schedule listing all such Equipment.

**SECTION 8.14 FINANCIAL STATEMENTS.** Within one hundred twenty (120) days after the end of each fiscal year, the Company shall deliver to the Agency the financial statements of the Company prepared and compiled by an independent certified public

accountant, certified by the chief financial officer of the Company, including a balance sheet as of the last day of such period and an operating statement through the last day of such period. The Company represents to the Agency that the Company's fiscal year ends on December 31st.

#### SECTION 8.16 REQUIREMENTS OF LABOR LAW SECTION 224-a.

(A) The Company hereby acknowledges that the Agency has made the Company aware of the provisions of Part FFF of the New York State FY2020-21 Enacted Budget (Chapter 58 of the Laws of 2020 of the State of New York), which provisions are codified, in part, at Sections 224-a, 224-b and 224-c of the New York State Labor Law (the “Prevailing Wage Law”). The Company represents and warrants that it has read and made itself familiar with the requirements of the Prevailing Wage Law and the applicability of such requirements to the Project, including consultation with its counsel with respect to such requirements.

(B) If the Project is a “covered project” within the meaning of the Prevailing Wage Law, the Company covenants and agrees with the Agency to comply with the following requirements:

(1) The Company shall certify, under penalty of perjury, within five (5) days of commencement of construction work whether the Project is subject to the provisions of the Prevailing Wage Law. Such certification shall be made pursuant to a standard form developed by the Commissioner of Labor of the State of New York (the “Commissioner

of Labor”). If the Commissioner of Labor has not developed such form as of the date the Company is required to certify as set forth above, then the Company shall make such certification pursuant to the form attached to this Agreement as Exhibit I. A copy of such certification shall be filed with the Agency not later than ten (10) days after any filing required by the Prevailing Wage Law.

(2) The Company shall retain original payroll records in accordance with Section 220 of the New York State Labor Law for a period of six (6) years from the conclusion of the construction work. All such payroll records shall be subject to inspection on request of the Commissioner of Labor or the Agency. The Company may authorize the prime contractor of the Project to take responsibility for retaining and maintaining payroll records, but will be held jointly and severally liable for any violations of such contractor. All such records obtained by the Commissioner of Labor or the Agency shall be subject to the New York State Freedom of Information Law.

(C) In accordance with the Prevailing Wage Law, the Company may seek guidance from the “public subsidy board” contained in Section 224-c of the New York State Labor Law as to whether or not the Project is subject to the requirements of the Prevailing Wage Law. If the Company obtains an opinion of the public subsidy board with respect to the Project, the Company shall deliver to the Agency: (1) a copy of such opinion within ten (10) days after receipt by the Company, and (2) any correspondence between the Company and the public subsidy board or the Commissioner of Labor promptly after receipt or delivery of same, as the case may be.

(D) In accordance with Section 224-a(8)(d) of the New York State Labor Law, the Agency is required to identify the nature and dollar value of the “public funds” (as such term is defined in the Prevailing Wage Law) provided by the Agency with respect to the Project and whether any such funds are excluded under Section 224-a(3) of the New York State Labor Law. The Agency shall comply with such requirement by delivering the statement attached to this Agreement as Exhibit J on the Closing Date.

## ARTICLE IX ASSIGNMENTS; MERGER OF THE AGENCY

SECTION 9.1 ASSIGNMENT OF THIS AGREEMENT. This Agreement may not be sold, assigned or otherwise transferred by the Company, in whole or in part, without the prior written consent of the Agency, which consent may be granted or withheld in the Agency’s sole and absolute discretion, and shall in all events be subject to and conditioned upon the payment of the then-standard fees of the Agency and the satisfaction of all requirements of the Act and this Agreement. Any such sale, assignment or transfer made by the Company without the prior written consent of the Agency as aforesaid shall be null and void. Any such sale, assignment or transfer consented to by the Agency shall be made pursuant to documentation satisfactory to the Agency. The Company shall pay all reasonable fees and expenses incurred by the Agency in connection with such sale, assignment or transfer.

