WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, GESHER CENTER LLC, a limited liability company organized and existing under the laws of the State of New York, (the “Applicant”) has presented an application for financial assistance (the “Application”) to the Agency, which Application requests that the Agency consider undertaking a project (the “Project”) consisting of the following: (A)(1) the acquisition and retention of an interest in an approximately 15,000 square foot parcel of land located at 733-741 Middle Neck Road; 6 & 8 North Road, Village of Great Neck, Town of North Hempstead, Nassau County, New York (Section: 1; Block: 1; Lot: 5, 106, 212 and 115) (the “Land”), (2) the construction of an approximately 88,000 square foot, four (4) story building (collectively, the “Building”) on the Land, together with related improvements to the Land, including surface parking spaces, (3) the acquisition of certain furniture, fixtures, machinery and equipment (the “Equipment”) necessary for the completion thereof (collectively, the “Project Facility”), all of the foregoing for use by the Applicant as a multi-family apartment building consisting of approximately sixty (60) residential rental apartment units, including nine (9) affordable residential rental apartments, and an approximately 4,100 +/- square foot art gallery; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and

WHEREAS, pursuant to Article 8 of the New York Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York, being 6 N.Y.C.R.R. Part 617.1, et. seq., as amended (the “Regulations” and collectively “SEQRA”), the Agency must satisfy the requirements contained in SEQRA prior to making a final determination whether to undertake the Project; and

WHEREAS, pursuant to SEQRA, to aid the Agency in determining whether the Project may have a significant adverse impact upon the environment, the Agency has completed, received and/or reviewed (1) Part 1 of a Full Environmental Assessment Form (“EAF”), dated June 24, 2020; (2) NYSDEC’s Environmental Resource Mapper; (3) New York State Historic Preservation Office’s Cultural Resources Mapper; (4) Resolution of the Village of Great Neck Zoning Board of Appeals, dated December 3, 2020, Adopting a Negative Declaration of Environmental significance with respect to the Project Facility pursuant to SEQRA; and (5) other relevant environmental information (collectively, 1, 2, 3, 4 and 5 shall be referred to as the “Environmental Information”); and

WHEREAS, pursuant to SEQRA, the Agency is an involved agency in the SEQRA review of the Project, and as an involved agency is required to analyze the Project to determine whether it has the potential to have a significant adverse impact on the environment; and

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon a thorough review and examination of the Environmental Information and the EAF reviewed by the Village of Great Neck Zoning Board of Appeals (the “Lead Agency”) and other representations and information furnished by the Company regarding the Project Facility, the Agency determines that action relating to the acquisition, demolition, construction, equipping and operation of the Project Facility is an “Unlisted” action, as that term is defined in Article 8 of the New York Environmental Conservation Law. An Environmental Review of the Project Facility pursuant to SEQRA was conducted by the Lead Agency and, on December 3, 2020, a negative declaration for purposes of SEQRA was adopted by the Lead Agency. The Agency concurs with the findings of the Lead Agency, and, as of the date of this resolution, determines that the action will not have a “significant effect” on the environment, and therefore, an environmental impact statement will not be required. Further, the Agency makes the following findings with respect to the Project:

1. Impact on Land. The Project is not anticipated to create any potentially significant adverse impacts to land resources or land use. The Lead Agency concluded that the Project Facility is consistent with its surrounding use. The zoning and land use classification will not change as a result of the Project. Accordingly, the Project is not anticipated to create any potentially significant adverse impacts to land resources or land use.

