Section 1. Based upon a thorough review and examination of the Environmental Information and upon the Agency’s knowledge of the area surrounding the Land and such further investigation of the Project and its environmental effects as the Agency has deemed appropriate, the Agency makes the following findings with respect to the Project:

(a) The Project is excluded from environmental review as it meets the requirements of §§8-0111.5-a.(a),(b)(ii) and (c)(ii) of the SEQRA Act, specifically:

1. The 64-unit multi-family, fully residential Project will be connected to public water and sewer services at the commencement of habitation, specifically the Great Neck Water Pollution Control District and the Water Authority of Great Neck North and is not located in the designated 100-year floodplain.
2. The Land has been substantially altered and is the former long-standing location of the Great Neck Water Treatment Facility, which was previously demolished. The Land sits within the Village of Great Neck, defined as an Urban Area by the US Census Bureau, and the Land is not currently being used for agricultural purposes and has not been used for agricultural purposes within the immediately preceding two years or three of the last five years. Further, the Land is not located in a designated coastal erosion hazard area. Accordingly, the Land is previously disturbed.

4. The Project proposes 64 residential units, which will not exceed the three hundred (300) unit exclusion limit for housing within Urban Areas.

5. The Project does not include construction of only one single-family residence on a parcel of one or more acres.
6. The Applicant has furnished the Agency with a Phase I ESA, prepared by Laurel Environmental Geosciences, DPC and dated July 9, 2026, in accordance with the all appropriate inquiries regulations of the United States Environmental Protection Agency under the federal Comprehensive Environmental Response, Compensation and Liability Act (40 CFR § 312) to identify any recognized environmental conditions. The Applicant has certified to the Agency that it will follow all applicable laws, rules, and regulations regarding hazardous waste, including, to the extent applicable, complying with local municipal requirements regarding hazardous materials remediation. The Applicant has further certified that it will follow all applicable recommendations of the Phase I ESA, and will report contamination at, on, or under the Land as required by applicable laws, rules, and regulations.

WHEREAS, VILLADOM 2020 GROUP LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of Villadom 2020 Group LLC, BAY INVESTORS LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of Bay Investors LLC, BW EAST SHORE LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of BW East Shore LLC, GG EAST SHORE LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of GG East Shore LLC, JANO BUILDING LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of Jano Building LLC, NORWICH LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of Norwich LLC, and/or an entity(ies) formed or to be formed on behalf of any of the foregoing (collectively, the "Applicant"), have presented an application for financial assistance (the "Application") to the Agency, which Application requests that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in an approximately 2.93 acre parcel of land located at 263-267 East Shore Road, Village of Great Neck, Town of North Hempstead, Nassau County, New York

(Section: 2; Block: 181; Lots:13 and 252) (the “Land”), (2) the construction of an approximately 160,000 square foot building (the “Building”) on and related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery, equipment and building materials (the “Equipment”) necessary for the completion thereof (collectively, the “Project Facility”), all of the foregoing for use by the Applicant as a multifamily residential rental facility consisting of approximately sixty-four (64) residential rental units, at least eight (8) of which units shall be affordable housing units; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, sales and use taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, pursuant to Section 874(4) of the Act, (A) the CEO/Executive Director of the Agency caused letters dated August 11, 2026 and August 21, 2026 (together, the “Pilot Deviation Notice Letter”) to be mailed to the chief executive officer of each affected tax jurisdiction (and to the district clerk of the applicable school district), informing said individuals that the Agency would, at its meeting on August 26, 2026 (the “IDA Meeting”), consider a proposed deviation from the Tax Exemption Policy with respect to the payments in lieu of real property taxes to be made pursuant to a payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors, which include the factors set forth in the Tax Exemption Policy: (1) the extent to which the Project would create or retain permanent jobs; (2) the extent to which the Project would create construction jobs; (3) the estimated value of tax exemptions to be provided with respect to the Project; (4) the amount of private sector investment generated or likely to be generated by the Project; (5) the likelihood of the Project being accomplished in a timely manner; (6) the extent of new revenue that would be provided to affected tax jurisdictions as a result of the Project; (7) whether affected tax jurisdictions would be reimbursed by the Applicant if a Project does not fulfill the purposes for which an exemption was provided, (8) the

impact of the Project on existing and proposed businesses and economic development projects in the vicinity, (9) the demonstrated public support for the Project, (10) the effect of the Project on the environment, (11) the extent to which the Project would require the provision of additional services, including, but not limited to, additional educational, transportation, police, emergency, medical or fire services, (12) the extent to which the Project would utilize resource conservation, energy efficiency, green technologies, and alternative and renewable energy measures, (13) the extent to which the Project would provide onsite child care services or otherwise facilitate new child care services, and (14) any other miscellaneous public benefits that might result from the Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Project and that the PILOT payments would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the closing date of the transaction, subject to the conditions set forth in the Pilot Deviation Notice Letter.

