WHEREAS, the Nassau County Industrial Development Agency (the “Agency”) is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, BSD LONG LIFE LLC, a limited liability company organized and existing under the laws of the State of Delaware and qualified to do business in the State of New York as a foreign limited liability company, on behalf of itself and/or the principals of BSD Long Life LLC and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the “Applicant”), has presented an application for financial assistance (the “Application”) to the Agency, which Application requests that the Agency consider

undertaking a project (the “Project”) consisting of the following: (A)(1) the acquisition of an interest in an approximately 0.73 acre parcel of land located at 367 W. Park Avenue, City of Long Beach, Nassau County, New York (Section: 59; Block: 46; Lots: 41-56) (the “Land”), (2) the renovation of the existing approximately 33,000 square foot building on the Land (the “Building”), together with related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery, equipment and building materials (the “Equipment”) necessary for the completion thereof (collectively, the “Project Facility”), all of the foregoing for use by the Applicant as a multi-tenant commercial mixed-use facility; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, sales and use taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, pursuant to Article 8 of the New York Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York, being 6 N.Y.C.R.R. Part 617, et. seq., as amended (the “Regulations” and collectively with the SEQR Act, “SEQRA”), the Agency must satisfy the requirements contained in SEQRA prior to making a final determination whether to undertake the Project; and

WHEREAS, pursuant to SEQRA, to aid the Agency in determining whether the Project may have a significant adverse impact upon the environment, the Agency has completed, received and/or reviewed (1) the Application; (2) Part 1 of the Short Environmental Assessment Form (“EAF”) for Unlisted Actions, dated December 3, 2025; (3) an Aerial Map; (4) Google Images of the Building and the Land; (5) the New York State Historic Preservation Office’s Cultural Resources Information System Mapper; and (6) other relevant environmental information (collectively, 1-6 shall be referred to as the “Environmental Information”); and

WHEREAS, prior to making a recommendation about the potential environmental significance of the Project, the Agency has reviewed the Environmental Information, consulted various information sources, and considered the list of activities that are Type I Actions outlined in Section 617.4 of the Regulations, the list of activities that are Type II Actions outlined in Section 617.5 of the Regulations, and the criteria for determining significance outlined in Section 617.7 of the Regulations; and

WHEREAS, 6 NYCRR 617.5(ak) of the Regulations states that a Type II action is an action or class of actions identified under 6 NYCRR 617.5 that have been determined not to have a significant impact on the environment or are otherwise precluded from environmental review under the SEQR Act; and

WHEREAS, 6 NYCRR 617.5(c)(1) states that Type II actions not subject to further review under SEQRA include the “maintenance or repair involving no substantial changes in an existing structure or facility;” and

WHEREAS, 6 NYCRR 617.5(c)(2) states that Type II actions not subject to further review under SEQRA include the “rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in Section 617.4 of this Part;” and

WHEREAS, 6 NYCRR 617.5(c)(18) states that Type II actions not subject to further review under SEQRA include the “reuse of a residential or commercial structure, or of a structure containing mixed residential and commercial uses, where the residential or commercial use is a permitted use under the applicable zoning law or ordinance, including permitted by special use permit, and the action does not meet or exceeds any of the thresholds in section 617.4 of this Part;” and

WHEREAS, 6 NYCRR 617.5(c)(31) states that Type II actions not subject to further review under SEQRA include the “purchase or sale of furnishings, equipment or supplies, including surplus government property, other than land, radioactive material, pesticides, herbicides, or other hazardous materials;” and

WHEREAS, any land transfer is being undertaken solely to effectuate the Financial Assistance to facilitate the Project and the Agency will only be the nominal title holder for as long as is necessary to effectuate the Financial Assistance;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon a thorough review and examination of the Environmental Information and upon the Agency’s knowledge of the area surrounding the Land and such further investigation of the Project and its environmental effects as the Agency has deemed appropriate, the Agency makes the following findings with respect to the Project:

(1) The Project is a Type II action under 6 NYCRR 617.5(c)(1), (2), (18), and (31), precluded from further environmental review as it involves the interior rehabilitation and upgrade, including the incorporation of energy efficiency features, of an existing, vacant 33,000-sq.ft. office building to Class A office space with the addition of small ground-floor retail use where the uses are permitted and the action does not meet or exceed any of the thresholds in 6 NYCRR 617.4.

