NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. In accordance with Section 859-a of the Act, the Agency has caused to be prepared a written cost-benefit analysis with respect to the Project and the granting of the Financial Assistance (the “Analysis”). The Agency has reviewed the Application, the Analysis and the Report and, based upon the representations made by the Applicant to the Agency and the facts and information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting (including, without limitation, the facts and information set forth in the Staff Review of the Application), the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated including the prevention of economic deterioration, the job opportunities to be created and/or maintained by the Project, the Project will constitute a commercial facility and, therefore, the Project constitutes a “project” within the meaning of the Act;

(b) the granting of the Financial Assistance by the Agency to the Applicant is necessary to induce the Applicant to complete the Project;

(c) there is a likelihood that the Project would not be completed but for the granting of the Financial Assistance by the Agency to the Applicant;

(d) the completion of the Project Facility by the Applicant as agent of the Agency, the granting of an interest therein by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the “State”) to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of Nassau County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicant;

(e) the Project will not result in the removal or abandonment of a plant or facility of the Applicant, or of a proposed user, occupant or tenant of the Project Facility, currently located within Nassau County;

(f) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(g) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(h) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act; and

(i) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this representation, “retail sales” shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers; and

(j) there is a lack of safe, clean, affordable, modern rental housing, including affordable housing, in the County of Nassau (the “County”); and

(k) such lack of safe, clean, affordable, modern rental housing has resulted in residents leaving the County, thereby adversely affecting businesses, retailers, banks, financial institutions, insurance companies, health and legal services providers and other merchants in the County and otherwise adversely impacting the economic health and well-being of the residents of the County and the tax base of the County; and

(l) the Project Facility, by providing such housing will enable persons to remain in the County and thereby to support the businesses, retailers, banks, and other financial institutions, insurance companies, health care and legal services providers and other merchants in the County which will increase the economic health and well-being of the residents of the County, help preserve and increase permanent private sector jobs in furtherance of the Agency’s public purposes as set forth in the Act.

Section 2. The Agency hereby determines that the Applicant's request with respect to the previously approved and unchanged Project is a Type II Action pursuant to SEQRA involving “continuing agency administration” which does not involve “new programs or major reordering of priorities that may affect the environment” (6 NYCRR §617.5(c)(20)) and therefore no findings or determination of significance are required under SEQRA.

Section 3. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the CEO/Executive Director and the staff of the Agency with respect to the Application and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP, Garden City, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 4. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 5. Having considered fully all comments received at the Public Hearing or otherwise in connection with the Project, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance, subject to the terms of this Resolution.

Section 6. The Agency hereby authorizes the Applicant to act as its agent for purposes of undertaking the acquisition, construction, installation and equipping of the Project Facility and hereby approves the Applicant as the recipient of the Financial Assistance. The Agency hereby approves the granting of the Financial Assistance in the form of an exemption from sales and use taxes in an amount not to exceed \$550,000.00, in connection with the purchase or lease of furniture, fixtures, equipment, building materials, services and other personal property with respect to the acquisition, construction, installation and equipping of the Project Facility.

Section 7. The Agency is hereby authorized to (a) acquire an interest in the Project Facility pursuant to the Bill of Sale to Agency and the other Transaction Documents, (b) authorize the Applicant to act as its agent for purposes of undertaking the acquisition, construction, installation and equipping of the Project Facility, (c) grant the aforementioned Financial Assistance, and (d) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 8. The form and substance of the Project Agreement, the Bill of Sale to Agency and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chair, the Vice Chair or the CEO/Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chair, the Vice Chair, the CEO/Executive Director and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Project Agreement and the other Transaction Documents, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 9. The Chair, the Vice Chair, the CEO/Executive Director and the Administrative Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Project Agreement) of the Agency.