Section 4. The Chair, Administrative Director and CEO/Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the "Transaction"), the Chair, CEO/Executive Director and Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant, providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the formula set forth in the Pilot Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

VILLADOM 2020 GROUP LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of Villadom 2020 Group LLC, BAY INVESTORS LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of Bay Investors LLC, BW EAST SHORE LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of BW East Shore LLC, GG EAST SHORE LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of GG East Shore LLC, JANO BUILDING LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of Jano Building LLC, NORWICH LLC, a limited liability company organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of Norwich LLC, and/or an entity(ies) formed or to be formed on behalf of any of the foregoing (collectively, the "Applicant"), have presented an application for financial assistance (the "Application") to the Agency, which Application requests that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in an approximately 2.93 acre parcel of land located at 263-267 East Shore Road, Village of Great Neck, Town of North Hempstead, Nassau County, New York (Section: 2; Block: 181; Lots: 13 and 252) (the "Land"), (2) the construction of an approximately 160,000 square foot building (the "Building") on and related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery, equipment and building materials (the "Equipment") necessary for the completion thereof (collectively, the "Project Facility"), all of the foregoing for use by the Applicant as a multifamily residential rental facility consisting of approximately sixty-four (64) residential rental units, at least eight (8) of which units shall be affordable housing units; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, sales and use taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency.

The Application states that the Applicant is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant a real property tax exemption (the "Property Tax Exemption") with respect to the Project Facility as follows:

(i) for the period commencing on the date of the closing of the Project transaction (the "Closing Date") to and including the day prior to the Effective Date (as defined below), payments shall be equal to one hundred percent (100%) of the real property taxes and assessments that would be levied annually upon the Project Facility without taking into consideration the transfer of ownership, jurisdiction, supervision or control of the Project Facility to the Agency; and

(ii) for the period commencing on the Effective Date and continuing for fifteen (15) full fiscal tax years thereafter, fixed payments equal to the sum of the BASE PILOT and the IMPROVEMENT PILOT.

Thereafter, and through the end of the term of the lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

For the purposes of the foregoing, the following terms shall have the following meanings:

(a) "BASE PILOT" shall be deemed to mean the amount of all real property taxes and assessments that would be payable on the Land and the existing improvements thereon as of the Closing Date without taking into consideration the transfer of ownership, jurisdiction, supervision or control of the Project Facility to the Agency, which amount shall be increased by 2.00% per year (compounded) after the second (2nd) fiscal tax year. Except as set forth in the immediately preceding sentence, the BASE PILOT shall not increase or decrease during the term of the PILOT Agreement that would be entered into with respect to the proposed Project. The BASE PILOT shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions. In calculating the Base PILOT, the Agency shall take into account the most recent assessment data (i.e., assessed value and tax rates) available as of the Closing Date, including any applicable approved tax certiorari stipulation or other settlement or arrangement with the applicable tax assessor(s).

(b) "IMPROVEMENT PILOT" shall be deemed to mean the product of the following amounts, as determined by the Agency: (i) the Assessed Value of the Improvement, (ii) the Rate, and (iii) the number 0.01, as phased in and adjusted pursuant to Exhibit A attached hereto. The term "Assessed Value of the Improvement" shall be deemed to mean the product of (y) the fair market value of the Project Facility (less the market value used in the calculation of the BASE PILOT) for real property tax valuation purposes, computed as of the estimated date of completion, as determined by the Agency using a methodology reasonably selected by the Agency, and (z) the level of assessment used by the Nassau County Assessor as of the year in which the Closing Date occurs. The Rate shall be evidenced by the tax rates set forth in School Tax Bills, Village Tax Bills (equalized if required) and General Tax Bills based on the most recent assessment data available to the Agency as of the year in which the Closing Date occurs. The IMPROVEMENT PILOT shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions.

(c) "Effective Date" shall be deemed to mean for each affected tax jurisdiction the first day of the first fiscal tax year following the first taxable status date occurring subsequent to the last to occur of (i) the Agency acquiring an interest in the Project Facility, (ii) the filing by the Agency of the appropriate application for tax exemption with the appropriate tax assessor(s), and (iii) the acceptance of such Application by such assessor(s).

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the PILOT payments would not be

lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the Closing Date.

