Instructions for Recipient

You received this form instead of Form W-2 because the payer did not consider you an employee and did not withhold income tax or social security and Medicare tax.

If you believe you are an employee and cannot get the payer to correct this form, report the amount shown in box 1 on the line for "Wages, salaries, tips, etc." of Form 1040, 1040-SR, or 1040-NR. You must also complete Form 8919 and attach it to your return. For more information, see Pub. 1779, *Independent Contractor or Employee*.

If you are not an employee but the amount in box 1 is not self-employment (SE) income (for example, it is income from a sporadic activity or a hobby), report the amount shown in box 1 on the "Other income" line (on Schedule 1 (Form 1040)).

Recipient's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

Account number. May show an account or other unique number the payer assigned to distinguish your account.

Schedule I

Part II (C)

The proposed project currently is a residential apartment project development with 119 units on 4.35 acres located at 238-250 Middleneck Road in the Village of Great Neck, New York. The development will consist of the demolition of 57 apartments located in multiple buildings throughout the site and the construction of two separate new buildings totaling 129 new apartment homes, a net increase of 67 apartments. The two new buildings will be 4 stories. The unit mix of the completed project will be; 3-studios, 87-1brs, 63-2brs, 33-3brs- 186 total. 7 apartments will be work force housing; 1 studio, 3-1brs, 2-2brs, 1-3br which will provide affordable housing for individuals and families at 100% of the median income for Nassau-Suffolk primary metropolitan statistical area as defined by the Federal Department of Housing and Urban Development. One of the units will be set aside for the property superintendent. The project will provide the Village of Great Neck with necessary rental housing and workforce housing, to promote the economic growth in the area. The project is located in a transportation orientated area with public transportation at the projects front door and is approximately .7 miles away from the LIRR train station.

Part II (E)

If the Applicant is unable to arrange financial assistance from the IDA, the project becomes cost prohibitive and the Applicant will be forced to abort the project. The savings from the IDA assistance, including real estate tax, mortgage recording tax and sales tax, would make the project viable. There is a need for more residential rental options in Nassau County, specifically in the Village of Great Neck. If the Applicant is unable to proceed with the project, Nassau County loses the benefit of additional rental units, work force housing units, and approximately three additional full time jobs for the county.

Part II (J)

The current conditions are 1950's constructed 119 units, 57 to be demolished. In their place and on open land/parking lots will be 129 new units constructed in 2 new buildings, plus a combination of 291 underground and surface parking spaces, drastically improving today's parking ratio.

Part II (M)(3)

Through the Village of Great Neck Incentive Zone, the following conditions of relief have been requested:

1. Relief to permit four stories in lieu of three stories height limit for buildings in the Residence E Zone within a 45' height limit.
2. Relief from today's parking code applied to the 1950 era built housing of 75 parking spaces.
3. Relief to permit 24 assigned tandem parking spaces in one of the new underground garages.

Part II (R)

The subject property is located within a very desirable housing location on Long Island with easy access to mass transit. The project will provide needed additional rental options, including the work force housing, 5 full time jobs and a needed improvement to the Middle Neck Road corridor. The project will also provide rental housing options that should encourage additional residency which will promote economic growth.

Part III (C)