SECTION 9.2 MERGER OF THE AGENCY. Nothing contained in this Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or any political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder and under the other Transaction Documents; provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Agreement shall be assigned.

(A) As of the date of any such consolidation, merger or assignment, the Agency shall endeavor to give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3 SALE OR LEASE OF THE PROJECT FACILITY. The Company shall not sell, lease, sublease, sub-sublease, license or otherwise permit others to use or occupy the Project Facility or any portion thereof or any interest therein without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion.

## ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1 EVENTS OF DEFAULT DEFINED. The following shall be "Events of Default" under this Agreement, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Agreement, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of any amount due under this Agreement or under any other Transaction Document, and the continuance thereof for a period of ten (10) days after written notice thereof is given by the Agency to the Company.

(2) A default in the performance or observance of any covenant, condition or agreement on the part of the Company in this Agreement (other than as set forth in subsection (1) above or in any other subsection of this Section 10.1(A)) and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, or, if such covenant, condition or agreement is capable of being cured but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period or to prosecute the cure to completion with due diligence.

(3) The occurrence of an "Event of Default" under any other Transaction Document, which has not been cured within any applicable grace, notice or cure period.

(4) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

(5) The Company shall conceal, remove or permit to be concealed or removed any material part of its Property, with intent to hinder, delay or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within ten (10) days from the date thereof.

(6) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy or insolvency statute; (b) the failure by the Company within thirty (30) days to lift any execution, garnishment or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder; (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy or insolvency statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of thirty (30) days; (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver, liquidator or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within thirty (30) days of such appointment.

(7) If any interest in the Company, Trahanas or Moshopoulos shall be sold, assigned, transferred, conveyed, mortgaged, pledged, hypothecated or alienated, or if any partner, member or shareholder of the Company, Trahanas or Moshopoulos enters into an agreement or contract to do so, without the prior written consent of the Agency.

(8) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance and the failure of the Company to remove such Lien, whether by the payment of money, the securing of a bond or otherwise, within fifteen (15) days after the Company receives notice or becomes aware of such imposition.

(9) The removal of the Project Facility, or any portion thereof, outside the County, without the prior written consent of the Agency, other than in connection with a removal permitted under Section 9.3(E) of this Agreement.

(10) If any certificate, statement, representation, warranty or financial statement made to the Agency by or on behalf of the Company shall prove to have been false, misleading or incorrect in any material respect at the time as of which the facts

therein set forth were made, or to have omitted any material liability or claim against the Company.

(11) If the environmental or ecological condition of the Project Facility is in violation of any Environmental Law or any permit, license or approval related thereto or if the Project Facility, or any part thereof, contains any Hazardous Materials (except Hazardous Materials which do not violate Environmental Laws), and the Company is either unable to commence to comply with such Environmental Laws within forty-five (45) days of the notification or discovery of such violation or to complete all appropriate and lawful remedial containment and clean-up action within ninety (90) days of the notification or discovery of the existence of such Hazardous Materials.

(12) Any material loss or impairment of the Agency's or the Company's respective interests in and to the Project Facility, or any part thereof, not due to the voluntary acts of the Agency.

(13) The Company, any Affiliate of the Company, or any member or manager of the Company shall become a Prohibited Person.

(14) Subject to assignments expressly permitted by this Agreement, any assignment of the License Agreement or this Agreement by the Company, in whole or in part, or any letting, subletting or sub-subletting of the Project Facility, or any portion thereof, in violation of the terms of this Agreement.

(15) An Event of Default shall occur under the License Agreement or under any other Permitted Encumbrance.

(16) If Elias Trahanas ceases to have day-to-day control of the management and operations of the Company for any reason.

(17) If the Company fails to maintain or fails to cause to be maintained the Minimum Employment Requirement at any time during the term of this Agreement.

(18) The Company shall have ceased to operate the Project Facility as a catering, restaurant and event facility constituting a tourism destination project facility in the manner contemplated by this Agreement, or shall have otherwise effected a substantial change in the scope and nature of the Project Facility without the consent of the Agency.

(19) Failure by the Company at any time to keep in full force and effect any insurance policy or coverage required by Section 6.3 of this Agreement.

(A) Notwithstanding the provisions of Section 10.1(A) hereof if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Agreement and if such party shall give notice and full particulars of such force majeure event or cause in writing to the other party within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Agreement

of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability to perform. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required under this Agreement, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by the provisions of this Agreement and to comply with the provisions of Sections 2.2, 6.6, 8.2, 8.4, 8.5 and 8.7 hereof. The term "force majeure" as used herein shall include acts outside of the control of the Agency and the Company, including, but not limited to, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, insurrections, riots, epidemics, pandemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, restraint of government and people, civil disturbances, breakage or accident to transmission pipes or canals, and failure of utilities.

SECTION 10.2 REMEDIES ON DEFAULT. Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent not prohibited by law and upon five (5) days' prior written notice, take any one or more of the following remedial steps:

(1) declare to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 hereof, and (b) all other payments due under this Agreement or any of the other Transaction Documents, including, without limitation, any resulting Recapture of Benefits under Section 11.3 of this Agreement; or

(2) exercise its rights and remedies under Section 5.5 of this Agreement; or

(3) terminate this Agreement and/or convey to the Company all the Agency's right, title and interest in and to the Project Facility. The conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution by the Agency of the Termination of Project Agreement and/or the delivery of the Bill of Sale to Company, as applicable. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such termination and conveyance. The Company hereby waives delivery and acceptance of such Termination of Project Agreement and Bill of Sale to Company as a condition to their validity, and appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest) with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording or filing of such documents; or

(4) bring an action for damages, injunction or specific performance; or

(5) suspend the right of the Company and the Sub-Agents to act as agents for the Agency in connection with the Project, including, without limitation, as its agent for the purpose of the sales and use tax exemption afforded pursuant to this Agreement; or

(6) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Agreement.

(B) No action taken pursuant to this Section 10.2 shall relieve the Company from its obligations to make all payments required by this Agreement and the other Transaction Documents.

SECTION 10.3 REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. In the event the Company should default under any of the provisions of this Agreement or any other Transaction Document and the Agency should retain attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency such fees and expenses (including, without limitation, attorneys' fees and expenses) so incurred, whether an action is commenced or not.

SECTION 10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

## ARTICLE XI EARLY TERMINATION

SECTION 11.1 EARLY TERMINATION OF AGREEMENT. The Company shall have the option to terminate this Agreement at any time prior to the termination date specified in Section 5.2 hereof by filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section 11.1 and setting forth the effective date of such termination, which effective date shall not be less than thirty (30) days after the delivery of the certificate to the Agency. The exercise of the option to terminate pursuant to this Section 11.1 shall constitute a "Recapture Event" (as such term is defined in Section 11.3 of this Agreement). The Company shall not, at any time, assign or transfer its option to terminate this Agreement and purchase the Agency's interest in the Project Facility as contained in this Section 11.1 separate and apart from a permitted assignment of this Agreement pursuant to Section 9.1 of this Agreement without the prior written consent of the Agency.

## SECTION 11.2 OBLIGATION TO SELL AND TERMINATE.

Contemporaneously with the termination of this Agreement in accordance with Section 5.2 or Section 11.1 of this Agreement, the Company shall pay all sums required to be paid to the Agency or any other Person pursuant to this Agreement and the other Transaction Documents then due and owing the Agency at the time of termination or due and owing the Agency as a result of such termination (including any applicable Recapture of Benefits). The obligation of the Agency under this Section 11.2 to convey its interest in the Project Facility to the Company and to terminate this Agreement will be subject to there being no uncured Event of Default existing hereunder or under any other Transaction Document, and there being no other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default.

(A) The termination of this Agreement and the conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution and delivery by the Agency of (1) the Termination of Project Agreement (an unexecuted copy of which is attached hereto as Exhibit C), and (2) the Bill of Sale to Company (an unexecuted copy of which is attached hereto as Exhibit D). The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such termination, including, without limitation, all of the Agency's costs and expenses in connection therewith (including attorneys' fees and expenses).