(2) The Project includes the interior improvement of the existing building to create a more open interior office environment and enhance the lobby and its conference rooms as well as general systems repair, modernization and upgrades to both the HVAC and elevators and façade

improvements. The Project will not expand the footprint of the Building nor increase or substantially alter existing environmental conditions on the Land.

Section 2. The Chairman, the CEO/Executive Director and the Administrative Director of the Agency are hereby further authorized on behalf of the Agency, or acting together or individually, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

RESOLUTION AUTHORIZING A DEVIATION FROM THE UNIFORM
TAX EXEMPTION POLICY OF THE NASSAU COUNTY
INDUSTRIAL DEVELOPMENT AGENCY WITH RESPECT
TO A PROJECT FOR BSD LONG LIFE LLC

WHEREAS, the Nassau County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, BSD LONG LIFE LLC, a limited liability company organized and existing under the laws of the State of Delaware and qualified to do business in the State of New York as a foreign limited liability company, on behalf of itself and/or the principals of BSD Long Life LLC and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the "Applicant"), has presented an application for financial assistance (the "Application") to the Agency, which Application requests that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in an approximately 0.73 acre parcel of land located at 367 W. Park Avenue, City of Long Beach, Nassau County, New York (Section: 59; Block: 46; Lots: 41-56) (the "Land"), (2) the renovation of the existing approximately 33,000 square foot building on the Land (the "Building"), together with related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery, equipment and building materials (the "Equipment") necessary for the completion thereof (collectively, the "Project Facility"), all of the foregoing for use by the Applicant as a multi-tenant commercial mixed-use facility; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, sales and use taxes and mortgage

recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Application states that the Applicant is seeking an exemption from real property taxes with respect to the Project Facility that constitutes a deviation from the Agency’s Uniform Tax Exemption Policy (the “Tax Exemption Policy”); and

WHEREAS, pursuant to Section 874(4) of the Act, (A) the CEO/Executive Director of the Agency caused a letter dated September 11, 2026 (the “Pilot Deviation Notice Letter”) to be mailed to the chief executive officer of each affected tax jurisdiction (and to the district clerk of the applicable school district), informing said individuals that the Agency would, at its meeting on September 24, 2026 (the “IDA Meeting”), consider a proposed deviation from the Tax Exemption Policy with respect to the payments in lieu of real property taxes to be made pursuant to a payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this resolution, the members of the Agency have considered the following factors, which include the factors set forth in the Tax Exemption Policy: (1) the extent to which the Project would create or retain permanent jobs; (2) the extent to which the Project would create construction jobs; (3) the estimated value of tax exemptions to be provided with respect to the Project; (4) the amount of private sector investment generated or likely to be generated by the Project; (5) the likelihood of the Project being accomplished in a timely manner; (6) the extent of new revenue that would be provided to affected tax jurisdictions as a result of the Project; (7) whether affected tax jurisdictions would be reimbursed by the Applicant if a Project does not fulfill the purposes for which an exemption was provided, (8) the impact of the Project on existing and proposed businesses and economic development projects in the vicinity, (9) the demonstrated public support for the Project, (10) the effect of the Project on the environment, (11) the extent to which the Project would require the provision of additional services, including, but not limited to, additional educational, transportation, police, emergency, medical or fire services, (12) the extent to which the Project would utilize resource conservation, energy efficiency, green technologies, and alternative and renewable energy measures, (13) the extent to which the Project would provide onsite child care services or otherwise facilitate new child care services, and (14) any other miscellaneous public benefits that might result from the Project.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Project and that the Base Year PILOT Amount (as defined in the PILOT Deviation Notice Letter) would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the date of the latest available data.

Section 4. The Chair, Administrative Director and CEO/Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the "Transaction"), the Chair, CEO/Executive Director and Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant, providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the formula set forth in the Pilot Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

William H. Rockensies	VOTING
John Coumatos	VOTING
Raymond Pinto	VOTING
Reginald A. Spinello	VOTING
Marco Troiano	VOTING
Joseph Manzella	VOTING

CONN

NOTICE OF PROPOSED DEVIATION FROM
UNIFORM TAX EXEMPTION POLICY

Ladies and Gentlemen:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the "Agency") to be held on September 24, 2026 at 6:15 p.m. local time at the Nassau County Executive and Legislative Building, Legislative Chambers, 1550 Franklin Avenue, Mineola, New York 11501, the Agency will consider whether to approve the application of the Applicant (as defined below) for certain "financial assistance" which, if granted, would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes with respect to the Project Facility (as defined below). The meeting of the Agency will be open to the public.

