Re: 600 Grumman West LLC/600 Grumman Road West, Bethpage, New York
Amended Application for Financial Assistance

Mr. Shrenkel:

Enclosed please find: (i) an amended application for financial assistance (the "Application") for 600 Grumman West LLC (the "Applicant"); (ii) a Short Environmental Assessment Form relating to the above-reference project (the "Project") located at 600 Grumman Road West, Bethpage, New York (the "Property"); and (iii) a check in the amount of \$11,000.00 representing the Counsel Fee Deposit, the Cost/Benefit Deposit and the Valuation Deposit (each as defined in the Application).

As you may recall, the Nassau County Industrial Development Agency (the "Agency") issued a Preliminary Inducement Resolution on April 28, 2022, based on the prior application the Applicant submitted in 2022. The Applicant subsequently withdrew this earlier application.

Under the current Application, the Applicant requests that the Agency grant a Sales and Use Tax Exemption in the amount of \$2,038,083, in connection with the construction of a new building on the Property. The Application seeks this exemption so that it can begin purchasing steel and other required materials to construct the building. The Applicant estimates that undertaking this project will create approximately 150 full-time equivalent construction jobs.

The Applicant is negotiating with prospective users that are not parties to this Application. The Applicant and/or such prospective user(s) intend to submit a second application to the Agency within the coming months, seeking real estate tax abatements through a PILOT agreement which would take effect after the completion of construction of the facility. Each of the prospective users the Applicant is negotiating with have required accelerated construction and thus the Applicant must start the process before the prospective user(s) enter into an agreement. The Applicant anticipates that the prospective user(s) will create a significant number of jobs, although the precise number of jobs has not yet been determined.

By this letter, I ask that the Agency place this matter on its September calendar and schedule the

required public hearing on the grant of financial assistance in the form of the Sales and Use Tax Exemption prior to the Agency's September meeting, so that the Agency may consider the Application at that meeting.

**CERTIFICATION AND AGREEMENT
WITH RESPECT TO FEES AND COSTS**

Capitalized terms used but not otherwise defined in this Certification and Agreement shall have the meanings assigned to such terms in the Application.

The undersigned, being duly sworn, deposes and says, under penalties of perjury, as follows: that I am the chief executive officer or other representative authorized to bind the Applicant named in the attached application for financial assistance ("Application") and that I hold the office specified below my signature at the end of this Certification and Agreement, that I am authorized and empowered to deliver this Certification and Agreement and the Application for and on behalf of the Applicant, that I am familiar with the contents of said Application (including all schedules, exhibits and attachments thereto), and that said contents are true, accurate and complete to the best of my knowledge and belief.

The grounds of my belief relative to all matters in the Application that are not based upon my own personal knowledge are based upon investigations I have made or have caused to be made concerning the subject matter of this Application, as well as upon information acquired in the course of my duties and from the books and records of the Applicant.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that the Applicant hereby releases the Nassau County Industrial Development Agency, its members, officers, servants, attorneys, agents and employees (collectively, the "Agency") from, agrees that the Agency shall not be liable for and agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency harmless from and against any and all liability, damages, causes of actions, losses, costs or expenses incurred by the Agency in connection with: (A) examination and processing of, and action pursuant to or upon, the Application, regardless of whether or not the Application or the financial assistance requested therein are favorably acted upon by the Agency, (B) the acquisition, construction, reconstruction, renovation, installation and/or equipping of the Project by the Agency, and (C) any further action taken by the Agency with respect to the Project; including, without limiting the generality of the foregoing, (i) all fees and expenses of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other attorneys, experts and consultants (if deemed necessary or advisable by the Agency), and (ii) all other expenses (including attorneys' fees) incurred by the Agency in defending any suits, actions or proceedings that may arise as a result of any of the foregoing. If, for any reason whatsoever, the Applicant fails to conclude or consummate necessary negotiations or fails within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels, or neglects the Application or if the Applicant is unable to find buyers willing to purchase the total bond issue required or is unable to secure other third party financing or otherwise fails to conclude the Project, then upon presentation of an invoice by the Agency, its agents, attorneys or assigns, the Applicant shall pay to the Agency, its agents, attorneys or assigns, as the case may be, all fees and expenses reflected in any such invoice.

As an authorized representative of the Applicant, I acknowledge and agree on behalf of the Applicant that each of the Agency's general counsel, transaction/bond counsel, economic development consultant, real property tax valuation consultant and other experts and consultants is an intended third-party beneficiary of this Certification and Agreement, and that each of them may (but shall not be obligated to) enforce the provisions of the immediately preceding paragraph, whether by lawsuit or otherwise, to collect the fees and expenses of such party or person incurred by the Agency (whether or not first paid by the Agency) with respect to the Application.

Upon successful closing of the required bond issue or other form of financing or Agency assistance, the Applicant shall pay to the Agency an administrative fee set by the Agency (which amount is payable at closing) in accordance with the following schedule:

- (A) Taxable Bond Issues - Seven-tenths (7/10) of one percent (1%) for the first twenty million dollars (\$20,000,000) of total project costs and, if applicable, two-tenths (2/10) of one percent (1%) for any additional amounts in excess of twenty million dollars (\$20,000,000) of total project costs.
- (B) Tax-Exempt Bond Issues – Seven-tenths (7/10) of one percent (1%) of total project costs.

- (H) Changes of Ownership of Applicant – The Agency fee shall be determined on a case-by-case basis.
- (I) Other Modifications – The Agency fee shall be determined on a case-by-case basis, subject to the following:

applicable law.

Guided by the above stated schedule amounts, upon the termination of the financing of the Project, Applicant agrees to pay all costs in connection with any conveyance by the Agency to the Applicant of the Agency's interest in the Project and the termination of all related Project documents, including the fees and expenses of the Agency's general counsel, bond/transaction counsel, and all applicable recording, filing or other related fees, taxes and charges.

I further acknowledge and agree on behalf of the Applicant that, in the event the Agency shall have used all of its available tax-exempt bond financing allocation from the State of New York, if applicable, and shall accordingly be unable to obtain an additional allocation for the benefit of the Applicant, the Agency shall have no liability or responsibility as a result of the inability of the Agency to issue and deliver tax-exempt bonds for the benefit of the Applicant.
