**RE: Great Neck Residences LLC - Applicant
Application for Financial Assistance**

Dear Mr. Shrenkel,

Thank you for taking the time to review the enclosed Application for Financial Assistance for the proposed Great Neck Senior Housing project (the "Project"). The Project involves the substantial rehabilitation of an existing 75-unit senior housing development owned by the Village of Great Neck Housing Authority ("The Housing Authority"), located at 700 Middle Neck Road in Great Neck, Nassau County. The Housing Authority selected Georgica Green Ventures, LLC ("GGV") through a competitive RFP process to lead the rehabilitation effort and, if the Project is approved by the Nassau County Industrial Development Agency, fee title to the property will be transferred to Great Neck Residences LLC. The existing building, originally constructed in 1983, is past its useful life and in need of full system replacement. The Project will undertake a comprehensive gut rehabilitation to modernize the building, address aging infrastructure, and bring all units into full code and accessibility compliance while maintaining its mission of serving low-income seniors.

GGV is a Long Island based real estate development company that specializes in the acquisition, development, construction, and management of multi-family housing. GGV has secured over \$1.1B in funding for 21 New York State multi-family communities in the past 13 years. Since 2012, GGV has developed over 2,000 homes for New York families. GGV was founded on the principles that quality affordable housing has a place in all communities, and that the diversity of race, age, income, and ethnicity makes those communities stronger.

The rehabilitated development will include 75 apartments: 17 studios, 57 one-bedroom units, and one two-bedroom superintendent unit, all of which will be preserved as Section 8 project-based voucher units administered by the North Hempstead Housing Authority. The Project will allow existing residents to safely return following temporary relocations, ensuring long-term affordability and stability for Great Neck's senior population. The redevelopment scope includes significant upgrades to unit interiors, mechanical and electrical systems, building envelope, roofing, and all shared amenity spaces. Residents will benefit from improved accessibility, upgraded community areas, new laundry facilities, and enhanced outdoor space. The Project will be designed to meet or exceed Enterprise Green Communities Criteria and HCR Sustainability Guidelines for Existing Buildings, incorporating all-electric ENERGY STAR appliances and other sustainability measures.

GGV and the Housing Authority are committed to providing quality affordable housing and have worked diligently to ensure the feasibility of this Project. We look forward to working collaboratively with you and the Nassau County IDA. Thank you for your time and consideration of our Application for Financial Assistance. We look forward to working with you to make this Project a reality. Should you have any questions please contact Matthew Ardito at matthewardito@georgicagreen.com.

Sincerely,

Matthew Ardito, Chief Operating Officer

C. Briefly describe the purpose of the proposed Project, the reasons why the Project is necessary to the Applicant and why the Agency's financial assistance is necessary, and the effect the Project will have on the Applicant's business or operations:

The Project will preserve and rehabilitate 75 senior affordable housing units by transitioning the existing public housing site that is deemed obsolete and beyond it useful life by HUD into a rehabilitated, code-compliant development. The rehabilitation will address critical safety, accessibility, and building system deficiencies, ensuring long-term habitability and community stability. IDA assistance for real property tax exemption is essential to bridge the financing gap and make the project feasible within the HFA 4% bond/LIHTC Structure.

- D. Is there a likelihood that the proposed Project would not be undertaken by the Applicant but for the granting of the financial assistance by the Agency? (If yes, explain; if no, explain why the Agency should grant the financial assistance with respect to the proposed Project)

YES X

NO _____

Without the IDA's support, the Project would not be financially feasible. The real property tax exemptions are critical to maintain affordability and prevent the loss of these irreplaceable senior housing units and it is necessary for the financing as there is no readily available financing mechanism to keep affordable and do the necessary rehabilitation work.

- E. If the Applicant is unable to arrange Agency financing or other Agency financial assistance for the Project, what will be the impact on the Applicant and Nassau County? Would the Applicant proceed with the Project without Agency financing or other Agency financial assistance? Describe.
Without the requested IDA assistance, the Project could not proceed as we would not receive the state financing assistance. The building would continue to deteriorate, creating health and safety risks and likely resulting in displacement of senior residents. The loss of this 1970s property would permanently reduce the Village's supply of senior affordable units and eliminate an essential community resource.

- F. Location of Project:

Street Address: 700 Middle Neck Road

City/Village(s): Great Neck

Town(s): Town of North Hempstead

See organizational chart enclosed in Schedule I - Other Attachments.

- J. To what purpose will the building or buildings to be acquired, constructed or renovated be used by the Applicant? (Include description of goods to be sold, products to be manufactured, assembled or processed and services to be rendered.)
The building will be rehabilitated for continued use as affordable senior housing, providing 75 units with on-site resident support and management services to promote safe, independent living for seniors.
-

- K. If any space in the Project is to be leased to or occupied by third parties (*i.e.*, parties not related to the Applicant), or is currently leased to or occupied by third parties who will remain as tenants, provide the names and contact information for each such tenant, indicate total square footage of the Project to be leased to each tenant, and describe proposed use by each tenant:

**CERTIFICATION AND AGREEMENT
WITH RESPECT TO FEES AND COSTS**

Capitalized terms used but not otherwise defined in this Certification and Agreement shall have the meanings assigned to such terms in the Application.