BSD LONG LIFE LLC, a limited liability company organized and existing under the laws of the State of Delaware and qualified to do business in the State of New York as a foreign limited liability company, on behalf of itself and/or the principals of BSD Long Life LLC and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the "Applicant"), has presented an application for financial assistance (the "Application") to the Agency, which Application requests that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in an approximately 0.73 acre parcel of land located at 367 W. Park Avenue, City of Long Beach, Nassau County, New York (Section: 59; Block: 46; Lots: 41-56) (the "Land"), (2) the renovation of the existing approximately 33,000 square foot building on the Land (the "Building"), together with related improvements to the Land, and (3) the acquisition of certain furniture, fixtures, machinery, equipment and building materials (the "Equipment") necessary for the completion thereof (collectively, the "Project Facility"), all of the foregoing for use by the Applicant as a multi-tenant commercial mixed-use facility; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from real property taxes, sales and use taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency.

The Application states that the Applicant is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant an approximately fifteen (15) year real property tax exemption (the "Property Tax Exemption") with respect to the Project Facility as follows: payments shall be equal to one hundred percent (100%) of the real property taxes and assessments that should be levied upon the Project Facility as of Year 1 of the PILOT Term without taking into consideration the transfer of ownership, jurisdiction, supervision or control of the Project Facility to the Agency (the "Base Year PILOT Amount"), which Base Year PILOT Amount would be payable each fiscal tax year for a period of two (2) fiscal tax years

without increase, followed by a period of two (2) fiscal tax years with annual increases of 1% (compounded) each fiscal tax year (i.e., Years 3-4 of the term of the PILOT), followed by a period of eleven (11) fiscal tax years with annual increases of 2% (compounded) each fiscal tax year (i.e., Years 5-15 of the term of the PILOT) (collectively, the "PILOT Term").

Thereafter, and through the end of the term of the lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

In calculating the Base Year PILOT Amount, the Agency shall take into account the latest assessment data (i.e., assessed value and tax rates) available as of the closing, including, without limitation, any applicable approved tax certiorari stipulation or other settlement or arrangement with the applicable tax assessor(s). The Base Year PILOT Amount shall be reduced by any special taxes, assessments or levies that the Applicant is required to pay separately to the affected tax jurisdictions.

Year 1 of the PILOT Term shall mean the first fiscal tax year of each of the affected tax jurisdictions following the first taxable status following the closing of the proposed transaction and filing of the appropriate application(s) for exemption. The portion of each annual PILOT payment shall be allocated among the affected tax jurisdictions in proportion to the amount of real property taxes that would have been received by each affected tax jurisdiction had the Project Facility not been tax exempt due to the status of the Agency.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the Base Year PILOT Amount would not be lower than the real property taxes that should otherwise apply with respect to the Land and the existing improvements thereon as of the date of the latest available data.

Sincerely,

NASSAU COUNTY INDUSTRIAL
DEVELOPMENT AGENCY

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. In accordance with Section 859-a of the Act, the Agency has caused to be prepared a written cost-benefit analysis with respect to the Project and the granting of the Financial Assistance (the “Analysis”). The Agency has reviewed the Application, the Analysis and the Report and, based upon the representations made by the Applicant to the Agency and the facts and information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting (including, without limitation, the facts and information set forth in the Staff Review of the Application), the Agency has reviewed and assessed all material information necessary to afford a

reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated including the prevention of economic deterioration, the job opportunities to be created and/or maintained by the Project, the Project will constitute a commercial facility and, therefore, the Project constitutes a “project” within the meaning of the Act;

(b) the granting of the Financial Assistance by the Agency to the Applicant is necessary to induce the Applicant to proceed with the Project;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicant;

(d) the completion of the Project Facility by the Applicant as agent of the Agency, the granting of an interest therein by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the “State”) to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of Nassau County), except in compliance with subdivision (1) of Section 862 of the Act. Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicant;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(g) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Nassau County, New York and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act; and

(h) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this representation, “retail sales” shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the CEO/Executive Director and the staff of the Agency with respect to the Application, the IDA Meeting and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP, Garden City, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at the Public Hearing, the IDA Meeting or otherwise in connection with the Project, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance, subject to the terms of this Resolution.

Section 5. The Agency hereby approves the Applicant as the lessee/sublessee under the Project Agreement, authorizes the Applicant to act as its agent for purposes of undertaking the acquisition, renovation, installation and equipping of the Project Facility, and hereby approves the Applicant as the recipient of the Financial Assistance. The Agency hereby approves the granting of the Financial Assistance in the form of (i) exemptions from sales and use taxes in an amount not to exceed \$258,750.00, in connection with the purchase or lease of furniture, fixtures, equipment, building materials, services and other personal property with respect to the acquisition, renovation, installation and equipping of the Project Facility, (ii) exemptions from mortgage recording tax (excluding the portion of the mortgage recording tax allocated to transportation districts referred to in Section 253(2)(a) of the Tax Law of the State of New York), for one or more mortgages (other than the PILOT Mortgage) securing the principal amount not to exceed \$6,500,000.00 in connection with the financing of the acquisition, renovation, installation and equipping of the Project Facility and any future financing, refinancing or permanent financing of the costs of acquiring, renovating, installing and equipping the Project Facility, and (iii) exemptions from real property taxes having an estimated net present value to the Applicant of \$25,738.33 assuming the Project would proceed without the Financial Assistance and a net present cost to the affected tax jurisdictions of \$25,738.33 assuming that the Project would not be undertaken without the Financial Assistance, all consistent with the deviation set forth in the Deviation Notice, for the reasons set forth in the

Deviation Notice and after consideration of the factors listed in the Deviation Notice, including those set forth in the Tax Exemption Policy.

Section 6. The Agency is hereby authorized to (a) acquire an interest in the Project Facility pursuant to the Bill of Sale to Agency and the other Transaction Documents, (b) grant an interest in the Project Facility pursuant to the Project Agreement and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) execute the PILOT Mortgage for the sole purpose of encumbering its interest in the Project Facility or accept such other collateral as the Chair, the Vice Chair or the CEO/Executive Director shall determine to secure the performance by the Applicant of its obligations under the PILOT Agreement, (e) execute one (1) or more fee and leasehold mortgage, assignment of rents and leases, and security agreements in favor of such bank, governmental agency or financial institution as the Applicant may determine (such bank, governmental agency or financial institution, the "Bank"), encumbering the Project Facility, solely to subject the Agency's interest in the Project Facility to the lien thereof, all to secure one (1) or more loans made by the Bank to the Applicant with respect to the Project Facility, and (f) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 7. The form and substance of the Project Agreement, the Bill of Sale to Agency, the Environmental Indemnification, the PILOT Agreement, the PILOT Mortgage and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chair, the Vice Chair or the CEO/Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chair, the Vice Chair, the CEO/Executive Director and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Project Agreement and the other Transaction Documents, and any document with or in favor of the Bank to which the Agency is a party, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 8. The Chair, the Vice Chair, the CEO/Executive Director and the Administrative Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Project Agreement) of the Agency.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to

cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 10. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chair, the Vice Chair and CEO/Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 11. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with such terms and conditions with respect to the Project and hereby direct Special Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 12. The Chair, the Vice Chair, the CEO/Executive Director and the Administrative Director of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 12. Notwithstanding any provision in the Transaction Documents to the contrary, the Agency's consent does not and shall not be construed to mean that there are no defaults or events of default under the Lease Agreement, the Project Agreement or any other Transaction Document or that any such defaults or events of default have been or shall be waived by the Agency.

Documents or the Consent Documents or be subject to any personal liability or accountability by reason of the issuance thereof.

The Acting Chair, Vice Chair and Chief Executive Officer/Executive Director of the Agency, acting individually or jointly, are hereby authorized to approve modifications to the terms approved herein which are not inconsistent with the intent and substance of this Resolution, such approval to be evidenced by the execution by such officer of the Amendment Documents and/or the Consent Documents containing such modifications.

Section 12. Notwithstanding any provision in the Transaction Documents to the contrary, the Agency's consent does not and shall not be construed to mean that there are no defaults or events of default under the Lease Agreement or any other Transaction Document or that any such defaults or events of default have been or shall be waived by the Agency.
