WHEREAS, the Nassau County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, Pine Town Homes, L.P., a limited partnership organized and existing under the laws of the State of New York (the "Applicant"), previously submitted an application for financial assistance (the "Original Application") to the Agency requesting that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in an approximately 3.6 acre parcel of land located at 151B East Pine Street, City of Long Beach, County of Nassau, New York (the "Land"), (2) the renovation of eight (8) existing two-story multifamily housing structures (comprised of approximately 130 low-income housing units) with a collective gross residential square footage of approximately 125,000 sq. ft., located on the Land, together with related improvements (collectively, the "Building"), and (3) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (the "Original Equipment"), all of the foregoing to continue to constitute a housing complex comprised of approximately 130 low-income housing rental units (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing, including potential exemptions or partial exemptions from sales and use taxes and real property taxes (but not including special assessments and ad valorem levies (the "Original Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, by resolution adopted by the members of the Agency on June 22, 2011 (the "Authorizing Resolution"), the Agency determined to proceed with the Project, to grant the

Original Financial Assistance and to enter into a "straight lease transaction" (as such quoted term is defined in the Act); and

WHEREAS, the Agency appointed the Applicant as agent of the Agency to undertake the acquisition, renovation, installation and equipping of the Project Facility and the Agency subleased the Project Facility to the Applicant, all pursuant to the terms and conditions set forth in the Lease Agreement dated as of June 1, 2011 between the Applicant and the Agency (as amended, the "Lease Agreement"), and the other Transaction Documents (as defined in the Lease Agreement); and

WHEREAS, the Applicant has submitted a new application for financial assistance (the "Application") to the Agency requesting that the Agency consider undertaking a project at the Project Facility (the "Project") consisting of the following: (A)(1) the interior renovation of the Project Facility consisting primarily of installing new kitchens and bathrooms throughout the Project Facility, and (2) the acquisition of certain furniture, fixtures, machinery, equipment and building materials (the "Equipment") necessary for the completion thereof; and (B) the granting of certain additional "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing, including potential exemptions or partial exemptions from sales and use taxes and mortgage recording taxes (the "Financial Assistance"); and

WHEREAS, the Agency has given due consideration to the Application and to the representations made by the Applicant therein, in certain supplemental documents and at this meeting, including, without limitation, representations of the Applicant that: (A) the granting by the Agency of the Financial Assistance with respect to the Project Facility will be an inducement to the Applicant to undertake the Project in Nassau County, New York; (B) the completion of the Project and the granting of the Financial Assistance will not result in the removal of a facility or plant of the Applicant or any tenant, user or occupant of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any tenant, user or occupant of the Project Facility located in the State but outside Nassau County, New York, except in compliance with applicable law; (C) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State; and (D) the granting of the Financial Assistance by the Agency will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York, and improve their standard of living, and prevent unemployment and economic deterioration, and thereby serve the public purposes of the Act; and

WHEREAS, any approval of the Project is contingent upon, among other things, a final determination by the members of the Agency to proceed with the Project following determinations by the Agency that: (A) the public hearing and notice requirements and other procedural requirements contained in the Act relating to the Project and the Financial Assistance have been satisfied; and (B) the undertaking of the Project by the Agency and the granting of the Financial Assistance are and will be in compliance with all other applicable requirements of the Act, Article 8 of the Environmental Conservation Law (the "SEQR Act") and the regulations adopted pursuant thereto (the "Regulations")