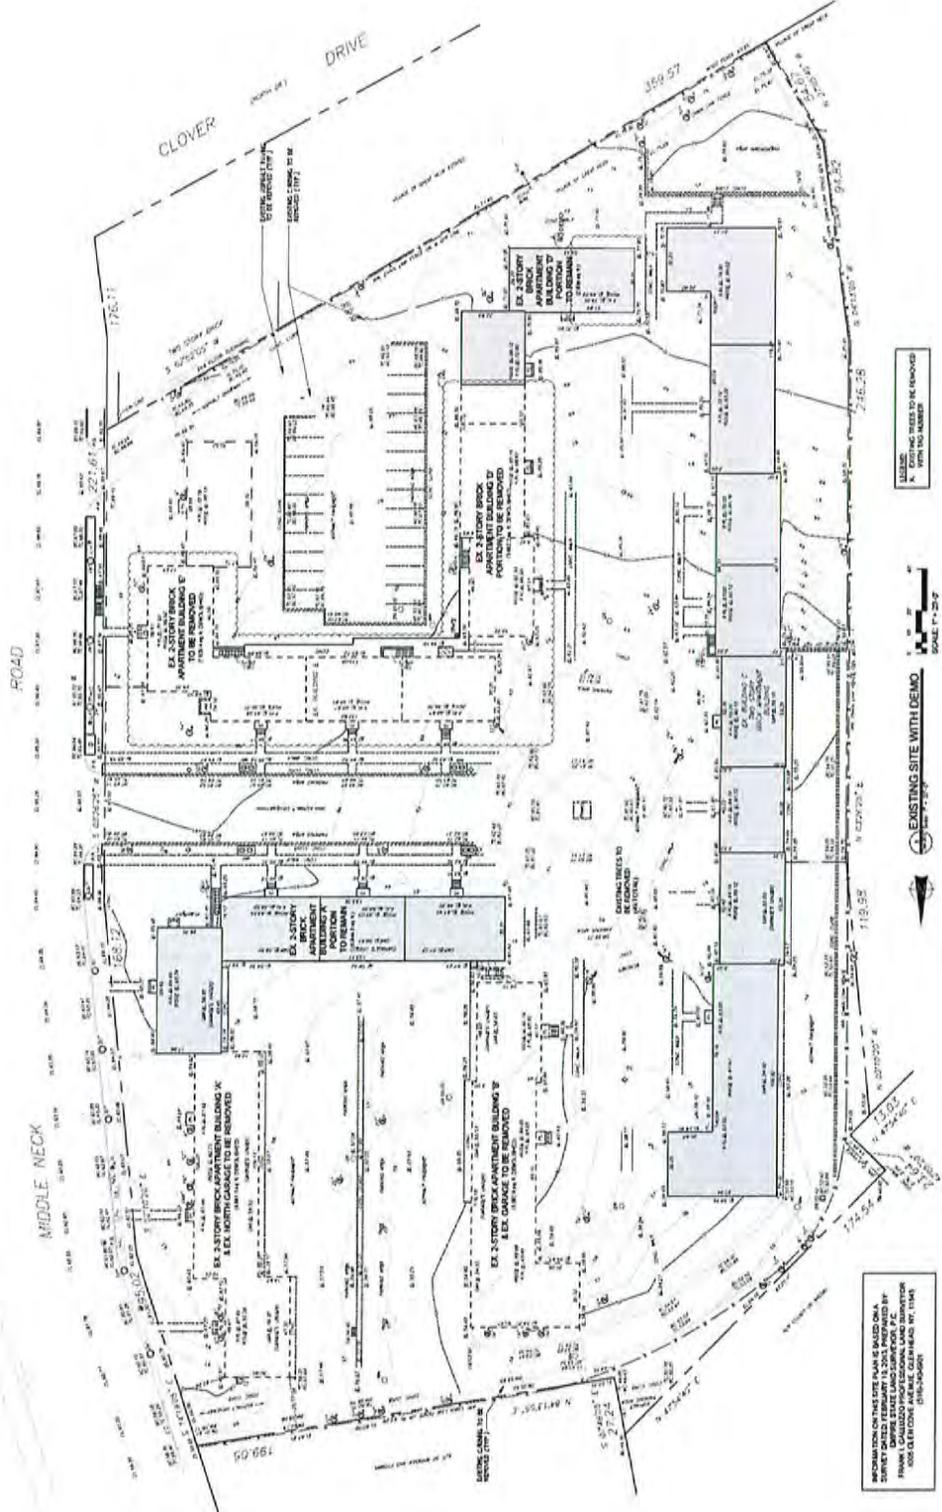

In preparation of moving the project forward, the applicant has spent \$6,250,000.

V. NEW BUSINESS

A. Special Use Permit - 247 ESR

Brian Weber, of Weber Law Group, located at 290 Broadhollow Road in Melville, represented Davinci OpCo LLC, owner of Don Joe Auto Body, located at 247 East Shore Road.