Section 10. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 11. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chair, the Vice Chair and CEO/Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 12. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with such terms and conditions with respect to the Project and hereby direct Special Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 13. The Chair, the Vice Chair, the CEO/Executive Director and the Administrative Director of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 14. This Resolution shall take effect immediately and shall be effective for one hundred eighty (180) days from the date of its adoption.

WHEREAS, DEALERTRACK TECHNOLOGIES, INC., a corporation organized and existing under the laws of the State of Delaware and qualified to do business in the State of New York as a foreign corporation (the “Company”), presented an application (the “Application”) to the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) consisting of the following: (A)(1) the acquisition of an interest in an approximately 9.6 acre parcel of land located at 3400 New Hyde Park Road, Incorporated Village of North Hills, Town of North Hempstead, County of Nassau, New York (Section: 8; Block: A; Lots: 880 and 881) (the “Land”), (2) the construction of an approximately 233,000 square foot office building on the Land, together with related improvements to the Land (collectively, the “Building”), and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the “Equipment”), all of the foregoing for use by the Company as its world headquarters facility (collectively, the “Project Facility”); (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes (collectively, the “Financial Assistance”); and (C) the lease, license or sale of the Project Facility to the Company or such other entity as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, the Company entered into an Amended and Restated Agreement of Lease dated as of June 24, 2015 (the “Overlease”) between DT-XCIII-IS, LLC, as successor landlord (in such capacity, the “Overlandlord”), and the Company, as tenant, pursuant to which the Company leased the Premises (as defined in the Overlease) from the Overlandlord; and

WHEREAS, by letter dated February 6, 2025, Cox proposed that (i) the Agency waive the defaults and Recapture Events set forth in the Default Letter as well as all subsequent defaults and Recapture Events resulting from the failure to meet the Minimum Employment Requirement through and including December 31, 2024, (ii) the Agency enter into an amendment of the Lease to adjust the Minimum Employment Requirement effective for the 2025 calendar year and to make certain other amendments to the Transaction Documents in connection therewith, (iii) the Agency accept a Recapture of Benefits payment from Cox in the form of a lump sum payment, and (iv) the Agency enter into an amendment of the PILOT Agreement (as defined in the Lease) to increase the PILOT payments thereunder for the remainder of the term thereof; and

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU

COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 6. Based on the recitals set forth above and on the facts and information obtained by the staff of the Agency and reported to and reviewed by the members of the Agency at this meeting, the Agency hereby determines that it has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make the determinations set forth herein.

Section 7. The execution and delivery of any such document, instrument or agreement by any one of said officers shall be conclusive evidence of due authorization and approval.

Section 9. The authorizations set forth in this Resolution are further subject to the condition that Cox shall reimburse the Agency for all costs and expenses incurred by the Agency in

connection with the transactions contemplated herein, including, without limitation, the Agency's consent and amendment fee and all reasonable attorneys' fees and disbursements incurred by the Agency, including without limitation, the fees and expenses of Special Counsel, Phillips Lytle LLP.

Section 10. All covenants, stipulations, obligations and agreements of the Agency contained in this Resolution, the Amendment Documents and the Consent Documents shall be deemed to be the covenants, stipulations, obligations and agreements of the Agency to the full extent authorized or permitted by law, and such covenants, stipulations, obligations and agreements shall be binding upon the Agency and its successors from time to time; provided, however, that no covenants, stipulations, obligations or agreements of the Agency contained in this Resolution, any Amendment Document or any Consent Document shall give rise to any pecuniary liability of the Agency or a charge against its general credit or shall obligate the Agency in any way except to the extent that the same can be paid or recovered from the Project Facility or the sale or liquidation of the Project Facility or revenues therefrom.

No covenant, stipulation, obligation or agreement herein contained or contained in any Amendment Document or any Consent Document shall be deemed to be a covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity and neither the members of the Agency nor any officer executing any Amendment Document or any Consent Document shall be liable personally on the Amendment Documents or the Consent Documents or be subject to any personal liability or accountability by reason of the issuance thereof.