2. Impact on Water. No wetlands in the area of the Land are anticipated to be impacted as renovation will be undertaken on property which previously housed similar uses. In addition, the Project is not located in a designated 100 or 500 year floodplain. The property has been previously disturbed and the renovation will not physically alter, or encroach into, any existing wetland or waterbody. Although the Project site is located over the Nassau-Suffolk sole source aquifer, no activities proposed for the Project are anticipated to impact groundwater or the aquifer, nor is renovation or operation of such project anticipated to expose such aquifer to the undue threat of contamination. Further, the Lead Agency has determined that the Ground and surface water will be managed by a drainage system on-site and in connection with the Nassau County Stormwater Management System.
3. Impact on Air. The Project will not be a significant source of air emissions. The Project does not entail the types of activities or operations that require the Applicant to acquire an Air Facility Permit or that are associated with a significant potential for air emissions. In addition, any increase in traffic including vehicle trips associated with the Project is not anticipated to materially impact air quality as more specifically discussed in the Transportation section below, including based on various analyses completed regarding traffic. Any potential impact on air as a result of construction activities will be minor, and temporary in nature.
4. Impact on Health or Safety. The EAF indicates the Land was not the subject of spill reports. The Project also does not entail the types of activities or operations that are associated with a significant potential for affecting public health. Accordingly, the Project will not create any significant adverse impact to public health, air, land or water resources.
5. Impact on Plants and Animals Including to Threatened or Endangered Species. The Land in the area of the Project Facility does not appear to contain any habitats of significance as it is fully developed and located in a well-developed residential and commercial area. The Proposed Action does not present the potential for removal or destruction of large quantities of vegetation or fauna; substantial interference with the movement of any resident or migratory fish or wildlife species; impacts on a significant habitat area; substantial adverse impacts on a threatened or endangered species of animal or plant, or the habitat of such a species; or other significant adverse impacts to natural resources.
6. Impact on Agricultural Land Resources. The Project is located in an area currently devoted to commercial / residential uses. As a result it will not involve the conversion or loss of agricultural land resources. Accordingly, the Project will not create any significant adverse impacts to agricultural land resources.

7. Impact on Aesthetic Resources. The Project will not be visible from any officially designated federal, state or local scenic or aesthetic resource. The property is situated in a developed commercial and residential area, as indicated with is zoned for uses consistent with the Project with is also consistent with surrounding uses. As the Lead Agency concluded that the Project Facility is consistent with its surroundings, it is not anticipated to create any significant adverse impacts to aesthetic resources.
8. Impact on Historic and Archeological Resources. The Agency concurs with the Lead Agency that the entire property is improved with structures and contains no historical, archeological, architectural or aesthetic resources that will be impaired by the development of the Project Facility. Accordingly, the Project will not create any significant adverse impacts to historical or archaeological resources.
9. Impact on Open Space and Recreation. The property on which the Project is to be located and adjacent areas around it do not comprise public open space as it is devoted to commercial and residential uses. Further, the density of the Project Facility is not anticipated to create an adverse impact of local parkland. Accordingly, the Project will not create any significant adverse impacts to open space or recreational resources.
10. Impact on Critical Environmental Areas. The property on which the Project is to be developed is not located in or substantially contiguous to any Critical Environmental Area (“CEA”) based on a review of the EAF Mapper associated with such property. Accordingly, the Project will not create any significant adverse impacts to any CEA.
11. Impact on Transportation. The Project will not result in a substantial increase in traffic above capacity of current traffic infrastructure, nor is it expected to generate substantial new demand for transportation facilities or services/infrastructure. Further, the LEAD Agency concurred with the Applicant’s Traffic Analysis and Parking Analysis, which provided that the Project Facility is not anticipated to have any impact on the level of service on the surrounding roadway network and that in the engineering firm’s professional opinion the granting of the Application would not create traffic congestion or undue on-street parking in the area surrounding the subject site. Any impacts to transportation from construction activities associated with the Project will be minor and temporary in nature. Accordingly, it is not anticipated that that Project will create any significant adverse impacts to transportation.
12. Impact on Energy. The Project may result in an increase in energy usage, however, existing utilities serve the area where the Project will be developed and are anticipated to have adequate capacity to serve it. As a result, the Project will not create any significant adverse impacts to energy.

