Attn: Sheldon L. Shrenkel, Chief Executive Officer/Executive Director

***Re: Application of BSD Long Life LLC
367 W. Park Avenue, Long Beach, NY***

Dear Mr. Shrenkel:

This firm represents BSD Long Life LLC (“Applicant”) in connection with the enclosed Application for Financial Assistance requested from the Nassau County Industrial Development Agency (the “Agency”) regarding the performance of certain major installations and renovations to the building known as 367 W. Park Avenue, Long Beach, New York (the “Project”). Please share this Application, and this letter which should be considered part of the Application, with the IDA Chairman and the members of the Agency board.

Project Description

The Applicant is in contract to acquire fee title of 367 W. Park Avenue, Long Beach. The approximately 0.73-acre parcel is improved with a 33,000 square foot, three (3) story office building.

This building, now vacant, was once home to several medical offices. The location is a premier address for business in Long Beach; however, due to numerous factors, the building remains vacant and has undergone significant physical and economic deterioration.

The current state of the building does not attract quality tenants required to sustain a well-maintained office building. In support of its potential acquisition of the property, the Applicant has initiated discussions with potential tenants of the building and has entered a letter of interest (“LOI”) with an insurance brokerage firm that would lease approximately 22,000 square feet or two thirds of the existing building and is expected to bring meaningful, high-quality jobs to the area. However, the LOI is conditioned upon Applicant’s acquisition and renovation of the building to a Class A office standard.

The building requires a significant infusion of capital to reverse its physical and economic decline. The building is outdated and requires extensive and substantial renovations to transform and reposition the building, an “adaptive reuse”, into a modern, attractive, Class-A office building.

With the Agency's assistance, the Applicant is proposing to invest approximately \$10 million in acquisition and renovation costs in order to transform this property into a Class-A office property. Such investments include: structural steel to provide a more open office environment, façade improvements, general systems repair, modernization and upgrades to the HVAC and elevators, renovations of conference rooms and lobby, and other interior upgrades.

When complete, the Facility will be a modern multi-tenant office building with state-of-the-art facilities able to retain and attract quality job-creating businesses, which in turn, will provide significant employment opportunities for Nassau County residents.

Need for Financial Assistance.

With the high and unpredictable real estate taxes and the high construction costs existing in Nassau County, the proposed investment into this Project would not be feasible at prevailing market rental conditions.

In order to make this investment, Applicant requires and is seeking to reduce construction costs through a sales tax exemption and to provide stability and predictability for the future taxes through a PILOT on this building in order to attract and retain quality tenants.

Applicant is not looking for a reduction in the current property taxes, just stability and predictability going forward.

Without the financial assistance requested, the Applicant cannot justify the proposed level of investment and the property would most likely remain in a marginalized state, outdated, as an office property with little to no amenities.

Financial Assistance Requested/ Anticipated Benefits.

Applicant requests the following assistance from the Agency:

1. Applicant requests a PILOT for a term of fifteen (15) years to stabilize the current levels of taxation on the Facility for a period of years and thereafter provide for a reasonable escalation of same going forward for the remainder of the 15-year term.
2. Applicant requests a sales tax exemption for the materials required for the renovation of the building, and a mortgage recording tax exemption to the extent that the financing of said renovations is secured by a mortgage.

We greatly appreciate your consideration of the foregoing and we look forward to meeting with the IDA Board to present our application and move this Project forward.

**CERTIFICATION AND AGREEMENT
WITH RESPECT TO FEES AND COSTS**

Capitalized terms used but not otherwise defined in this Certification and Agreement shall have the meanings assigned to such terms in the Application.

The undersigned, being duly sworn, deposes and says, under penalties of perjury, as follows: that I am the chief executive officer or other representative authorized to bind the Applicant named in the attached application for financial assistance ("Application") and that I hold the office specified below my signature at the end of this Certification and Agreement, that I am authorized and empowered to deliver this Certification and Agreement and the Application for and on behalf of the Applicant, that I am familiar with the contents of said Application (including all schedules, exhibits and attachments thereto), and that said contents are true, accurate and complete to the best of my knowledge and belief.

The grounds of my belief relative to all matters in the Application that are not based upon my own personal knowledge are based upon investigations I have made or have caused to be made concerning the subject matter of this Application, as well as upon information acquired in the course of my duties and from the books and records of the Applicant.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that the Applicant hereby releases the Nassau County Industrial Development Agency, its members, officers, servants, attorneys, agents and employees (collectively, the "Agency") from, agrees that the Agency shall not be liable for and agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency harmless from and against any and all liability, damages, causes of actions, losses, costs or expenses incurred by the Agency in connection with: (A) examination and processing of, and action pursuant to or upon, the Application, regardless of whether or not the Application or the financial assistance requested therein are favorably acted upon by the Agency, (B) the acquisition, construction, reconstruction, renovation, installation and/or equipping of the Project by the Agency, and (C) any further action taken by the Agency with respect to the Project; including, without limiting the generality of the foregoing, (i) all fees and expenses of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other attorneys, experts and consultants (if deemed necessary or advisable by the Agency), and (ii) all other expenses (including attorneys' fees) incurred by the Agency in defending any suits, actions or proceedings that may arise as a result of any of the foregoing. If, for any reason whatsoever, the Applicant fails to conclude or consummate necessary negotiations or fails within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels, or neglects the Application or if the Applicant is unable to find buyers willing to purchase the total bond issue required or is unable to secure other third party financing or otherwise fails to conclude the Project, then upon presentation of an invoice by the Agency, its agents, attorneys or assigns, the Applicant shall pay to the Agency, its agents, attorneys or assigns, as the case may be, all fees and expenses reflected in any such invoice.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that each of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other experts and consultants is an intended third-party beneficiary of this Certification and Agreement, and that each of them may (but shall not be obligated to) enforce the provisions of the immediately preceding paragraph, whether by lawsuit or otherwise, to collect the fees and expenses of such party or person incurred by the Agency (whether or not first paid by the Agency) with respect to the Application.

Upon successful closing of the required bond issue or other form of financing or Agency assistance, the Applicant shall pay to the Agency an administrative fee set by the Agency (which amount is payable at closing) in accordance with the following schedule:

Guided by the above stated schedule amounts, upon the termination of the financing of the Project, Applicant agrees to pay all costs in connection with any conveyance by the Agency to the Applicant of the Agency's interest in the Project and the termination of all related Project documents, including the fees and expenses of the Agency's general counsel, bond/transaction counsel, and all applicable recording, filing or other related fees, taxes and charges.

I further acknowledge and agree on behalf of the Applicant that, in the event the Agency shall have used all of its available tax-exempt bond financing allocation from the State of New York, if applicable, and shall accordingly be unable to obtain an additional allocation for the benefit of the Applicant, the Agency shall have no liability or responsibility as a result of the inability of the Agency to issue and deliver tax-exempt bonds for the benefit of the Applicant.
