***Re: Application of Harrison Avenue, Mineola LLC  
218, 222 and 228 Harrison Avenue, Mineola, NY  
Section 9, Block 404, Lots 5, 807-811***

Dear Mr. Shrenkel:

Our firm represents Harrison Avenue, Mineola LLC (“Applicant”) in connection with its proposed construction of an approximately 74,906 SF (including common areas, parking and mechanical), 42-unit residential rental apartment building at the site currently known by the street addresses of 218, 222 and 228 Harrison Avenue, Mineola, New York. Enclosed is an Application for Financial Assistance for the proposed project.

The proposed project is located within the Village of Mineola’s Downtown Overlay District, and is in furtherance of the Village’s Comprehensive Master Plan for the downtown.

The site currently has three vacant buildings (two single-family residences and one residence converted into a small office), which will be demolished to clear the way for the project.

The real property taxes for the project once completed are expected to be prohibitively high. Due to high costs of construction, including labor and materials, combined with the high costs of property taxes and volatility of property tax increases in Nassau County, it would not be feasible to construct and operate this project without this Agency’s assistance.

With the Agency’s assistance, the Applicant can deliver much-needed high-quality rental housing, including 9 proposed housing units which will be affordable to families earning up to 80% of the Nassau-Suffolk County area median income (“AMI”).

Page 2 of 2

Long Islanders are in need of diverse housing options, even at market rates. The project will give residents a more viable alternative to the prevalent single-family homes, and will provide the Village with more transit-oriented development. The project is .9 miles from the Mineola LIRR station and near the route of numerous bus lines.

There is expected to be one on-site full-time job resulting from the project. There will also be a minimum of 30 temporary construction jobs for the completion of the project. Total project costs are estimated to be \$18,220,000.

Accordingly, the Applicant is requesting the following assistance from the Agency:

1. 20-year PILOT agreement upon terms to be negotiated with the Agency, beginning with "land only" taxes for 3 years and phasing in the additional assessment to be created as a result of the project;
2. Mortgage recording tax exemption with respect to the Applicant's financing or refinancing of the project costs; and
3. Sales tax exemption with respect to costs of constructing and equipping the facility.

Please consider this letter to constitute a part of the Application. If you have any questions, please feel free to contact me.

Very truly yours,

FORCHELLI DEEGAN TERRANA LLP

**CERTIFICATION AND AGREEMENT  
WITH RESPECT TO FEES AND COSTS**

Capitalized terms used but not otherwise defined in this Certification and Agreement shall have the meanings assigned to such terms in the Application.

The undersigned, being duly sworn, deposes and says, under penalties of perjury, as follows: that I am the chief executive officer or other representative authorized to bind the Applicant named in the attached application for financial assistance ("Application") and that I hold the office specified below my signature at the end of this Certification and Agreement, that I am authorized and empowered to deliver this Certification and Agreement and the Application for and on behalf of the Applicant, that I am familiar with the contents of said Application (including all schedules, exhibits and attachments thereto), and that said contents are true, accurate and complete to the best of my knowledge and belief.

The grounds of my belief relative to all matters in the Application that are not based upon my own personal knowledge are based upon investigations I have made or have caused to be made concerning the subject matter of this Application, as well as upon information acquired in the course of my duties and from the books and records of the Applicant.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that the Applicant hereby releases the Nassau County Industrial Development Agency, its members, officers, servants, attorneys, agents and employees (collectively, the "Agency") from, agrees that the Agency shall not be liable for and agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency harmless from and against any and all liability, damages, causes of actions, losses, costs or expenses incurred by the Agency in connection with: (A) examination and processing of, and action pursuant to or upon, the Application, regardless of whether or not the Application or the financial assistance requested therein are favorably acted upon by the Agency, (B) the acquisition, construction, reconstruction, renovation, installation and/or equipping of the Project by the Agency, and (C) any further action taken by the Agency with respect to the Project; including, without limiting the generality of the foregoing, (i) all fees and expenses of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other attorneys, experts and consultants (if deemed necessary or advisable by the Agency), and (ii) all other expenses (including attorneys' fees) incurred by the Agency in defending any suits, actions or proceedings that may arise as a result of any of the foregoing. If, for any reason whatsoever, the Applicant fails to conclude or consummate necessary negotiations or fails within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels, or neglects the Application or if the Applicant is unable to find buyers willing to purchase the total bond issue required or is unable to secure other third party financing or otherwise fails to conclude the Project, then upon presentation of an invoice by the Agency, its agents, attorneys or assigns, the Applicant shall pay to the Agency, its agents, attorneys or assigns, as the case may be, all fees and expenses reflected in any such invoice.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that each of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other experts and consultants is an intended third-party beneficiary of this Certification and Agreement, and that each of them may (but shall not be obligated to) enforce the provisions of the immediately preceding paragraph, whether by lawsuit or otherwise, to collect the fees and expenses of such party or person incurred by the Agency (whether or not first paid by the Agency) with respect to the Application.

Upon successful closing of the required bond issue or other form of financing or Agency assistance, the Applicant shall pay to the Agency an administrative fee set by the Agency (which amount is payable at closing) in accordance with the following schedule:

- (A) Taxable Bond Issues - Seven-tenths (7/10) of one percent (1%) for the first twenty million dollars (\$20,000,000) of total project costs and, if applicable, two-tenths (2/10) of one percent (1%) for any additional amounts in excess of twenty million dollars (\$20,000,000) of total project costs.
- (B) Tax-Exempt Bond Issues – Seven-tenths (7/10) of one percent (1%) of total project costs.

- (H) Changes of Ownership of Applicant – The Agency fee shall be determined on a case-by-case basis.
- (I) Other Modifications – The Agency fee shall be determined on a case-by-case basis, subject to the following:

applicable law.

Guided by the above stated schedule amounts, upon the termination of the financing of the Project, Applicant agrees to pay all costs in connection with any conveyance by the Agency to the Applicant of the Agency's interest in the Project and the termination of all related Project documents, including the fees and expenses of the Agency's general counsel, bond/transaction counsel, and all applicable recording, filing or other related fees, taxes and charges.

I further acknowledge and agree on behalf of the Applicant that, in the event the Agency shall have used all of its available tax-exempt bond financing allocation from the State of New York, if applicable, and shall accordingly be unable to obtain an additional allocation for the benefit of the Applicant, the Agency shall have no liability or responsibility as a result of the inability of the Agency to issue and deliver tax-exempt bonds for the benefit of the Applicant.