13. Impact on Noise and Odor and Impacts from Light. The Project is not expected to materially increase ambient noise levels or to create odors of consequence particularly in light of such project setting including the Project site location. As a result, it is not anticipated that operation of the Project will result in undue noise impacts. Further, any impacts to noise and/or odor from construction activities will be minor, and temporary in nature. In addition, any such noise from construction will be undertaken during work hours and as such is not anticipated to be significant. Accordingly, the Project will not create any significant adverse impacts to noise or odors.
14. Impact on Growth and Character of the Community and Neighborhood. The Lead Agency concluded that the Project Facility will result in a change in the intensity of use on the specific property, however, said intensity will be similar to the use intensity of several other properties along Middle Neck Road. Further, the use was determined to be in conformance with the Village's Middle Neck Road Multifamily Incentive Overlay District. Accordingly, the Project is not anticipated to create any significant adverse impacts to the growth or character of the community.

NOW THEREFORE BE IT FURTHER RESOLVED:

Section 2. Based on the foregoing, the Agency finds that the Project will not have any significant adverse impact on the environment in accordance with the New York State Environmental Quality Review Act, Article 8 of the New York Environmental Conservation Law and, in particular, pursuant to the criteria set forth at 6 NYCRR §617.7(b)-(c) of the SEQRA regulations and as such, no environmental impact statement shall be prepared. This determination constitutes a negative declaration for the purposes of SEQRA.

Section 3. The Chairman, the Vice Chairman, the Executive Director and the Administrative Director of the Agency are hereby further authorized on behalf of the Agency, or acting together or individually, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 4. This Resolution shall take effect immediately.

NOTICE OF PROPOSED DEVIATION FROM
UNIFORM TAX EXEMPTION POLICY

Ladies and Gentlemen:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the "Agency") to be held on July 27, 2023 at 6:45 p.m. local time and to be conducted in the Nassau County Ceremonial Chamber, 1550 Franklin Avenue, Mineola, New York 11501, the Agency will consider whether to approve the application of the Applicant (as defined below), for certain "financial assistance" which, if granted, would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes. The meeting of the Agency will be open to the public. The Agency previously considered this matter at its meeting on September 21, 2021, at which meeting the Agency adjourned its further consideration of the "financial assistance" until a later date. Notices were also provided with respect to the Agency considering this matter on March 3, 2022, March 31, 2022, April 28, 2022 and November 7, 2022, the Agency, however, removed the matter from the March 3, 2022, March 31, 2022, April 28, 2022 and November 17, 2022 hearing agendas and will, now, consider the "financial assistance" on July 27, 2023.

At the meeting of the Agency, the Agency will consider the application of GESHER CENTER LLC, a limited liability company organized and existing under the laws of the State of New York, (the "Applicant") has presented an application for financial assistance (the "Application") to the Agency, which Application requests that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition and retention of an interest in an approximately 15,000 square foot parcel of land located at 733-741 Middle Neck Road; 6 & 8 North Road, Village of Great Neck, Town of North Hempstead, Nassau County, New York (Section: 1; Block: 1; Lot: 5, 106, 212 and 115) (the "Land"), (2) the construction of an approximately 88,000 square foot, four (4) story building (collectively, the "Building") on the Land, together with related improvements to the Land, including surface parking spaces, (3) the acquisition of certain furniture, fixtures, machinery and equipment (the "Equipment") necessary for the completion thereof (collectively, the "Project Facility"), all of the foregoing for use by the Applicant as a multi-family apartment building consisting of approximately sixty (60) residential rental apartment units, including nine (9) affordable residential rental apartments, and an approximately 4,100 +/- square foot art gallery; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency.

The Application states that the Applicant is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant a real property tax exemption (the "Property Tax Exemption") with respect to the Project Facility as follows:

(i) for the period commencing on the date of the closing of the Project transaction (the "Closing Date") to and including the day prior to the Effective Date (as defined below), payments shall be equal to one hundred percent (100%) of the real property taxes and assessments that would be levied annually upon the Land and the existing improvements thereon as of the date of closing without taking into consideration the transfer of ownership, jurisdiction, supervision or control of the Project Facility to the Agency; and

(ii) for the period commencing on the Effective Date and continuing for twenty-two (22) full fiscal tax years thereafter, fixed payments equal to the sum of the BASE PILOT and the IMPROVEMENT PILOT.

