RETAIL QUESTIONNAIRE

(To be completed by Applicant if Applicant checked either "YES" in Part II, Question Q of the Application for Financial Assistance)

A. Will any portion of the Project (including that portion of the cost to be financed from equity or sources other than Agency financing) consist of facilities or property that are or will be primarily used in making retail sales to customers who personally visit the Project?

YES X NO

For purposes of Question A, the term "retail sales" means (i) sales by a registered vendor under Article 28 of Tax Law of the State of New York (the "Tax Law") primarily engaged in the retail sale of tangible personal property (as defined in Section 1101(b)(4)(i) of the Tax Law), or (ii) sales of a service to customers who personally visit the Project.

B. If the answer to Question A is YES, what percentage of the cost of the Project (including that portion of the cost to be financed from equity or sources other than Agency financing) will be expended on such facilities or property primarily used in making retail sales of goods or services to customers who personally visit the Project?

10 % **7% will be used as restaurant and bar, 3% for other retail. In addition, 90% of the Project will be used primarily for hotel room occupancy, which is not the sale of goods or services.*

C. If the answer to Question A is YES, and the amount entered for Question B is greater than 33.33%, indicate whether any of the following apply to the Project:

1. Is the Project likely to attract a significant number of visitors from outside the economic development region (i.e., Nassau and Suffolk Counties) in which the Project is or will be located?

YES X *See below* NO

2. Is the predominant purpose of the Project to make available goods or services which would not, but for the Project, be reasonably accessible to the residents of the city, town or village within which the Project will be located, because of a lack of reasonably accessible retail trade facilities offering such goods or services?

YES NO X

3. Will the Project be located in one of the following: (a) an area designated as an empire zone pursuant to Article 18-B of the General Municipal Law; or (b) a census tract or block numbering area (or census tract or block numbering area contiguous thereto) which, according to the most recent census data, has (i) a poverty rate of at least 20% for the year in which the data relates, or at least 20% of the households receiving public assistance, and (ii) an unemployment rate of at least 1.25 times the statewide unemployment rate for the year to which the data relates?

YES NO X

As there are no other AC by Marriott hotels in the Long Island economic development region, its established loyal customer base can be expected to seek out the Project. The Project, if it constitutes "retail" use, should be viewed as a tourism destination, i.e., it would attract a significant number of visitors from outside the economic development region, that would not otherwise be expected to come to the area. The Project will be part of the Roosevelt Field Mall campus and will be cross-promoted by the mall as an attraction.

If the answer to any of the subdivisions 1 through 3 of Question C is YES, attach details.

- D. If the answer to any of the subdivisions 2 through 3 of Question C is YES, will the Project preserve permanent, private sector jobs or increase the overall number of permanent, private sector jobs in the State of New York? If YES, attach details. N/A

YES _____

NO _____

- E. State percentage of the Applicant's annual gross revenues comprised of each of the following:
