Dear Mr. Shrenkel,

Our firm represents the Applicants, Villadom 2020 Group LLC, Bay Investors LLC, BW East Shore LLC, GG East Shore LLC, Jano Building LLC, and Norwich LLC (collectively, the "Applicant"), in connection with the development of 263-267 East Shore Road, Great Neck, NY 11023 (the "Property") and the requested financial assistance from the Nassau County Industrial Development Agency ("IDA"). The Applicant previously obtained approvals the Village of Great Neck Board of Trustees and received certain approvals for the development 63-unit multi-family residential apartment building and a 13,532-sf retail building of the Property on December 21, 2021 ("Original Approval"). Applicants acquired title to the Property by a deed dated February 18, 2026 from the Village of Great Neck. Applicants have begun necessary environmental remediation of the Property following the acquisition of title and will continue to remediate the Property as required by applicable regulations and recommendations from Applicants' environmental consultants. Notwithstanding the ongoing environmental remediation, Applicants will be unable to construct the Proposed Development at the Property without the requested financial assistance from the IDA.

Accompanied with this letter is the IDA Application for Financial Assistance. Enclosed with the Application is the Resolution granting the Original Approval, including the SEQRA negative declaration determination, and the plans submitted to the Village of Great Neck Board of Trustees for the Proposed Development. **CERTIFICATION AND AGREEMENT
WITH RESPECT TO FEES AND COSTS**

Capitalized terms used but not otherwise defined in this Certification and Agreement shall have the meanings assigned to such terms in the Application.

The undersigned, being duly sworn, deposes and says, under penalties of perjury, as follows: that I am the chief executive officer or other representative authorized to bind the Applicant named in the attached application for financial assistance ("Application") and that I hold the office specified below my signature at the end of this Certification and Agreement, that I am authorized and empowered to deliver this Certification and Agreement and the Application for and on behalf of the Applicant, that I am familiar with the contents of said Application (including all schedules, exhibits and attachments thereto), and that said contents are true, accurate and complete to the best of my knowledge and belief.

The grounds of my belief relative to all matters in the Application that are not based upon my own personal knowledge are based upon investigations I have made or have caused to be made concerning the subject matter of this Application, as well as upon information acquired in the course of my duties and from the books and records of the Applicant.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that the Applicant hereby releases the Nassau County Industrial Development Agency, its members, officers, servants, attorneys, agents and employees (collectively, the "Agency") from, agrees that the Agency shall not be liable for and agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency harmless from and against any and all liability, damages, causes of actions, losses, costs or expenses incurred by the Agency in connection with: (A) examination and processing of, and action pursuant to or upon, the Application, regardless of whether or not the Application or the financial assistance requested therein are favorably acted upon by the Agency, (B) the acquisition, construction, reconstruction, renovation, installation and/or equipping of the Project by the Agency, and (C) any further action taken by the Agency with respect to the Project; including, without limiting the generality of the foregoing, (i) all fees and expenses of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other attorneys, experts and consultants (if deemed necessary or advisable by the Agency), and (ii) all other expenses (including attorneys' fees) incurred by the Agency in defending any suits, actions or proceedings that may arise as a result of any of the foregoing. If, for any reason whatsoever, the Applicant fails to conclude or consummate necessary negotiations or fails within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels, or neglects the Application or if the Applicant is unable to find buyers willing to purchase the total bond issue required or is unable to secure other third party financing or otherwise fails to conclude the Project, then upon presentation of an invoice by the Agency, its agents, attorneys or assigns, the Applicant shall pay to the Agency, its agents, attorneys or assigns, as the case may be, all fees and expenses reflected in any such invoice.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that each of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other experts and consultants is an intended third-party beneficiary of this Certification and Agreement, and that each of them may (but shall not be obligated to) enforce the provisions of the immediately preceding paragraph, whether by lawsuit or otherwise, to collect the fees and expenses of such party or person incurred by the Agency (whether or not first paid by the Agency) with respect to the Application.

Upon successful closing of the required bond issue or other form of financing or Agency assistance, the Applicant shall pay to the Agency an administrative fee set by the Agency (which amount is payable at closing) in accordance with the following schedule:

- (A) Taxable Bond Issues - Seven-tenths (7/10) of one percent (1%) for the first twenty million dollars (\$20,000,000) of total project costs and, if applicable, two-tenths (2/10) of one percent (1%) for any additional amounts in excess of twenty million dollars (\$20,000,000) of total project costs.
- (B) Tax-Exempt Bond Issues -- Seven-tenths (7/10) of one percent (1%) of total project costs.
- (C) Straight-Lease Transactions - Seven-tenths (7/10) of one percent (1%) for the first twenty million dollars (\$20,000,000) of total project costs and, if applicable, two-tenths (2/10) of one percent (1%) for any additional amounts in excess of twenty million dollars (\$20,000,000) of total project costs.
- (D) General Counsel Fee -- One-tenth (1/10) of one percent (1%) of total project costs, with a minimum fee of \$5,000.
- (E) All Initial Transactions - Two Thousand Five Hundred Dollars (\$2,500) closing compliance fee payable at closing and One Thousand Dollars (\$1,000) per year (or part thereof) administrative fee, payable in advance, at the closing for the first year (or part thereof) and on January 1st of each year for the term of the financing. The annual service fee is subject to periodic review and may be adjusted from time to time in the discretion of the Agency.
- (F) Refundings -- The Agency fee shall be determined on a case-by-case basis.
- (G) Assignment/Assumptions -- An assignment of an Applicant's interest in a Project site, including the Agency's "financial assistance", normally will not be approved prior to completion of the renovation, construction, installation and equipping of the proposed Project, if applicable (the "Completion Date"). If the Agency approves an assignment/assumption, the Agency's administrative fee shall be an amount equal to the administrative fee applicable to the original Project based on paragraphs (A), (B) or (C) above, as applicable, plus the general counsel fee based on paragraph (D) above, using the original total project costs applicable to the Project; provided, however, that the Agency may agree to an alternative fee on a case-by-case basis.
- (H) Changes of Ownership of Applicant -- The Agency fee shall be determined on a case-by-case basis.
- (I) Other Modifications -- The Agency fee shall be determined on a case-by-case basis, subject to the following:
 - A basic Consent - \$750

The Agency's transaction/bond counsel's fees, general counsel fee and the administrative fees may be considered as a cost of the Project and included as part of any resultant financing, subject to compliance with

applicable law.

Guided by the above stated schedule amounts, upon the termination of the financing of the Project, Applicant agrees to pay all costs in connection with any conveyance by the Agency to the Applicant of the Agency's interest in the Project and the termination of all related Project documents, including the fees and expenses of the Agency's general counsel, bond/transaction counsel, and all applicable recording, filing or other related fees, taxes and charges.

I further acknowledge and agree on behalf of the Applicant that, in the event the Agency shall have used all of its available tax-exempt bond financing allocation from the State of New York, if applicable, and shall accordingly be unable to obtain an additional allocation for the benefit of the Applicant, the Agency shall have no liability or responsibility as a result of the inability of the Agency to issue and deliver tax-exempt bonds for the benefit of the Applicant.

Page 10, Item E.1.g -- Have hazardous wastes been generated, treated and/or disposed of at the site, or does the project site adjoin property which is now or was at one time used to commercially treat, store and/or dispose of hazardous waste?

According to a Phase I Environmental Site Assessment (ESA) prepared for the subject property by Laurel Environmental Geosciences DPC in November 2020, the subject property was first occupied by a lumber yard and tile factory in 1926, before becoming a sewer system treatment plant, which was present at the subject property until sometime after 2013. As stated in the Phase I ESA, chemicals and processes used by lumber yards for wood treatment and glazing used for tile manufacturing in the 1920s present a potential recognized environmental condition (REC). Additionally, the Phase I ESA notes that the subject property is listed by the New York State Department of Environmental Conservation (NYSDEC) as a Chemical Bulk Storage (CBS) and Petroleum Bulk Storage (PBS) Facility as a result of the subject property maintaining sodium hypochlorite storage tanks. However, listing as a CBS and PBS facility is not considered a REC at the subject property.

Page 10, Item E.1.h – Potential Contamination History. Has there been a reported spill at the proposed project site, or have any remedial actions been conducted at or adjacent to the proposed site?

According to a Phase I ESA prepared for the subject property by Laurel Environmental Geosciences DPC in November 2020, there are seven¹ closed NYSDEC spills and no active NYSDEC spills located at the subject property. The closed spills on the subject property are considered to be a Historical Recognized Environmental Condition (HREC).

The table below includes a summary of all documented closed spills on the subject property.

NYSDEC Spill #	Spill Material	Spill Name	Spill Date	Closure Date
#8907873	Unknown Petroleum	Unknown	11/8/1989	11/9/1989
#9001734	Raw Sewage	Unknown	5/14/1990	5/15/1990
#9104286	Sodium Hypochlorite	Village of Great Neck	7/22/1991	4/20/1992
#9713608	Raw Sewage	Great Neck Sewer Department	3/9/1998	3/9/1998
#9825179	#2 Fuel Oil	Great Neck Sewer Plant	12/29/1998	5/21/1999
#0208316	Raw Sewage	Village of Great Neck	11/12/2002	11/12/2002
#0710405	Raw Sewage	Unknown	1/1/2008	1/2/2008

¹ The Phase I ESA also notes that there were four spills on the database that appeared on the subject property but appeared to be mapped in error. These are spill Nos. 8801681, 9003374, 9405028 and 9501249. All of these spills were determined to be located in Manhasset, approximately 0.6 miles south of the subject property, and all have been closed by NYSDEC.