Thereafter, and through the end of the term of the project agreement, lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real

property taxes and assessments that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

For the purposes of the foregoing, the following terms shall have the following meanings:

(a) "BASE PILOT" shall be deemed to mean the amount of all real property taxes and assessments payable on the Land and the existing improvements thereon as of the Closing Date, which amount shall be increased by 1.23% per year (compounded) after the third (3rd) fiscal tax year. Except as set forth in the immediately preceding sentence, the BASE PILOT shall not increase or decrease during the term of the PILOT Agreement. The BASE PILOT shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions. In calculating the Base PILOT, the Agency shall take into account the most recent assessment data (i.e., assessed value and tax rates) available as of the Closing Date including any applicable approved tax certiorari stipulation or other settlement or arrangement with the applicable tax assessor(s).

(b) "IMPROVEMENT PILOT" shall be deemed to mean the product of the following amounts, as determined by the Agency: (i) the Assessed Value of the Improvement, (ii) the PILOT Rate, and (iii) the number 0.01, as phased in and adjusted pursuant to Exhibit A attached hereto. The term "Assessed Value of the Improvement" shall be deemed to mean the product of (y) the fair market value of the Project Facility (less the market value used in the calculation of the BASE PILOT) for real property tax valuation purposes, computed as of the estimated date of completion, as determined by the Agency using a methodology reasonably selected by the Agency, and (z) the level of assessment used by the Nassau County Assessor as of the year in which the Closing Date occurs. The PILOT Rate shall be evidenced by School Tax Bills, Village Tax Bills, if any and General Tax Bills based on the most recent assessment data available to the Agency as of the year in which the Closing Date occurs. The IMPROVEMENT PILOT shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions.

(c) "Effective Date" shall be deemed to mean for each affected tax jurisdiction the first day of the first fiscal tax year following the first taxable status date occurring subsequent to the last to occur of (i) the Agency acquiring an interest in the Project Facility, (ii) the filing by the Agency of the appropriate application for tax exemption with the Nassau County Tax Assessor, and (iii) the acceptance of such Application by such assessor.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the PILOT payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the Closing Date.

Sincerely,

NASSAU COUNTY INDUSTRIAL
DEVELOPMENT AGENCY

and against certain losses, costs, damages and liabilities, (E) the Applicant will execute and deliver or cause to be executed and delivered a certain Payment in Lieu of Taxes Agreement (the “PILOT Agreement”) to the Agency, and, to secure the obligations thereunder, a certain Mortgage and Assignment of Leases and Rents in favor of the County of Nassau, New York (the “PILOT Mortgage”), and (F) the Applicant will execute and deliver and/or cause to be executed and delivered certain other certificates, documents, instruments and agreements related to the Project (together with the Conveyance Instrument, the Bill of Sale to Agency, the Lease, the Project Agreement, if any, the Environmental Indemnification, the PILOT Agreement and the PILOT Mortgage, collectively, the “Transaction Documents”);

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency has reviewed the Application and the Report and, based upon the representations made by the Applicant to the Agency and the facts and information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting (including, without limitation, the facts and information set forth in the Staff Review of the Application), the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated including the prevention of economic deterioration, the job opportunities to be created and/or maintained by the Project and as further set forth in Section 1(e) hereof, the Project will constitute a commercial facility and, therefore, the Project constitutes a “project” within the meaning of the Act;