(B) The Company agrees to prepare the Termination of Project Agreement and the Bill of Sale to Company, and all schedules thereto, together with all equalization and assessment forms and other necessary documentation, and to forward same to the Agency at least fifteen (15) days prior to the date that this Agreement is to be terminated and the Agency's interest in the Project Facility or any portion thereof is to be conveyed to the Company. The Company hereby irrevocably appoints and designates the Agency as its attorney-in-fact for the purpose of executing, delivering and/or recording such documents and to take such other and further action as shall be necessary to terminate the Agency's interest in the Project Facility.

(C) This Agreement shall survive the transfer of the Project Facility to the Company pursuant to this Section 11.2 and shall remain in full force and effect until ninety-one (91) days after all of the Indebtedness shall have been paid in full, and thereafter the obligations of the Company shall survive as set forth in Section 12.7 of this Agreement.

(D) Upon the payment in full of all Indebtedness, and notwithstanding the survival of certain obligations of the Company as described in Section 12.7 of this Agreement, the Agency shall upon the request of the Company execute and deliver to the Company such documents as the Company may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency hereunder.

## SECTION 11.3 RECAPTURE OF AGENCY BENEFITS.

(A) It is understood and agreed by the parties to this Agreement that the Agency is entering into this Agreement in order to provide the Financial Assistance to the Company for the Project and to accomplish the purposes of the Act. In consideration therefor, the Company hereby agrees that if there shall occur a Recapture Event (as hereinafter defined),

then the Company shall pay to the Agency or to the State, if directed by the Agency, as a return of public benefits conferred by the Agency, an amount as follows (such amount, the "Recapture of Benefits"): one hundred percent (100%) of the value of all exemptions from sales and use taxes claimed by the Company (and the contractors or subcontractors engaged by the Company and approved by the Agency as its agents).

(B) For the purposes of this Section 11.3 the term "Recapture Event" shall mean the occurrence of any of the following events:

- (1) The Company shall have liquidated its operations and/or assets; or
- (2) The Company shall have ceased all or substantially all of its operations at the Project Facility (whether by closure or by relocation to another facility or otherwise, or whether to another facility either within or outside of the County); or
- (3) The transfer of all or substantially all of the employees engaged in the renovation, maintenance or operation of the Project Facility to another location; or
- (4) The occurrence and continuance of an Event of Default under this Agreement or any other Transaction Document; or
- (5) The Company shall have effected a substantial change in the scope and nature of the operations of the Company at the Project Facility without the prior written consent of the Agency; or
- (6) The Company shall have sold, leased, subleased, sub-subleased, assigned, transferred or otherwise disposed of all or any part of its interest in the Project Facility in violation of this Agreement; or
- (7) The Company fails to maintain or fails to cause to be maintained the Minimum Employment Requirement at any time during the term of this Agreement; or
- (8) The Application, or documentation submitted by the Company in support of the Application, contained as of the date of its submission to the Agency or as of the Closing Date a knowingly false or knowingly misleading statement as to any fact material to the Application or knowingly omitted any information which, if included, would have rendered any information in the Application or supporting documentation false or misleading in any material respect, and such false or misleading statement or omission was made knowingly and intentionally for the purpose of obtaining the Financial Assistance; or
- (9) The Company realizes an exemption from sales and use tax in connection with property or services not authorized by the Agency as part of the Project; or
- (10) The Company receives an exemption from sales and use tax in connection with the Project in excess of the Maximum Sales Tax Benefit; provided, however, that the foregoing shall constitute a Recapture Event with respect to the amount of sales and

use tax exemption realized in excess of the Maximum Sales Tax Benefit only. It is further provided that failure to repay such excess amount within thirty (30) days shall constitute a Recapture Event with respect to all Recapture Benefits; or

(11) Failure of the Company to file a copy of Form ST-340 when required in compliance with Section 8.12 of this Agreement.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a Condemnation by governmental authority of all or substantially all of the Project Facility or any interest therein, or (ii) the inability at law of the Company to rebuild, repair, restore or replace the Project Facility after the occurrence of a casualty to substantially its condition prior to such casualty, which inability shall have arisen in good faith through no fault on the part of the Company.