Page 10, Item E.1.h.iii -- Is the project within 2000 feet of any site in the NYSDEC Environmental Site Remediation database?

Remediation Site C130192 -- The Moorings at Kings Point, is located immediately east of the subject property on the east side of East Shore Road. According to the NYSDEC, this 6.58-acre remediation site, located at 240, 266, and 280 East Shore Road, is part of the Brownfield Cleanup Program (BCP). Once an oil storage facility, this site has since been remediated and redeveloped with multi-family residences. This site has received a classification of N, meaning no further action is needed at this time.

WHEREAS, such approvals are currently valid for such period of time as is recited in each such approval; and

§ 575-281. Approval of Incentive Application.

(A) Unless otherwise specified in a particular incentive zoning approval resolution, every incentive zoning approval granted by the Board of Trustees shall become null, void and of no further force and effect, upon the failure of Applicant to apply for all required building permits for the project that was the basis of the incentive zoning application within twelve (12) months from the date the Board of Trustees of the approval Resolution(s), or such other date as otherwise required by the approval Resolution(s) for said application.

(B) The Board of Trustees may, for good cause shown, extend the time, upon written application to it, for such extension of approvals. In determining whether good cause exists for such extension, the Board shall consider, among other things, the practical difficulties in obtaining all approvals from other necessary agencies and/or municipalities needed to obtain a building permit. The fee for such application shall be as prescribed from time to time by the Board of Trustees.

(C) The Board of Trustees may, upon the recommendation of the Superintendent of Buildings, rescind any incentive zoning approval previously given, upon a determination that the applicant has failed to diligently pursue such Building Permit application. Such rescission shall not occur, however, until (a) at least 180 days have passed since the application was made for the Building Permit, and (b) the applicant is first afforded an opportunity to be heard by the Board, and the making of specific findings of fact by the Board as to the applicant's failure to diligently pursue such application. In determining whether to rescind, the Board shall consider, among other things, the practical difficulties in obtaining all approvals from other necessary agencies and/or municipalities needed to obtain a building permit

Section 2. Severability.

If any clause, sentence, paragraph, subdivision, or part of this local law or the application thereof to any person, firm or corporation, or circumstance, shall be adjusted by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this Local Law or in its application to the person, individual, firm or corporation or circumstance, directly

V. NEW BUSINESS

A. Villadom Project

Paul Bloom of Harris, Bloom and Archer appeared on behalf of Villadom on the Bay LLC. He reviewed the scope of the proposed project on the 2.9 acres of land, single building in a split zone. Mr. Bloom explained that the project will be a 3 and 4 story residential building with a retail building in the front.

Mr. Bloom explained the applicant waiver requests in the MU Zone as follows: North part of the retail building is required to be 15' from property line but it is at 12.4'; building coverage maximum allowed is 35%, however applicant is requesting for 36% coverage; and for a parking waiver where 68 spots are required for the retail portion but applicant is asking for 47 parking spaces. Applicant proposed sharing spots with the residential part of the property. In addition, applicant is asking to allow for roof top amenity and terrace above 3rd story section of the residential building.

The traffic engineer from VHB reviewed the traffic and parking study. He discussed parking on site and on the street and stated that with the proposed exit on the north side of the property, one parking pot may be lost on East Shore Road.

The Board discussed with Superintendent Massaro the paper street of Wooleys Lane adjacent to the property.

The following people commented:

Amy Feng of 22 West Terrace Road
Alfred Nissan of 269 East Shore Road
Maria D'Amelio of 320 East Shore Road
Norman Rutta owner of 299 East Shore Road
Karen Bardash of 119 Maple Street
Amy Glass of 86 Hampshire Road
Sam Yellis of 2 Hollys Lane

Joe Yacobellis of Mojo Stumer Architect discussed the rooftop, building height, retaining walls which are stepped and terraced and planted, and the location of the trash compactor in the lower level.

The Village Attorney reviewed the approval documents with the Board.

Upon motion of Trustee Hope, seconded by Deputy Mayor Sobel and unanimously carried, the Board approved the following resolutions:

B. 130 Baker Hill Rd - Per § 205-11 of the Village Code

Village Attorney Bee explained to the Board that the property at 130 Baker Hill Road was found to be in a dangerous/hazardous condition by the Building Department, which had the house boarded up for safety and that per the Village Code the costs to do this are charged back to the property owner.

The owner, Ms. Olimpiada Munteanu, stated that she started work without a permit and that the bank gave her 90 days to fix the property. Building Superintendent Haranis reviewed the steps the Building Department took to assist the owner in obtaining permits and the history of violations and stop work orders issued.

The Village Attorney stated that if the expenses were not paid that it could become a lien against the property. The Board discussed the situation with the home owner and the Superintendent and informed the homeowner that she needed to pay for the expense.