(b) the granting of the Financial Assistance by the Agency to the Applicants is necessary to induce the Applicants to proceed with the Project. This finding of the Agency is further supported by the “Cost Benefit Analysis Substantiation of Need for Nassau County IDA Financial Assistance” prepared by the National Development Counsel, last updated July 6, 2023 (the “NDC Report”); The NDC Report, *inter alia*, focused on establishing the level of partial exemptions from real property taxes under the PILOT Agreement to ensure that the level of Financial Assistance is the lowest necessary to induce the Applicant to proceed with the Project. The NDC Report’s conclusion also takes into account sales and use tax exemption and mortgage tax exemption components of the Financial Assistance herein approved with respect to the Project Facility (as set forth in Section 6 hereof) and the real property tax exemption herein approved with respect to the Project Facility (as set forth in Section 7 hereof). The NDC Report concluded that: “[b]ut for’ the proposed financial incentive package, the development is not considered financially feasible, as the developer would not be able to raise sufficient debt and equity to establish a balanced sources and uses of funds”. The NDC Report took into consideration a Real Estate Tax Assessment Projection prepared by Standard Valuation Services (SVS) for the subject property. The SVS Report provided the

current taxes on the Land and estimated real estate taxes after determining value on the Project Facility based upon the income approach to valuation.

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicants;

(d) the completion of the Project Facility by the Applicants as agent of the Agency, the lease thereof by the Agency to the Applicants and the operation thereof by the Applicants will not result in the removal of a facility or plant of the Applicants or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicants or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of Nassau County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicants;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(g) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act;

(h) The Project is located in the Apartment E/Middle Neck Road Multifamily Incentive Overlay District and Residence C zoning districts in the Village of Great Neck (the "Village") and is presently developed with two (2) dilapidated multifamily residences, two (2) dilapidated cottages utilized for non-conforming uses and three (3) commercial buildings that the Village Board of Appeals has determined to be of poor aesthetic quality and in "run-down" condition. The Apartment E/Middle Neck Road Multifamily Incentive Overlay District allows for multifamily dwellings subject to certain requirements (Section 575-105(A)) of the Village Code). The Village Board of Appeals granted waivers from the Village Code requirements to permit the construction of the Project Facility by resolution dated December 3, 2020. Taking into account the stated purposes of the Act being the promotion of employment opportunities and the prevention of economic deterioration

and having reviewed the Economic Impact Study, dated July 14, 2023, prepared by Camoin Associates for the Agency regarding the costs benefits and other economic impacts of the Project, the Apartment E/Middle Neck Road Multifamily Incentive Overlay District and Residence C zoning districts in the Village and the waivers granted by the Village Board of Appeals, the Agency hereby finds that the undertaking of the Project constitutes a commercial activity as it promotes the creation of employment opportunities and the prevention of economic deterioration.

(i) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this finding, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers; and

(j) the Project will not result in the removal or abandonment of a plant or facility of the Applicants, or of a proposed user, occupant or tenant of the Project Facility, currently located within Nassau County.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Chief Executive Officer / Executive Director and the staff of the Agency with respect to the Application, the IDA Meeting and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Harris Beach PLLC, Uniondale, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at the Public Hearing or otherwise in connection with the Project, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance.

Section 5. The Agency hereby approves the Applicants as the lessee/sublessee under the Lease with the Agency and hereby approves the Applicants as the recipient of the Financial Assistance.

Section 6. Based upon the representation and warranties made by the Applicant in its application for financial assistance, subject to the provisions of this resolution, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an aggregate amount of up to \$14,000,000.00, which result in New York State and local sales and use tax exemption benefits (“sales and use tax exemption benefits”) not

to exceed \$1,207,500.00, and approves a maximum mortgage recording tax exemption in an amount not to exceed \$198,750.00.

