Nassau County Industrial Development Agency 1 West Street Fourth Floor Mineola, New York 11501

Attention:

Mr. Sheldon L. Shrenkel,

Chief Executive Officer/ Executive Director

Re: 120 3rd Street, Mineola, New York

125 3rd Street, Mineola, New York 111 2<sup>nd</sup> Street, Mineola, New York

Dear Mr. Shrenkel:

Please be advised that this firm is representing Lalezarian Properties LLC ("Lalezarian Properties") in connection with a proposed multi-family transit-oriented development in the Village of Mineola.

As you may know, the Lalezarian family is a well-known Long Island-based developer that focuses on developing smart and sustainable amenity-rich rental communities. Lalezarian Properties has had a successful track record with the Agency with a number of successful projects built in Nassau County with the assistance of the Nassau County Industrial Development Agency (the "Agency"). The One Third Avenue and Morgan Parc projects are great examples of the types of developments that have been built by the Lalezarians with the assistance of the Agency.

The new project consists of the development and construction of three vibrant, first-class multifamily buildings providing a total of five hundred thirty-two (532) new residential units in Mineola located and described as follows:

• 125 Third Street, Mineola, New York (the "125 3<sup>rd</sup> Street Facility"), which will consist of two hundred forty (240) residential units owned by OCR Court House LLC ("Court House");

- 120 Third Street, Mineola, New York (the "120 3<sup>rd</sup> Street Facility"), which will consist of two hundred (200) residential units owned by Third Front LLC ("Third Front"); and
- 111 Second Street, Mineola, New York (the "111 2<sup>nd</sup> Street Facility"), which will consist of ninety-two (92) residential units owned and to be owned by Willis Rail Yards LLC ("Willis" and Willis, Third Front and Court House each being herein referred to as an "Applicant" and collectively, the "Applicants").

All three (3) facilities have been approved by the Village of Mineola and the Village is very supportive of the project. The new developments are consistent with and in furtherance of Village of Mineola's Master Plan enacted to increase the vibrancy and economic stability of the Village's downtown area. Also, as transit-oriented development (each location is within a short walking distance to the Mineola train station and in close proximity to a number of bus lines), the Village has determined that the projects qualify as smart growth components of the Village's Downtown Revitalization Program. The proximity to the train station and bus lines will facilitate and encourage residents to use mass transit and ultimately reduce the demand for automobiles.

The 125 3rd Street Facility will involve the demolition of an existing dated office building, in a market where there is a surplus of such office space, and the construction of a two hundred forty (240) unit apartment building. The 120 3rd Street Facility will involve the demolition of an existing parking deck and the construction of a two hundred (200) unit apartment building. The 111 2<sup>nd</sup> Street Facility will involve the construction of a ninety-two (92) unit apartment building on currently vacant land, a portion of which will be acquired from the Metropolitan Transportation Authority pursuant to a land swap agreement.

The three (3) facilities as a whole will maintain a total of fifty-four (54) affordable/workforce housing units in the aggregate.

#### Requested Financial Assistance

Given the high financing costs, volatile property taxes, high construction costs and high interest rates in Nassau County and taking into consideration the affordable housing requirement, the projects are not feasible without the Agency's financial assistance. Without the IDA's assistance in reducing the development costs and providing stability and predictability with respect to the real estate taxes, the projects would likely be developed with an alternative use not as beneficial to the Village and Nassau County as a transit-oriented multifamily development.

Accordingly, Applicants request the following financial assistance from the Agency:

1. Applicants are requesting a Payment in Lieu of Taxes ("PILOT") agreement for each project that would consist of a three (3) year construction period followed by an initial twenty (20) year period, at first stabilizing the existing taxes (with a 2% annual escalator) for the first ten (10) years of such twenty (20) year period, and thereafter for the next ten (10) years of such twenty (20) year period phasing-in the new taxes to

March 14, 2024 Page 3

be created by the projects; and, then, after that 20-year period, Applicants are requesting that there be an additional ten (10) year period of PILOT payments, but set at the estimated "full taxes" projected for such (10) year period (with a two (2%) annual escalator), all upon terms to be negotiated with the Agency.

- 2. Applicants request a sales tax exemption with respect to the costs of constructing and equipping the project.
- 3. Applicants request a mortgage recording tax exemption with respect to Applicants' financing of the acquisition and construction of the project.

Enclosed please find a draft Applications for Financial Assistance for each proposed project. We have also included checks for each project for the \$1,500.00 Application Fee, the \$3,500.00 Counsel Fee Deposit, the \$4,500.00 Cost/Benefit Deposit and the \$500.00 for the Valuation Deposit for a total payment of \$30,000.00 with respect to all three (3) projects.

After you review the enclosed, please do not hesitate to contact the undersigned

Very truly yours,

FORCHELLI DEEGAN TERRANA LLP

#### **APPLICATION FOR FINANCIAL ASSISTANCE**

APPLI	CATION OF:
	OCR Court House LLC
_	
_	APPLICANT NAME

Please respond to all questions in this Application for Financial Assistance (the "Application") by, as appropriate:

- filling in blanks;
- checking the applicable term(s);
- attaching additional text (with notation in Application such as "see Schedule H, Item # 1", etc.); or
- writing "N.A.", signifying "not applicable".

All attachments responsive to questions found in this Application should be clearly labeled and attached as Schedule I to the Application. If an estimate is given, enter "EST" after the figure. One signed original and one photocopy of the Application (including all attachments) must be submitted.

The following amounts are payable to the Nassau County Industrial Development Agency (the "Agency") at the time this Application is submitted to the Agency: (i) a \$1,500 nonrefundable application fee (the "Application Fee"); (ii) a \$3,500 expense deposit for the Agency's Transaction/Bond Counsel fees and expenses (the "Counsel Fee Deposit"), (iii) a \$4,500 expense deposit for the cost/benefit analysis with respect to the project contemplated by this Application (the "Cost/Benefit Deposit"), and (iv) a \$500 expense deposit for the real property tax valuation analysis, if applicable, with respect to the project contemplated by this Application (the "Valuation Deposit"). The Application Fee will not be credited against any other fees or expenses which are or become payable to the Agency in connection with this Application or the project contemplated herein (the "Project"). In the event that the subject transaction does not close for any reason, the Agency may use all or any part of the Counsel Fee Deposit, the Cost/Benefit Deposit and/or the Valuation Deposit to defray the cost of Transaction/Bond Counsel fees and expenses, the cost of obtaining a cost/benefit analysis and/or the cost of obtaining a real property tax valuation with respect to the Project. In the event that the subject transaction does close, the Counsel Fee Deposit, the Cost/Benefit Deposit and the Valuation Deposit shall be credited against the applicable expenses incurred by the Agency with respect to the Project.

Every signature page comprising part of this Application must be signed by the Applicant or this Application will not be considered complete or accepted for consideration by the Agency.

The Agency's acceptance of this Application for consideration does not constitute a commitment on the part of the Agency to undertake the proposed Project, to grant any financial assistance with respect to the proposed Project or to enter into any negotiations with respect to the proposed Project.

Information provided herein may be subject to disclosure under the New York Freedom of Information Law (New York Public Officers Law § 84 et seq.) ("FOIL"). If the Applicant believes that a portion of the material submitted with this Application is protected from disclosure under FOIL, the Applicant should mark the applicable section(s) or page(s) as "confidential" and state the applicable exception to disclosure under FOIL.

## CERTIFICATIONS AND ACKNOWLEDGMENTS OF THE APPLICANT

#### FIRST:

The Applicant hereby certifies that, if financial assistance is provided by the Agency for the proposed project, no funds of the Agency (i) shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, (ii) be given to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State.

#### **SECOND:**

The Applicant hereby certifies that no member, manager, principal, officer or director of the Applicant or any affiliate thereof has any blood, marital or business relationship with any member of the Agency (or any member of the family of any member of the Agency).

#### THIRD:

The Applicant hereby certifies that neither the Applicant nor any of its affiliates, nor any of their respective partners, members, shareholders or other equity owners (other than equity owners of publicly-traded companies), nor any of their respective employees, officers, directors, or representatives (i) is a person or entity with whom United States persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control (OFAC) of the Department of the Treasury, including those named on OFAC's Specially Designated and Blocked Persons List, or under any statute, executive order or other governmental action, or (ii) has engaged in any dealings or transactions or is otherwise associated with such persons or entities.