Applicant is requesting a special use permit for an additional newly installed state of the art flammable finish spray booth in the existing auto body shop, which is certified by Tesla, for repairs primarily on Tesla vehicles. Approval from Nassau County has been obtained. Mr. Weber stated that the repair shop has not expanded and there is no change in the operation and the new spray booth is environment friendly.

Mayor Bral stated to Mr. Weber that there have been many issues with double parked and illegally parked cars on East Shore Road, in front of Don Joe Auto Body. Mr. Weber stated that they have obtained use of a parking lot both behind the business, as well as across the street and this issue will be investigated.

Village Clerk Treasurer Cohan explained that there had been issues of hostility from the employees of Don Joe Auto Body towards the Village Parking Enforcement Officers and intimidation of Village employees is unacceptable and will not be tolerated. 8. Petitioner is aggrieved and injured by said unequal, excessive, illegal, unlawful and/or misclassified assessment (as defined in R.P.T.L. PETITION

Index No.

Petitioner,

- against -

THE BOARD OF ASSESSORS AND/OR THE
ASSESSOR OF THE VILLAGE OF GREAT NECK
AND THE BOARD OF ASSESSMENT REVIEW,

Respondents.
-----X

The petitioner above-named by his attorney, CERTILMAN BALIN ADLER & HYMAN, LLP, respectfully alleges as follows:

1. At all times herein mentioned, petitioner was and still is an aggrieved party with respect to the assessment or assessments described below within the meaning of Section 706, Real Property Tax Law, State of New York, and the Board of Assessors and/or Assessor is the respondent herein (hereinafter referred to as "the assessing jurisdiction").
2. The respondents have heretofore prepared, completed and perfected, purportedly according to law, an assessment roll for the assessing jurisdiction, for the tax year 2025 (2024/2025), which assessment roll included an assessment for petitioner's real property, described in Column I and assessed as set forth in Column II of the following schedule:

COLUMN I	COLUMN II	COLUMN III	COLUMN IV	COLUMN V
Town: North Hempstead				
Village: Great Neck				
	Original Valuation	Claimed Valuation	Confirmed Valuation	Extent Unequal and/or Excessive
S.D. 07				
Sec. 2	Land \$ 3,988,050	\$ 997,013	*	\$ 2,991,037
Blk. 354	Total \$ 9,000,000	\$ 2,250,000	*	\$ 6,750,000
Lot 138 (TYPE: APARTMENTS)				

* Same as Column II except as otherwise indicated

3. Petitioner duly made and filed with respondents a written application and statement under oath, to have said assessed valuation, transition assessment and exemption, if applicable, of said real property corrected and revised, specifying therein the respect in which the assessment complained of was incorrect, and which application and statement sought to reduce the assessment complained of as set forth in Column III Paragraph 2 above. The application and statement are hereby referred to and made part hereof as though fully set forth herein.

4. Upon information and belief, a final decision and determination on the application and statement were duly rendered by respondents who failed to reduce the assessment as requested and confirmed or set the assessed valuation of petitioner's property as set forth in Column IV Paragraph 2 above.

5. Thirty days have not elapsed since the filing of the certified copy of the completed and verified assessment roll with notice thereof, or law day, whichever is later, as permitted by R.P.T.L. Sec. 702.

6. The assessment of petitioner's property is erroneous upon the following grounds: (a) Excessive, as fully defined in R.P.T.L. Sec. 522, (to the extent set forth in Column V Paragraph 2 above); (b) Misclassification, the class designation is incorrect, as fully defined in R.P.T.L. Sec. 522; (c) Unequal, as fully defined in R.P.T.L. Sec. 522, (to the extent set forth in Column V Paragraph 2 above). The assessed value is at a higher percentage of value than the assessed value of other real property in the same class on the assessment roll and/or the assessed value has been made at a higher proportionate value than the assessments of all other real property on the assessment roll. The specified instances of such unequal assessment is the assessments of all of the real property (or where applicable, in the same class on the same roll) in the assessing jurisdiction and each and every parcel thereof; and (d) Unlawful, in that this property and all real property in the assessing unit is not assessed at a uniform percentage of value and that it is based upon an assessment practice of selective or spot reassessment that has been declared illegal and unconstitutional by the Courts of the State of New York, as defined in R.P.T.L., and is unlawful as more fully defined in its entirety in R.P.T.L. Sec. 522.

