WHEREAS, LONG ISLAND INDUSTRIAL MANAGEMENT LLC, a limited liability company organized and existing under the laws of the State of New York (the “Applicant”), presented an application (the “Original Application”) to the Agency, which Original Application requested that the Agency consider undertaking a project (the “Original Project”) consisting of the following: (A) (1) the acquisition of an interest in those certain parcels of land more particularly identified on Schedule A-1 attached hereto (collectively, the “Original Land”), (2) the renovation of the existing buildings on the Existing Land (collectively, the “Original Building”), and (3) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (collectively, the “Original Equipment”), all of the foregoing for use as commercial and industrial facilities (collectively, the “Original Project Facility”); (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions or partial exemptions from real property taxes, sales and use taxes and mortgage recording taxes; and (C) the lease (with an obligation to purchase) or sale of the Original Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Applicant proposed that one (1) or more of single-purpose real estate holding companies controlled by the principals of the Applicant (together with the Applicant, the “Existing Companies”) be the owners of one (1) or more properties comprising the Original Project Facility; and

WHEREAS, by resolution adopted by the members of the Agency on March 21, 2013 (the “Authorizing Resolution”), the Agency determined to proceed with the Original Project, to grant the Original Financial Assistance and to enter into the “straight lease transaction” (as such quoted term is defined in the Act) contemplated by the Original Lease (as defined below) and the other Transaction Documents (as defined in the Original Lease); and

WHEREAS, the Agency appointed the Existing Companies as agents of the Agency to undertake the acquisition, renovation, installation and equipping of the Original Project Facility and subleased the Original Project Facility to the Existing Companies, and the Existing Companies acted as agents of the Agency to undertake the acquisition, renovation, installation and equipping of the Original Project Facility and subleased the Original Project Facility from the Agency, all pursuant to the terms and conditions set forth in that certain Master Sublease Agreement dated as of June 1, 2013 (as amended, the “Lease”) between the Agency and the Existing Companies and in the other Transaction Documents; and

WHEREAS, pursuant to certain Payment in Lieu of Taxes Agreements, dated as of June 1, 2013 between the respective Existing Companies and the Agency (as amended, modified, supplemented and restated to date, collectively, the “Existing PILOT Agreement”), the Existing Companies agreed to make certain payments in lieu of real property taxes with respect to the portions of the Existing Land and the improvements thereon owned by each such Existing Company; and

WHEREAS, on or about March 20, 2024, the Applicant presented an application for financial assistance (the “New Application”) to the Agency, which New Application requests that the Agency consider undertaking a new project (the “New Project” and together with the Original Project, the “Project”) consisting of the following: (A) (1) the retention of and extension of the term of the Agency’s interest in the Original Land, (2) the acquisition of an interest in those certain parcels of land more particularly identified on Schedule A-2 attached hereto (collectively, the “New Land” and together with the Original Land, the “Land”) from the respective owners thereof (the “New Companies” and together with the Existing Companies, collectively, the “Companies”), (3) the renovation of the Original Building, (4) the renovation of the existing buildings on the New Land (collectively, the “New Building” and together with the Original Building, the “Building”), and (5) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (collectively, the “New Equipment” and together with the Original Equipment, the “Equipment”), all of the foregoing for use as commercial and industrial facilities (collectively, the “New Project Facility” and together with the Original Project Facility, the “Project Facility”); (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act)

WHEREAS, the New Application states that the Applicant is seeking an exemption from real property taxes with respect to the Project Facility that constitutes a deviation from the Agency’s Uniform Tax Exemption Policy (the “Tax Exemption Policy”); and

WHEREAS, pursuant to Section 874(4) of the Act, (A) the CEO/Executive Director of the Agency caused a letter dated July 18, 2024 (collectively, the “Pilot Deviation Notice Letter”), a copy of which is attached hereto at Exhibit A, to be mailed to the chief executive officer of each affected tax jurisdiction (and to the district clerk of each applicable school district), informing said individuals that the Agency would, at its meeting on July 29, 2024 (the “IDA Meeting”), consider a proposed deviation from the Tax Exemption Policy with respect to (i) an amendment of the Existing PILOT Agreement as to the Original Project Facility to extend the term of the Existing PILOT Agreement and (ii) certain payment in lieu of taxes agreements to be entered into by the Agency with respect to the New Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any written comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors set forth in the Tax Exemption Policy: (1) the extent to which the New Project would create or retain permanent jobs; (2) the extent to which the New Project would create construction jobs; (3) the estimated value of tax exemptions to be provided in connection with the New Project; (4) the amount of private sector investment generated or likely to be generated by the New Project; (5) the likelihood of the New Project being accomplished in a timely manner; (6) the extent of new revenue that would be provided to affected tax jurisdictions as a result of the New Project; (7) whether affected tax jurisdictions would be reimbursed by the Applicant and/or the Companies if the New Project does not fulfill the purposes for which an exemption was provided, (8) the impact of the New Project on existing and proposed businesses and economic development projects in the vicinity, (9) the demonstrated public support for the New Project, (10) the effect of the New Project on the environment, (11) the extent to which the Project Facility would require the provision of additional services, including, but not limited to, additional

educational, transportation, police, emergency, medical or fire services, and (12) any other miscellaneous public benefits that might result from the New Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant and the Companies to undertake the New Project and that the Base Year PILOT Amount (as defined in the Pilot Deviation Notice Letter) for the New Project Facility would not be lower than the real property taxes that should otherwise apply with respect to the New Project Facility as of the closing date of the proposed transaction.

Section 4. The Chair, Vice Chair, Administrative Director and CEO/Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease and amendment transaction with the Applicant and the Companies (collectively, the "Transaction"), the Chair, Vice Chair, CEO/Executive Director and Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into amendments to the Existing PILOT Agreement with the Existing Companies, providing, among other things, for an extension of the term of the Existing PILOT Agreement and providing that the respective Existing Companies shall make payments in lieu of taxes with respect to the Existing Project Facility consistent with the formula set forth in the Pilot Deviation Notice Letter, (B) enter into Payment in Lieu of Taxes Agreements with the New Companies, providing, among other things, that such New Companies shall make payments in lieu of taxes with respect to the New Project Facility consistent with the formula set forth in the Pilot Deviation Notice Letter, and (C) file application for real property tax exemption or amendments thereto with the appropriate assessor(s) with respect to the Project Facility.

Section 5. If, following full compliance with all Applicable Laws, the Agency adopts a future resolution (the "Future Resolution") determining to proceed with the New Project and to grant the Financial Assistance, or any portion thereof, with respect to the New Project and the Applicant complies with all conditions set forth in the Future Resolution, then the Agency will (A) acquire an interest in the New Project Facility pursuant to a deed, lease agreement, assignment of lease, license, bill of sale and/or other documentation to be negotiated between the Agency and the Applicant (the "Acquisition Agreement"); (B) renovate, install and equip the New Building and

acquire and install the New Equipment; (C) lease (with the obligation to purchase), license or sell the New Project Facility to the Applicant pursuant to a lease agreement or an installment sale agreement (the "Project Agreement") to be negotiated between the Agency and the Applicant; and (D) provide the Financial Assistance with respect to the Project Facility, all as contemplated by the Future Resolution.

Section 6. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

William H. Rockensies	VOTING	Aye
John Coumatos	VOTING	Aye
Raymond Pinto	VOTING	Aye
Reginald A. Spinello	VOTING	Aye
Marco Troiano	EXCUSED	
Marissa Brown	VOTING	Aye

**NOTICE OF PROPOSED DEVIATION FROM

Ladies and Gentlemen:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the "Agency") to be held on July 29, 2024 at 6:45 p.m. local time at the Nassau County Executive & Legislative Building, Legislative Chambers, 1550 Franklin Avenue, Mineola, NY 11501, the Agency will consider whether to approve the application of LONG ISLAND INDUSTRIAL MANAGEMENT LLC, a

limited liability company organized and existing under the laws of the State of New York (the "Applicant"), for certain "financial assistance" which, if granted, would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes. The meeting of the Agency will be open to the public.

The Applicant previously presented an application (the "Original Application") to the Agency, which Original Application requested that the Agency consider undertaking a project (the "Original Project") consisting of the following: (A) (1) the acquisition of an interest in those certain parcels of land more particularly identified on Schedule A-1 attached hereto (collectively, the "Original Land"), (2) the renovation of the existing buildings on the Original Land (collectively, the "Original Building"), and (3) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (collectively, the "Original Equipment"), all of the foregoing for use as commercial and industrial facilities (collectively, the "Original Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions or partial exemptions from real property taxes, sales and use taxes and mortgage recording taxes; and (C) the lease (with an obligation to purchase) or sale of the Original Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency.

The Applicant proposed that one (1) or more of single-purpose real estate holding companies owned as indicated in the Original Application and the New Application (as defined below) (together with the Applicant, the "Companies"), be the owners of one (1) or more properties comprising the Original Project Facility. The Agency appointed the Companies as agents of the Agency to undertake the acquisition, renovation, installation and equipping of the Original Project Facility and subleased the Original Project Facility to the Companies, and the Companies acted as agents of the Agency to undertake the acquisition, renovation, installation and equipping of the Original Project Facility and subleased the Original Project Facility from the Agency, all pursuant to the terms and conditions set forth in that certain Master Sublease Agreement dated as of June 1, 2013 (as amended, the "Lease") between the Agency and the Companies and in the other Transaction Documents. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed thereto in the Lease.

The Applicant has presented an application for financial assistance (the "New Application") to the Agency, which New Application requests that the Agency consider undertaking a new project (the "New Project" and together with the Original Project, the "Project") consisting of the following: (A) (1) the retention of and extension of the term of the Agency's interest in the Original Land, (2) the acquisition of an interest in those certain parcels of land more particularly identified on Schedule A-2 attached hereto (collectively, the "New Land" and together with the Original Land, the "Land"), (3) the renovation of the Original Building, (4) the renovation of the existing buildings on the New Land (collectively, the "New Building" and together with the Original Building, the "Building"), and (5) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (collectively, the "New Equipment" and together with the Original Equipment, the "Equipment"), all of the foregoing for use as commercial and industrial facilities (collectively, the "New Project Facility" and together with the Original Project Facility, the "Project Facility"); (B) the granting of certain additional "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions or partial exemptions or amended exemptions from real property taxes and mortgage recording taxes (the "New Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Applicant and/or the Companies.

Based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant a real property tax exemption with respect to the Project Facility as follows: payments shall be equal to one hundred percent (100%) of the real

property taxes and assessments that the Agency calculates would otherwise be levied upon the Project Facility without taking into consideration the transfer of ownership to, or the jurisdiction, supervision or control by the Agency of the Project Facility (the "Base Year PILOT Amount"), which Base Year PILOT Amount would be payable each fiscal tax year for a period of (a) with respect to the Original Project Facility, eleven fiscal tax years (the "Original Project Facility Base PILOT Term"), with annual increases of two percent (2%) per year (compounded) each fiscal tax year after the first (1st) fiscal tax year (i.e., Years 2-11 of the Original Project Facility Base PILOT Term), and (b) with respect to the New Project Facility, fifteen (15) fiscal tax years (the "New Project Facility Base PILOT Term" and together with the Original Project Facility Base PILOT Term, the "Base PILOT Term"), with annual increases of two percent (2%) per year (compounded) each fiscal tax year after the first (1st) fiscal tax year (i.e., Years 2-15 of the New Project Facility Base PILOT Term).

The Base Year PILOT Amount with respect to the twelve (12) parcels of property constituting the Original Project Facility, shall be an amount equal to one hundred two percent (102%) of the amount set forth in each PILOT Agreement for the final year of the PILOT Term (as defined in each PILOT Agreement) with respect to each such parcel.

In calculating the Base Year PILOT Amount with respect to the two (2) parcels of property constituting the New Project Facility, the Agency shall take into account the most recent assessment data (i.e., assessed value and tax rates) available as of the closing including any applicable approved tax certiorari stipulation or other settlement or arrangement with the applicable tax assessor(s) or the report of a tax consultant selected by the Agency.

The Original Project Facility Base PILOT Term shall commence on the first day of the first fiscal tax year occurring after the expiration of the term of each PILOT Agreement (i.e., the first day of the 2030 General Tax Year; the 2029/30 School Tax Year; and the 2029/30 Village Tax Year with respect to the Village of Muttontown). With respect to the New Project Facility, the Base PILOT Term shall commence on the first day of the 2026 General Tax Year and the 2025/26 School Tax Year. Therefore, the Base PILOT Term would expire on the last day of the 2040 General Tax Year and the 2039/40 School Tax Year for the entire Project Facility and the 2039/40 Village Tax Year for the portion of the Project Facility located within the Village of Muttontown.

In the event that the Applicant shall timely and properly complete the Project as required by the amended and restated lease or the installment agreement between the Companies and the Agency with respect to the Project (the "Project Agreement") and shall be in compliance with certain performance benchmarks and other requirements as set forth in the Project Agreement, the Applicant and the Agency may extend the Base PILOT Term for a period of ten (10) additional years (the "Additional PILOT Term" and together with the Base PILOT Term, the "Extended PILOT Term"), which Additional PILOT Term shall commence on the expiration dates of the Base PILOT Term. The payment for the first year of the Additional PILOT Term shall be in an amount equal to one hundred two percent (102%) of the payment for the final year of the Base PILOT Term and the payment for each succeeding year of the Additional PILOT Term shall increase by two percent (2%) per year (compounded).

Thereafter, and through the end of the term of the Project Agreement, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the Base Year PILOT Amount for the New Project Facility would not be lower than the real property taxes that should otherwise apply with respect to the New Project Facility as of the closing date of the proposed transaction.

Sincerely,

NASSAU COUNTY INDUSTRIAL
DEVELOPMENT AGENCY