#### **FOURTH:**

The Applicant hereby acknowledges that the Agency shall obtain and hereby authorizes the Agency to obtain credit reports and other financial background information and perform other due diligence on the Applicant and/or any other entity or individual related thereto, as the Agency may deem necessary to provide the requested financial assistance.

#### FIFTH:

The Applicant hereby certifies that each owner, occupant or operator that would receive financial assistance with respect to the proposed Project is in substantial compliance with applicable federal, state and local tax, worker protection and environmental laws, rules and regulations.

#### SIXTH:

The Applicant hereby acknowledges that the submission to the Agency of any knowingly false or knowingly misleading information may lead to the immediate termination of any financial assistance and the recapture from the Applicant of an amount equal to all or any part of any tax exemption claimed by reason of the Agency's involvement in the Project.

#### **SEVENTH:**

The Applicant hereby certifies that, as of the date of this Application, the Applicant is in substantial compliance with all provisions of Article 18-A of the General Municipal Law, including, but not limited to, the provisions of Section 859-a and Section 862(1) thereof.

# CERTIFICATION AND AGREEMENT WITH RESPECT TO FEES AND COSTS

Capitalized terms used but not otherwise defined in this Certification and Agreement shall have the meanings assigned to such terms in the Application.

The undersigned, being duly sworn, deposes and says, under penalties of perjury, as follows: that I am the chief executive officer or other representative authorized to bind the Applicant named in the attached application for financial assistance ("Application") and that I hold the office specified below my signature at the end of this Certification and Agreement, that I am authorized and empowered to deliver this Certification and Agreement and the Application for and on behalf of the Applicant, that I am familiar with the contents of said Application (including all schedules, exhibits and attachments thereto), and that said contents are true, accurate and complete to the best of my knowledge and belief.

The grounds of my belief relative to all matters in the Application that are not based upon my own personal knowledge are based upon investigations I have made or have caused to be made concerning the subject matter of this Application, as well as upon information acquired in the course of my duties and from the books and records of the Applicant.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that the Applicant hereby releases the Nassau County Industrial Development Agency, its members, officers, servants, attorneys, agents and employees (collectively, the "Agency") from, agrees that the Agency shall not be liable for and agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency harmless from and against any and all liability, damages, causes of actions, losses, costs or expenses incurred by the Agency in connection with: (A) examination and processing of, and action pursuant to or upon, the Application, regardless of whether or not the Application or the financial assistance requested therein are favorably acted upon by the Agency, (B) the acquisition, construction, reconstruction, renovation, installation and/or equipping of the Project by the Agency, and (C) any further action taken by the Agency with respect to the Project; including, without limiting the generality of the foregoing, (i) all fees and expenses of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other attorneys, experts and consultants (if deemed necessary or advisable by the Agency), and (ii) all other expenses (including attorneys' fees) incurred by the Agency in defending any suits, actions or proceedings that may arise as a result of any of the foregoing. If, for any reason whatsoever, the Applicant fails to conclude or consummate necessary negotiations or fails within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels, or neglects the Application or if the Applicant is unable to find buyers willing to purchase the total bond issue required or is unable to secure other third party financing or otherwise fails to conclude the Project, then upon presentation of an invoice by the Agency, its agents, attorneys or assigns, the Applicant shall pay to the Agency, its agents, attorneys or assigns, as the case may be, all fees and expenses reflected in any such invoice.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that each of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other experts and consultants is an intended third-party beneficiary of this Certification and Agreement, and that each of them may (but shall not be obligated to) enforce the provisions of the immediately preceding paragraph, whether by lawsuit or otherwise, to collect the fees and expenses of such party or person incurred by the Agency (whether or not first paid by the Agency) with respect to the Application.

Upon successful closing of the required bond issue or other form of financing or Agency assistance, the Applicant shall pay to the Agency an administrative fee set by the Agency (which amount is payable at closing) in accordance with the following schedule:

- (A) Taxable Bond Issues Six-tenths (6/10) of one percent (1%) for the first twenty million dollars (\$20,000,000) of total project costs and, if applicable, two-tenths (2/10) of one percent (1%) for any additional amounts in excess of twenty million dollars (\$20,000,000) of total project costs.
- (B) Tax-Exempt Bond Issues Six-tenths (6/10) of one percent (1%) of total project costs.
- (C) Straight-Lease Transactions Six-tenths (6/10) of one percent (1%) for the first twenty million dollars (\$20,000,000) of total project costs and, if applicable, two-tenths (2/10) of one percent (1%) for any additional amounts in excess of twenty million dollars (\$20,000,000) of total project costs
- (D) General Counsel Fee One-tenth (1/10) of one percent (1%) of total project costs, with a minimum fee of \$4,000.
- (E) All Initial Transactions Two Thousand Five Hundred Dollars (\$2,500) closing compliance fee payable at closing and One Thousand Dollars (\$1,000) per year (or part thereof) administrative fee, payable in advance, at the closing for the first year (or part thereof) and on January 1st of each year for the term of the financing. The annual service fee is subject to periodic review and may be adjusted from time to time in the discretion of the Agency.
- (F) Refundings The Agency fee shall be determined on a case-by-case basis.
- (F) Assumptions The Agency fee shall be determined on a case-by-case basis.
- (G) Modifications The Agency fee shall be determined on a case-by-case basis, but in accordance with the following schedule.
  - A basic Consent \$750
  - A Transfer of Benefits
    - Basic \$3,000
    - Complex \$6,000
  - Extensions \$1,000
- (H) Terminations The Agency fee shall be determined on a case-by-case basis, but in accordance with the following schedule.
  - Basic \$2,000
  - Complex \$2,500

The Agency's transaction/bond counsel fees and expenses are payable at closing and are based on the work performed in connection with the Project.

The Agency's transaction/bond counsel's fees, general counsel fee and the administrative fees may be considered as a cost of the Project and included as part of any resultant financing, subject to compliance with applicable law.

Guided by the above stated schedule amounts, upon the termination of the financing of the Project, Applicant agrees to pay all costs in connection with any conveyance by the Agency to the Applicant of the Agency's interest in the Project and the termination of all related Project documents, including the fees and expenses of the Agency's general counsel, bond/transaction counsel, and all applicable recording, filing or other related fees, taxes and charges.

I further acknowledge and agree on behalf of the Applicant that, in the event the Agency shall have used all of its available tax-exempt bond financing allocation from the State of New York, if applicable, and shall accordingly be unable to obtain an additional allocation for the benefit of the Applicant, the Agency shall have no liability or responsibility as a result of the inability of the Agency to issue and deliver tax-exempt bonds for the benefit of the Applicant.

#### Schedule B

## NEW YORK STATE FINANCIAL AND EMPLOYMENT REPORTING REQUIREMENTS FOR INDUSTRIAL DEVELOPMENT AGENCIES

A. Pursuant to applicable law, the Agency requires the completion of an Initial Employment Plan (see Schedule C) and a year-end employment plan status report, both of which shall be filed by the Nassau County Industrial Development Agency (the "Agency") with the New York State Department of Economic Development. The Project documents will require the Applicant to provide such report to the Agency on or before February 11 of the succeeding year, together with such employment verification information as the Agency may require.

Except as otherwise provided by collective bargaining agreements, the Applicant agrees to list any new employment opportunities with the New York Department of Labor Community Services Division and the administrative entity of the service delivery area created by the Federal Job Training Partnership Act (P.L. 97-300), or any successor statute thereto (the "JTPA Entities"). In addition, except as otherwise provided by collective bargaining agreements, the Applicant, where practicable, will first consider persons eligible to participate in JTPA programs who shall be referred by the JTPA Entities for such new employment opportunities.

- B. The Applicant will be required to file annually a statement with the New York State Department of Taxation and Finance and the Agency of the value of all sales or use tax exemptions claimed in connection with the Project by reason of the involvement of the Agency.
- C. The following information must be provided for all bonds issued, outstanding or retired during the year:

Name, address and owner of the project; total amount of tax exemptions granted (broken out by state and local sales tax, property taxes, and mortgage recording tax); payments in lieu of taxes made; total real estate taxes on the Project prior to exemption; number of jobs created and retained, and other economic benefits realized.