Section 7. The Agency is hereby authorized to (a) acquire an interest in the Project Facility pursuant to the Conveyance Instrument, the Bill of Sale to Agency and the other Transaction Documents, (b) grant a leasehold interest in the Project Facility pursuant to the Lease and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) execute the PILOT Mortgage for the sole purpose of encumbering its interest in the Project Facility or accept such other collateral as the Chief Executive Officer / Executive Director shall determine to secure the performance by the Applicant of its obligations under the PILOT Agreement, (e) execute one (1) or more fee and leasehold mortgage, assignment of rents and leases, and security agreements in favor of such bank, governmental agency or financial institution as the Applicant may determine (such bank, governmental agency or financial institution, the "Bank"), encumbering the Project Facility, solely to subject to the lien thereof its interest in the Project Facility, all to secure one (1) or more loans made by such Bank to the Applicant with respect to the Project Facility, and (f) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 8. The form and substance of the Project Agreement, the Conveyance Instrument, the Bill of Sale to Agency, the Lease, the Environmental Indemnification, the PILOT Agreement, the PILOT Mortgage and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chairman, the Vice Chairman or the Chief Executive Officer/Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chairman, the Vice Chairman, the Chief Executive Officer / Executive Director, Chief Operating Officer and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Conveyance Instrument, the Lease, the PILOT Agreement, the PILOT Mortgage, the other Transaction Documents, and any document with or in favor of the Bank to which the Agency is a party, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 9. The Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, the Chief Operating Officer and the Administrative Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Lease) of the Agency.

Section 10. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 11. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairman, Vice Chairman and Chief Executive Officer/Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 12. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with such terms and conditions with respect to the Project and hereby direct Special Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 13. The Chairman, the Vice Chairman, the Chief Executive Officer/Executive Director, Chief Operating Officer and the Administrative Director of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 14. This Resolution shall take effect immediately and shall be effective for one hundred eighty (180) days from the date of its adoption.

WHEREAS, the Executive Director of the Agency (A) caused notice of a meeting of the Agency (the “IDA Meeting”) with respect to the proposed deviation from the Agency’s uniform tax exemption policy and guidelines to be mailed on January 15, 2013 to the chief executive

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act"), and the regulations (the "Regulations") adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, "SEQRA"), the appropriate personnel of the Agency reviewed the environmental assessment form and other materials submitted by the Applicants and made any necessary comments to members of the Agency, and by resolution of the members of the Agency adopted on January 31, 2013, the Agency decided to conduct an uncoordinated review of the Project and determined that the Project is a Type II action under SEQRA and that the Project will not have a significant effect on the environment; and

WHEREAS, by resolution adopted by the members of the Agency on January 31, 2013 (the "Authorizing Resolution"), the Agency, following a review of the Report, determined to proceed with the Project, to grant the Financial Assistance and to enter into the "straight lease transaction" (as such quoted term is defined in the Act) contemplated by the Lease Agreement (as hereinafter defined) and the other Transaction Documents (as defined in the Lease Agreement); and

WHEREAS, no additional Financial Assistance is being requested by ARME609 or PL Development with respect to such request and, therefore, no public hearing of the Agency is required pursuant to Section 859-a of the Act; and

WHEREAS, the Agency is willing to consent to such request, subject to the terms of this Resolution;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Lease Agreement.

Section 2. The Agency hereby ratifies, confirms and approves actions heretofore taken by the Chief Executive Officer/Executive Director and the staff of the Agency with respect to the matters contemplated by this Resolution, including, without limitation, those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate thereto.

Section 3. The Agency determines that the request made by ARME609 and PL Development with respect to a previously approved and unchanged Project is a Type II Action pursuant to SEQRA involving “continuing agency administration” which does not involve “new programs or major reordering of priorities that may affect the environment” (6 NYCRR §617.5(c)(20)) and therefore no Findings or determination of significance are required under SEQRA.

Section 4. No additional Financial Assistance is being requested by ARME609 or PL Development with respect to the Proposed Transaction, and, therefore, no public hearing of the Agency is required pursuant to Section 859-a of the Act.

Section 5. The Agency has considered the request made by ARME609 and PL Development and hereby finds and determines that the requested consents will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York, and improve their standard of living, and thereby serve the public purposes of the Act.

Section 6. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Proposed Transaction.

Section 7. The Agency hereby determines to proceed with the Proposed Transaction as set forth in the Consent Request, subject to the provisions of this Resolution. Without limitation of the foregoing, the Agency’s consent to the Proposed Transaction is subject to the condition that the term of the Lease Agreement shall not be extended nor shall the PILOT Agreement (as defined in the Lease Agreement) be extended by virtue of the extension of the term of the Overlease as contemplated by this Resolution.