6a. Each claim as set forth in Paragraph 6 above is defined in R.P.T.L. Sec. 522 and is incorporated herein as if fully set forth.

7. In the event that the assessment at issue is or should be subject to a transition assessment and/or exempt or partially exempt and has been incorrectly calculated, or not set forth at all on the taxable assessment roll, the assessment should be reduced as it exceeds the statutory formula and/or is unlawful, unequal and excessive.

8. Petitioner is aggrieved and injured by said unequal, excessive, illegal, unlawful and/or misclassified assessment (as defined in R.P.T.L. Sec. 522), and will be required to pay a greater amount and proportion of taxes than petitioner would be required to pay if the assessment had been equal and not excessive, illegal, unlawful, misclassified and erroneous.

9. No provision is made by law for an appeal or other relief from the final determination of the respondents except by a review by petition to the Supreme Court. No previous application for the relief herein asked has been made to any court or judge.

10. If there is more than one petitioner herein, the word "petitioner" shall mean "petitioners" or "each of the petitioners" as the context requires. As used herein the singular shall include the plural and the plural shall include the singular as the context requires.

11. Petitioner protests payment of said taxes based upon the within claims and upon the grounds that the tax rates are calculated incorrectly.

12. Petitioners are persons asserting grounds for review which present common questions of law or fact within the meaning of R.P.T.L. Sec. 706(2).

13. R.P.T.L. 581-A requires Assessors to determine the assessment of subsidized housing by the income approach using actual net operating income.

WHEREFORE, petitioner prays that the Supreme Court review and correct on the merits the final determination of respondents on the grounds set forth in this petition, and that the Court take evidence to enable petitioner to show the unequal, excessive, unlawful, illegal, misclassified and erroneous assessment of the real property to the end that the assessment may be reduced to the value thereof for land and improvements, and to a valuation proportionate to the assessments of other real property, and/or other property in the same class, assessed on the same rolls for the same year, so that equality of assessments will result, and may be properly classified, and for such other and further relief as the Court may deem proper, together with the costs and disbursements of this proceeding.

Re: Millbrook Rental Apartments- Affirmative Marketing Plan

Dear Sir/Madam,

We have developed the following Affirmative Marketing Plan (the "AMP") for the affordable housing units to be located in the above referenced project.

The project is located at 240-250 Middleneck Road, Village of Great Neck, NY 11021. The census tract number is 3005.00.

Today the complex contains 119 units, we are adding 67 additional units (the "Project"), 7 of which will be designated as affordable housing rental units and spread throughout the existing and new buildings. The balance of the remaining units constituting the Project will be free market rental apartments.

The Project is not geared towards senior citizens, there are no age restrictions or requirements.

The affordable housing units will be marketed and managed by the owner, at the same on site leasing office the balance of the units are leased from. Additional marketing efforts will be through the Project web site, print, social media outlets and the site signage.

Project marketing materials will utilize the fair housing logo or phrase "Equal Housing Opportunity."

Marketing materials that describe the availability of the affordable housing will be available at the onsite leasing office and at other organizations and agencies that may be designated by the IDA. Records of such activities will be kept on site in the leasing center.

An initial application period with a specific start and end date will be utilized for accepting applications for consideration for the initial rental of the units and that the period will last for at least thirty (30) days after the marketing described in this plan is commenced. In addition, a statement that following the initial application period, all the applications submitted during the initial application period will be considered through the use of a lottery and not on a first come first serve basis, unless the number of applications received during the initial application period

is less than the total number of units for rent. Records will be maintained within our office as to the activities undertaken and materials utilized to implement the marketing plan.

If you have any questions regarding this plan, please feel free to reach out to me.

Very truly yours,

Jason Schlesinger