Date of issue; interest rate at end of year; bonds outstanding at beginning of year; bonds issued during year; principal payments made during year; bonds outstanding at end of year; federal tax status; and maturity date(s).

Failure to provide any of the aforesaid information will be constitute a DEFAULT under the Project documents to be entered into by the Agency and the Applicant in connection with the proposed Project.

Please sign below to indicate that the Applicant has read and understood the above and agrees to provide the described information on a timely basis.

# Fair Housing/Equal Housing Opportunity Policy to be adopted by Agency Applicants for Housing Projects

As part of our continuing effort to ensure compliance with federal, state, and local anti-discrimination laws, we would like to take this opportunity to remind you of our policies regarding equal housing opportunity. It is important for all employees to review his or her own actions in light of these requirements and for everyone to keep in mind the importance of treating all persons equally.

It is the policy and practice of this company not to engage in or assist the efforts of others to engage in housing discrimination. Consistent with that policy, we remind you that the antidiscrimination laws of the United States, New York State, and local laws are quite specific in the area of housing, and in conformance with those laws, you must not engage in any of the following conduct during the course of your work for this company:

- 1. Refuse to show, rent, sell, negotiate for the rental or sale of, or otherwise make unavailable or deny, housing to any person because of race, color, religion, creed, sex/gender, familial status (having or expecting a child under 18), national origin, ethnicity, disability, marital status, age, sexual orientation, military status, source of income or status as survivor of domestic violence (each a "prohibited basis");
- 2. Discriminate against any person in the terms, conditions or privileges of a rental or sale or in the provision of services or facilities in connection therewith because of a prohibited basis;
- 3. Make any verbal or written statement with respect to the rental or sale of housing that indicates any preference, limitation or discrimination concerning a prohibited basis, or any statement indicating an intention to make any such preference, limitation or discrimination;
- 4. Represent to any person because of a prohibited basis that any housing or unit is not available for inspection, rental or sale when such apartment is in fact so available;
- 5. Steer persons into or away from certain areas of a building, development or neighborhood because of a prohibited basis;
- 6. Refuse to provide a reasonable accommodation in rules, policies, practices or services fortenants, buyers, or applicants with disabilities; and
- 7. Refuse to allow a reasonable modification to individual units or common areas for tenants, buyers, or applicants with disabilities.

We are firmly committed to the goal of fair housing. You should understand that any violation of this Fair Housing/Equal Housing Opportunity Policy will lead to discipline, up to and including discharge.

#### **Instructions for Completing Part 1**

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

#### Page 1, Item A. Brief Description of the Proposed Action

The Proposed Action involves an application for special permit approval under the Development Incentive Bonus legislation (§ 550.5[I]) of the Village Code), site plan approval, and relaxation of certain dimensional, use and parking requirements, as well as other approvals to permit the redevelopment of two separate properties comprising 2.4± acres located at 114/110 Old Country Road (1.27 acres) and 109/121 Front Street (1.08 acres), in the Village of Mineola, Nassau County, New York (the "Subject Property") (see attached Site Location Map). The Proposed Action involves the development of two new buildings: a ninestory (plus mezzanine and penthouse), 352,000-gross-square-foot (gsf) multifamily residential apartment building between Third Street and Old Country Road (the "South Building") and a nine-story (plus mezzanine and penthouse), 352,000 gsf multifamily residential apartment building between Third Street and Front Street (the "North Building"). In conformance with the Proposed Action's application of the Development Incentive Bonus Overlay, the Applicant would provide community benefits/amenities in accordance with Village requirements in terms acceptable to both the Applicant and the Village.

The Subject Property is currently developed with a 115,000±-square foot office building at 114 Old Country Road, as well as the two-story commercial building at 110 Old Country Road, where the South Building is proposed, and a two-level parking deck at 109 Front Street and a vacant lot at 121 Front Street (formerly a professional office), where the North Building is proposed. The current condition of the South Parcel includes underutilized office space, with only 52 percent of the building being actively rented, and 20 percent of the building being actively occupied due to employees working remotely. The Proposed Action includes the demolition and removal of all of the structures on the Subject Property and the construction of two multifamily residential buildings and associated parking, as described above.