(C) The Company covenants and agrees to furnish the Agency with written notification (i) of the occurrence of any Recapture Event, and (ii) of the existence of any facts or circumstances that would likely lead to a Recapture Event, which notification shall set forth the terms of such Recapture Event or describe such facts or circumstances.

(D) In the event any payment owing by the Company under this Section 11.3 shall not be paid on demand by the Company, such payment shall bear interest from the date of such demand at the Default Interest Rate until the Company shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

SECTION 12.3 SEVERABILITY. If any one or more of the covenants or agreements provided herein on the part of the Agency or the Company to be performed shall, for any reason, be held or shall, in fact, be inoperative, unenforceable or contrary to law in any particular case, such circumstance shall not render the provision in question inoperative or unenforceable in any other case or circumstance. Further, if any one or more of the phrases, sentences, clauses, paragraphs or sections herein shall be held void, voidable, invalid or unenforceable by a court of competent jurisdiction, then such covenant or covenants or agreement or agreements shall be deemed separable from the remaining covenants and agreements hereof and shall in no way affect the validity of the other provisions of this Agreement.

SECTION 12.4 AMENDMENT. This Agreement may not be amended, changed, modified, altered or terminated, except by an instrument in writing signed by the parties hereto.

SECTION 12.5 EXECUTION OF COUNTERPARTS. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 12.6 APPLICABLE LAW. This Agreement shall be governed by and construed in accordance with the applicable laws of the State, as in effect from time to time, without regard to its principles of conflicts of law.

SECTION 12.7 SURVIVAL OF OBLIGATIONS. The obligations of the Company to make the payments required by this Agreement and to provide the indemnity required by the provisions of this Agreement shall survive the termination of this Agreement,

and all such payments after such termination shall be made upon demand of the party to whom such payment is due.

(A) The obligations of the Company to the Agency with respect to the Unassigned Rights shall survive the termination or expiration of this Agreement until the expiration of the period stated in the applicable statute of limitation during which a claim, cause of action or prosecution relating to the Unassigned Rights may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), attorneys, servants or employees, past, present or future, related thereto.

SECTION 12.8 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING. The Table of Contents and the headings of the several Sections in this Agreement have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Agreement.

SECTION 12.9 NO RECOURSE; SPECIAL OBLIGATION. The obligations and agreements of the Agency contained herein and in the other Transaction Documents and any other instrument or document executed in connection therewith or herewith, and any other instrument or document supplemental thereto or hereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Company), servant or employee of the Agency in his individual capacity, and the members, officers, agents (other than the Company), servants and employees, past, present and future, of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby.

(A) The obligations and agreements of the Agency contained herein and therein shall not constitute or give rise to an obligation of the State or the County and neither the State nor the County shall be liable hereon or thereon, and, further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Agency's interest in the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights).

(B) No order or decree of specific performance with respect to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and ten (10) business days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than ten (10) business days, shall have failed to institute and diligently pursue action to cause compliance with such request within such ten (10) business day period) or failed to respond within such notice period, (2) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and

expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such fees and expenses, and (3) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents (other than the Company), servants or employees, past, present or future, shall be subject to potential liability, the party seeking such order or decree shall (a) agree to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability incurred as a result of its compliance with such demand, and (b) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents (other than the Company), servants and employees, past, present and future, against all liability expected to be incurred as a result of compliance with such request.

SECTION 12.10 NET PAYMENTS. The obligation of the Company to make the payments specified in this Agreement shall be absolutely net to the Agency without any abatement, recoupment, diminution, reduction, deduction, counterclaim, set-off or offset whatsoever, so that this Agreement shall yield, net, to the Agency, the payments set forth herein.

SECTION 12.11 WAIVER OF JURY TRIAL. THE COMPANY AND THE AGENCY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, ANY OTHER TRANSACTION DOCUMENT OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION WITH THIS AGREEMENT.

SECTION 12.12 PRIOR AGREEMENTS. This Agreement and the other Transaction Documents shall completely and fully supersede all other prior understandings or agreements, written or oral, between the Company and the Agency relating to the Project.

SECTION 12.13 SERVICE OF PROCESS. The Company represents that it is subject to service of process in the State of New York and covenants that it will remain so subject so long as this Agreement shall be in effect. If for any reason the Company should cease to be so subject to service of process in the State of New York, the Company hereby designates and appoints, without power of revocation, Elias Trahanas, 1899 Hempstead Turnpike, East Meadow, NY 11554, and successor(s) as its agent for service of process, and if such agent shall cease to act or otherwise cease to be subject to service of process in the State of New York, the Secretary of State of the State of New York, as the agents of the Company upon whom may be served all process, pleadings, notices or other papers which may be served upon the Company as a result of any of its obligations under this Agreement; provided, however, that the serving of such process, pleadings, notices or other papers shall not constitute a condition to the Company's obligations hereunder.

(A) The Company irrevocably and unconditionally (a) agrees that any suit, action or other legal proceeding arising out of this Agreement or the other Transaction Documents may be brought in the courts of record of the State of New York in Nassau County or the courts of the United States, Eastern District of New York; (b) consents to the jurisdiction of

each such court in any such suit, action or proceeding; and (c) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. For such time as this Agreement is in effect, the Company's agents designated above shall accept and acknowledge in the Company's behalf service of any and all process in any such suit, action or proceeding brought in any such court. The Company agrees and consents that any such service of process upon such agents and written notice of such service to the Company in the manner set forth in Section 12.1 of this Agreement shall be taken and held to be valid personal service upon the Company whether or not the Company shall then be doing, or at any time shall have done, business within the State of New York and that any such service of process shall be of the same force and validity as if service were made upon the Company according to the laws governing the validity and requirements of such service in the State of New York, and waives all claim of error by reason of any such service. Such agents shall not have any power or authority to enter into any appearance or to file any pleadings in connection with any suit, action or other legal proceedings against the Company or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Company.

SECTION 12.14 THIRD PARTY BENEFICIARIES. Nothing herein is intended to be for, or to inure to, the benefit of any Person other than the parties hereto.

SECTION 12.15 NON-DISCRIMINATION. At all times during the term of this Agreement, the Company shall not (and shall cause its Affiliates not to) discriminate against any customer, occupant, employee or applicant for employment because of race, color, religion, creed, ethnicity, age, gender, pregnancy, sex, sexual orientation, gender identity, national origin, citizenship, marital status, domestic violence victim status, military status, veteran status, disability, familial status, genetic information, genetic predisposition or carrier status, or other characteristic or criteria protected by Applicable Law. The Company shall use reasonable efforts to ensure that employees and applicants for employment with any tenant, subtenant, occupant or user of the Project Facility, or any part thereof, or any contractor or subcontractor with respect to the Project Facility, are treated without regard to their race, color, religion, creed, ethnicity, age, gender, pregnancy, sex, sexual orientation, gender identity, national origin, citizenship, marital status, domestic violence victim status, military status, veteran status, disability, familial status, genetic information, genetic predisposition or carrier status, or other characteristic or criteria protected by Applicable Law. (A) The Company shall, in all solicitations or advertisements for employees placed by or on behalf of the Company (or any of its Affiliates), state that all qualified applicants will be considered for employment without regard to race, color, religion, creed, ethnicity, age, gender, pregnancy, sex, sexual orientation, gender identity, national origin, citizenship, marital status, domestic violence victim status, military status, veteran status, disability, familial status, genetic information, genetic predisposition or carrier status, or other characteristic or criteria protected by Applicable Law.

(B) The Company shall furnish to the Agency all information required by the Agency pursuant to this Section 12.15 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 12.15.

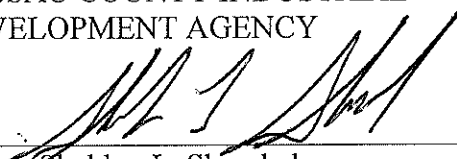

SECTION 12.16 DATE OF AGREEMENT. The date of this Agreement shall be for reference purposes only and shall not be construed to imply that this Agreement was executed on the date first above written. This Agreement was executed and delivered on March 27, 2023.