Sincerely,

NASSAU COUNTY INDUSTRIAL
DEVELOPMENT AGENCY

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. In accordance with Section 859-a of the Act, the Agency has caused to be prepared a written cost-benefit analysis with respect to the Project and the granting of the Financial Assistance (the "Analysis"). The Agency has reviewed the Application, the Analysis and the Report and, based upon the representations made by the Applicant to the Agency and the facts and information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting (including, without limitation, the facts and information set forth in the Staff Review of the Application), the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated including the prevention of economic deterioration, the job opportunities to be created and/or maintained by the Project, the Project will constitute a commercial facility and, therefore, the Project constitutes a “project” within the meaning of the Act;

(b) the granting of the Financial Assistance by the Agency to the Applicant is necessary to induce the Applicant to proceed with the Project;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicant;

(d) the completion of the Project Facility by the Applicant as agent of the Agency, the granting of an interest therein by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the “State”) to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of Nassau County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicant;

(e) the Project will not result in the removal or abandonment of a plant or facility of the Applicant, or of a proposed user, occupant or tenant of the Project Facility, currently located within Nassau County;

(f) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(g) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(h) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act; and

(i) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this representation, retail sales shall mean: (i) sales by

a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of Section 1101 of the New York Tax Law; or (ii) sales of a service to such customers; and

(j) there is a lack of safe, clean, affordable, modern rental housing, including affordable units, in the Village of Great Neck (the “Village”), the Town of North Hempstead (the “Town”) and the County of Nassau (the “County”); and

(k) such lack of safe, clean, affordable, modern rental housing, including affordable units, has resulted in residents leaving the Village, the Town and the County, thereby adversely affecting businesses, retailers, banks, financial institutions, insurance companies, health and legal services providers and other merchants in the Village, the Town and the County and otherwise adversely impacting the economic health and well-being of the residents of the Village, the Town and the County and the tax base of the Village, the Town and the County; and

(l) the Project Facility, by providing such housing will enable persons to remain in the Village, the Town and the County and thereby to support the businesses, retailers, banks, and other financial institutions, insurance companies, health care and legal services providers and other merchants in the Village, the Town and the County which will increase the economic health and well-being of the residents of the Village, the Town and the County, help preserve and increase permanent private sector jobs in furtherance of the Agency’s public purposes as set forth in the Act.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the CEO/Executive Director and the staff of the Agency with respect to the Application, the IDA Meeting and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP, Garden City, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at the Public Hearing, the IDA Meeting or otherwise in connection with the Project, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance, subject to the terms of this Resolution.

Section 5. The Agency hereby approves the Applicant as the lessee/sublessee under the Project Agreement, authorizes the Applicant to act as its agent for purposes of undertaking the acquisition, construction, installation and equipping of the Project Facility, and hereby approves the Applicant as the recipient of the Financial Assistance. The Agency hereby approves the granting of the Financial Assistance in the form of (i) exemptions from sales and use taxes in an amount not to exceed \$2,156,250, in connection with the purchase or lease of furniture, fixtures,

equipment, building materials, services and other personal property with respect to the acquisition, construction, installation and equipping of the Project Facility, (ii) exemptions from mortgage recording tax (excluding the portion of the mortgage recording tax allocated to transportation districts referred to in Section 253(2)(a) of the Tax Law of the State of New York), for one or more mortgages (other than the PILOT Mortgage) securing the principal amount not to exceed \$48,000,000 in connection with the financing of the acquisition, construction, installation and equipping of the Project Facility and any future financing, refinancing or permanent financing of the costs of acquiring, constructing, installing and equipping the Project Facility, and (iii) exemptions from real property taxes having an estimated net present value to the Applicant of \$3,484,388.06 assuming the Project would proceed without the Financial Assistance and a net present value to the affected tax jurisdictions of \$2,309,663.98 assuming that the Project would not be undertaken without the Financial Assistance, all consistent with the deviation set forth in the Deviation Notice, for the reasons set forth in the Deviation Notice and after consideration of the factors listed in the Deviation Notice, including those set forth in the Tax Exemption Policy.