Both proposed buildings would be developed with three-level subsurface parking garages located below each building. A total of 391 parking spaces would be provided in the South Building and 371 spaces in the North Building. Access to the North Building is proposed via a left-in driveway on Front Street (since Front Street is one-way, westbound) and a left-out driveway on Third Street (since Third Street is one-way, eastbound). Vehicular access for the South Building would be provided via a right-in driveway on the southbound one-way Roslyn Road and a right-out driveway located on Third Street opposite the left-out driveway for the North Building. Landscaped courtyard areas are proposed to be developed at both the South Building and the North Building (facing each other) for residential pick-up and drop-off. No long-term parking will be permitted in the courtyard spaces.

The ground floors of each building would contain lobby space and other residential amenity space, as well as various support spaces. Potential amenities for the buildings include the following: fitness center, roof deck, swimming pool, attended lobby, resident lounge, co-working space/business center, gaming simulator room, bicycle room, electric vehicle charging stations, and package center. The first through penthouse floors would contain 240 units in the South Building and 250 units in the North Building. See the table below for the bedroom mix for each building.

Stormwater generated on-site would be directed to concrete leaching galleys located under the perimeters of both the South Building and the North Building. Drywells are proposed to be installed along

#### **Environmental Assessment Form – Part 1**

the access driveway that leads to the garage of the South Building from Roslyn Road. The Subject Property's proposed stormwater management system would be designed to contain and recharge stormwater on-site; therefore, there would be virtually no stormwater overflow to adjacent properties or roadways.

Potable water and sewage disposal would be provided/accommodated by the Mineola Water and Sewer Department. Electricity would be provided by PSEG Long Island. Natural gas would be supplied by National Grid. The Proposed Action would also include high efficiency gas boilers for heat and hot water as well as an emergency backup generator.

This Environmental Assessment Form (EAF) presents an analysis of 9,840 sf of commercial space on the ground floor of the South Building with respect to water demand/sanitary sewage generation. However, it is expected that the ground floor would actually house amenity space, open solely to residents. Therefore, the analyses included in this EAF represent a worst-case scenario with respect to potential impacts. It is noted that the remainder of the analyses in this EAF assume only residential and amenity space in both buildings.

#### Page 5, Item D.2.c. Water Demand

Empirical data (water bills) from Morgan Parc and One Third Avenue, which are similar multifamily residential developments in the Village were used to calculate anticipated water demand resulting from implementation of the Proposed Action. Potable water demand is anticipated to be 49,984± gpd (24,984± gpd at the South Building and 25,000± gpd at the North Building). These figures (which represent actual water usage) are significantly lower than projected water demand that would otherwise occur based on the use of Nassau County Department of Public Works' *Minimum Design Sewage Flow Rates*, and reflect a more accurate representation of what the demand on water infrastructure would be. It is noted that the total water use, including irrigation during the growing season, is expected to be 52,483± gpd. In association with the Proposed Action, a request for water availability for each building will be submitted to the Mineola Water Department prior to construction.

<sup>\*</sup> Requires bulk and dimensional relaxations, to be determined by the Building Department and as authorized by the Board of Trustees

<sup>\*\*</sup> Requires waiver of Preliminary Site Plan Approval and Architectural Review from the Planning Board under Board of Trustees jurisdiction

#### **Environmental Assessment Form - Part 1**

#### Page 5, Item D.2.e. Liquid Waste Generation

As discussed above, empirical data from similar multifamily residential developments were utilized to calculate anticipated water demand. Based on the results of the water bills, it could be inferred that sewage generation and the demand on sewage infrastructure would also be similarly lower, at approximately 49,984± gpd. However, according to the Nassau County Department of Public Works' *Minimum Design Sewage Flow Rates*, which are based on the infrastructure design for peak effluent flows, the projected sanitary wastewater generation would be approximately 125,484± gpd (60,684± gpd at the South Building and 64,800± gpd at the North Building). Although the demand on sewage infrastructure, based on County rates is expected to be approximately 125,484± gpd, it is anticipated that the actual sewage demand would be lower during project operations (49,984± gpd), as noted above. Prior to implementation of the Proposed Action, a service availability letter will be obtained from the Mineola Water and Sewer Department, as well as the Nassau County Department of Public Works (NCDPW) regarding availability at the sewage treatment plant.