The undersigned, being duly sworn, deposes and says, under penalties of perjury, as follows: that I am the chief executive officer or other representative authorized to bind the Applicant named in the attached application for financial assistance ("Application") and that I hold the office specified below my signature at the end of this Certification and Agreement, that I am authorized and empowered to deliver this Certification and Agreement and the Application for and on behalf of the Applicant, that I am familiar with the contents of said Application (including all schedules, exhibits and attachments thereto), and that said contents are true, accurate and complete to the best of my knowledge and belief.

The grounds of my belief relative to all matters in the Application that are not based upon my own personal knowledge are based upon investigations I have made or have caused to be made concerning the subject matter of this Application, as well as upon information acquired in the course of my duties and from the books and records of the Applicant.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that the Applicant hereby releases the Nassau County Industrial Development Agency, its members, officers, servants, attorneys, agents and employees (collectively, the "Agency") from, agrees that the Agency shall not be liable for and agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency harmless from and against any and all liability, damages, causes of actions, losses, costs or expenses incurred by the Agency in connection with: (A) examination and processing of, and action pursuant to or upon, the Application, regardless of whether or not the Application or the financial assistance requested therein are favorably acted upon by the Agency, (B) the acquisition, construction, reconstruction, renovation, installation and/or equipping of the Project by the Agency, and (C) any further action taken by the Agency with respect to the Project; including, without limiting the generality of the foregoing, (i) all fees and expenses of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other attorneys, experts and consultants (if deemed necessary or advisable by the Agency), and (ii) all other expenses (including attorneys' fees) incurred by the Agency in defending any suits, actions or proceedings that may arise as a result of any of the foregoing. If, for any reason whatsoever, the Applicant fails to conclude or consummate necessary negotiations or fails within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels, or neglects the Application or if the Applicant is unable to find buyers willing to purchase the total bond issue required or is unable to secure other third party financing or otherwise fails to conclude the Project, then upon presentation of an invoice by the Agency, its agents, attorneys or assigns, the Applicant shall pay to the Agency, its agents, attorneys or assigns, as the case may be, all fees and expenses reflected in any such invoice.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that each of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other experts and consultants is an intended third-party beneficiary of this Certification and Agreement, and that each of them may (but shall not be obligated to) enforce the provisions of the immediately preceding paragraph, whether by lawsuit or otherwise, to collect the fees and expenses of such party or person incurred by the Agency (whether or not first paid by the Agency) with respect to the Application.

Upon successful closing of the required bond issue or other form of financing or Agency assistance, the Applicant shall pay to the Agency an administrative fee set by the Agency (which amount is payable at closing) in accordance with the following schedule:

- (A) Taxable Bond Issues - Seven-tenths (7/10) of one percent (1%) for the first twenty million dollars (\$20,000,000) of total project costs and, if applicable, two-tenths (2/10) of one percent (1%) for any additional amounts in excess of twenty million dollars (\$20,000,000) of total project costs.
- (B) Tax-Exempt Bond Issues – Seven-tenths (7/10) of one percent (1%) of total project costs.
- (C) Straight-Lease Transactions - Seven-tenths (7/10) of one percent (1%) for the first twenty million dollars (\$20,000,000) of total project costs and, if applicable, two-tenths (2/10) of one percent (1%) for any additional amounts in excess of twenty million dollars (\$20,000,000) of total project costs.

The annual service fee is subject to periodic review and may be adjusted from time to time in the discretion of the Agency.
- (F) Refundings – The Agency fee shall be determined on a case-by-case basis.

- (H) Changes of Ownership of Applicant – The Agency fee shall be determined on a case-by-case basis.
- (I) Other Modifications – The Agency fee shall be determined on a case-by-case basis, subject to the following:

applicable law.

Guided by the above stated schedule amounts, upon the termination of the financing of the Project, Applicant agrees to pay all costs in connection with any conveyance by the Agency to the Applicant of the Agency's interest in the Project and the termination of all related Project documents, including the fees and expenses of the Agency's general counsel, bond/transaction counsel, and all applicable recording, filing or other related fees, taxes and charges.

I further acknowledge and agree on behalf of the Applicant that, in the event the Agency shall have used all of its available tax-exempt bond financing allocation from the State of New York, if applicable, and shall accordingly be unable to obtain an additional allocation for the benefit of the Applicant, the Agency shall have no liability or responsibility as a result of the inability of the Agency to issue and deliver tax-exempt bonds for the benefit of the Applicant.