Section 6. The Agency is hereby authorized to (a) acquire an interest in the Project Facility pursuant to the Conveyance Instrument, the Bill of Sale to Agency and the other Transaction Documents, (b) grant an interest in the Project Facility pursuant to the Project Agreement and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) execute the PILOT Mortgage for the sole purpose of encumbering its interest in the Project Facility or accept such other collateral as the Chair or the CEO/Executive Director shall determine to secure the performance by the Applicant of its obligations under the PILOT Agreement, (e) execute one (1) or more fee and leasehold mortgage, assignment of rents and leases, and security agreements in favor of such bank, governmental agency or financial institution as the Applicant may determine (such bank, governmental agency or financial institution, the "Bank"), encumbering the Project Facility, solely to subject the Agency's interest in the Project Facility to the lien thereof, all to secure one (1) or more loans made by the Bank to the Applicant with respect to the Project Facility, and (f) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 7. The form and substance of the Conveyance Instrument, the Project Agreement, the Bill of Sale to Agency, the Environmental Indemnification, the PILOT Agreement, the PILOT Mortgage and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chair or the CEO/Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chair, the CEO/Executive Director and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Project Agreement and the other Transaction Documents, and any document with or in favor of the Bank to which the Agency is a party, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 8. The Chair, the CEO/Executive Director and the Administrative Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Project Agreement) of the Agency.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 10. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chair and CEO/Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 11. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with such terms and conditions with respect to the Project and hereby direct Special Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 12. The Chair, the CEO/Executive Director and the Administrative Director of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

The Agency hereby ratifies, confirms and approves actions heretofore taken by the CEO/Executive Director and the staff of the Agency with respect to the matters contemplated by this Resolution, including, without limitation, those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate thereto.

Section 3. The Agency determines that the Applicant’s request with respect to previously approved and unchanged Project is a Type II Action pursuant to SEQRA involving “continuing agency administration” which does not involve “new programs or major reordering of priorities that may affect the environment” (6 NYCRR §617.5(c)(20)) and therefore no Findings or determination of significance are required under SEQRA.

Section 4. No additional Financial Assistance is being requested by the Assignor or the Assignee with respect to the Proposed Transaction, and, therefore, no public hearing of the Agency is required pursuant to Section 859-a of the Act.

Section 5. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the requested consent.

Section 6. The Agency has considered the request made by the Assignor and the Assignee and hereby finds and determines that the requested consent will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York, and improve their standard of living, and thereby serve the public purposes of the Act. Accordingly, the Agency hereby approves the Proposed Transaction as set forth in the Consent Request, subject to the provisions of this Resolution.

Section 7. The execution and delivery of the Consent Documents by any one of said officers shall be conclusive evidence of due authorization and approval.

Section 9. The authorizations set forth in this Resolution are subject to the conditions that (i) the Agency is not consenting herein to the undertaking of any construction, renovation, installation or equipping of the Project Facility; (ii) all necessary due diligence will be conducted as to the Assignee and its principals and the results of same shall be satisfactory to Staff of the Agency; and (iii) the Assignor or the Assignee shall pay the Agency's consent and amendment fee in the amount of \$99,594.82 and reimburse the Agency for all costs and expenses incurred by the Agency in connection with the transactions contemplated herein, including, without limitation, all reasonable attorneys' fees and disbursements incurred by the Agency, including without limitation, the fees and expenses of Special Counsel, Phillips Lytle LLP.

Section 10. All covenants, stipulations, obligations and agreements of the Agency contained in this Resolution, the Amendment Documents and the Consent Documents shall be deemed to be the covenants, stipulations, obligations and agreements of the Agency to the full extent authorized or permitted by law, and such covenants, stipulations, obligations and agreements shall be binding upon the Agency and its successors from time to time; provided,

however, that no covenants, stipulations, obligations or agreements of the Agency contained in this Resolution, any Amendment Document or any Consent Document shall give rise to any pecuniary liability of the Agency or a charge against its general credit or shall obligate the Agency in any way except to the extent that the same can be paid or recovered from the Project Facility or the sale or liquidation of the Project Facility or revenues therefrom.

No covenant, stipulation, obligation or agreement herein contained or contained in any Amendment Document or any Consent Document shall be deemed to be a covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity and neither the members of the Agency nor any officer executing any Amendment Document or any Consent Document shall be liable personally on the Amendment Documents or the Consent Documents or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 11. The Acting Chair, Vice Chair and Chief Executive Officer/Executive Director of the Agency, acting individually or jointly, are hereby authorized to approve modifications to the terms approved herein which are not inconsistent with the intent and substance of this Resolution, such approval to be evidenced by the execution by such officer of the Amendment Documents and/or the Consent Documents containing such modifications.

Section 12. Notwithstanding any provision in the Transaction Documents to the contrary, the Agency's consent does not and shall not be construed to mean that there are no defaults or events of default under the Lease Agreement, the Project Agreement or any other Transaction Document or that any such defaults or events of default have been or shall be waived by the Agency.

Section 13. The Acting Chair, Vice Chair, Chief Executive Officer/Executive Director and Administrative Director of the Agency, acting individually or jointly, are hereby authorized and directed to distribute copies of this Resolution to the Assignor, Assignee and such other parties as any such officer may determine.