Section 8. The execution and delivery of the documents, instruments and agreements required to effectuate the Proposed Transaction (collectively, the “Amendment Documents”), being substantially in the forms used for prior similar transactions, are hereby authorized and approved. The Chairman, Vice Chairman, Chief Executive Officer/Executive Director and Administrative Director of the Agency are each hereby authorized, acting individually or jointly, to execute, acknowledge and deliver the Amendment Documents. The execution and delivery of the Amendment Documents by any one of said officers shall be conclusive evidence of due authorization and approval.

Section 9. The Chairman, Vice Chairman, Chief Executive Officer/Executive Director and Administrative Director of the Agency are each hereby designated an Authorized

Representative of the Agency and each of them is hereby authorized and directed, acting individually or jointly, to execute and deliver any and all consents, agreements, amendments, papers, instruments, opinions, certificates, affidavits and other documents required in connection with the Amendment Documents (collectively, the "Consent Documents"), and to do and cause to be done any and all acts and things necessary or proper for carrying out this Resolution, including, without limitation, taking any necessary action to obtain consent of any other person or party necessary with respect to execution, delivery and approval of the Consent Documents. The execution and delivery of the Consent Documents by any one of said officers shall be conclusive evidence of due authorization and approval.

Section 10. The authorizations set forth in this Resolution are further subject to the condition that ARME609 and/or PL Development shall reimburse the Agency for all costs and expenses incurred by the Agency in connection with the transactions contemplated herein, including, without limitation, the Agency's consent and amendment fee in the amount of \$750 and all reasonable attorneys' fees and disbursements incurred by the Agency, including without limitation, the fees and expenses of Special Counsel, Phillips Lytle LLP.

Section 11. All covenants, stipulations, obligations and agreements of the Agency contained in this Resolution, the Amendment Documents and the Consent Documents shall be deemed to be the covenants, stipulations, obligations and agreements of the Agency to the full extent authorized or permitted by law, and such covenants, stipulations, obligations and agreements shall be binding upon the Agency and its successors from time to time; provided, however, that no covenants, stipulations, obligations or agreements of the Agency contained in this Resolution, any Amendment Document or any Consent Document shall give rise to any pecuniary liability of the Agency or a charge against its general credit or shall obligate the Agency in any way except to the extent that the same can be paid or recovered from the Project Facility or the sale or liquidation of the Project Facility or revenues therefrom.

No covenant, stipulation, obligation or agreement herein contained or contained in any Amendment Document or any Consent Document shall be deemed to be a covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity and neither the members of the Agency nor any officer executing any Amendment Document or any Consent Document shall be liable personally on the Amendment Documents or the Consent Documents or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 12. The Chairman and Chief Executive Officer/Executive Director of the Agency are each hereby authorized to approve modifications to the terms approved herein which are not inconsistent with the intent and substance of this Resolution, such approval to be evidenced by the execution by any one of such officers of the Amendment Documents and/or the Consent Documents containing such modifications.

Section 13. Notwithstanding any provision in the Lease Agreement or any other Transaction Document be construed to mean that there are no defaults or events of default under the Lease Agreement or any other Transaction Document or that any such defaults or events of default have been or shall be waived by the Agency.

Section 14. The Chairman, Vice Chairman, Chief Executive Officer/Executive Director and Administrative Director of the Agency, acting individually or jointly, are hereby authorized and directed to distribute copies of this Resolution to ARME609, PL Development and such other parties as any such officer may determine.

Section 15. This Resolution shall take effect immediately.

Section 13. Notwithstanding any provision in the Lease Agreement or any other Transaction Document to the contrary, the Agency's consent does not and shall not be construed to mean that there are no defaults or events of default under the Lease Agreement or any other Transaction Document or that any such defaults or events of default have been or shall be waived by the Agency.

Section 14.