Section 14. It is expressly understood that no provision of this Resolution shall be interpreted as permitting any waiver of any default by the Assignee occurring on or after the effective date of its assumption of the Company Lease, the Lease Agreement and the other Transaction Documents.

Section 3. The Agency determines that the Applicant’s request with respect to previously approved and unchanged Project is a Type II Action pursuant to SEQRA involving “continuing agency administration” which does not involve “new programs or major reordering of priorities that may affect the environment” (6 NYCRR §617.5(c)(20)) and therefore no Findings or determination of significance are required under SEQRA.

Section 4. No additional Financial Assistance is being requested by the Assignor or the Assignee with respect to the Proposed Transaction, and, therefore, no public hearing of the Agency is required pursuant to Section 859-a of the Act.

Section 5. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the requested consent.

Section 6. The Agency has considered the request made by the Assignor and the Assignee and hereby finds and determines that the requested consent will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York,

and improve their standard of living, and thereby serve the public purposes of the Act. Accordingly, the Agency hereby approves the Proposed Transaction as set forth in the Consent Request, subject to the provisions of this Resolution.

Section 7. The Acting Chair, Vice Chair, Chief Executive Officer/Executive Director, Chief Financial Officer and Administrative Director of the Agency are each hereby authorized, acting individually or jointly, to execute, acknowledge and deliver the Amendment Documents. The execution and delivery of the Amendment Documents by any one of said officers shall be conclusive evidence of due authorization and approval.

Section 8. The execution and delivery of the Consent Documents by any one of said officers shall be conclusive evidence of due authorization and approval.

Section 9. The authorizations set forth in this Resolution are subject to the conditions that (i) the Agency is not consenting herein to the undertaking of any construction, renovation, installation or equipping of the Project Facility; (ii) all necessary due diligence will be conducted as to the Assignee and its principals and the results of same shall be satisfactory to Staff of the Agency; and (iii) the Assignor or the Assignee shall pay the Agency's consent and amendment fee in the amount of \$99,594.82 and reimburse the Agency for all costs and expenses incurred by the Agency in connection with the transactions contemplated herein, including, without limitation, all reasonable attorneys' fees and disbursements incurred by the Agency, including without limitation, the fees and expenses of Special Counsel, Phillips Lytle LLP.

Section 10. No covenant, stipulation, obligation or agreement herein contained or contained in any Amendment Document or any Consent Document shall be deemed to be a covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity and neither the members of the Agency nor any officer executing any Amendment Document or any Consent Document shall be liable personally on the Amendment Documents or the Consent Documents or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 11. The Acting Chair, Vice Chair and Chief Executive Officer/Executive Director of the Agency, acting individually or jointly, are hereby authorized to approve modifications to the terms approved herein which are not inconsistent with the intent and substance of this Resolution, such approval to be evidenced by the execution by such officer of the Amendment Documents and/or the Consent Documents containing such modifications.

Section 12. Notwithstanding any provision in the Transaction Documents to the contrary, the Agency's consent does not and shall not be construed to mean that there are no defaults or events of default under the Lease Agreement, the Project Agreement or any other Transaction Document or that any such defaults or events of default have been or shall be waived by the Agency.

Section 13. The Acting Chair, Vice Chair, Chief Executive Officer/Executive Director and Administrative Director of the Agency, acting individually or jointly, are hereby authorized and directed to distribute copies of this Resolution to the Assignor, Assignee and such other parties as any such officer may determine.

Section 14. It is expressly understood that no provision of this Resolution shall be interpreted as permitting any waiver of any default by the Assignee occurring on or after the effective date of its assumption of the Company Lease, the Lease Agreement and the other Transaction Documents.

WHEREAS, a portion of the Financial Assistance consisting of an exemption from real property taxes, if granted, may represent a deviation from the Agency's uniform tax exemption policy with respect to the making of payments in lieu of real property taxes; and

WHEREAS, any approval of the Project is contingent upon, among other things, a final determination by the members of the Agency to proceed with the Project following determinations by the Agency that: (A) the public hearing and notice requirements and other procedural requirements contained in the Act relating to the Project and the Financial Assistance have been satisfied; and (B) the undertaking of the Project by the Agency and the granting of the Financial Assistance are and will be in compliance with all other applicable requirements of the Act, Article 8 of the Environmental Conservation Law (the "SEQR Act") and the regulations adopted pursuant thereto (the "Regulations" and together with the SEQR Act, collectively, "SEQRA"), and all other statutes, codes, laws, rules and regulations of any governmental authority having jurisdiction over the Project or the Project Facility (collectively, the "Applicable Laws"); and
